**2. Application Number 18/02229/FUL**

**Address Land Between 94 and 96 Wheel Lane, S35 8RN**

**Withdrawn Item**

On further examination of the most recently submitted amendments, it is clear that there are significant discrepancies between the proposed site plan, the key section plan, and the position of the neighbouring property (no.98) as superimposed on the proposed East elevation (drawing numbers A (PL) – 001 Rev M , and A (PL) – 016 Rev E). Both the site section drawing and east elevation indicate the proposed dwelling closer to the Wheel Lane site frontage than the proposed site plan. It is not possible to make a decision on the application with this contradictory information.

The clarification of these matters will require further assessment and notification of interested parties.

The application is therefore withdrawn from this agenda and will not be considered at today's meeting.

**3. Application Number 18/00762/FUL**

**Address 55 Tapton Crescent Road, S10 5DB**

**Additional Condition**

Before development is commenced, full street context plans shall be submitted to, and approved by, the Local Planning Authority. Such plans shall be annotated with accurate surveyed heights (above a defined datum) for both ridge and eaves height for both the proposed buildings and the flanking adjacent properties on Tapton Crescent Road (Nos. 53 and 57).

Reason: In order to definitively establish the proposed ridge heights relative to existing buildings in the interest of the visual amenity of the locality

**4. Application Number 18/02659/RG3**

**Report Correction and Updated Recommendation**

Members should be aware that references in the report to the Traffic Regulation Order process having been completed are incorrect. The process is ongoing and there are currently outstanding objections.

Until these are resolved, a final recommendation cannot be made and it is therefore recommended that consideration of this application is deferred.
