#### 1. **TITLE**

Electric Refuse Collection Vehicle: Testing in Real World Environments - Acceptance of Collaboration Agreement and Funding

#### 2. **DECISION TAKEN**

That the Director of Business, Strategy and Regulation:-

(i) approves the collaboration agreement that will be used to deliver the project; and

(ii) notes the successful bid of the £220,000 grant and delegates to the Director of Finance and Commercial Services and Director of Legal and Governance and Executive Director, People Services, the power to finalise the grant funding agreement in accordance with council procedures.

#### 3. **Reasons For Decision**

By accepting the grant, the Council will be taking part in a project that if successful, will put Sheffield at the forefront of the transition to zero emission medium and heavy goods vehicles.

The Council will also benefit from having two zero emission refuse collections on the Veolia fleet in Sheffield following the completion of the trial.

#### 4. **Alternatives Considered And Rejected**

The only alternative option was to reject the opportunity of being part of the project.

#### 5. **Documents used in making decision:**
