

## **SHEFFIELD CITY COUNCIL**

### **OFFICER EXECUTIVE DECISION RECORD (Non Key)**

The following Category 2 decision was taken on 24 June 2020 by an authorised Director from the Coronavirus (COVID-19) Incident Management Group, in accordance with the Council's Covid-19 Decision Making Schema.

Date notified to all Members: Wednesday 8 July 2020

Decisions under the “**Making decisions during the Covid-19 crisis: Sheffield City Council Schema**”, made as an urgent response to issues connected with the coronavirus crisis, have been removed from the call-in process, and are therefore not subject to call-in for scrutiny.

1. **TITLE**

School Crossing Patrol Wardens

2. **DECISION TAKEN**

To reintroduce School Crossing Patrol Wardens at 5 sites where social distancing rules can be met, but with associated temporary works and full PPE provision.

3. **Reasons For Decision**

It is proposed to reintroduce the service at the 5 sites where social distancing rules can be met, in preference to the alternative of not returning any Wardens for the remaining 5 weeks of the school term (as in most cases we cannot ensure safe social distancing). This decision reflects a balance of child safety and Covid-19 risks, and it should be ensured that the Council's existing PPE practises are followed.

The numbers attending school will be very low (10% currently) and of those pupils that will be attending, most will be accompanied by a parent or carer, as demonstrated by on site surveys carried out in the business as usual scenario.

Preparation will be made for a full return to work for the new school year in September 2020.

4. **Respective Director Responsible for Implementation**

Director of City Growth, Place Portfolio.
