13.2 The owner of the business at Parker's Yard (Page 323, Item 12) made representations in respect of enforcement action involving his company. He referred to working closely with officers on an alternative site for his business, but following work undertaken on the site, the landowner had withdrawn from a proposed agreement for the business to relocate there. In consideration of this matter it was strongly urged that more time be given than the proposed 16 weeks to secure the company's future. It was explained that the business, as now located, was in a commercial area and that recently there had been no complaints concerning its activities.
