Please see the website or contact Democratic Services for details of the Council's protocol on audio/visual recording and photography at council meetings.

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Interim Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

The Premises Licence holder fully understands his roles and responsibilities concerning the four licensing objectives obtained within the 2003 Licensing Act, a comprehensive breakdown of these objectives and how to ensure they are met are detailed below. The premises serves the local community within a 3 mile radius for pizza takeaway and delivery. 70% of the orders taken are for home delivery.

b) The prevention of crime and disorder

The applicant has installed to the premises a CCTV recording system with 30 day recording capability to ensure the prevention of crime & disorder. The CCTV system will be in accordance with Police recommendations. The CCTV system will cover all key areas. All members of staff shall be trained to deal with suspicious customers efficiently. All CCTV recordings shall be available to local Police or relevant authorities upon request. Deliveries can be paid for over the phone at the point of order and by cash on delivery. Delivery drivers carry a small kitty of change for each delivery and return to the premises after each delivery to return any money taken from the customer. However, approx 60% of deliveries are paid for by card by the customer at point of order therefore minimising the amount of cash carried by any delivery driver. No member of the public has access to any staff areas of the premises as both the staff and customers have their own entrances to the premises.

c) Public safety

The installed and approved CCTV recording system of the premises with 30 days recording capability will monitor all public safety issues. The Premises Licence holder will be responsible for conducting a Fire Risk Assessment and also a Health & Safety Risk Assessment for the licensed premises. All notices in relation to public health & safety will be displayed at the premises. The Premises Licence holder will also ensure the premises will be operated in line with the Health & Safety Act and any environmental health issues will be the responsibility of premises licence holder and shift management.

d) The prevention of public nuisance

The Premises licence holder fully understands that it is their duty to prevent their business causing any nuisance to any local residents or businesses. They will monitor the external premises area in relation to any anti-social behaviour or public nuisance. The premises will only accept trade deliveries or rubbish collections during normal working hours. The premises shall ensure that any deliveries or collections are dealt with in a timely and prompt manner to reduce any risk of causing any nuisance. Refuse collections are made on a regular basis. The kitchen extraction unit is well filtered to ensure that no noxious smells emit from the premises. The premises licence holder and their staff will monitor the exterior of the premises to ensure litter is kept to a minimum. In the event of any anti-social behaviour both inside and outside of the premises, the premises licence holder will make any CCTV recordings available to the local Police.

AG

e) The protection of children from harm

As the premises is a takeaway business with a large proportion of its business being that of home delivery, there is a reduced risk of any risk to any minors. The premises will not be retailing any age restricted products. Any children who do enter the premises for the purchase of a food order must be accompanied by a responsible adult at all times.
As there is no access to any member of the general public to the staff areas including the kitchens, there is no risk of a child suffering an accident within those areas, especially where the hot pizza ovens are concerned.

COMMENT:

Licensing application by Papa Johns, 289 Ecclesall Rd, S11 8NX

I object to this application as it goes well beyond the accepted 11.30pm closing time for licensed premises and takeaways in this area. The processes for Planning and Licensing are totally separate but I feel it is appropriate to bring to your attention the recent planning application for later opening hours by Chunky's takeaway, 283 Ecclesall Road. The application (ref 13/01367/CHU) was refused and an appeal was lodged which was also refused. This is an extract from the Appeal Decision:

"The extension of the takeaway opening times as proposed would result in the unit being open later than surrounding businesses, with the exception of one nearby bar. As such the takeaway is likely to draw custom from patrons leaving public houses and bars at closing time resulting in increased activity in the area around the appeal property. Such activity could take the form of people congregating in the vicinity of the site, noise from talking and shouting and an increase in vehicle movements with attendant engine noise and noise from car doors closing. As a result there would be greater noise and disturbance to local residents, above that which currently exists, causing significant harm to living conditions. "

Papa Johns 289 Ecclesall Road Application to extend opening hours till 5am

Broomhall Park Association Objection

On behalf of all our members, we would like to present our objections to this application in the strongest possible terms on the grounds of prevention of public nuisance and protection of children from harm.

The residents of the Broomhall Conservation Area (bounded roughly by the Ecclesall Road, Broomgrove Road, Clarkehouse Road, Brunswick Street and Wharnecliffe Road) are characterised by a mix of families, many with young children, students from the two universities, and elderly people in residential care homes. Our organisation, and a number of others in the area, make strenuous efforts to ensure that all these groups live in harmony and with consideration for each other. Inevitably, there are times when tensions arise, most commonly when exuberant young people, often away from home for the first time, are lured into poor behaviour by the overconsumption of alcohol. Fast food is frequently seen as an antidote, as evidenced by the large numbers of both types of premises in close proximity. We have objected on a number of occasions to the increasing number of licensed premises in the Ecclesall Road and to the great numbers of fast food outlets. The public nuisance created by the clientele of these establishments has led many of our residents to complain to the police on a frequent basis. The longer the opening hours, the greater the nuisance, as the noise of people coming home long after midnight and often right up till dawn, keeps many residents awake. Having fast food outlets open till 5am effectively prolongs noise and, therefore, disturbance of sleep, till the time early commuters are beginning to park in our area. On the health grounds of sleep deprivation alone, we would beg you not to allow any more late opening on the Ecclesall Road.

Noise alone, however, is by no means our only grounds for objecting to the issuance of this license to extend opening hours to 5am on the grounds of its creating a public nuisance. There is also the nuisance of littering. The streets and gardens of our area are littered continuously with discarded packaging from fast food outlets. Frequently, they still contain food remnants (and worse) which are the target for scavenging rats, foxes and badgers. Many of the foxes carry distemper; all these animals carry fleas. There are three nursery schools in our area, all with outside play facilities. The potential harm to children's health posed by diseased scavengers is incalculable.

In conclusion, we ask that you reject the current application for an extension of opening hours to 5am from 289 Ecclesall Road.

Thank you for your consideration.

To whom it may concern

I wish to object to the application by Papa Johns Ecclesall Road for an extension to their opening hours till 5am.

I wish to object under the category of public nuisance. I am widowed, I live alone at [REDACTED] Ecclesall rd not far from Papa Johns. I wish to remind the licensing committee that Ecclesall road is first and foremost a residential street, contrary to popular belief there are many families living on this road. We already have to put up with noise and nuisance from the many HMO housing about 6 students to a house. The universities and landlords are working hard to ensure the students understand they are living in a family residential area. The universities encourage the students to move through the area quietly after hours (from midnight) having a food outlet open until 5am goes against this approach the area has worked hard to support and will encourage loitering and noise. If this business cannot make a commercial success whilst open till 11.30pm then it is in the wrong place.

Subject: FW: Papa John's Pizzeria 289 Ecclesall Rd S11 8NX

Importance: High

Dear Sirs,

I am writing in connection with the licensing application to extend the opening hours of the Papa John's Pizzeria situated at 289 Ecclesall Rd S11 8NX.

I would urge the licensing authorities to reject the application on the following grounds;

The prevention of public nuisance

Although the Ecclesall Rd is a busy thoroughfare a large number of people live on Ecclesall rd and the roads bordering it. If the Pizzeria were to be allowed to open until 05.00 it would encourage additional traffic to the area when the vast majority of people are asleep. Currently we frequently awoken by noisy passers-by and this proposal could only worsen things. How can it be equitable for the sleep of a large number of people to be disturbed by a minority of late night revellers?

Public Safety

This area of Ecclesall Rd dates from Victorian times and we have a problem with collapsed sewers, broken conduits etc. As a result is we have a sizeable rat population. This is worsened by the considerable amount of discarded fast food packaging which litters the streets. It is unlikely that the customers who frequent take-away food outlets at 5.00am will take great care to carefully dispose of their litter, see the rubbish originating from Harlequins, nearby on Ecclesall Rd, which is licensed to open until very late.

The protection of children from harm

A number of young children live in locality, both on Ecclesall Rd and in properties backing onto Ecclesall Rd. Currently their sleep is disturbed by customers frequenting premises on Ecclesall rd and it would be harmful for them if this problem were to be allowed to worsen.

In conclusion I would like to make a more general point. The standard of life for people living alongside the Ecclesall rd from Sunny Bank up to Hunters Bar is being gradually eroded as establishments which should be located in the city centre are allowed to trade within a residential area. If this trend continues people will choose not to live in the area. Already Dover Rd is no longer as enviable place to live as it was a few months ago. The Council needs to value the vibrant mix found here, both of shops, bars, restaurants, and residential. Without the residents the area would suffer and a valuable resource for Sheffield will be lost.

Do please contact me if you need any more information.

Kind Regards

Judith Harrison,
