ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

 N/A

M Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 11)

[The information provided in this box is solely for information only and not intended to be converted into conditions on the licence]

We have considered the impact of the proposed variation which seeks primarily to extend the terminal hour for licensable activities to midnight on Sundays. We are also extending opening hours and films only to start from 07:00 for breakfast opening, removing obsolete conditions and amending a condition as to the beer garden following consultation and agreement with the Environmental Health Officer as well as adding additional non-standard timings for notable days, following consultation with the Police Licensing Officer.

Given the changes proposed, the applicant has carefully considered the application, the effect on the licensing objectives and the Council's Licensing Policy. In particular, the applicant notes that the premises falls within Sheffield Council's areas nearing levels of stress (Broomhill). I note that however this is a licensed with food and drink offer and not a 'late night refreshment premises' which is referred to as the 'reason for concern' in Broomhill within the Council's Policy. Additionally, the applicant is not making an application for a new premises licence but a specific variation of an existing licence primarily with regards to Sunday timings for licensable activities and opening hours. Steps have been taken to ensure that the application and proposed operation will continue to promote the licensing objectives. In particular, we have been in close contact and undertaken pre consultation regarding the extension of hours proposed with the Police Licensing Officer (Tracey Klein and Lucy Adams) and the Environmental Health Officer (Bob Singh) and also the Licensing Authority prior to submission of the application. Their comments have been taken into account in considering and submitting this application.

The applicant believes the hours sought and amendments to conditions requested, coupled with the existing measures in place are unlikely to have an adverse effect on the licensing objectives nor add to public nuisance or additional crime, disorder and antisocial behavior in the area.

The purpose for seeking later hours on Sunday is to allow our customers, who want to continue their night in a safe and comfortable environment, to do so, rather than leave and go to another premise. Extending the terminal hour for licensable activities by one additional hour to midnight on Sundays will prevent double migration of customers leaving our premises and then entering other premises later on. The applicant feels the extension of the terminal hour for licensable activities and opening hours will ensure customers can stay in a well-managed, controlled and supervised environment premises for longer, if they wish, and that the later hours will allow a longer wind down period and a more gradual dispersal of customers from the premises, which can be managed and contained, reducing impact on the area and licensing objectives by a mass dispersal at any one time. This understanding reflects the Council's licensing policy with regards to licensing hours which states that, "We recognise that the best cities in the world offer a wider variety of choices around night time leisure uses, including later opening hours where this is appropriate."

We also note Stonegate Pub Company Ltd is a well experienced licensed operator with nearly 700 sites across the country, and have in place an extensive licensing manual detailing both company policies, appropriate across the whole estate, along with procedures in place at a local level to ensure the premises operates to the highest standard and promotes the licensing objectives. These include policies regarding social responsibility and underage sales, which promote responsible drinking and discourage drunkenness, as well as procedures to prevent crime and disorder, and public nuisance. The robust policies and procedures that are already in place will continue to operate, if the application is granted.

A13

Considering the above, we believe the variation application will not undermine the licensing objectives. The applicant believes that the existing measures in place, which will continue to be in place, will ensure the premises continue to promote the licensing objectives and the existing measures are adequate and further conditions are not appropriate

**Ref: Stonegate Pub Company limited, The Bloomery, Nile Street, Sheffield S10 2PQ
Notice of application to vary a Premises Licence under Section 34 of the Licensing Act 2003.**

Dear Sirs,

We have an objection to the above application detailed below. We also note that **this application is not advertised (as of today, the day before the deadline) on the council's on-line Licensing Applications Pending Application List pdf** and has therefore left some application reference detail unavailable to us and left uncertainty. A phone call to the office last week did not help. I do not know whether this lack of process is an unlawful condition. Please review it. It is ironic that a community decision is not shared with the community. You may wish to update the list and extend the deadline to allow our and other on-line searches of concerned parties including prospective residents moving to the area. Unless you physically pass by the notice on the site, then how would you be aware of this application? We can't help you and you cannot help us!

Our primary concern is related to noise and disturbance of the peace of the neighbourhood as already being endured due to the fact that existing limiting conditions are not being observed or enforced and which would be made worse by the proposed extension of hours (shown in the applications points 1,2,3).

As an example: Friday 26th May. This was a warm night and resulted in a crowd with drinks gathering outside the pub spilling and on to the pavements. This was a disturbance of the peace. This was creating a horrendous noise for residents in the housing immediately facing the pub and for ourselves where the sound was echoing through to us on Newbould Lane. This noise continued throughout the Friday evening till 11.45pm.

Current conditions are being disregarded. Our understanding is that the current conditions do not allow drinks to be taken outside at any time, yet this is happening. Similarly we also understand that current conditions also stipulated that the external double doors should be kept closed at all times to contain noise, yet these doors are routinely fixed in an open position.

Other concerns. (Applications points 4, 5, and 6)

Extension of start time (Application point 4). As a recent ruling by the Secretary of State has overruled a council decision and has allowed for tables outside the pub until 6pm latest, then extending start time from 11am to 7am means the possibility of noise outside quite early in the morning, and since there is a large student population there is uncertainty about how severe or not that this may be particularly for the residents facing the pub.

What is the reference to standard and non-standard timings?

C3

To remove obsolete conditions (Application point 5). Is this literally *obsolete* or really undesirable for the applicant? We have no detail about what this might mean (it is not on the pending applications pdf). We would object to a reduction in previously well-thought-out conditions that may adversely impact our community.

To amend and add additional non-standard timings on notable days. (Application point 6). Similarly we have no detail about what these means and what its' impact might be.

Yours faithfully,
Nielsen & Linda Kann

Hello Councillor Teal;

I can confirm that Nielsen and Linda Kanns' representation was received by the Licensing Service on 29th May 2017 and will therefore be considered as part of the application. They will be contacted by an officer in due course with regard to their concerns, either with a view to resolving issues or with an invite to a hearing of the Licensing Sub Committee where they will be expected to expand upon and present evidence in support of their representation.

I am currently investigating the reasons behind the apparent omission of this application from the Councils website. I have no discretion to extend the representation period as it is prescribed in statute. Indeed, had the information been on the website, there would be no extended information on that site and the only way to fully understand the full basis of the application is to actually view the application at the Licensing Service reception.

Turning to your representation on behalf of Cllr Magid, I would be grateful if you would expand upon your reasons for the same. Any representation must address any of the four key licensing objectives, together with supporting evidence. The four licensing objectives are;

- Public Safety
- Prevention of Public Nuisance
- Prevention of Crime and Disorder
- Protection of Children from Harm

As part of the application, several responsible authorities are consulted including South Yorkshire Police (for crime and disorder), the Councils Environmental Protection Service (Health and Safety and Noise Nuisance), Sheffield Safeguarding Children Board and also the Planning Service. I can tell you that at the time of writing this email that none of the responsible authorities have made any representations in respect of this application.

Please note that as it stands, your representation is not valid as it does not detail or evidence any risks to the key objectives. Should you wish to discuss matters further, please do not hesitate to contact me.

I attach a copy of the variation application for your use.

Subject: URGENT: Application to extend the license of The Bloomery, Broomhill

Hello Stephen and Licensing

I am acting on behalf of Cllr Magid in his absence. I have received correspondence from residents in Cllr Magid's ward regarding the The Bloomery applying for an extended license.

The residents, Nielsen & Linda Kann of 38 Newbould Lane, Broomhill, S10 2PL, wish to lodge an objection to the extension of the license for The Bloomery, however, there does not appear to be an application reference number. It is also the case that the application is not listed on the council website in the usual way. They have wondered, quite rightly, how can interested parties know about the license application if they do not walk right past and spot the notice on a pole outside the building?

Today is the closing date for objections. I therefore wish to add an objection on behalf of Cllr Magid. It is important to ensure that the wider community around The Bloomery have an opportunity to be made aware of the application so that they have the chance to make an objection. Can you please extend the closing date of this application and ensure it is available to be viewed on the website as a part of the Licensing Applications pending list?

I would appreciate a response today confirming the extension of the period of time to lodge an objection, and also that the application is correctly listed by the council on the website to be viewed by the public.

Thank you

Best wishes, Alison

Dear Mr & Mrs Kann,

I can confirm receipt of your representation, received 29/05/17;

I have been in contact with Bob Singh, Sheffield City Council Environmental Protection Officer (Noise Nuisance) regarding this application and I have discussed with him your objection. Bob is confident that the changes that Stonegate are applying for are not significant, and that Environmental Protection Service have no objections to this. He said that the Stonegate have every measure in place to comply with conditions to prevent noise disturbances. Bob Singh said that in the last 24 months no noise nuisance complaints had been received and he would happily discuss this with you if you wish to contact him, his mobile number is [REDACTED].

The solicitor that is dealing with this from Poppleston Allen Suraj Desor, also would like to speak to you to explain exactly what changes they are applying for. His telephone number is [REDACTED].

If after you discuss this with either Bob or the solicitor or both, you still wish to go ahead with your representation this will have to be heard by the Licensing subcommittee, you would be called upon to attend the subcommittee to put forward your concerns.

I hope we can resolve this matter to everyone's satisfaction.

Should you need any further information please do not hesitate to contact me.

Julia
