ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Report of: Chief Licensing Officer, Head of Licensing

Date: 13th July 2017

Subject: Street Trading
Application for a Static Street Trading Consent

Author of Report: Clive Stephenson

Summary: To consider an application for a Static Street Trading Consent at Fargate Sheffield City Centre

Background Papers: As attached
Street Trading Policy

Category of Report: OPEN

**REPORT OF THE CHIEF LICENSING OFFICER,
HEAD OF LICENSING TO THE LICENSING SUB COMMITTEE**

REF No: 82/17

LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

STREET TRADING – Cubbins Catering (German Sausage)

1.0 PURPOSE OF REPORT

1.1 To consider an application for the grant of a Static Street Trading consent to trade at Fargate Sheffield .

2.0 INTRODUCTION

2.1 The Council as a Licensing Authority have power under the provision of the 1982 Act to regulate Street Trading in the City.

2.2 A Street Trading Consent is required to trade on any Street (which includes roads, footways, forecourts, or other areas to which the public have access) within the Sheffield City Boundary.

2.3 The Licensing Committee at it's meeting of 29th January 2002 passed the following resolution:

1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:
 - (a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;
 - (b) such street trading designation shall take effect as from the 1st April 2002; and
 - (c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.
2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council.

2.4 A Local Authority may attach conditions to a Street Trading Consent. The conditions may include conditions to prevent obstruction of the street and danger to persons using the street or nuisance or annoyance.

2.5 A Street Trading Consent may only be granted for a maximum period of twelve months.

2.6 There is no appeal procedure against the refusal or revocation of any consent. An applicant may, however apply for judicial review of the Council's decision.

3.0 THE APPLICATION

3.1 The applicant is Joanne Cubbins a copy of the application is attached at Appendix 'A'.

3.2 The application was submitted on 17th May 2017.

3.3 The application is to hot food from a unit Monday to Sunday from 10.00 to 18.00.

3.4 The application was circulated, in the usual manner, to South Yorkshire Police, South Yorkshire Fire and Rescue, Highways and Planning, and City Centre Management. Notices were erected by Licensing Officers at the site advertising the application and notice was also given to shops and anyone that might be affected by the applications within the immediate vicinity.

3.5 No Objections have been received.

4.0 REASONS FOR REFERRAL

4.1 The application has been referred to the Sub-Licensing Committee for their consideration as the application falls outside of the Policy for the City Centre Street trading consent.

4.2 A copy of the Street Trading Policy – City Centre Criteria is attached at appendix B. The application doesn't meet the qualitative criteria for small trading stalls as set out at appendix 6 of the policy.

4.3 There is currently a hot and cold food outlet granted a consent for Fargate to trade between 09.00 and 19.00 Monday to Sunday.

4.4 The applicant has been invited to attend the Licensing Committee hearing. Copies of the invite is attached at Appendix 'C'.

4.5 A copy of the hearing procedure is attached at Appendix 'D'.

5.0 FINANCIAL IMPLICATIONS

5.1 The Street Trading Policy states that fees will be set and reviewed annually on a full cost recovery basis. The level of fee takes into account the location, duration of consent, the trading hours and articles to be sold as well as the enforcement of terms and conditions.

5.2 Fees for static consents are determined at the grant of the application therefore there are no financial implications arising from this report.

6.0 RECOMMENDATIONS

6.1 That Members consider all the relevant information available, any representations that may be made and our policy.

7.0 OPTIONS OPEN TO THE COMMITTEE

- 7.1 To grant the application for a Static Street Trading Consent at Fargate.
- 7.2 To grant the application with amendments.
- 7.3 To defer the matter for further consideration.
- 7.4 To refuse the grant of the Static Street Trading Consent .

To who it may concern

Hi

We are a local family run catering business operating in and around Sheffield city centre for over 18 years and last year we was voted the 2nd tastiest German Sausage stall in the uk, which we are proud of.

We would love the opportunity to fetch one of bespoke units into city

To operate on Fargate

We know the city well and have already built up a good relationship with local retailers and city council

We would like to fetch our Bespoke German Sausage stall on to Fargate as we feel this would work well and complement the city making a nice little place to grab a bite to eat

Our unit are first class and have 5*rating with a 5 million public liability all our staff have level 2

Thanks. J Cubbins MD

1.0 PART 1 - INTRODUCTION

1.1 Purpose of the Policy

- 1.1.1 Street activities are an essential ingredient of a vibrant and lively city and in Sheffield there is a strong demand for legitimate small scale street trading. They offer an opportunity for small businesses to get started with a relatively modest outlay.
- 1.1.2 The street trading scheme is part of Sheffield City Council's campaign to make Sheffield a more attractive and vibrant place and fits in with our Corporate Plan 2011-2014 which sets out Sheffield's strategic directions and priorities. The street trading policy supports the corporate priorities which include; '*Standing up for Sheffield*', '*Supporting and Protecting Communities*', '*Focusing on Jobs*' and being '*Business Friendly*'.
- 1.1.3 Sheffield's Street Trading Policy works alongside existing Council strategies (e.g. local crime prevention, planning, tourism, culture strategy and protection of children and vulnerable persons) and the Licensing Authority will ensure continuing co-ordination and integration of these policies.
- 1.1.4 This policy sets out Sheffield City Council's framework for the management of street trading in the city of Sheffield. The scheme also aims to prevent the obstruction of the streets in Sheffield by street traders and ensuring the safety of persons using them. In doing so, it recognises the importance of licensed businesses to the local economy and the character of the area whilst trying to ensure that the activities do not cause nuisance or annoyance to the people in the area.
- 1.1.5 This document will guide the Licensing Authority when it considers applications for Street Trading Consents. It will inform applicants of the parameters in which the Authority will make decisions and how their needs will be addressed.

1.2 The Objectives of this Policy

- 1.2.1 This Policy has been written with a view to securing the following objectives:
- to enhance the city of Sheffield;
 - to protect public health through the control of street trading within the city of Sheffield;
 - to ensure that traders operate within the law and act fairly in their dealings with the public; and
 - to prevent nuisance, unsafe practices and anti social behaviour.
- 1.2.2 Whilst promoting inclusive, vibrant, safe and strong communities and supporting small businesses the Licensing Service will work closely with external partners to support the above objectives.

1.6 The Legislation

1.6.1 The Council (Licensing Authority) have power under the provision of the Local Government (Miscellaneous Provisions) Act 1982 (the 1982 Act) to regulate Street Trading in the City.

1.6.3 Street is defined in the Act as any road, footway, beach or other area to which the public have access and a service area as defined in section 329 of the Highways Act 1980, and also includes any part of a street.

1.6.4 The Licensing Committee at its meeting of 29th January 2002 passed the following resolution:

"1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:

(a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;

(b) such street trading designation shall take effect as from the 1st April 2002; and

(c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.

2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council."

- 3.6.2 A plan indicating the radius of Sheffield Wednesday Football Club is attached at Appendix 11.
- 3.6.3 A plan indicating the radius of Sheffield United Football Club is attached at Appendix 12.

- 3.6.5 Restrictions have been placed on the number of consents that are issued at each stadium in order to avoid over-crowding, congestion and conflict between traders.
- 3.6.6 The following indicate the maximum consents permitted around both grounds:
- Sheffield Wednesday Football Ground - 19 consents
 - Sheffield United Football Ground - 15 consents
- 3.6.7 Any applications for new consents beyond the restricted numbers referred to above shall be placed before the Licensing Committee for determination.
- 3.6.8 Additional consents are only likely to be granted by the Licensing Committee if the applicant can demonstrate to the Committee that the unit will be a minimum of 25 metres away from any other current consent holder and that the consent site applied for does not cause any obstruction, to footpaths or exit routes from the stadia.
- 3.6.9 Consents may be restricted to trading prior to fixture on advice of the Police.
- 3.6.10 Applicants must follow the application procedure as detailed in section 2.5 of this policy.
- 3.6.11 The application will be consulted upon in the normal way within the 28 day period. Applicants are advised to contact the Highways and Planning service prior to submitting their application to discuss any issues and whether any other permissions are required.
- 3.6.12 Any representations will be considered and placed before the Licensing Committee for determination.

3.7 Short term Street Trading Consents

- 3.7.1 Short term consents for static street trading can be applied for the following periods:
- 1 month
 - 1 week
 - 1 day
- 3.7.2 The application period for these short term consents are no different to a static application (section 3.2), so applicants are reminded to ensure their applications are made in good time.
- 3.7.3 For 1 day consents, we will endeavour to determine your application within 28 days.

- 3.8.1 In order to control persons working at a consent site, the Licensing Authority will issue an identity badge to the person applying for the consent and will require the applicant to identify any person that is to work under his permission.

At this renewal time, the Council may consult further to determine if the street trader is a cause for concern or has been the subject of complaints.

- 3.9.4 Where a renewal application has been made and there have been no justifiable complaints, no enforcement issues and all fees have been paid on time, the consent will be renewed.
- 3.9.5 Where a renewal application has been made and there have been complaints or enforcement issues or fees have not been paid on time, then the application will be referred to the Licensing Committee.

3.10 Annual Static Consents with Quarterly Payments

- 3.10.1 The Council acknowledge that the cost of an annual consent can sometimes prove prohibitive to new and small street trading businesses, particularly food and drink vendors. To assist such commercial activity the Licensing Authority will offer the grant of a twelve month Static Street Trading Consent, subject to quarterly fee payments in advance.

- 3.10.2 All static consents expire on the 30th November each year and quarterly payments will be required in advance of each quarter. Reminders will be issued, however it would be up to applicant to ensure payment is made at the required time. Payments are normally due in November, February, May and August.
- 3.10.3 If payments are not made, the consent will automatically cease to have effect, save for exceptional circumstances at the Council's discretion, and no further trading in connection with that consent will be permitted until payment has been made.
- 3.10.4 The Council may remove the entitlement of quarterly payments at any time if payments are not received promptly.

It is not the responsibility of the Council to investigate and obtain this information.

5.2 Licensing Act 2003

5.2.1 In addition to the requirement of having a street trading consent, applicants who sell hot food or hot drinks between 23.00 hours and 05.00 hours the following day will require a premises licence under the Licensing Act 2003. The Licensing Service is able to provide advice as to the application process.

5.2.2 For traders that seek to trade only between the hours of 23.00 hours and 05.00 hours, a street trading consent will still be required in addition to the Licensing Act premises licence. A consent will not be granted without a premises licence being applied for.

CITY CENTRE STREET TRADING Small Trading Stalls

BACKGROUND

Street activities are an essential ingredient of a vibrant and lively city, and in Sheffield there is a strong demand for legitimate small scale trading pitches. They also offer an opportunity for small businesses to get started with relatively modest outlay.

The widening of footways offers the opportunity to designate more pitches in locations that will add to the attractiveness of the City Centre. In Orchard Square and Meadowhall 'Barrow' style stalls are used extensively, enhancing the colour and vitality of those places.

This scheme is part of the City Council's campaign to make Sheffield City Centre a more attractive and vibrant place. Set out below is the qualitative criteria which forms the basis on which to test applications for the grant of designated small trading stall Street Trading Consent sites within the City Centre.

QUALITATIVE CRITERIA – SMALL TRADING STALLS

GENERAL DESIGN

- There will be no motorised vehicles or stalls etc. permitted as part of this scheme.
- All barrows/handcarts must be capable of being moved on and off site by hand and any vehicles used to bring the barrows/handcarts to the site must be parked, loaded and unloaded off site.
- Good display is an important part of the selling process and top quality presentation encourages purchase and benefits the retailer reputation.
- It is in the best interest of traders to produce a high quality design in their barrows/handcarts. The function of the stall is to identify the trader and add vitality and colour to the immediate area, and reflect the quality, cleanliness and order in their operation. The barrow/stall contributes to the appearance of the street for good or bad, so design matters to everyone who uses the street, as well as the operator.
- Sign writing and scrollwork must be finished to a standard acceptable to the City Council.
- The unit must be visually acceptable to the City Council (this will include the Head of Licensing, City Centre Manager and Planning Service) and be in keeping with the street/area that it is to be located.
- Advertisements on stalls will not be permitted except by permission of the Council in writing and subject to further conditions. The Council shall be the sole judge of what is an acceptable advertisement.
- The Council will reserve the right to not renew any consent where it considers the

product(s) offered by the operator are not in keeping with the requirements of the site and the promotion of the City Centre.

- Non functional elements attached to barrows / handcarts, are not acceptable.
- The general design of the barrow/handcart must meet the requirements of the Council for that location.
- Flame retardant 'skirts' are to be used if necessary, so as to obscure the frame, gas bottle etc. They should be designed to 'unify' the barrow/handcart.
- All equipment, tools, gas bottles etc. must be self contained within the stall/handcart etc.
- Bright colours and a sense of fun are encouraged.
- Finished in flame retardant paint.
- A colour photograph or scale illustration of the proposed handcart must be submitted to the Licensing Service as part of the application process.
- No barrow/handcart should have a frontage greater than 3.0 metres or a width greater than 2.0metre.
- Roofs should be no more than 2.5m above ground level.
- Pitched and curved roofs are encouraged.
- Canopies should be high quality with a feeling of 'permanence'. These could be manufactured from either stretched canvas, or woven material, opaque or light metal materials. Clear plastic awning and extensions to the canopy will not be acceptable.
- Canopies must be maintained and cleaned to a high standard.
- Food traders must ensure that any stall design satisfies the requirement of food safety legislation. Staff must be adequately trained in good hygiene (Basic Food Hygiene Certificate and regular on going training) and records of training must be made available on request.
- Best practise of food hygiene must be adopted by the operator. This covers:
 - Personal hygiene
 - Hand washing
 - Ill health
 - Prevention of contamination
 - Temperature control
 - Temperature monitoring
 - Cleaning
 - Storage and stock rotation
 - Procedures in the event of freezer breakdown
 - Site cleanliness
 - Waste disposal
 - Pest control
 - Quality control
 - First aid facilities
- Food traders must have a minimum food hygiene rating score of 3.

Environmental Health considerations of the unit design:

For Enclosed Food units:

- The internal arrangements must be such that:
 - There is suitable and sufficient hand washing facilities with hot water;
 - The work surfaces are impervious to water and readily cleansable;
 - There is sufficient compliant temperature controlled food storage facilities appropriate to the business;
 - The gas and electrical installations are certificated and deemed to be safe by a competent and suitably qualified engineer; any gas store cupboard should be outside of the food area;
- The external arrangements must be that the mobile is sufficiently weather and pest proof so as to not risk the contamination of the food.

For Market-Stall or Street-Barrow type food units:

- The stall must be covered to prevent the risk of matter falling on to the food;
- The work surfaces likely to be in contact with the food must be impervious to water and readily cleansable;
- Any intrinsic storage food area must be able to be secured against the intrusion by pests;
- If temperature controlled food is to be stored on the mobile, the storage facility shall be capable of maintaining the food in a legally compliant manner;
- That there are adequate hand washing facilities.

Food Hygiene record (for all food stalls) - all food regulations have been adhered to:

- The applicant will need to demonstrate that:
 - they have registered with their home Local Authority;
 - all food handlers have received adequate food safety training appropriate to their job role;
 - the food business has a legally compliant Food Safety Management System (e.g. Safer Food, Better Business);
 - if there is a history of non-compliance, it has been addressed and accepted by the Food Safety Enforcing Officer, or that the food business is in the process of addressing the issues and the Food Safety Officer does not consider the defect too severe so as to prohibit the food business from trading; and
 - their business has a food hygiene rating score of at least 3.

DRESS

- Trader and their assistants must be identifiable (i.e wear a uniform).
- The style of dress worn by stall operators should be chosen to complement the style and period of the unit.
- Over clothing must always be smart and clean. Operators of food stalls should ensure that sufficient changes of clothes are provided so as to enable personnel to always wear over clothing, which is clean.
- Personal cleanliness is also important and persons employed at food stalls are required to have good personal hygiene.

GENERAL

- Vehicles used to tow trailers must be parked legally at all times.
- The Council will reserve the right to not renew any consent where it considers the product/s offered by the operator are not in keeping with the requirements of the site.
- The goods complement and do not conflict with the goods sold by other retailers within their proposed area(s).

The criteria above are intended to guide applicants for street trading consents as to the type of stall and dress, which the Council is looking to promote as a means of regulating the street trading.

It is not intended to exclude any design that does not fall within the examples given.

APPENDIX 9 - GUIDELINES RELATING TO THE RELEVANCE OF CONVICTIONS

Guidelines relating to the relevance of convictions for:

- applicants for the grant or renewal of a street trading consent;
- persons who wish to be registered as an assistant to a holder of a street trading consent or to renew such registration; and
- the holders of street trading consents and persons registered as an assistant to the holder of a street trading consent.

General policy

Each case will be decided on its own merits

1. The Council will assess whether:

- (a) an applicant for the grant or renewal of a street trading consent is a suitable person to hold or to continue to hold a street trading consent,
- (b) a person who wishes to be registered as an assistant to a street trading consent holder or to continue to be registered as an assistant to a street trading consent holder is a suitable person to be registered as an assistant to a street trading consent holder.

In making that assessment, the Council consider the previous convictions of such persons.

2. In considering the previous convictions of those persons mentioned in paragraph 1 above the Council will consider the following:

- (a) whether the conviction is relevant;
- (b) the seriousness of the offence;
- (c) the length of time since the offence occurred;
- (d) whether there is a pattern of offending behaviour;
- (e) whether that person's circumstances have changed since the offence occurred; and
- (f) the circumstances surrounding the offence and the explanation offered by that person.

3. The following is a description of the Council's general approach to certain categories of offences.

a) Dishonesty

The holders of a street trading consent and their assistants have to be persons who can be trusted. It is easy for a dishonest trader or assistant to take advantage of the public.

Members of the public using a street trading outlet expect the holder and his assistant to be honest and trustworthy.

For these reasons a serious view will be taken of any conviction involving dishonesty. In general, an applicant for the grant or renewal of a street trading consent is unlikely be granted a street trading consent where the application is made within 3 to 5 years of a conviction or the date of release from prison.

Similarly a person wishing to be registered as an assistant to a street trading consent holder is unlikely be to be registered where registration is sought within 3 to 5 years from the date of conviction or the date of release from prison.

b) Violence

As street traders and their assistants have close contact with the public, a firm line will be taken with applicants who have convictions for violence. In cases where the commission of an offence involves loss of life, a street trading consent or registration as an assistant to the holder of a street trading consent will normally be refused.

In other cases, a period of 3 to 10 years free of conviction from the date of conviction or the date of release from prison where a custodial sentence has been imposed, depending upon the nature and seriousness of the offence(s), will generally be required before an application is likely to be considered favourably.

c) Drugs

Where an applicant has a conviction for an offence that relates to the supply or importation of drugs and the date of the conviction or the release from prison, where a custodial sentence has been imposed, is less than 5 to 10 years before the date of the application, an application will normally be refused. After 5 years from a conviction or the date of release from prison, where a custodial sentence has been imposed, the circumstances of the offence and any evidence which shows that a person is now a fit and proper person to hold a street trading consent or to be registered as an assistant to the holder of a street trading consent will be taken into consideration.

An application will normally be refused where the applicant has a conviction for an offence relating to the possession of drugs and the date of the conviction or the release from prison, where a custodial sentence for such an offence has been imposed, is within 3 to 5 years of the date of the application. After a period of three years from conviction or the date of release from prison where a custodial sentence has been imposed, consideration will be given to the circumstances of the offence and any evidence to show that an applicant is a suitable person to hold a street trading consent or to act as an assistant to the holder of a street trading consent.

An application will normally be refused where an applicant has more than one conviction for offences related to the possession of drugs and the last conviction or the date of release from prison, where a custodial sentence has been imposed, is less than 5 years before the date of the application.

d) Sexual and indecency offences

As the holders of street trading consents and their assistants, and in particular

those who sell ice cream, have access to children, applicants who have convictions for rape, indecent assault, any sexual offence involving children and any conviction for an offence under the Sexual Offences Act 2003 will normally be refused a street trading consent or registration as an assistant to the holder of a street trading consent.

Where an applicant has a conviction for a sexual offence such as indecent exposure they will normally be refused a street trading consent or registration as an assistant to the holder of a street trading consent until they can show a substantial period usually between 5 and 10 years free of any such convictions from the date of conviction or the date of release from prison where a custodial sentence has been imposed.

After a period of 5 years from conviction or the date of release from prison, where a custodial sentence has been imposed, consideration will be given to the circumstances of the offence and any evidence to show that an applicant is a suitable person to hold a street trading consent or to be registered as an assistant to the holder of a street trading consent.

When considering applications, the Council may take into account any information of a sexual nature which does not amount to a criminal offence that is brought to its attention where that information may indicate that an applicant may not be a suitable person to hold a street trading consent or to be registered as an assistant to the holder of a street trading consent. In cases where the Council considers that information shows an applicant is not a suitable person, it will normally require a period of not less than 5 years free of such incidents from the date on which the incident occurred or, if more than one from the date of the last incident.

e) Motoring convictions

In most cases, motoring offences are unlikely to be relevant when deciding if an applicant for a street trading consent or to be registered as an assistant to the holder of a street trading consent is a suitable person.

However, there may be instances where the offences are of a very serious nature. In those cases, an applicant for a street trading consent or to be registered as an assistant to the holder of a street trading consent would be expected to show a period usually between 3 and 5 years free of any such convictions from the date of conviction or the date of release from prison, where a custodial sentence has been imposed.

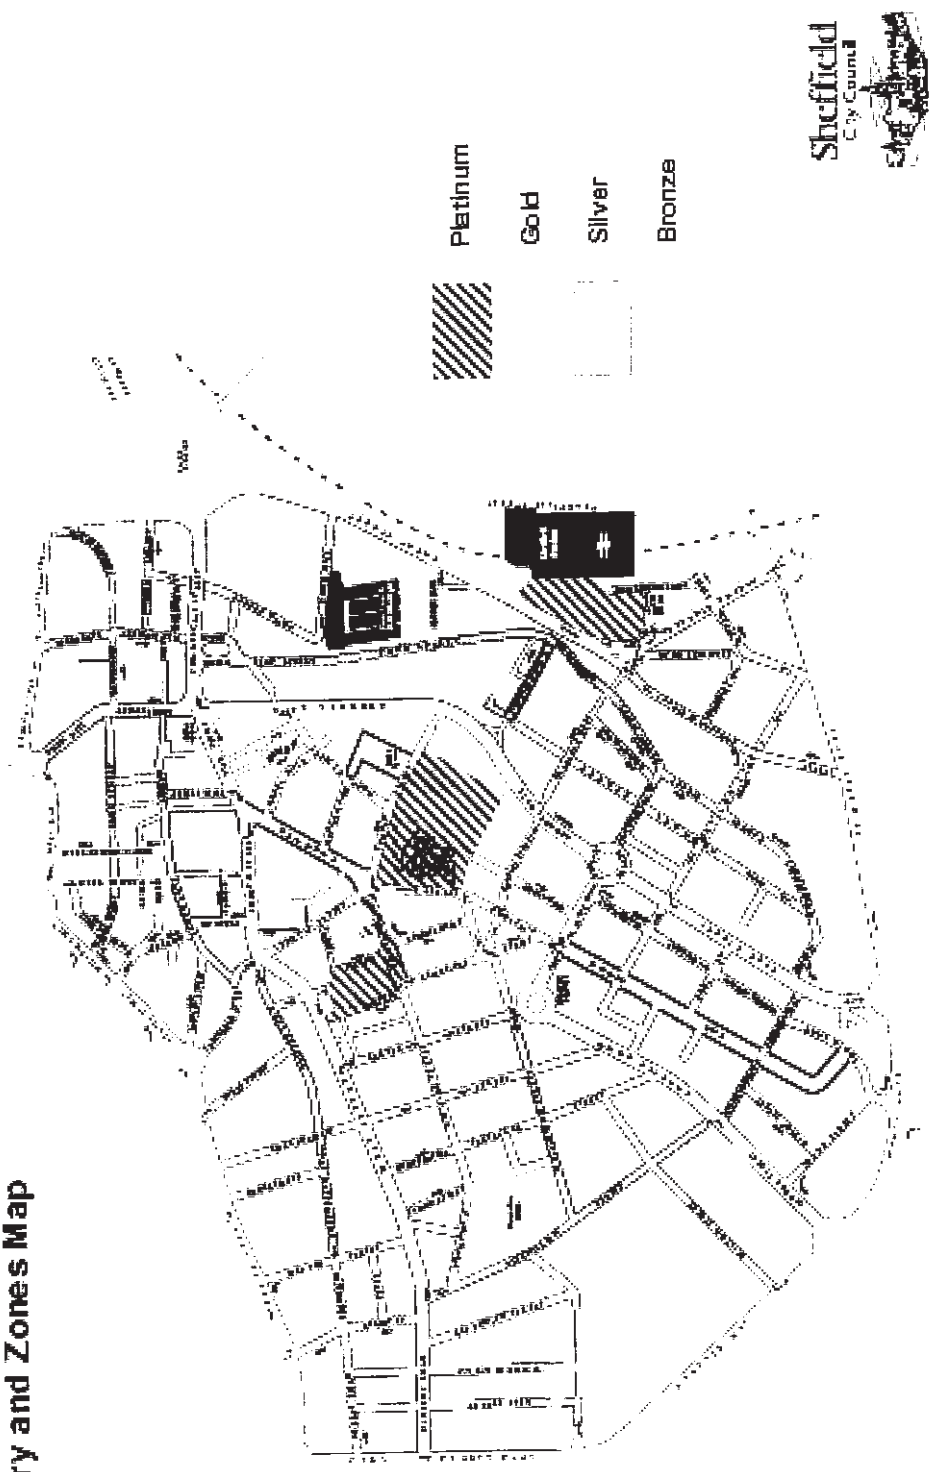

f) Formal cautions and fixed penalty notices

For the purposes of these guidelines, the Council will treat Formal Cautions issued in accordance with Home Office guidance and fixed penalty notices as though they were a conviction before the courts

Objection to temporary event notice

Sadacca, 48 Wicker

21st-23rd July 2017

On behalf of the Chief Constable of South Yorkshire, an objection is being made in relation to the above application.

The grounds of objection are based on the prevention of crime and disorder where a violent incident occurred at this premise over the weekend. The incident occurred during a temporary event notice and South Yorkshire Police will be submitting an expedited review for these issues to be addressed.

The application fails to detail the measures in place of how the four licensing objectives will be upheld. In light of the above we have no option to object in order to protect those attending during one of the busiest weekends of the year.

We are happy to provide further information at the subsequent objection hearing.
