ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

- Set a clear timeline for producing Event management plans and risk assessments for the local authorities.
- Schedule in regular Safety Advisory group meetings
- Develop a joint strategy between our security firm, our management team and South Yorkshire Police
- We are setting up a steering board from the local area who will feed into our plans on noise/site build and break to ensure that Public Nuisance does not arise.
- Maintain and Develop our safeguarding policy and plans for the new site

b) The prevention of crime and disorder

We will continue to work closely with South Yorkshire police in planning this event. Over the last 2 years we have established operational meetings with the Police that have proved invaluable. All our plans are submitted to them, we will work with the police within the site and will employ a security firm (Showsec) who are responsible for the crowd management plan and for the security on site.

c) Public safety

As part of our overall management plan we produce a crowd management and traffic management plan to ensure public safety. We provide the Safety Advice group with all of our plans for feedback and alter them accordingly. We have a proven track record for Public safety. We bring in qualified safety officers both in the run up the festival and the development of the plans and over the build and operation of the festival.

d) The prevention of public nuisance

As well as the security team and plans we have in place we also work closely with the EHO and employ a noise consultancy agency who monitor all noise levels as well as assist in site design to prevent noise leak where possible.

e) The protection of children from harm

As part of our ongoing commitment to safeguarding we employ a lead safeguarder who works closely with the Sheffield City council safeguarding officers. We ensure that a comprehensive risk assessment and plan is in place as well as have a number of safeguarding ambassadors on site over the festival.

This emailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by email.

I have the following representation to make with regards to Public Nuisance for the application for a Premises Licence for the above premises.

Hillsborough Park is surrounded by residential property. As such there is an enhanced potential for licensed activity at the premises to give rise to complaints relating to public nuisance. In particular I am concerned that residents in close proximity will potentially be affected by excessive noise disturbance from loud amplified music during the live events, and from noise from people queuing to access the site and leaving the site especially in the late evening.

Having live music on outdoors is an inherently noisy activity and care needs to be taken to ensure that nearby residents are protected from excessive noise prior to and during the events, there also needs to be monitoring in place to ensure appropriate noise levels are maintained throughout the events and a mechanism to feedback to the organisers if justified complaints are received, and secure a reduction in the sound. These measures have been in place in previous years at other locations and have resulted in only a few complaints about noise, however in this location it will be very difficult to ensure acceptable noise levels are achievable at some of the nearest residential properties.

I will have to object to the Premises Licence application as it currently stands and would advise that a feasibility report is compiled by a suitable qualified acoustic consultant with experience of proactively monitoring and managing noise at large scale outdoor music events. If you require further information about the detail I would expect to see in a feasibility report let me know.

Further to the above if a feasibility report indicates that it would be possible for the event to take place and secure acceptable noise levels at residential properties then, subject to any recommendations in the report, I would recommend the below amendment to hours for regulated entertainment and conditions are attached to the Premises Licence:

- Regulated entertainment will cease at 22:00hrs on Friday and Saturday and 21:00hrs on Sunday.

Planning for the Event:

1. The Premises Licence Holder/ Promoter shall appoint a named person to co-ordinate noise issues, to the approval of the Environmental Protection Service, no later than 4 weeks prior to the event. The 'noise co-ordinator' shall liaise between all parties – Environmental Protection Service, DPS, Promoter, sound system suppliers, sound engineers and Licensing Authority, on all matters relating to noise control prior to and during the event.

Prior to the Event:

2. A noise propagation test shall be undertaken with the Environmental Protection Service present, prior to the start of the event in order to set appropriate control limits at the sound mixer position. The sound system shall be configured and operated in a similar manner as intended for the event. The sound source used for the test shall be similar in character to the music most likely to be produced during the event.

3. The 'noise co-ordinator' shall ensure that prior to the event during any testing of equipment, minimum noise levels are emitted from the sound equipment to reduce to its lowest level any noise nuisance to local residents.

During the Event:

4. The 'noise co-ordinator' shall ensure that noise is monitored at the perimeter of the site (or other appropriate noise sensitive location) throughout the event, and at least during each different artist.

5. The 'noise co-ordinator' shall comply with any request made by a nominated officer of the Environmental Protection Service to reduce or remix sound emanating from the amplification system.

6. Facilities shall be provided on the mixing desk, or other appropriate position, for a nominated officer of the Environmental Protection Service to monitor and where necessary secure a reduction in noise level to a reasonable level.

After the Event

7. A compliance/ evaluation report shall be produced within 6 weeks of the event detailing monitored noise levels during the event, compliance with agreed levels, number of complaints received and action taken as a result of complaints, recommendations for future events.

If you wish to discuss the matter further please reply to this email or call on the number below.

Jon.
