PUBLIC ACCESS TO THE MEETING

The Governance Committee is leading on work to transition to a committee system of governance from May 2022. It is a politically proportionate Committee which will be tasked with oversight of the transitional work and will approve the recommendations to be made to Full Council.

The Committee will be outward facing. The Council will not be working in isolation on this project but will seek input from outside the organisation, ensuring citizens are engaged and are provided with opportunities to help shape this programme of work. The Council will also be engaging the professional support of agencies such as the Local Government Association, the Centre for Governance and Scrutiny and Monitoring Officers from other local authorities which have recently transitioned or are about to transition to a Committee system. This will ensure the Council is supported through this period and learns from best practice to ensure that the system implemented in Sheffield responds to the needs of our City.

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. You may not be allowed to see some reports because they contain confidential information. These items are usually marked * on the agenda.

Members of the public have the right to ask questions or submit petitions to Governance Committee meetings and recording is allowed under the direction of the Chair. Please see the [website](#) or contact Democratic Services for further information regarding public questions and petitions and details of the Council's protocol on audio/visual recording and photography at council meetings.

PLEASE NOTE: Meetings of the Governance Committee have to be held as physical meetings. If you would like to attend the meeting, you must register to attend by emailing committee@sheffield.gov.uk at least 2 clear days in advance of the date of the meeting.
