Quarterly Report of the Interim Head of Council Housing Review of the Partner Resource Allocation Meeting

1. Introduction/Context

1.1 In August 2012, the Partner Resource Allocation Meeting (PRAM) was introduced to the East of the city in order to:

- Improve the way in which we identify and support vulnerable people experiencing Anti-Social Behaviour (ASB) ;
- Provide leadership and accountability; and
- Better link ASB resources with Health and Social Care colleagues.

1.2 Following a presentation on 26th September 2013, the Committee requested a quarterly progress report regarding Partner Resource Allocation Meeting (PRAM), with a particular focus on:

- Improving the relationship between PRAM and the Neighbourhood Action Groups; and
- The development of a citywide PRAM.

1.3 This is the fourth update report submitted.

2. Improving the relationship between PRAM and the Neighbourhood Action Group,(NAGs)

2.1 The PRAM is continuing to be regularly reviewed, and streamlined to ensure that no duplication is taking place. I am currently working with safeguarding adults to ensure that the right partners are involved in the problem solving around vulnerable victims.

2.2 The PRAM continues to offer an important touchstone for officers and partners involved in 'by-exception' cases where local level problem solving has hit a blockage, the primary focus remains on people experiencing ASB and strengthening the link with colleagues in Health and Social Care.

2.3 South Yorkshire Police have recently introduced a new procedure for identifying and addressing repeat vulnerable victims, I am currently working with them and partners to ensure that those identified are addressed in line with the currently City Wide processes.

2.4 I am currently working alongside South Yorkshire Police and analysts to ensure the data and information provided regarding repeat and vulnerable victims is addresses locally through the NAG process.

2.5 As previously emphasised, it is important that the NAGs are not viewed as the first port of call for ASB cases where a multi-agency response is required. With this in mind, Safer Neighbourhood Officers continue to utilise the NAGs for more challenging cases, this has enabled them to

provide a greater focus on vulnerable people experiencing ASB; improving the level of support; and speeding up resolution.

- 2.6 The primary focus of the NAGs continues to support vulnerable people experiencing ASB and manage those committing ASB. This work continues to be best addressed with by specialist agencies and pre-existing structures to ensure that local level information sharing and local level problem solving is addressed.
- 2.7 With the introduction of new ASB legislation from the 20th October the NAG also provides a platform for agencies to share information relating to the management of those who have committed ASB
- 2.8 The Acting Safer Neighbourhood Manager will, with partners continue to review and monitor the Citywide role out over the next quarter and report back to the committee in the next quarterly report.
