1. PROPOSAL

(Explain the proposal, current position and need for change, including any evidence considered, and indicate whether this is something the Council is legally required to do, or whether it is something it is choosing to do)

1.1 To award the following Core Service grant award in compliance with the September 2016 Grant Aid Cabinet Report.

1.2 Issues to note:

- In a change from previous grant aid rounds the new grant agreements (unless stated) are for 3 years, rather than one year. However, in years 2 and 3 grant recipients are only guaranteed 80% and 75% respectively of the year 1 value. Funds permitting the council may choose to award 100% of the year 1 value in years 2 and 3.

Organisation	2017/18 Year 1 amount	Year 2 minimum guaranteed amount (80% Year 1 amount)	Year 3 minimum guaranteed amount (75% of year 1 amount)	Total of guaranteed minimum
St Vincent de Paul Furniture Store	64,020	51,216	48,015	163,251

1.3 In the selection of the organisations for a core service grant the views of relevant commissioning and specialist officers were sought and consideration was given to whether alternative funding routes were available within the Council and elsewhere. The impact, both on communities of interest, in line with the Council's equality duties, and Council Services, was considered if funding was no longer available following the end of existing Voluntary Sector Grant Fund agreements in March 2017. The organisations' provided detailed impact forms which helped to inform these considerations as well as historical monitoring. Each organisation's potential for income generation and alternative sources of funding was also included as part of the evaluation.

2. HOW DOES THIS DECISION CONTRIBUTE ?

(Explain how this proposal will contribute to the ambitions within the Corporate Plan and what it will mean for people who live, work, learn in or visit the City. For example, does it increase or reduce inequalities and is the decision inclusive?; does it have an impact on climate change?; does it improve the customer experience?; is there an economic impact?)

2.1 The allocation of this funding to VCF organisations will fundamentally contribute to the Priorities of the Council's Corporate Plan 2015-18. In particular; Tackling Inequalities and Better Health & Wellbeing

In addition, the allocation of this funding will contribute to the Fairness Commission's recommendations around -

- Health & Wellbeing for All
- Housing and a Better Environment

Delivery of this three year strategy will mean grant funding will continue to be available to support activities and services that will directly benefit a wide range of vulnerable local citizens. Beneficiaries from the proposed Core Service Grants will include the following groups of vulnerable local people –

- Households in financial need
- Homeless people

3. HAS THERE BEEN ANY CONSULTATION?

(Refer to the Consultation Principles and Involvement Guide. Indicate whether the Council is required to consult on the proposal, and provide details of any consultation activities undertaken and their outcomes.)

3.2 The views of relevant commissioning and specialist officers were sought and consideration was given to whether alternative funding routes were available within the Council and elsewhere. The impact, both on communities of interest, in line with the Council's equality duties, and Council Services, was considered if funding was no longer available following the end of existing VSGF grant agreements in March 2017. The organisations' provided detailed impact forms which helped to inform these considerations as well as historical monitoring. Each organisation's potential for income generation and alternative sources of funding was also included as part of the evaluation.

the Localism Act 2011. The Council must be mindful of the requirements imposed by the public sector equality duty enacted in Section 149 of the Equality Act 2010.

4.3.1 Sections 1.5.3 and 1.5.4 of the September 2016 Grant Aid Cabinet Report state the following, “the Cabinet Member for Libraries and Community Services is proposing the 8 organisations listed in Appendix 4 [of the cabinet report] are prioritised for continued funding via a Core Service Grant from April 2017. In formulating the list, the Cabinet Member considered a number of factors including, each organisation’s track record, quality of service and management, value and fit with Council priorities, opportunities for income generation and accessing other funding, uniqueness of service and the degree of dependency, if any, the Council has on the services delivered.

4.3.2 All the grant recipients will be issued with agreements that contain the relevant Sheffield City Council Terms & Conditions for such awards.
