

Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), **I hereby give Notice** that:-

Cabinet intends to make a Key Decision on behalf of the Sheffield City Council **on 20th September 2017**

The Key Decision will be about Month 4 Capital approvals providing details of the additions and variations to the Capital Programme.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision, as required by Regulation 9 (2) of the Regulations.

The reasons why compliance with Regulation 9 is impracticable in this matter are as follows:-

In order to improve visibility of capital approvals a decision has been taken to present these separately from the budget monitoring reports. As a result of the timing of this decision it was not possible for the capital approvals required at September Cabinet to be published on the forward plan. However, the requirement to progress with capital schemes to meet key deadlines requires the decisions to be taken on the 20th September 2017.

Director of Legal and Governance
Sheffield City Council

As required by Regulation 10 of the Regulations, the Chair of the [.....] Scrutiny and Policy Development Committee has been informed of the matter about which the Key Decision is to be made by being given the above Notice.

Pursuant to Regulation 10 (3) this Copy of the Notice was made available at Sheffield Town Hall for inspection by the public and published on the Council's website on **ADD DATE**
