NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).
