Jack,

Thanks for the agreement.

I'm happy to discuss the matter further if you would want, or alternatively get in clarity, if you are Licensing Officer.

As you can see the applicant is happy to attached the below conditions to the premises licence. Can you confirm the emails make sense and that the conditions will be attached to the premises licence when granted and on that basis withdraw my previous representation.

Regards,

Jon.

Hi Johnathon,

We are happy to agree to the above actions.

Thank you,

Jack
