**2.0 THE APPLICATION**

2.1 The application was made by South Yorkshire Police on the 28<sup>th</sup> April 2020.

2.3 The application form and supporting evidence is attached at Appendix 'A' which details further the grounds for the review application.

2.4 A copy of the current premises licence is attached at Appendix 'B'.

**3.0 REASONS FOR REFERRAL**

3.1 The Government put in place emergency legislation and regulations in March to close certain premises under the '[Health Protection \(Coronavirus, Business Closure\) \(England\) Regulations 2020](#)'. Businesses including pubs, cinemas, theatres and casinos were told to close from 2pm Saturday 21st March 2020.

3.2 Please note: these regulations have now been superseded by the '[Health Protection \(Coronavirus Restrictions\) \(England\) Regulations 2020](#)' and its amendment regulations on the [22<sup>nd</sup> April 2020](#), [13th May 2020](#) and the [1<sup>st</sup> June 2020](#).

3.3 These regulations were put in place by Government in its drive to reduce the spread of the coronavirus; protect the NHS and save lives. These regulations and subsequent amendments can be found at Appendix 'C'.

- 3.7 The Licensing Authority must under the Act refer any application for review to the Licensing Committee, unless it is withdrawn, or if representations are made by an interested party that the Licensing Authority are of the opinion that they are frivolous or vexatious.

#### **4.0 FINANCIAL IMPLICATIONS**

- 4.1 There are no specific financial implications arising from this application. However additional costs may be incurred should the matter go to appeal. In such an eventuality it may not be possible to recover all these costs. The impact of these additional costs (if any) will be kept under review and may be subject of a further report during the year.

#### **5.0 THE LEGAL POSITION**

- 5.1 The Licensing Act 2003 at section 52(3) requires that the Licensing Authority must, having regard to the application and any relevant representations, take such steps mentioned in subsection (4) (if any) as it considers necessary for the promotion of the licensing objectives.

- 5.2 Section 52(4) states:

"The steps are –

- a) To modify the conditions of the licence;
- b) To exclude the licensable activity from the scope of the licence;
- c) To remove the designated premises supervisor;
- d) To suspend the licence for a period not exceeding three months;
- e) To revoke the licence;

and for this purpose, the conditions of the licence are modified if any of them is altered or omitted, or any new condition added."

- 5.3 If members decide to take the steps referred to in (a) or (b) above, it may provide that the modification or exclusion is to have effect for only such period (not exceeding three months) as it may specify.
- 5.4 The Licensing Act 2003 at section 52(11) states that:
- “A determination under this section does not have effect –
- a) until the end of the period given for appealing against the decision, or
  - b) if the decision is appealed against, until the appeal is disposed of.”
- 5.5 The Licensing Act 2003 at section 4(1) requires the Licensing Authority to carry out its functions with a view to promoting the Licensing Objectives which section 4(2) sets out as: -
- a) the prevention of crime and disorder,
  - b) public safety,
  - c) the prevention of public nuisance,
  - d) the protection of children from harm.
- 5.6 Section 4(3) of the Licensing Act also requires the Licensing Authority to have regard to the published Statement of Licensing Policy and any guidance issued by the Secretary of State under Section 182.

## **7.0 APPEALS**

- 7.1 The Licensing Act 2003 section 181 and Schedule 5 makes provision for appeals to be made by the applicant; the holder of the premises licence and those making representations against decisions of the Licensing Authority to the Magistrates Court.

**Please state the ground(s) for the review (please read guidance note 1**

A number of reports have been made into Police reporting the Pitsmoor Hotel is operating in breach of the Health Protection (Coronavirus, Restrictions) Regulations 2020

Namely that the Premise License Holder and DPS, Mr Paul Greasby, is in breach of the following named within the Regulations:

- 1. Operating a business listed in Schedule 2 (including pubs) offering sale of food or drink for consumption on the premises in breach of Reg 4(1)

The Reg 6 (as amended) also requires everyone to have a reasonable excuse for leaving and remaining outside of the place where they live. Police have received reports of customers attending the premises. Such customers are unlikely to have a reasonable excuse for being in the pub, putting them in breach of Reg 6. By remaining open, Mr Greasby is likely to have encouraged these breaches (which could amount to "encouraging an offence", an offence under Section 44 of the Serious Crime Act 2007).

Mr Greasby, was initially spoken to about possible breaches of the act on 23/03/2020 in relation to another premise that he is also the PLH and DPS, Staffordshire Arms. Mr Greasby, was subsequently served with a Prohibition Notice in relation to that premises but continued to operate the Pitsmoor Hotel despite this. Police submits that this shows a persistent and deliberate disregard for the Regulations, Public Health and the Licensing Objectives.

In response to two reports into the police on 02/04/2020 and 19/04/2020 reporting the premise was open for on sales, a visit was conducted on 23/04/2020 by Officers. During the visit, members of the public were found hiding in the upstairs apartment, an attempt to fool officers into believing there was no customers present.

In total disregard for the law and the consequences, Mr Greasby has allowed the practise of

Please provide as much information as possible to support the application (please read guidance note 2)

15/01/2020 – notification from the council that the Premise Pitsmoor Hotel, Pitsmoor Road has had its license suspended due to none payment of fees.

23/03/2020 Phone call out to Mr Greasby by myself to discuss two reports of a breach at his other premise the Staffordshire Arms. He was spoken to at great length about the new Laws now in place and the consequences to him if he was caught in breach of said Laws.

01/04/2020 – Incident 739, report into police that there are people inside the pub drinking, music can be heard and a takeaway service has been seen delivering food to the pub.

02/04/2020 – Incident 469, report that the DPS, his son and partner are allowing customers into the bar for on sales of alcohol.

04/04/2020 - A Prohibition Notice was served to Mr Greasby by Officers on behalf of Sheffield City Council in regards to a further confirmed breach of the Law on 02/04/2020 at his other premise Staffordshire Arms.

06/04/2020 - A letter to both Staffordshire Arms and the Pitsmoor Hotel were sent to Mr Greasby by the council again advising of the Laws and the consequences of failing to comply.

19/04/2020 – Online report into Police saying that customers have been seen entering the premise regularly the previous week and the day before the report. The main breaches occur at lunchtimes.

23/04/2020 – Incident 652 report into police that customers are being served on sales inside the pub and customers leaving have appeared intoxicated. The rear door is being used for entry and egress. Special constables attended and were refused entry by Mr Greasby's Son and Partner.

Police officers arrived a short while later and gained entry into the premise. A search of the premise was conducted and three persons were found to be hiding in the upstairs apartment concealed in wardrobes. These customers were found to have been drinking on the premise for beer served via the taps in the main bar. (Officers statements and Bodycam footage will be available)

24/04/2020 – Prohibition Notice served on the premise to Mr Greasby at 1805hrs by Police Officers on behalf of Sheffield City Council.

25/04/2020 – Online report into the police, the pub is still open to the public by Mr Greasby and his Son. Customers have been standing on the roof when the police arrive so that it looks like no one is inside.

### **For the attention of the Licensing Authority**

This e'mailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by e'mail

Please be informed that I have made a representation on behalf of the Sheffield Children Safeguarding Partnership in response to the above application. The representation is set out in the email below and is submitted for the consideration of the Licensing Sub Committee.

### **REPRESENTATION**

The Sheffield Children Safeguarding Partnership notes with concern the evidence provided by South Yorkshire Police, that the Licence Holder/Designated Premises Supervisor of the above premises has breached the law and demonstrated a disregard for the licensing and public health regulations that are designed to ensure the premises only operate when a safe environment can be provided.

On receipt of the application to review the premises licence, I contacted Ms Jarvis, as the applicant's representative, to establish whether any children were present at the premises during police visits. Ms Jarvis confirmed that police officers had in fact obtained CCTV evidence of a new born baby being present at the premises during times members of the public were present and the breach of public health and licensing regulations took place.

The Sheffield Children Safeguarding Partnership is concerned that the Designated Premises Supervisor's evident and repeated disregard for public health restrictions relating to Covid 19 has exposed the child and any others accessing the premises, to the risk of harm posed by the Covid 19 virus when social distancing is not complied within any space.

The Sheffield Children Safeguarding Partnership notes that the Designated Premises Supervisor had already been issued with a warning by the Police and had been served with a Prohibition Notice by the Council. Despite this the Designated Premises Supervisor has continued to disregard the regulations and failed to demonstrate the level of responsibility and due diligence that is required of a Designated Premises Supervisor.

In light of the above, the Sheffield Children Safeguarding Partnership asks the Licensing Sub Committee to take positive action to address the risk presenting at the premises.

Thank you.

Dear John and Jenny,  
Could you please forward these comments to the Licensing Sub-Committee with respect to the licensing review papers for both Staffordshire Arms and Pitsmoor Hotel.

Dear Cllr's

It was so disappointing to hear of licensed premises here in Sheffield blatantly disregarding the emergency legislation introduced to help reduce the spread of Covid -19 and to ensure that the NHS is protected. As we all face this pandemic together it has placed so much strain on emergency services and us in local authorities.

We fully support actions taken by colleagues with respect to the service of prohibition notices and applications to review the premises licence for the Staffordshire Arms, and Pitsmoor Hotel under the control of Paul Greasby.

Kind regards  
Sean

**Importance:** High

**Categories:** Emma

1. Sheffield City Council's Trading Standards Service in its role as a Responsible Authority under The Licensing Act is in receipt of an application by South Yorkshire Police to review the Premises Licence for Pitsmoor Hotel at 448 Pitsmoor Road Burngreave Sheffield S9 3AY.
2. The Premises Licence Holder and Designated Premises Supervisor is Mr Paul Greasby.
3. The Review details a series of events where Mr Greasby was operating the premise in breach of The Health Protection (Coronavirus Restrictions) Regulations 2020 and in doing so undermining the Licensing objectives of The Prevention of Crime and Disorder and also Public Safety.
4. Trading Standards Officers, together with other Council officers and The Police have a responsibility for the enforcement of these regulations.
5. Trading Standards fully support South Yorkshire Police's application.
6. Speaking at the Daily Downing Street Press Briefing on Friday 20<sup>th</sup> March, The Prime Minister said, "We are telling cafes, pubs, bars and restaurants to close tonight as soon as they reasonably can and not to open tomorrow. To be clear, they can continue to provide take out services [subject to licence conditions -added]. We will review the situation each month". There was huge publicity and following reports Mr Greasby was operating in breach, South Yorkshire Police gave clear advice to him, telling him also of the consequences if he was caught in further breach of these emergency rules. Breaches continued, despite a Prohibition Notice being served.
7. At the time of submitting this representation it is highly likely that when the Government permits pubs to reopen, The Premises Licence Holder and Designated Premises Supervisor will have a responsibility to ensure, amongst other things, that social distancing (in whatever form) is maintained. Council Officers and/or The Police will almost certainly have responsibility to enforce these or some of these provisions.

Based on his actions to date during this pandemic, Mr Greasby has provided officers with no confidence that he would do this.

8. Trading Standards does not have confidence that the current management are able to properly manage this Premise and ensure all four licensing objectives are promoted. The poor management has led to two of the four licensing objectives being undermined.
9. Further, due to the seriousness of events outlined in the application and the blatant disregard shown, which has put the Public's and law enforcement officers' personal safety at risk , Trading Standards does not have confidence this will improve at another critical phase when pubs are re-opened with social distancing rules in place.
10. In conclusion, considering the seriousness of the breaches and the overall interests of the Local Community, Trading Standards recommends the Premises Licence be revoked.

22<sup>nd</sup> May 2020

Dear Stephen,

**Re: The Staffordshire Arms and The Pitsmoor Hotel**

As Director of Public Health for Sheffield City Council I was extremely concerned to be informed of significant breaches of the Health Protection Coronavirus Regulations 2020 by two local licensed premises, The Staffordshire Arms, 40 Sorby Street, Sheffield and The Pitsmoor Hotel, 448 Pitsmoor Road, Sheffield in allowing people to congregate on and around the premises contravening social distancing guidance. Sheffield City Council Public Health support South Yorkshire Police's application for a review of the license of both these premises and recommend that these breaches are taken extremely seriously in terms of impact on the licensing objective of "public safety".

The pandemic of Covid-19 is a current critical threat to public safety. This is well publicised and I cannot believe how anyone could have any other interpretation. The Council is clear in its position, we are following the national strategy on the response to COVID-19, furthermore the council have been clear that protecting public safety is of paramount concern. Social distancing is the key control measure we have to reduce the spread of Covid-19 in the community and it is particularly important that we are both stringent in following the guidance and that we appropriately respond to breaches. There is no currently known vaccine or effective treatment for this disease which makes these control measures to avoid getting the disease particularly important. There are some individuals who are clinically vulnerable to this disease and are likely to experience severe health impacts and sadly there have been a number of deaths from Covid-19 in Sheffield. In addition to the serious individual impacts, without these control measures being strictly enforced there is a risk that local NHS services could be overwhelmed with serious consequences to local people.

In this instance, these Licensed Premises should have been aware of the restrictions on opening through the representations made by officers, and should have been aware of the packages of support available to businesses and employees who may suffer hardship during this period. There is no justification in terms of lack of awareness or financial hardship for these breaches.

We are not yet at Step 3<sup>1</sup> (4.3) which the government has set out as the stage where some public houses which meet the Covid-19 Secure Guidelines can be partially or fully opened as lockdown measures are gradually lifted. When this Step 3 can be enacted it is vitally important that our licensed premises follow the guidance and instructions to the letter to avoid increasing the spread of Covid-19 in communities and risking a second wave. Crucially, not all premises will be able to fully open because their design may mean that social distancing is not practical. Therefore we need all our licensed providers to demonstrate a responsible attitude to the licensing objective of public safety and to demonstrate that they are prepared to put the health and safety of the public first and foremost.

Yours sincerely,

**Greg Fell**

Dear Sirs,

**Licensing Act 2003 – Review of a premises licence submitted on 28<sup>th</sup> April 2020  
Pitsmoor Hotel, 448 Pitsmoor Road, Sheffield, S3 9AY - SY SY153 PR  
Licensing Authority Supporting Review Application**

I am writing as a Responsible Authority under the Licensing Act 2003 in support of the above application for a review of the premises licence submitted by South Yorkshire Police on the 28<sup>th</sup> April 2020 on the grounds of the core objectives relating to the Licensing Act 2003:

- The Prevention of Crime and Disorder
- Public Safety

The Licensing Authority as a Responsible Authority is supportive of the review due to the disregard of the governments restrictions placed on licensed premises in its drive to reduce the spread of the coronavirus; protect the NHS and save lives; and failing to promote the licensing objectives under the Licensing Act 2003. The coronavirus is currently a threat to public safety and Sheffield City Council is actively following the national strategy to reduce this threat.

Emergency regulations to close certain premises were implemented by the government under the 'Health Protection (Coronavirus, Business Closure) (England) Regulations 2020'. Businesses including pubs, cinemas, theatres and casinos were told to close from 2pm Saturday 21st March 2020.

Please note: these regulations have now been superseded by the Health Protection (Coronavirus Restrictions) (England) Regulations 2020 and its amendment regulations on the 13<sup>th</sup> May 2020.

On the 22nd March 2020, a report was made to South Yorkshire Police that the Pitsmoor Hotel and Staffordshire Arms were continuing to operate in breach of these new regulations.

On the 23<sup>rd</sup> March 2020, Mr Greasby the current premises licence holder and Designated Premises Supervisor for both premises, was spoken to at length by Catherine Jarvis, a South Yorkshire Police Licensing Enforcement Officer regarding the requirement to close his premises, or part of the premises, in which food or drink are sold for consumption on those premises immediately in order to comply with the current regulations.

On the 31<sup>st</sup> March 2020, the Licensing Authority sent a follow up letter to by e-mail to remind Mr Greasby of the current requirements and also the consequences should he fail to comply.

On the 2<sup>nd</sup> April 2020, Sergeant Ben Hall informed the Authorities that numerous further reports had been received regarding this premises continuing to operate. A visit by South Yorkshire Police officers to the premises, found no evidence that the Pitsmoor Hotel were in breach of these regulations on this occasion.

On the 19<sup>th</sup> April 2020, a further report was made to South Yorkshire Police that the Pitsmoor Hotel were continuing to operate in breach of these new regulations.

On the 23<sup>rd</sup> April 2020, a visit by South Yorkshire Police officers found that in addition to Louise Leggitt her partner Ashley Greasby (son of licensee Paul Greasby) and 2 children, there were 3 further people in the upstairs flat who do not live at this address. Officers found these people to be hiding within a wardrobe and bedroom whom had attended to socialise within the pub. All parties were reported on summons for COVID 19 offences and fines issued by South Yorkshire Police to the 5 people involved.

On the 24<sup>th</sup> April 2020 the Licensing Authority issued a Prohibition Notice for this premises under Regulation 8(2) of The Health Protection (Coronavirus, Restrictions) (England) Regulations 2020. The Prohibition Notice was served to Mr Paul Greasby at the Staffordshire Arms by South Yorkshire Police Officers at 1805 on the 24<sup>th</sup> April 2020. A copy of the Prohibition Notice is attached.

On the 27<sup>th</sup> April 2020, a further report was made to the Licensing Service that on the 25<sup>th</sup> April 2020, the premises was still operating and customers were going and standing on the roof when the police arrived so that it looked like there isn't anyone in the pub.

In addition to the new restrictions the government has placed on certain businesses, the Licensing Act 2003 also provides a clear focus for licence holders and designated premises supervisors to promote the four core licensing objectives when licensing functions are being undertaken at all times.

There is clear evidence in this case that Mr Greasby has breached the law and demonstrated a disregard for both the licensing and public health regulations that are designed to ensure the premises only operate when a safe environment can be provided, in this case by opening the premises to customers when not permitted to do so.

In light of the comments made by South Yorkshire Police and other Responsible Authorities in support of the Review application, it is the opinion of the Licensing Authority that despite repeated advice and continuous warnings issued by South Yorkshire Police and Licensing Officers, Mr Greasby is not an operator who demonstrated the promotion of operating a safe and compliant business and shall continue to compromise the safety of himself and patrons accessing the premises.

Mr Greasby's disregard of the government regulations has failed to demonstrate the level of responsibility and due diligence that is required to operate a premises responsibly under the Licensing Act 2003 and clearly undermining the public safety and prevention of crime and disorder objectives.

The Licensing Authority is also concerned that Mr Greasby's evident and repeated disregard of public health restrictions relating to the coronavirus may have exposed not only himself but also others that have accessed the premises increasing the risk of harm posed by the virus.

Mr Greasby is also the Premises Licence Holder and Designated Premises Supervisor for the Staffordshire Arms, 40 Sorby Street, S4 7LB.. South Yorkshire Police have also submitted an application for a Review of this licence for further breaches under government regulations.
