1	Public questions from Adam Butcher (2 in total):	
1.1	<p>1. With the changes to the way the NHS is commissioned how are the executive letting the public know with a disability?</p> <p><i>A. I will be raising this with representatives from the Integrated Care System (ICS) when I next get the opportunity.</i></p> <p>2. With the changes to the way election are to administer how are you going to make sure people with a disability are helped?</p> <p><i>A. If this bill sadly passes, I will talk to our electoral services to see how we can help mitigate its effects as far as possible.</i></p>	Councillor George Lindars-Hammond
2	Public questions from Nigel Slack (3 in total):	
2.1	<p>It was interesting to see the name Mount Pleasant featuring on today's agenda. I fondly hoped there would be some positive news about the purchase of Mount Pleasant House, in Sharrow. Sadly not, this was concerning a Compulsory Purchase Order in Chapeltown.</p> <p>Interestingly the Mount Pleasant in Sharrow has been empty longer than the in Chapeltown and yet we see no apparent progress.</p> <ol style="list-style-type: none"> 1. What is the state of repair of Mount Pleasant House in Sharrow? (I note windows still boarded up after three years) 2. When do SCC expect to sign contracts for the sale, if at all? 3. Is it time that Council admitted the failure of this sale and return to the discussions with the Community Enterprise 'Avenues to Zero' to finally save this listed building from dereliction? 	Councillor Paul Wood
