

Addendum

Strategy and Resources Policy Committee – 7 September 2023

Item 9 :Committee Work Programme

Purpose

To agree consideration of specific items by Finance Committee and confirm consideration of a cross cutting item at Community Parks and Leisure Policy Committee.

Recommendation

(a) That Finance Committee be requested to consider the following items:

- Annual review of Sheffield’s Council Tax Reduction Scheme
- Corporate Debt Policy
- Commission of a Debt Recovery Framework

(b) That the Community Champions item be considered at the Community, Parks and Leisure Policy Committee.

Background

Subsequent to the publication of the agenda for Strategy and Resources Policy Committee on 7 September 2023, it has been identified that there are three items in the draft Finance Committee Work Programme for the October meeting that constitutionally fall to Strategy and Resources Policy Committee. Strategy and Resources are likely to have a large agenda in October, therefore you are asked to agree that Finance Committee consider these items:

- Annual review of Sheffield’s Council Tax Reduction Scheme
- Corporate Debt Policy
- Commission of a Debt Recovery Framework

You are also asked to confirm that the Community Champions item be considered by the Community, Parks and Leisure Policy Committee, as recommended by Senior Leadership Board.

Community Champions	Approval for using Public Health funding to support Community Champions peer engagement programme. The report seeks to continue grass-roots/volunteer engagement as an effective means for bolstering confidence in communities, developing volunteers and promoting public health messages related to the wider determinants of health, such as poverty.
