SHEFFIELD CITY COUNCIL

MEETING OF THE COUNCIL - 6TH MARCH 2024

VOTING RECORDS

At the meetings of the full Council, voting is generally conducted using the electronic voting facility within the Council Chamber in the Town Hall. These votes are recorded and then published. The minutes of the meeting will record the outcome of the votes and state the number of Members voting for, against and abstaining on the vote.

The record of the one electronic vote conducted at this Council meeting is set out on the next page of this document.

Please note that the electronic voting facility is not used in instances where the affirmation of the meeting has been sought by the Lord Mayor (chair of the meeting) and no Member dissents. In these instances, the votes are deemed to have been carried unanimously, and this term is used within the minutes of the meeting.

This particular meeting had been convened for the purposes of approving a Revenue Budget and Capital Programme and setting the Council Tax charge for the financial year 2024/25. It is a legal requirement that on any vote relating to the calculation of the Council Tax, the names for and against, or abstaining from voting, must be recorded and entered into the minutes of the meeting. The Council chooses to fulfil this legal requirement by conducting these recorded votes by a roll-call of Members of the Council. Therefore, the five votes held on agenda item 7 (Revenue Budget and Capital Programme 2024/25) — on each of the four amendments and on the substantive motion — were conducted by a roll-call and will be recorded within the minutes of the meeting. Copies of the roll-call votes are set out from page 3 of this document.

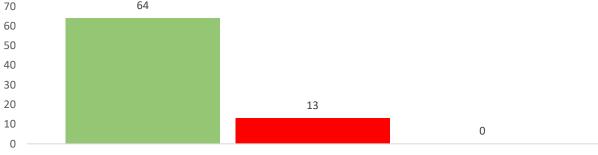

Agenda Item 5(b) – Debate On A Petition Requesting The Council To "Stand With Palestine".

Vote on the Motion to refer the petition to the Strategy and Resources Policy Committee for consideration of all aspects of the petition.

(Motion moved by Cllr Tom Hunt, seconded by Cllr Shaffaq Mohammed)
Outcome – the Motion was carried.

Cllr Martin Smith
