#### 1. **TITLE**

Acceptance of Adult Weight Management Grant Funding.

#### 2. **DECISION TAKEN**

That the Cabinet Member for Culture, Parks and Leisure:

1. Approves the Council accepting £493,278 from the Department for Health and Social Care (DHSC) for the Adult Weight Management Services grant programme.
2. Notes and agrees in principal to the approach outlined in this report to expand the existing weight management contract.
3. Delegates authority to the Director of Culture and Environment and the Director of Public Health, in consultation with the Director of Legal and Governance and the Director of Finance and Commercial Services to enter in to the variation with the existing provider.
4. To the extent not already delegated to them by the Leaders Scheme of Delegations, delegates authority to the Director of Culture and Environment and Director of Public Health, in consultation with the Director of Legal and Governance and the Director of Finance and Commercial Services to take any other decisions necessary in order to meet the aims and objects of the report.

#### 3. **Reasons For Decision**

The additional funding will allow us to increase support for adults living with obesity and allow us to increase the focus on tackling inequalities in access.

#### 4. **Alternatives Considered And Rejected**

**Alternative Option One** - Not accept this grant funding.

This option was not considered to be in the best interest of the population of Sheffield.

**Alternative Option Two** - Approach the market rather than expand the existing adult weight management contract.

However, the grant is only available for 1 year and council already commissions an adult weight management service which was secured through a competitive tender process. Therefore it is proposed that we expand this existing provision subject to the value for money requirements outlined in this report.

None

6. **Respective Director Responsible for Implementation**

7. **Relevant Scrutiny Committee If Decision Called In**
