7.2 **RESOLVED:** that the North Local Area Committee:

- (ii) to the extent that it is not covered by existing authority, authorises the

- the decision is taken in consultation with the Local Area Committee Chair;
- the decision may not approve expenditure on any element in excess of the anticipated limit for that element set out in the report; and
- a report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting.

(iii) agrees the attached action plan as a basis to develop future projects/activity.

### 7.3 **Reasons for Decision**

The North Local Area Committee is asked to note the proposed allocation of funding to the projects identified to enable detailed planning to commence and delivery to begin in the coming months.

### 7.4 **Alternatives Considered and Rejected**

7.4.1 Decisions on any expenditure above the existing authority to the Community Services Manager could be reserved to the Local Area Committee but this would delay delivery of priority actions to address specific issues identified in the Community Plan.

7.4.2 All decisions on expenditure to support Community Plan priorities could be delegated to officers. However, this would restrict the Local Area Committee's ability to monitor its delegated budget and delivery of the Community Plan.
