Item No

6. SOUTH WEST COMMUNITY ASSEMBLY HIGHWAYS UPDATE

6.1 The Director of Development Services submitted a report giving an update on the progress on various schemes and requests for highways work within the Assembly area. In considering the report it was noted that the request for double yellow lines at the two junctions of Marston Crescent with Baslow Road should be included as part of the small highway schemes for Dore and Totley Ward and that under paragraph 4.22 the word "Road" should be substituted for the word "Street".

6.2 **RESOLVED:** That, as amended at paragraph 4.22, and with the addition of double yellow lines at the two junctions of Marston Crescent with Baslow Road, the South West Community Assembly notes the progress with the various highways schemes and requests included in the report.

6.3 Reasons for Decision

7. PETITION REQUESTING SIGNS FOR THE EXISTING SCHOOL KEEP CLEAR MARKINGS ON PINGLE ROAD ON THE APPROACH TO AND AT THE ACCESS INTO DOBCROFT JUNIOR AND INFANT SCHOOL

7.1 The Director of Development Services submitted a report in response to a petition requesting signs for the existing School Keep Clear markings on Pingle Road on the approach to and at the access into Dobcroft Junior and Infant School.

7.2 **RESOLVED:** That:-

- (a) the petitioners be thanked for bringing their concerns to the attention of the Council; and
- (b) in light of the comments now made authority be given for the Head of Highway Services to advertise the intention to make a Traffic Regulation Order introducing no waiting between 08:35 and 09:05 hours and 15:25 and 15:55 hours in term time on the existing School Keep Clear markings on Pingle Road, along with appropriate signage and, subject to no objections being received, approval to be given for the Order to be made in accordance with the Road Traffic Regulation Act 1984, as amended.

7.3 Reasons for Decision

7.3.1 The provision of a Traffic Regulation Order for the School Keep Clear markings on Pingle Road at various times in term time was in response to the residents' request and will aid better enforcement and discourage school related parking, hence improving road safety.

7.4 Alternatives Considered and Rejected

7.4.1 Proposed waiting restrictions in place of the School Keep Clear markings adjacent to the houses on Pingle Road was not supported by residents, although the Department of Transport advice is that to maintain motorists' respect for the concept of School Keep Clear markings they should only be provided at locations where there are large amounts of people crossing.

7.4.2 The provision of bollards in the footway in the turning head area to help reduce conflict between vehicles and pedestrians, especially at school

opening and closing times, was not supported by residents.
