 Report of the Chief Licensing Officer

ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

New standards arrangements were introduced by the Localism Act 2011. The new regime made changes to the way that members' interests are registered and declared.

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must <u>not</u>:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You must:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner, undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

Page 1

- *The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.
- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority -
 - under which goods or services are to be provided or works are to be executed; and
 - o which has not been fully discharged.
- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) -
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -

the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

 a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or

• it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously, and has been published on the Council's website as a downloadable document at -http://councillors.sheffield.gov.uk/councillors/register-of-councillors-interests

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Lynne Bird, Director of Legal Services on 0114 2734018 or email lynne.bird@sheffield.gov.uk

LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1982

Street Trading - City Centre Small Trading Stalls

1.0 PURPOSE OF REPORT

1.1 To consider an application for a street trading consent to trade in the city centre.

2.0 INTRODUCTION

- 2.1 The Council have power under the provision of the 1982 Act to regulate street trading in the city.
- 2.2 A Street Trading Consent is required to trade on any street (which includes roads, footways, forecourts, or other areas to which the public have access) within the Sheffield City Boundary.
- 2.3 The Licensing Committee at it's meeting of 29th January 2002 passed the following resolution:
 - 1. That under the provisions of schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982:
 - (a) all streets (which includes roads, footways, forecourts or other areas to which the public have access) within the Sheffield City boundary, shall be designated consent streets and;
 - (b) such street trading designation shall take effect as from the 1st April 2002; and
 - (c) all previous designations in relation to street trading will be rescinded as a result of the designation set out above.
 - 2. The effect of this resolution is that from 1st April 2002, it will be an offence to engage in street trading in any street or any other place identified in the above resolution without being authorised to do so by consent from the City Council.
- 2.4 A Local Authority may attach conditions to a Street Trading Consent. The conditions may include conditions to prevent obstruction of the street and danger to persons using the street or nuisance or annoyance.
- 2.5 A Street Trading Consent may only be granted for a maximum period of twelve months.
- 2.6 There is no appeal procedure against the refusal or revocation of a consent. An applicant may, however apply for judicial review of the Council's decision.
- 2.7 A copy of the Council's Street Trading Policy is available via the following link; https://www.sheffield.gov.uk/business-economy/licensing/general-licensing/retail/street-trading.html. Members should note that the age restriction of 5 years for motorised vehicles has been removed and is not presently being enforced.

3.0 CITY CENTRE STREET TRADING

- 3.1 Working in partnership with the City Centre Management Team and Planning, Licensing presented a report to Committee in August 2011 to encourage more local businesses to trade in the city centre whilst also controlling the type and thereby controlling the quality that is on offer.
- 3.2 This is to encourage more local businesses to trade in the city centre and to offer a more continental style of trading in certain areas of the city centre
- 3.3 There is no constraint on the type of goods that can be sold. However, we would like to encourage more traditional goods that would give a more continental style to the City Centre.
- 3.4 A City Centre Qualitative Criteria for Small Trading Stalls was approved to meet these requirements (attached at Appendix 'A').
- 3.5 The fee for consent has been set at £498.50 per quarter (£1,994 per annum) to trade seven days a week between 7am and 7pm.

4.0 THE APPLICATION

- 4.1 An application has been submitted by Stephen Harrison Academy c/o Mr Stephen Harrison to trade at Devonshire Green to sell soups, healthy shakes, tea, coffee, soft drinks, fruit toast, panini's, sandwiches, breakfast pots and cereal bars. A copy of the application is attached at Appendix 'B'. Members should note that Mr Harrison previously made an application for a site at Barkers Pool to sell the aforementioned items to which the City Centre Management Team and Development Services, Planning raised objections due to the vehicle that would be used whilst trading. The application for Barkers Pool was placed before the Licensing Sub Committee on 26th September 2013 and the Licensing Sub Committee at the hearing determined the following "That, following consideration of the information contained in the report now submitted, including the representations now made, the application for a street trading consent to trade in the city centre, be deferred and the applicant was advised to transfer his application to a site in Devonshire Green, to which he agreed". It was decided by the Licensing Service that Mr Harrison withdraw his application for Barkers Pool and make a new application for Devonshire Green and for the new application to be circulated for comment in the usual manner.
- 4.2 A number of pitches have been allocated for city centre street trading at a previous meeting, therefore, the location of the remaining pitches are:
 - Barkers Pool (currently one application pending)
 - · Sheaf Street;
 - Tudor Square; and
 - Devonshire Green (currently two applications pending)
- 4.3 Members are to note that the specific location at the site will be agreed in conjunction with the City Centre Management Team and Planning Department.

5.0 REASONS FOR REFERRAL

- 5.1 The application has been referred to the Licensing Sub Committee as the Licensing Authority has received objections and comments concerning the motorised vehicle and falling outside the qualitative criteria set for city centre street trading which forms part of the Street Trading Policy.
- 5.2 Mr Harrison has been notified about the requirement to meet the city centre qualitative criteria and that motorised vehicles are not permitted as part of this scheme.
- Each application must be determined on its own individual merits and has therefore been referred to the Licensing Sub Committee.

6.0 BACKGROUND

- 6.1 Mr Harrison's application was circulated in the usual manner to South Yorkshire Police, South Yorkshire Fire and Rescue, Highways, Planning Department and the City Centre Management Team.
- 6.2 Comments and an objection have been received from the following:

City Centre Management Team	Appendix 'C'
Highways Department	Appendix 'D'
South Yorkshire Police	Appendix 'E'
South Yorkshire Fire and Rescue	Appendix 'F'

- 6.3 The objections and comments received refer to factors specified in Part 3 section 3.1 and Appendix '6' (city centre qualitative criteria) of Sheffield's Street Trading Policy when considering applications for grant or renewal.
- 6.4 Members are also to refer to section 2.8 of the policy in consideration of the objection and comments and in particular to the following bullet points under that section:

Public Safety / Highway

- (a) Whether the street trading activity represents or is likely to represent a substantial risk to the public from the point of view of obstruction, fire hazard, unhygienic conditions or danger that may occur when a trader is accessing the site;
- (b) Whether there is sufficient space in the street for the applicant to engage in the trade in which he/she is proposing without causing undue interference or inconvenience to other persons using the street;
- (c) Whether the street trading activity may damage the structure or surface of the street;
- (d) Whether the location and operating times will be such that the highway can be maintained and that there are no dangers to those who have a right to use the highway and no obstruction for emergency services.

Appearance of the unit

- (a) Whether the unit is of a smart appearance and meet the specific qualitative criteria.
- (b) Whether the appearance of the trading unit or structure is compatible with the character of the area in which it is proposed to be situated.

Environmental credentials

(a) Whether there is a negative impact of the proposed operation on the local environment including street surfaces and materials, power supply, carbon footprint, supply chain, packaging, waste minimisation, waste disposal and waste created by customers. Mitigating measures to minimise the environmental impact of the proposed operation will be taken into account.

Objections

- (a) Take into account any objections made about the application or Consent holder from interested parties.
- The applicant has been invited to attend the Licensing Committee hearing to present his case. A copy of the invite is attached at Appendix 'G'.
- The City Centre Management have been invited to attend the meeting for further clarification. Copies of the invite is attached at Appendix 'H'.
- 6.7 A copy of the hearing procedure is attached at Appendix 'l'.

7.0 FINANCIAL IMPLICATIONS

- 7.1 If Members are minded to refuse this application, there are no financial implications for the Council arising from this report.
- 7.2 If Members grant the application, the Licensing Authority will be required to increase the fees to enable it to recover the reasonable costs of the Council as the fee set for city centre consents are based on small stalls.
- 7.3 Members should also note that if any application is referred to the High Court significant legal costs are likely to be incurred. There is no hold over budget within Licensing to cover such costs.

8.0 RECOMMENDATIONS

- 8.1 That Members consider the application submitted alongside the Council's "City Centre Street Trading Small Trading Stalls" qualitative criteria, the street trading policy and comments submitted by City Centre Management Team, Highways Department, South Yorkshire Police and South Yorkshire Fire and Rescue.
- 8.2 That Members consider all the information provided by the applicant both in their written application and in person at the hearing.

9.0 OPTIONS OPEN TO THE COMMITTEE

- 9.1 To grant the consent in the terms requested.
- 9.2 To grant the consent at an alternative location.
- 9.3 To defer the matter for further consideration.
- 9.4 To refuse the street trading application.

Sheffield City Council

CITY CENTRE STREET TRADING Small Trading Stalls

BACKGROUND

Street activities are an essential ingredient of a vibrant and lively city, and in Sheffield there is a strong demand for legitimate small scale trading pitches. They also offer an opportunity for small businesses to get started with relatively modest outlay.

The widening of footways offers the opportunity to designate more pitches in locations that will add to the attractiveness of the City Centre. In Orchard Square and Meadowhall 'Barrow' style stalls are used extensively, enhancing the colour and vitality of those places.

This scheme is part of the City Council's campaign to make Sheffield City Centre a more attractive and vibrant place. Set out below is the qualitative criteria which forms the basis on which to test applications for the grant of designated small trading stall Street Trading Consent sites within the City Centre.

QUALITATIVE CRITERIA - SMALL TRADING STALLS

GENERAL DESIGN

- There will be no motorised vehicles or stalls etc. permitted as part of this scheme.
- All barrows/handcarts must be capable of being moved on and off site by hand and any vehicles
 used to bring the barrows/handcarts to the site must be parked, loaded and unloaded off site.
- Good display is an important part of the selling process and top quality presentation encourages purchase and benefits the retailer reputation.
- It is in the best interest of traders to produce a high quality design in their barrows/handcarts. The
 function of the stall is to identify the trader and add vitality and colour to the immediate area, and
 reflect the quality, cleanliness and order in their operation. The barrow/stall contributes to the
 appearance of the street for good or bad, so design matters to everyone who uses the street, as
 well as the operator.
- Sign writing and scrollwork must be finished to a standard acceptable to the City Council.
- The unit must be visually acceptable to the City Council (this will include the Head of Licensing, City Centre Manager and Planning Service) and be in keeping with the street/area that it is to be located.
- Advertisements on stalls will not be permitted except by permission of the Council in writing and subject to further conditions. The Council shall be the sole judge of what is an acceptable advertisement.
- The Council will reserve the right to not renew any consent where it considers the product(s)
 offered by the operator are not in keeping with the requirements of the site and the promotion of
 the City Centre.

- Non functional elements attached to barrows / handcarts, are not acceptable.
- The general design of the barrow/handcart must meet the requirements of the Council for that location.
- Flame retardant 'skirts' are to be used if necessary, so as to obscure the frame, gas bottle etc. They should be designed to 'unify' the barrow/handcart.
- All equipment, tools, gas bottles etc. must be self contained within the stall/handcart etc.
- Bright colours and a sense of fun are encouraged.
- · Finished in flame retardant paint.
- A colour photograph or scale illustration of the proposed handcart must be submitted to the Licensing Service as part of the application process.
- No barrow/handcart should have a frontage greater than 3.0 metres or a width greater than 2.0metre.
- · Roofs should be no more than 2.5m above ground level.
- · Pitched and curved roofs are encouraged.
- Canopies should be high quality with a feeling of 'permanence'. These could be manufactured from either stretched canvas, or woven material, opaque or light metal materials. Clear plastic awning and extensions to the canopy will not be acceptable.
- · Canopies must be maintained and cleaned to a high standard.
- Food traders must ensure that any stall design satisfies the requirement of food safely legislation. Staff must be adequately trained in good hygiene (Basic Food Hygiene Certificate and regular on going training) and records of training must be made available on request.
- Best practise of food hygiene must be adopted by the operator. This covers:
 - Personal hygiene
 - Hand washing
 - III health
 - Prevention of contamination
 - Temperature control
 - Temperature monitoring
 - Cleaning

- Storage and stock rotation
- Procedures in the event of freezer breakdown
- Site cleanliness
- Waste disposal
- Pest control
- Quality control
- First aid facilities

Food traders must have a minimum food hygiene rating score of 3.

Sheffield City Council

CITY CENTRE STREET TRADING Small Trading Stalls

BACKGROUND

Street activities are an essential ingredient of a vibrant and lively city, and in Sheffield there is a strong demand for legitimate small scale trading pitches. They also offer an opportunity for small businesses to get started with relatively modest outlay.

The widening of footways offers the opportunity to designate more pitches in locations that will add to the attractiveness of the City Centre. In Orchard Square and Meadowhall 'Barrow' style stalls are used extensively, enhancing the colour and vitality of those places.

This scheme is part of the City Council's campaign to make Sheffield City Centre a more attractive and vibrant place. Set out below is the qualitative criteria which forms the basis on which to test applications for the grant of designated small trading stall Street Trading Consent sites within the City Centre.

QUALITATIVE CRITERIA - SMALL TRADING STALLS

GENERAL DESIGN

- · There will be no motorised vehicles or stalls etc. permitted as part of this scheme.
- All barrows/handcarts must be capable of being moved on and off site by hand and any
 vehicles used to bring the barrows/handcarts to the site must be parked, loaded and unloaded
 off site.
- Good display is an important part of the selling process and top quality presentation encourages purchase and benefits the retailer reputation.
- It is in the best interest of traders to produce a high quality design in their barrows/handcarts.
 The function of the stall is to identify the trader and add vitality and colour to the immediate
 area, and reflect the quality, cleanliness and order in their operation. The barrow/stall
 contributes to the appearance of the street for good or bad, so design matters to everyone
 who uses the street, as well as the operator.
- Sign writing and scrollwork must be finished to a standard acceptable to the City Council.
- The unit must be visually acceptable to the City Council (this will include the Head of Licensing, City Centre Manager and Planning Service) and be in keeping with the street/area that it is to be located.
- Advertisements on stalls will not be permitted except by permission of the Council in writing and subject to further conditions. The Council shall be the sole judge of what is an acceptable advertisement.
- The Council will reserve the right to not renew any consent where it considers the product(s)
 offered by the operator are not in keeping with the requirements of the site and the promotion
 of the City Centre.
- Non functional elements attached to barrows / handcarts, are not acceptable.
- The general design of the barrow/handcart must meet the requirements of the Council for that Page 26

location.

- Flame retardant 'skirts' are to be used if necessary, so as to obscure the frame, gas bottle etc. They should be designed to 'unify' the barrow/handcart.
- All equipment, tools, gas bottles etc. must be self contained within the stall/handcart etc.
- · Bright colours and a sense of fun are encouraged.
- · Finished in flame retardant paint.
- A colour photograph or scale illustration of the proposed handcart must be submitted to the Licensing Service as part of the application process.
- No barrow/handcart should have a frontage greater than 3.0 metres or a width greater than 2.0 metre.
- Roofs should be no more than 2.5m above ground level.
- · Pitched and curved roofs are encouraged.
- Canopies should be high quality with a feeling of 'permanence'. These could be manufactured
 from either stretched canvas, or woven material, opaque or light metal materials. Clear plastic
 awning and extensions to the canopy will not be acceptable.
- Canopies must be maintained and cleaned to a high standard.
- Food traders must ensure that any stall design satisfies the requirement of food safely legislation. Staff must be adequately trained in good hygiene (Basic Food Hygiene Certificate and regular on going training) and records of training must be made available on request.
- Best practise of food hygiene must be adopted by the operator. This covers:
 - Personal hygiene
 - Hand washing
 - III health
 - Prevention of contamination
 - Temperature control
 - Temperature monitoring
 - Cleaning

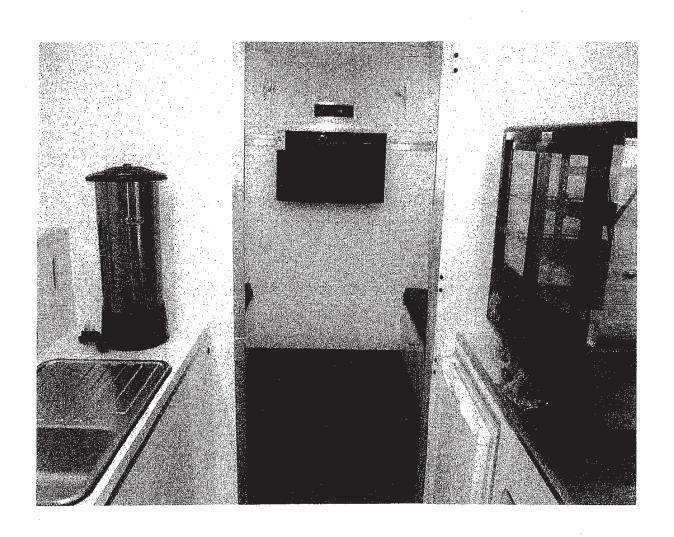

- Storage and stock rotation
- Procedures in the event of freezer breakdown
- Site cleanliness
- Waste disposal
- Pest control
- Quality control
- First aid facilities
- Food traders must have a minimum food hygiene rating score of 3.

Subject: RE: Street Trading - Devonshire Green

Helio Andy,

Richard has passed this across to me, I have had a chat with Dave Gill who manages Dev Green and we attach the following comments.

- 1. We have a similar concession in Peace Gardens and feel that we should be insisting on the same standard of provision for any public realm site. Ie Purpose built high quality unit, Images provided of the proposed unit are not to the desired standard in our opinion ,it is little more than a fairground "burger van".
- 2. We would need to be able to take back the site for events and markets throughout the year. Typically this could be in excess of 20 days per year considering event build and get out days, the applicant may approach market/event organisers to be a part of their event.
- 3. The applicant should not be granted sole trading rights for Devonshire Green.
- 4. Vehicular access onto site is via the removable bollards off Fitzwilliam Street. Any bollard losses, bollard damages or damages to Devonshire Green due to unauthorised access through unlocked bollards, would have to be paid for by the applicant. Whilst the unit on Peace Gardens remains over-night on site, Devonshire Green would not be as safe, so would recommend daily delivery of unit to site. We could not accept any liability for the safety of the unit.
- 5. Vehicle movement on site would need to be restricted, with no movement between 10.00 18.00hrs daily.
- 6. The costs of providing a dedicated electricity and water supply to the unit, along with on-going usage costs, would be the responsibility of the applicant.
- 7. Applicant to ensure adequate waste receptacles available for customers. All trade waste to be removed from site by the applicant on a daily basis. No build up of waste permitted.

- 8. The exact location of the unit to be agreed between CCMT and the applicant. Temporary relocation may be required to accommodate events or works.
- 8. In addition to any fees paid to Licencing for this concession, City Centre Management would require a Property Lease Fee for use of this site. (Currently £3K per annum on Peace Gardens)
