ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Re: Application for license for Mr. Thomas Cricket Pavilion

under section 17 part 3 of the Licensing Act 2003 for grant of a premises licence for Mr. Thomas Cricket Pavilion

Dear Sirs

I wish to strongly object to the above application for the provision of late night drinking and the sale by retail of alcohol.

The pavilion is the property of the Cricket Club but the rest of the park is for the enjoyment of the general public. I am very concerned about the

potential problems this will cause with late night drinking throughout the park. The members of the Cricket club would have to police this and I honestly do not think they would be able to do so, especially with the possibility of underage drinking.

This is a residential area and the park is very near a great many of the houses in the vicinity and I feel this would cause many problems not only with drinks but also litter from cans and broken glass.

Yours faithfully

Dear Sirs,

Re licensing Application
by Millhouses Works Cricket Club under
Section 17 Part 3 of the Licensing Act, 2003.
Application for the grant of a premises
licence for Millhouses Cricket Pavilion in
Millhouses Park, Abbeydale Road South,
Sheffield. I wish to OPPOSE the
application on three main grounds.

1. Alcohol should not be available
for sale in a S.C.C. Public Park.
2. Such sale could lead to more
mindless vandalism within the
Park.
3. There are two Public Houses
very close to the Park, viz, the

I understand that Millhouses Park Cricket Club had applied for a licence to serve alcohol from its pavilion in Millhouses Park. I should like to request that you refuse this application.

This building is situated not on private ground, but in a public park, widely used by families. It would, therefore, open the possibility of exposing children to harm if the cricket club members were drinking in such a space. The club may protest that its members are not prone to excess, but the reality is that it would be impossible to police the volumes of alcohol consumed. Because this pavilion is in a public park, it is in an area where the public expect, and are entitled, to be free from any public nuisance caused by consumption of alcohol, nor should they be exposed to any threat to their safety or to their enjoyment of this public space, or to any crime or disorder which may ensue. Again something that cannot be guaranteed where alcohol is served.

There are two pubs within easy walking distance of the cricket ground, so there is absolutely no necessity for this to be granted. Indeed, the Wagon and Horses recently applied to take over a part of the park to use as a beer garden. This was met with fierce resistance from the Friends of Millhouses Park and other park users and was subsequently turned down. This indicates the strength of feeling against the mix of alcohol and a family park.

In short, the Cricket Club is welcome to use the ground in our park, but not to take it over for use as a bar.

Please refuse this application.

Subject: Application for licensing of the Millhouses Park Cricket Club

Dear Sirs

I am writing on behalf of the Friends Of Millhouses Park to object to the application for licensing of the cricket pavilion in Millhouses Park. Since the application has been made public we have been made aware of peoples general concerns over the possible problems that may develop if a licence to sell alcohol in the park is granted.

Whilst we as a group support the playing of cricket in the Park and have done for many years, it would be a big change to the Park that would set a precedent for others to follow. By allowing such a wide ranging licence to supply alcoholic drinks, especially every day over 11 hours between midday and 11.00 PM, we feel that the aim of the scheme is well outside the usual times when cricket is played in the park and threatens to get out of hand.

Initially we were under the impression that the licence would operate on certain match days and be tightly controlled by the club to ensure that there would not be any drinking beyond the club house and only within certain hours. Whilst we understand that the licence may need to be applied for in a certain format, we do not agree that it should be so wide ranging and encompassing to the point where it may be difficult to control or rescind at a later date should problems occur. We also feel that the noise levels and disturbance associated with this use may be problematic for the neighbours in the immediate area on Abbeydale Road South and also to other park users.

So upon reflection we feel as a group that we cannot support the application for this licence and it should not be granted in its present format. We now feel that the sales of alcohol associated with sports or clubs should be kept outside the Park, particularly as there are several public houses nearby that can cater for these facilities more than adequately.

Subject: Application for licensing of Millhouses Park Cricket Club

Dear Sirs

Whilst no longer involved with Millhouses Park I have spent over 10 years working towards the rejuvenating the park into what it is today. This has involved raising hundreds of thousands of pound and many other people and transformed the park into one of, if not the, most popular parks in Sheffield and beyond. 12 years ago it was unpopular, run down, with drug and alcohol anti-social behaviour and damage particularly after dark. It has taken a lot of co-operation with the police to change that image.

The application for a licence by the cricket club would not be to the benefit of this wonderful family park. The licence, if granted, could only have a detrimental effect on the park as in so many sporting events where it has been totally banned. We have seen over boisterous behaviour during cricket matches when alcohol has been brought and consumed along the path outside the pavilion. This deters visitors with young families and can only encourage young teenagers to gather in the evening with more alcohol which, only recently, took nearly a year for the local police to break up.

Alcohol has been available at Cliffhanger under very strict control but still we saw people walking round the water play areas with full pints of beer. Also an application for a licence to open up into the park, by the Waggon & Horses, was also turned down. Cricket has always been a very welcome part of Millhouses Park and should be for many generations to come but it is part of a public park and they must accept that fact and work within the confines that privilege imposes upon them – it should not need alcohol for any reason whatsoever.

Kind Regards

Re: Application under Section 17 Part 3, Licensing Act 2003
Grant of a premises license for

Millhouses Park
Abbeydale Road South

I am writing to oppose the license for the above on the following grounds:-

1. The park is a public facility for use by all members of the public from the cradle to the grave.
2. It is not a private members club. The club uses the park facility.
3. I am sure the sale of alcohol in a public park will not go down well with many sections of the community.
4. The times specified 10am to 11pm are well beyond the closing time of the park.
5. If granted, there will be increased noise and commotion for the neighbourhood particularly late at night.
6. There are already three public houses, namely the Millhouses, Robin Hood and Wagon and Horses in very close proximity to the cricket pavilion all of which provide late night refreshments and the sale of alcohol.
7. If a license were to be granted does this open it up for a license to be granted to the bowling club or model boat society. Where does it end?

In conclusion I cannot see any justification for the granting of the license and I trust you will agree.

Yours faithfully

Dear Sir or Madam

On behalf of the Bowling Club I wish it to be recorded that we, the Club object to the granting of a licence to sell or supply alcohol by Millhouses Works Cricket Club in their recent application.

We object to the application on the following grounds.

Currently the park is alcohol free and in our opinion there are at least three local public houses in close proximity to the park that adequately supply the needs of the public.

Millhouses Park is a public park and we do not think the sale of alcohol should be permitted inside the park where young children and families currently enjoy many of the amenities. It is inevitable that there could be language and behaviour problems associated with the supply of alcohol which could offend and infringe on the enjoyment of the space.

Currently the park is well managed and problems occurring after the hours of darkness are minimal, we feel that by allowing the sale of alcohol particularly in the evening this could promote public safety problems and vandalism.

The granting of a licence might open up applications from other establishments currently operating within the park.

The Bowling Club has always maintained a policy of not encouraging our members to bring any form of alcohol into the park or consuming it around the greens.

I trust you will record our objections.

Yours sincerely

I am writing on behalf of Carter Knowle and Millhouses Community Group to object to the application for licensing of the cricket pavilion in Millhouses Park.

There is widespread concern about this application. People who live nearby are worried about noise going on late into the night, and possible disturbance by people leaving after 11pm.

There are no proposed restrictions on where pavilion users can drink the alcohol – so there will be drinkers around the perimeter of the pitch or even further away in the Park. The Park provides for healthy family activity, and serves a very diverse population and we do not think it is appropriate for alcohol to be served there. It is a matter of safety for families, especially those with small children, that they can have quiet enjoyment of this public place. People watching cricket sit outside the pavilion and on benches alongside the path which is a main thoroughfare through the park. It is inevitable that their language and behaviour while supporting their team will become more exuberant, boisterous and potentially threatening during the hours of the match. The club can have all the rules and codes of conduct it can muster but they cannot be sure to be able to control the behaviour of visiting teams. This is not a private cricket ground. This is a club that plays in a *public park* which makes a very material difference to how this application should be judged.

Also, the hours applied for go well outside the times when cricket is usually being played: currently Saturday afternoons and some evenings. Whilst the club say that the application is for infrequent use, the hours covered by it are from midday to 11 o'clock every day of the week so, if, for example, the club wanted to have a birthday party or stag night the license would allow for that and with people's homes just across the road this could constitute a public nuisance.

People around here have raised hundreds of thousands of pounds in recent years to benefit the park and many commit themselves to regular voluntary work in upkeep of it. There is already a sickening amount of late-night vandalism in the park and having a place, lit and with music and alcohol-fuelled revelry in there would not help.

A short while ago, the Wagon and Horses wanted to rent a small patch in the park to use as a beer garden. There was huge public outcry and the idea was quashed. If the cricket club licence were to go ahead it could be the thin end of the wedge and it would be impossible to stand in the way of future applications.

This application would not benefit the Council, the park or its users and the wider community. It would, however, introduce new risks and potentially increase costs in the running of the park. Please reject it.

Subject: Application for licensing of the cricket pavilion in Millhouses Park

As a longterm resident of Millhouses whose family has used Millhouses Park for years and who has watched the ongoing refurbishment of the Park with much appreciation, I am writing to object to the application for licensing of the cricket pavilion.

I share the widespread local concern about this application and feel people who live closer than we do are right to be genuinely worried about noise going on late into the night and about possible disturbance from people leaving the site after 11.00 pm.

I note that there are no proposed restrictions on where users of the pavilion could drink alcohol. This seems to suggest that if a licence were granted, people could drink anywhere in the Park which totally goes against a previous decision not to allow the Wagon and Horses to rent a small patch in the Park to use as a beer garden. Even the application for a licence for Cliffhangar was proposing that the number of times alcohol could be sold should be strictly limited.

Given the Park is heavily used by families from across the City and is there to create a healthy and enjoyable environment for all, to allow the introduction of alcohol consumption is not appropriate. It is a matter of safety for those visitors and families, particularly those with younger children. The consumption of alcohol tends to increase boisterous behaviour and unacceptable language and this would not be in the interest of most park users or of local residents. There is also an issue as to how members of visiting teams would behave.

In addition the hours applied for do not coincide with the times when cricket is usually being played. If the hours covered by the licence are to be from midday to 11.00 pm every day of the week, does this imply that the premises are to be used for purposes other than providing refreshment for cricket players? Noisy week day events could well constitute a public nuisance.

It is my view that this application would also be to the detriment of the Council as there is the possibility of increased litter and damage to deal with which would involve additional costs. Nor does it seem to have any benefit for the majority of Park users or the wider community.

This is a public park and any club that is able to play there should respect that fact and recognise that they are having to share the Park with very many others. The cricket club should be accepting the Park for what it is, an important and much used public open space which has benefited over recent years from a huge local commitment to improving the environment and the Park facilities. They should not be seeking to undermine what has been achieved.

I would urge that this application be rejected.

Planning Application for Millhouses Works Cricket Club in Millhouses Park

We are writing to object to this application:

We fundamentally object to the sale of alcohol in Millhouses Park. This is a public area and at present the park affords a safe environment for people of all ages, backgrounds and cultures. This development could potentially jeopardise this. For the same reasons we were opposed to the Waggon and Horses application to extend their beer garden into the park.

- The hours applied for cover every day of the week until 11 o'clock at night and we are worried that this could lead to noise and disturbance to neighbours of the park.
- The pavilion may be private but the path and the grass around the pavilion are all part of a public park and are open for use by park users at all times including cricket matches. We are certain that alcohol will be consumed outside the pavilion and the application mentions licensable activities 'on or FROM the premises'. We consider this would be inappropriate in a public park particularly with children present.
- Although the intention might be to sell alcohol only occasionally this application gives carte blanche to activities and the sale of alcohol every day of the week from mid morning until late at night.
- We feel that this would set a regrettable precedent that other establishments in parks might follow.

We urge you to reject this application.
