ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Hi Shaun

New Plan is OK but urinal needs to go outside wc compartment, as you have agreed to provide an electrical certificate on completion of the work I will not be requiring it as a condition on the licence. I can now withdraw my representation in respect of the new licence application. Helena I will forward the revised plan when the slight modification to the position of the urinal has been done

Dear Sir/Madam/Ms,

Please find attached the copy of a petition against the application for an on/off Licence to sell alcohol at 99 Cross Hill, Ecclesfield. The original petition was delivered to Staniforth Road yesterday.

F [REDACTED]

We the undersigned strongly object to the application by Shaun Price for a licence to sell alcohol by retail on/off the premises at 99 Cross Hill, Ecclesfield, on the following grounds :-

1. This is a well populated residential area where most of the residents park their cars on the road and parking is at a premium. As the application is for an on licence as well as an off licence the premises are expected to have customers who will be staying there to have a drink and they will probably have to park their cars on the road outside or nearby as there is no parking area for the clients. There is a forecourt where two or three cars could park but there will be a danger to the passing motorists as the cars drive on and off the forecourt. This road is the A6135, a main highway between Sheffield Lane Top and Chapeltown with a Police Station close by and on many occasions these vehicles go along this road to attend emergencies at excessive speeds. Coming from the station there is a bend in the road which obscures the premises plus a side road and extra parked traffic would add to the possibility of an accident. The premises are not large enough to hold many customers drinking there so it is a possibility that tables and chairs may be put on the forecourt for customers and this could encourage people to congregate on the pavement thereby causing an extra hazard when the public have to step in the roadway to get past.
2. On either side of the premises are driveways leading to the backs of the rows of houses. These driveways are only just wide enough for a car which means the houses on both sides of the driveways will be subject to the noise created by customers attending 99 Cross Hill to drink and purchase alcohol and also others standing around drinking especially as it is proposed to open during the evenings and at the weekends. This will also affect the occupants of the houses across the road. There is also a strong probability that these driveways will be subject to vomit, litter and customers using them as urinals.
3. Because the area is mainly residential there are small children living and playing immediately nearby who would be subject to the sound of undesirable language and smoking when passing the premises and disturbance when trying to sleep. A further hazard is the problem of broken glass from bottles and tumblers left outside the premises and on the driveways at the side. We firmly believe that the area and premises are not suitable for their proposed use.

14th June 2016

Dear Sir

Re: 99 Cross Hill, Ecclesfield, Sheffield S35 9WR

We are writing to lodge an objection to the application for a licence to sell alcohol from the above premises. We feel that granting such a licence would be at odds with the Council's licencing objectives which are aimed at enhancing and maintaining the quality and safety of public life particularly in a residential setting.

In all the years we have lived on Cross Hill (25 plus years) the previous tenants of these premises have only ever operated during normal business hours. The extent and lateness of the proposed opening hours in this application would undoubtedly constitute a public nuisance particularly during non-daylight hours when there would be a significant increase in footfall and noise levels (and the consequent anti-social behaviour arising from that) at a time when local residents have a right to expect peace and privacy.

Furthermore private and commercial vehicles are often parked on both sides of what is already a busy road and bus route particularly after 5pm when local residents come home from work. Crossing this part of Cross Hill is already proving to be hazardous and the nature of this business will only increase the risk to public safety and the distinct likelihood that young children and vulnerable senior citizens will at best be alarmed and frightened and at worst come to harm, particularly if some customers choose to consume their alcohol purchases outside or behind the premises.

On top of this, the driveway immediately adjacent to these premises which provides vehicle access to up to six houses with an entitlement to rear-of-property parking has often been blocked. On a number of occasions we have had to get out of our car to complain about this when we have been prevented from exiting the driveway by customers (and suppliers) of the shop. We are concerned that we may still have to do this at night when the shop is still open, or in an emergency.

In view of our comments, we trust that the Council will look favourably on this letter in coming to a decision on this matter, and consequently reject this application to sell alcohol from these premises.

Yours faithfully

Subject: Objection to Application for Alcohol retail sale for premises at 99 Cross Hill, Ecclesfield, Sheffield
Date: Mon, 20 Jun 2016 18:36:35 +0000
To whom it may concern:

My name is Peter [redacted] and I am a resident at [redacted] Cross Hill, Ecclesfield, Sheffield, S35 [redacted]. My property is on the same side of the road as 99 Cross Hill and is very close (6 doors away) to the premises applying for an alcohol licence.

I understand my objection has to be with the Licencing Department by no later than 21st June 2016 (tomorrow).

I wish to object to the potential granting of a licence to allow the sale by retail of alcohol on/off the premises at 99 Cross Hill for the following reasons:

1. This is a residential area located on a busy main road. Car Parking is already at a premium with residents often unable to park outside of their own homes. Sometimes parking on St. Michael's Road is necessary when space is unavailable. The proposed opening hours are also at times when residents will most need to leave their cars next to their properties (when they arrive home from work for the evening and at weekends when they are more likely to be at home). Granting the licence would make parking even more difficult than it is at present.
2. If the premises is to be allowed to sell alcohol for consumption off the premises as well as on, a number of vehicles would be stopping for short periods outside of the premises whilst transactions take place and then would move off. Cross Hill is a very busy road and is often congested. The parking of vehicles for short periods will increase the likelihood of accidents on this very busy road.
3. There are two public houses (Greyhound on High Street and Travellers on the Common) in close proximity to the premises at 99 Cross Hill. Indeed a third public house (The Ball) has only recently closed down. These remaining two public houses and those further into the village are sufficient to meet current need.
4. For off premises alcohol sales there are two large Supermarkets (Morrisons and Aldi) nearby and a Co-Op with late night opening even closer.
5. I believe the premises has one small toilet - this is surely unsuitable for on site alcohol sales.
6. With the above inadequate facilities and the nature of the goods being sold (alcohol) this gives an increased likelihood that at times patrons may urinate and vomit around the vicinity of the premises. ie In a residential area

24

7. The nature of the proposed use will also inevitably attract anti-social behaviour in a residential area. As it is a few streets away from the centre of the village - this will be a further area requiring police patrols (with already stretched resources).

It would be most appreciated if the above points could be considered when determining whether or not to grant a retail alcohol licence for this premises.

It would also be most appreciated if you would acknowledge by return email, receipt of my objection.

Yours sincerely,

Mr Peter [REDACTED]

Hello,
Please find attached my letter of objection, along with supporting photographs, to the licensing application for 99 Cross Hill S35 9WR.

I am writing to register my objection to the application for a premises licence for 99 Cross Hill, Ecclesfield, Sheffield S35 9WR. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, in particular public safety and the prevention of crime and disorder.

Cross Hill is one of the main routes into the city centre from the North of Sheffield and is busy throughout the day. There are often vehicles parked on both sides of the road which makes crossing hazardous. There are also no pedestrian crossings nearby; the extra traffic caused by customers visiting the premises will exacerbate this problem.

Additionally the driveway to the left of the property provides access to six houses. When the premises have been occupied previously, vehicles regularly blocked access to this driveway. Please see attached photographs taken recently of vehicles parked blocking access to the drive.

The application proposes that alcohol will be sold seven days a week, Ecclesfield already has several licensed premises in close proximity that all open daily. I am concerned that having another licensed premise will add to crime and disorder. There are many young children in the adjacent properties, two of which are mine, that play in the gardens behind these premises. There is nothing to prevent users of these premises from wandering down the driveway, and effectively into the back gardens of these residences. The prospect of this is already causing a great deal of stress to residents of these properties.

We are also concerned about the potential public health issue with increasing litter, including broken glass, public urination and unacceptable noise levels in gardens behind the premises that are public property. Because the driveway has to remain accessible to six properties there is no practical way to prevent people from straying into these private gardens.

Thank-you for considering the above

Yours faithfully

Mr J [redacted]

Dear Sir/Madam,

I am writing on behalf of my elderly mother who lives at [REDACTED] Cross Hill.

I am writing to register my objection to the application for a premises licence for 99 Cross Hill, Ecclesfield, Sheffield S25 9WR.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, in particular - public safety and the prevention of crime and disorders.

Cross Hill is one of the main routes into the city centre from the north of Sheffield and is constantly busy with traffic throughout the day. There are often vehicles parked on both sides of the road which makes crossing hazardous. There are no nearby pedestrian crossings and the extra traffic caused by customers visiting the premises of 99 Cross Hill will further exasperate the problem.

Also, the driveway to the left of the property at 99 Cross Hill is used by the four houses. When the premises at 99 have been occupied previously, vehicles regularly blocked access to this driveway.

The application proposes that alcohol will be sold seven days a week. Ecclesfield already has several licensed premises in close proximity that all open daily. I am concerned that having another licensed premises Page 134 add to crime &

disorder and that it is not needed.

Thank you for considering the above.

Yours faithfully
