ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

Report to Communities and Neighbourhoods Transitional Committee

Tuesday 15th February 2022

Report of: Policy & Improvement Officer

Subject: Report from January's workshop

Author of Report: Deborah.glen@sheffield.gov.uk

During January, when Covid infections were high, the Committee opted to hold its scheduled meeting as an informal on line workshop. They considered the reports that were previously planned for the December meeting in 2021. This was postponed, also due to the high rate of Covid infections.

The appendix attached to this report outlines the nature of the presentations and discussions from the informal workshop.

The Committee is being asked to:

- Note the content of the workshop held in January 2022
 - Consider making a recommendation that the further work referred to on Selective Licensing is taken forward under the new Committee System in 2022/23
-

Appendix: Communities and Neighbourhoods Transitional Committee

Informal Workshop

Wednesday 19 January, 9.30am, via Teams

Present: Councillor Peter Garbutt, Councillor Sioned-Mair Richards, Councillor Joe Otten, Councillor Andrew Sangar, Councillor Sophie Thornton, Councillor Ben Curran, Deborah Glen, Jill Hurst, Catherine Hughes, Philippa Burdett

Apologies: Councillor Karen McGowan, Councillor Abtisam Mohamed, Councillor Alison Teal, Councillor Paul Wood

Notes from meeting:

1. Cladding and Fire Safety

Jill Hurst shared a presentation on Improving Fire Safety Council Owned High Rise with members, which included a legislative update and key changes, and the key themes of working: Council Housing Fire Safety Board, continuous improvement and culture, and engagement and outreach.

- Mobility scooters were discussed, including issues relating to their safe storage in terms of charging, fire safety and evacuation plans. This could be highlighted with Cabinet Member (Paul Wood/George Lindars-Hammond)
- Jill answered questions relating to the information she had shared
- Jill happy to accept any supplementary questions after the meeting by email.
- Thanks to Jill for an informative presentation

2. Regulation in the Residential Sector

Catherine Hughes shared a presentation on Robust Regulation in the Residential Sector which outlined the work carried out by the Private Housing Standards team.

- Discussion about the 'Snug' scheme – could it now be transferred over to the universities, or increase the fee, or reduce the sign-up period from two years to one year.
- Catherine - scheme was due for renewal and she could come back and discuss ideas in more detail with members.
- Concern noted about the cost of Waking Watch
- Members noted the hard work of the team
- Query about reaching people that were more vulnerable and didn't currently engage. And a selective licensing scheme that that created this opportunity. Could new schemes be worked up whilst others were in progress

- Catherine – grounds needed to look at selective licensing. Gathering of evidence required resources and money. Then explore evidence to see if the threshold had been met. Needs to be looked at in more detail. Could be a detailed session for the committee. Come back after refreshing the cost information.
- Useful to see lessons learned from Page Hall and London Road
- Noted that more work could be done to promote the team and what they do
- Benefits of having a licensing scheme versus targeting where you're going. Benefits either way?
- Catherine:
 - Licensing scheme - can charge a fee for licensing scheme, but depends on how you administer that scheme. Not inspecting all the properties so problem properties may be missed
 - Targeting work – quicker and cheaper than evidence gathering. But doesn't have legal standing. Costs of putting in a scheme are unseen
- Useful for Members to be notified of issues in their local area – whether it be concerns or reassurances
- Catherine – members would be notified of proactive work. The targeting work carried out in 2017 involved ward members, local communities and charities in meetings
- Deborah – a brief report pulling all comments together could be brought to the next Committee
- Thanks to Catherine for an informative presentation

3. Update on working groups

Sophie (housing repairs):

- Initial meeting in December with presentations from service managers, including a local govt officer from Hackney, who is a Sheffield resident and now an SCC employee
- Talked about what issues to focus on
- Co-ordination between housing and repairs and how they could liaise better
- Recommendations before MER 516
- Happy to send through further detail to the group if helpful
- Needs to arrange a date for the next working group with Deborah.

Sioned (post Christmas debt):

- Reps from the Credit Union and from loan shark action had attended a meeting in her ward. She would like them to talk to this group with figures for Sheffield at the next meeting

Karen (youth - info provided by Peter):

- Community visits with Chelsea Renehan soon to see first-hand what the problems are. Dates are 26 and 27 January – all welcome.

Not before 4 Jan 2022	<p>Private Sector Leasing Scheme and Rough Sleepers Accommodation Programme (RSAP) (K)</p> <p>In Sheffield, over the previous year there have been 144 rough sleepers counted in the monthly headcounts. Of these 44 are of medium needs and 23 ready for move on accommodation. Each month there has been an average of 9 rough sleepers who are not repeats. We would therefore expect to see a further 108 new rough sleepers over the next year. We would expect based on the current picture that around 18 would need move on. We have also made an estimate that 6 people would be ready for move on who are currently in emergency accommodation based on a current snapshot. The below shows the yearly estimates: Year 1: 47, Year 2: 71, Year 3: 48, Year 4: 48, Year 5: 48 We propose that we will set up a Private Sector Leasing (PSL) scheme for 15 rough sleepers. We know private landlords in Sheffield are keen to lease the council their property at Local Housing Allowance (LHA) rents of which the council can recover back a large amount of. We understand we will get 90% of the 2011 LHA rates as subsidy from Department of Work and Pensions (DWP) as subsidy. Other costs are for private contractors for cleaning and repairs and maintenance of which a procurement and tendering exercise has taken place for a similar scheme which we can use as well for this model. We will use the Council's Furnished Team to furnish the properties and replace furniture from them too if required. We are requesting funds for 2 x Tenancy Support Workers for 15 units and not claiming for any other staffing costs but will cover additional costs for staffing within our current staffing structure. We have an existing PRS scheme and will utilise staff with experience and knowledge in the field to support this scheme. We will provide extra staffing resource ourselves to ensure the management, procurement of property, property inspections and monitoring of rents, contractors' invoices and payments are all dealt with efficiently. We will draw on the Personalisation Fund funded by RSI 4 and if required we can use TSW from Housing First project who will have the relevant skills and experience to work with rough sleepers</p>	Executive Member for Housing, Roads and Waste Management	Report of the Director of Housing and Neighbourhoods	TBC	<p>People Services Jessica Senior</p> <p>jessica.senior@sheffield.gov.uk</p>

16 Mar 2022	<p>Sheffield Football Hubs (K)</p> <p>COVID-19 had a significant impact on the operation of the Sheffield Football Hubs. This resulted in the exit of Pulse Soccer as the operator and their sub-contractor, Leisure United were engaged as temporary operator. for the football hub sites at Thorncliffe, Graves and Westfield until June 2022.</p> <p>A solution is needed to safeguard the investment in Sheffield. Sheffield City Council and the Football Foundation have undertaken significant due diligence with the funding partners the FA (Football Association), the Premier League and Sport England to find a sustainable long term operating solution. The Sheffield Football Hubs Report will be seeking approval to progress with a new management and operational model for our four football facility sites in Sheffield in partnership with the National Football Trust. Doing nothing is not an option. The current interim arrangements come to an end in June 2022 and how the facilities will be managed and operated must be reviewed. The Council knows how important our football facilities are to the people of Sheffield, especially post Covid-19 and the health and wellbeing of residents is a priority. It is therefore critical that a long-term sustainable management arrangement is put in place to secure the future of the facilities. The proposed future partnership with the National Football Trust aims to create a network of sustainable, high-quality facilities for the long term. The proposed capital spending of around £2m into community football facilities in Darnall will have a significant impact on participation levels, health and the social/community benefits of football.</p>	Co-operative Executive	Report of the Executive Director, Place	08/03/22	<p>Place Lisa Firth Tel: 2053964 lisa.firth@sheffield.gov.uk</p>

16 Mar 2022	<p>South Yorkshire Local Heritage List</p> <p>Historic England recommend that local authorities should maintain a list of locally valued heritage assets, nominated by members of the public; inclusion on this list would flag these assets up within the Planning system, for consideration. Local heritage lists can contain a variety of heritage assets, including buildings, monuments, designed landscapes and archaeological sites. Currently Sheffield does not have a process for establishing and maintaining such a Local Heritage List. The Ministry for Levelling Up, Housing and Communities, now the Department for Levelling Up, Housing & Communities, provided grant funding for South Yorkshire, to help kick-start the local heritage listing process – 1 of 22 such projects in England.</p> <p>South Yorkshire Archaeology Service are leading on the project for Barnsley, Doncaster, Rotherham and Sheffield. As well as working on the public nomination process, we need to establish a system for the four authorities to consider nominations and adopt relevant assets on to a Local Heritage List. For Sheffield, our proposal is that the Co-operative Executive approve the methodology for production of a Local Heritage List and agree to delegate future decision-making, on addition or removal of such assets, to the Head of Planning - for nominations received for Sheffield heritage assets. Historic England guidance on local listing states that inclusion of heritage assets should be approved by a 'plan-making body'. To date only Barnsley, of the four South Yorkshire authorities, has a methodology in place for such local listing, with decision-making delegated to officer level. Having discussed the process required with Legal, advice is to seek Executive approval for a similar decision-making model in Sheffield. We are also in discussions with Doncaster and Rotherham to ensure a similar model is followed by those authorities. This will allow a consistent approach to local listing to be adopted across South Yorkshire. The South Yorkshire Local Heritage List will be displayed on a dedicated project website - to give residents easy access to information about valued local heritage assets. In addition, the information gathered through the nomination process will be used to enhance records held in the South Yorkshire Historic Environment Record (formerly the Sites & Monuments Record), which is maintained by South Yorkshire Archaeology Service for the four authorities.</p>	Co-operative Executive	Report of the Executive Director, Place	08/02/22	<p>Place Sarah Cattell</p> <p>sarah.cattell@sheffield.gov.uk</p>

Report to Communities and Neighbourhoods Transitional Committee Tuesday 15th February 2022

Report of: Policy & Improvement Officer

Subject: Work Plan & Ways of Working

Author of Report: Deborah.glen@sheffield.gov.uk

Transitional Committees are being introduced to provide an early opportunity for Members to work on a cross party basis, advising the Executive in advance of decisions being made, as we make the transition to a Committee System in 2022/23.

Work Plan

Transitional Committees are advisory to the Co-operative Executive. It is therefore important that the workplans focus on key topics for the administration, aligned to the One Year Plan; and are achievable within the capacity of Transitional Committees – approximately 6 meetings during 2021/22. Transitional Committee Chairs and Executive Members have been in discussion about priorities for Transitional Committee consideration, and these are set out in the attached draft work plan. It will come to each meeting of the Transitional Committee for consideration and discussion. The most up to date version of the plan is attached.

Ways of Working

A key role of the Transitional Committee is to trial new ways of working, and use the feedback from this to help the Governance Committee decide on the final model, including ways of working, to recommend to Full Council prior to the transition to the Committee system of governance in May 2022.

Each Committee will decide how to work together, and with partners and the Community. The Chair of the C&N Transitional Committee is proposing to trial an approach that is structured around the scheduled, formal Committee meetings and to run up to two working groups to gather evidence from service users and their representatives, providers, and other relevant stakeholders alongside conducting research into relevant policy, to bring back to the Transitional Committee to inform its advice to the Executive.

The Committee has established three working groups for the remainder of the year, these are:

1. Young people and anti social behaviour.
2. Post Christmas debt

3. Repairs and Maintenance

There will be a verbal update on these groups at the meeting.

The Committee is being asked to:

- Consider and comment on the draft work plan and proposed ways of working for the Communities and Neighbourhoods Transitional Committee.
