PUBLIC ACCESS TO THE MEETING

Local Area Committees engage, enable, and empower communities across the city with increasing control over decision making, marking a major shift in power to communities. The Committees provide a geographical framework that, over time, will be used to prioritise and direct the local delivery of an increasing number of Council services and oversee the production of a co-produced annual Area Committee Plan which will reflect resident priorities.

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. You may not be allowed to see some reports because they contain confidential information. These items are usually marked * on the agenda.

Members of the public have the right to ask questions or submit petitions to Area Committee meetings and recording is allowed under the direction of the Chair.

Please see the [website](#) or contact Democratic Services committee@sheffield.gov.uk for further information regarding public questions and petitions and details of the Council's [protocol on audio/visual recording and photography](#) at council meetings.

Local Area Committee meetings are normally open to the public but sometimes the Committee may have to discuss an item in private. If this happens, you will be asked to leave. Any private items are normally left until last.

Local Area Committee executive decisions are effective six working days after the meeting has taken place, unless called-in for scrutiny by the relevant Scrutiny Committee or referred to the City Council meeting, in which case the matter is normally resolved within the monthly cycle of meetings.

In order for us to be able to effectively facilitate attendance at the meeting, we would encourage all attendees to notify us of your attendance in advance by contacting the [Area Committee Team](#) or emailing committee@sheffield.gov.uk

It is recommended that you wear a face covering in crowded and enclosed spaces where you come into contact with people you don't normally meet. We also encourage washing or sanitising your hands frequently - hand sanitiser will be provided. Please do not attend if you test positive for Covid-19 or if you are experiencing any Covid-19 symptoms.

If you require any further information please contact email committee@sheffield.gov.uk.

ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its executive or any committee of the executive, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest (DPI)** relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Audit and Standards Committee in relation to a request for dispensation.

Further advice can be obtained from Gillian Duckworth, Director of Legal and Governance on 0114 2734018 or email gillian.duckworth@sheffield.gov.uk.

(d) Public Questioner 4

Will the budget of £100,000 be split evenly across all 4 wards?

The Chair stated that the £100,000 was accessible to all 4 wards although they may be certain wards that had specific plans that take priority therefore could spend more money than other wards.

(e) Public Questioner 5

How much money is in the Fly-Tipping and Graffiti budget?

The Chair explained that there was a budget of £700,000 city wide and that £58,000 was accessible to each LAC.

(f) Public Questioner 6

1. Does the salary of the Local Area Team come out of the LAC budget?

2. Is it possible to carry over any of the budget into the next financial year?

In response to question 1, the Chair confirmed that no salaries were to come out of the LAC budget.

In response to question 2, the Head of Communities advised that she had requested any unused budget be carried over and that she would report back to the LAC once confirmed.

(g) Public Questioner 7

How does the LAC intend to involve the faith sector into their plans?

The Local Area Committee Manager stated that the LAC would use different methods of communication to engage with as many groups as possible i.e., surveys and workshops. It was also mentioned that the LAC was hoping that the different groups attending the LAC meetings would feed information back to increase engagement. Also, it was advised for anyone part of a group that felt they were not engaged, to speak at the LAC meeting and share their thoughts on how the LACs could improve engagement.

(h) Public Questioner 8

Will the LAC have access to the £100,000 budget each year?

The Chair explained that each year the LAC would receive a budget of £100,000 and the Head of Communities was requesting that remaining budget be carried over.

(i) Public Questioner 9

Can members of the public request that facilities be opened and used by young people.

The Chair advised that this could be included in the agreement of community plans

for January 2022 if members of the public felt that this was a priority. There would also be a youth services officer in direct contact with this LAC, who would link into the youth services plans.

(j) Public Questioner 10

A written response would be provided for this question.

(m) Public Questioner 13

1. How ambitious could the community plan be?
2. Would there be thought on bringing in investment from other organisations?

In response to question 1, the Chair explained that the LAC aimed to make the consultation reflect how the community could put their ideas forward on what local issues needed addressing.

In response to question 2, Councillor Anne Murphy mentioned that the LAC had already been working with organisations and building working relationships as investments was a factor to consider.

(n) Public Questioner 14

How would Sheffield City Council consult with the public on what will be decided in the community plan?

engagement?

The Chair stated that the Council intended to engage with as many community groups as possible and that the LAC team were using various methods to ensure that public voices were heard.

(p) Public Questioner 16

Could the LAC budget be used to fund raise and generate more investment instead of looking to spend all 100% of the budget of community plans and projects?

The Head of Communities stated that it would be possible to invest part of the budget.

(q) Public Questioner 17

Would there be an opportunity for local services to present what their organisation does for the community at a LAC meeting?

The Chair advised that it could be beneficial to schedule themed additional LAC meetings inviting different services to attend and present information on their organisation.

(r) Public Questioner 18

If the community plan wouldn't be agreed until January 2022, does that mean that none of the LAC budget would be used until then?

The Chair explained that money within the ward pots could be used in the meantime although agreed that the LAC budget would not be used until after January 2022. The LAC's have also been given a Fly-tipping and Graffiti budget in which the Council had already began to engage with members of the public on identifying areas in the wards where fly-tipping and graffiti was a concern.

What are Local Area Committees? (LACs)

Local Area Committees (LACs) are a way for people to get involved in making a difference to their local communities. Some budgets have already been devolved to the LACs for them to be used on issues and priorities that residents and communities have told us are important to them.

LACs are a chance for people to influence decision making, share their opinion and contribute to positive changes in their community. They are an opportunity for people to say what they would like to see improved in their area.

Whilst LACs have some initial devolved powers, the devolution of further powers will continue to evolve.

Further details about LACs can be found here -
