Summary and Explanation

The Council's Constitution

The Sheffield Metropolitan District Council (known as The Sheffield City Council) has agreed a Constitution that sets out how the Council operates, how decisions are made and the procedures that are followed to ensure that these are efficient, transparent and accountable to local people. Some of these processes are required by law, whilst others are a matter for the Council to choose.

The Constitution contains 17 Articles in Part 2, which set out the basic rules governing the Council's business. More detailed procedures and codes of practice are provided in separate rules and protocols contained within the other parts of this Constitution.

What is in the Constitution

Article 1 of the Constitution commits the Council to be amongst the best performing Councils, providing the best quality services in the Country.

Articles 2 to 17 explain the rights of citizens and how the key parts of the Council operate. These are:

- Members of the Council (Article 2).
- Citizens and the Council (Article 3).
- The Full Council (Article 4).
- Chairing the Council (Article 5).
- The Leader, Deputy Leader and Group Leaders (Article 6).
- Policy Committees (Article 7).
- Regulatory and Other Council Committees (Article 8).
- The Audit and Standards Committee (Article 9).
- Health and Wellbeing Board (Article 10).
- Area Committees (Article 11).
- Joint Arrangements (Article 12).
- Officers (Article 13).
- Decision Making (Article 14).
- Finance, Contracts and Legal Matters (Article 15).
- Review and Revision of the Constitution (Article 16).
- Suspension, Interpretation and Publication of the Constitution (Article 17).

Part 3 of the Constitution sets out who is responsible for making what decisions, including remits of Committees and arrangements for delegation to officers.

Part 4 of the Constitution details the framework for the administrative and procedural conduct of the Council and its committees, including Council Procedure Rules for meetings, Contracts Standing Orders, Access to Information Procedure Rules, Budget & Policy Framework Procedure Rules, Financial Regulations, Officer Employment Procedure Rules and Area Committee Procedure Rules.

Part 5 comprises a number of codes and protocols which councillors and employees of the Council should comply with, including Codes of Conduct for Members and Officers, Protocols for Member/Officer Relations and Sharing the Committee Chair role, and some guidance on the Council's practices.

Part 6 is the current Members' Allowances Scheme.

Part 7 is the Council's Statutory and Proper Officers and Management Structure.

How the Council Operates

The Council is composed of 84 Councillors with one-third elected three years in four. Councillors are democratically accountable to the residents of their Ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them. Councillors must agree to follow a Code of Conduct to ensure high standards in the way they undertake their duties. The Audit and Standards Committee ensures that Councillors have access to training and advice on the Code of Conduct.

Councillors have no individual powers. Councillors influence and make decisions corporately through Council and committee meetings. All Councillors meet together as the Full Council. Here Councillors decide the Council's overall policies, set the budget each year and set the Council's major plans, policies and strategies. The statutory and other responsibilities reserved to the Council are set out in Part 3, subject to any amendment necessary to comply with legal requirements. Meetings of the Council are normally open to the public.

At the Annual Council Meeting, usually in May, Full Council elects a Lord Mayor and a Deputy Lord Mayor. During his or her period of office, the Lord Mayor is the first citizen of the City and chairs meetings of the Full Council.

At the Annual Meeting Full Council also appoints the Leader and Deputy Leader, the Chairs and Deputy Chairs of Committees (as set out in Part 3) and the Councillors to serve on those Committees. Appointments to all committees, except Area Committees, comply with the requirements of political proportionality set out in the Local Government and Housing Act 1989.

Full Council also appoints representatives to serve on joint bodies and external organisations.

The Council is responsible for functions as provided by statute and also has a general power of competence. The Council arranges for its functions to be carried out through its committee system and by delegated responsibilities to its senior officers. All committees are subordinate to the Full Council and dependent on it, through this Constitution and the policies and decisions agreed by it, for the delegation of powers and duties.

How Decisions Are Made

The Council has set up procedures to ensure that its functions are carried out effectively and efficiently in accordance with the principles of good administration.

Eight Policy Committees are responsible for most of the Council's functions. Their full terms of reference are set out in Part 3 of this Constitution. These committees meet on a planned basis in public (except where personal, exempt or confidential matters are being discussed – see Access to Information Procedure Rules in Part 4) to take operational, policy and strategic decisions within their remit, other than those reserved to Full Council or delegated to other committees or senior officers.

Strategy and Resources Policy Committee is made up of the Leader, the Chairs of each of the Council's other Policy Committees, the Chair of the Finance Sub-Committee, and such other Members as are necessary for political proportionality. There are procedures so that controversial decisions that would normally be made by another Policy Committee may be referred to Strategy and Resources Policy Committee or Full Council to determine.

Other Committees with decision making powers include the Planning and Highways Committee, the Statutory and Regulatory Licensing Committees, and the other committees whose terms of reference are set out in Part 3 of this Constitution.

The Health and Wellbeing Board is a Committee of the Council whose members include Councillors, officers of the Council and representatives from local health and other organisations. It is a statutory forum required for discussing shared health and wellbeing issues and concerns.

Access to Information Requirements

Meetings of Full Council and its Committees are subject to the Access to Information Procedure Rules in Part 4 of the Constitution. The rights of citizens to inspect agendas and reports and attend meetings are set out in more detail in these Rules.

Working groups and task and finish groups do not meet in public session and are not subject to these Rules.

The Council's Staff

The Council has people working for it (called 'Officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some Officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely. A Protocol in Part 5 of the Constitution governs the relationships between Officers and Members of the Council.

Citizens' Rights

Citizens have a number of rights in their dealings with the Council. These are set out in more detail in Article 3. Some of these are legal rights, whilst others depend on the Council's own processes. The local Citizens' Advice Bureau can advise on individuals' legal rights.

Where members of the public use specific Council services, for example as a parent of a school pupil or as a Council tenant, they have additional rights. These are not covered in this Constitution.

The Council welcomes participation by its citizens in its work. For further information on your rights as a citizen, please contact the First Point Reception at Howden House, Union Street, Sheffield or by e-mailing firstpoint@sheffield.gov.uk. The Reception service is open during normal working hours.

However, the Council may, by a resolution passed on a motion duly moved and seconded, direct the order of precedence to be changed, in circumstances where the subject of a motion proves to generate public interest reflected by a significantly increased attendance by members of the public at a Council meeting and it is therefore deemed appropriate to take the motion in question as an earlier item of business. The motion to change the order of business shall be dealt with in accordance with the process set out in Council Procedure Rule 11(b).

The formula shall be agreed at the start of each municipal year, to take account of any changes in size of the Groups etc. The number of Motions submitted through the recognised groups for each ordinary meeting of the Council will be limited to no more than four. Provision shall also be made for the inclusion of any individual Motions that are not submitted through the recognised Groups.
- (c) In addition, the formula shall include an allocation for having the first Motion listed on the Council Summons, with the frequency being determined according to the relative size of the Party Groups. Any Group not sufficient in size to be entitled to a meeting at which it would have the first Motion listed on the agenda, shall be entitled to have the first Motion listed on the Council Summons once within a period of two Municipal years. In-year variations to the scheduling of a Group's first Motion shall be permitted, in exceptional circumstances, with the prior agreement of each of the Groups.

10.3 Scope

The Chief Executive may reject a Motion if it:-

10.5 Motions which commit the Authority to new or additional expenditure

- (a) Members moving a motion at Council the net effect of which, if accepted, is to commit the Authority to new or additional expenditure or cause loss of income shall before moving such motion clearly demonstrate that they have taken appropriate officer advice on all the following issues (1) whether or not the proposal set out in the motion is within current budgets, (2) what the implications of incurring the expenditure or loss of income would be, (3) if not within current budgets how any expenditure or loss of income is to be funded and (4) any change in priorities as a result of the proposal. The relevant information and consequences of the proposal must be clearly set out in the motion together with the fact that, in voting for the motion, Members will also be voting to amend the previously agreed expenditure or income and/or change in priorities for the services or areas affected.
- (b) Failure to comply with the above requirements in total means that the motion cannot be implemented until such time as the requirements are met.

10.6 Motions regarding a matter which is delegated to a Committee

A motion will not be valid if it would have the effect of binding a Committee on a matter which falls within that Committee's delegated authority, to the extent that the decision of that Committee becomes predetermined. The Committee will have regard to the resolution of the Council resolution when it considers the matter at a meeting which meets the requirements set out in the Access to Information Procedure Rules in Part 4 of this Constitution.

A maximum of one speaker from each political group officially recognised by the Council, other than that of the mover's Group, shall be allowed to speak to the motion for a maximum of 30 seconds per speaker. The mover shall not have a right of reply. The Lord Mayor will then put the motion to the vote.

12 Amendments to Motions

- 12.1 Subject to the provisions of Council Procedure Rules 11, 13 and 17.13, every amendment shall be submitted in writing to the Chief Executive (except for an amendment to any motion not detailed in the Council Summons), by not later than 12 noon on the day preceding the Council Meeting to which it is proposed to be submitted.
- 12.2 An amendment to a motion must be relevant to the motion and will either be:-
- (i) to refer the matter to an appropriate body or individual for consideration or reconsideration.
 - (ii) to leave out words;
 - (iii) to leave out words and insert or add others; or
 - (iv) to insert or add words, as long as the effect of (ii) to (iv) is not to negate the motion such that it departs from the subject of the motion.

12.3 The Chief Executive may reject an amendment if it:-

- (a) negates the motion such that it departs from the subject of the motion;
- (b) is not a matter for which the Council has a responsibility or which affects the City or its inhabitants;
- (c) is defamatory, frivolous or offensive;
- (d) is substantially the same as a motion or amendment which has been put at a meeting of the Council in the past six months, unless Council Procedure Rule 10.4 has been complied with;

12.4 Each amendment shall be numbered and include the names of the Members who propose to move and second the amendment at the meeting, and a copy shall be placed on each Member's desk in the Council Chamber before the commencement of the Council Meeting.

12.5 The names of the mover and the seconder of any motion or amendment may be changed at any time prior to its being spoken upon.

13 Petitions

13.1 The Council recognises that the presentation of petitions is one way in which citizens can express their concerns and priorities to the Council. The Council's Petitions Scheme is at Part 5 of this Constitution. Petitions that can be presented to a meeting of the Council, Policy Committee, Regulatory Committee or Area Committee fall into three main types:-

(a) Ordinary Petitions

Comprising at least five signatures from members of the public requesting some form of action. As a courtesy, Democratic Services should be notified of the intention to present a petition at the earliest opportunity and no later than 9.00 a.m. two working days before the day of the meeting. The Council, on a Motion which need not be in writing and which shall be put without discussion, may (i) refer the petition to the appropriate body for consideration or (ii) decide that no further action be taken on the matter. Where the appropriate Policy Committee Chair wishes to respond to the petition at the meeting, his/her speech shall be limited to 5 minutes.

(b) Petitions requiring a Council Debate

A petition containing 5,000 signatures or more will trigger a debate by Full Council. Seven working days' notice submitted to the Head of Democratic Services should be given prior to a Council meeting to ensure Members have adequate preparation time. The Council will endeavour to consider the petition at its next meeting, but due to other Council business it may not be possible to debate every eligible petition at the next Council meeting, and it is unlikely that any more than two eligible petitions will be debated at any one meeting. Therefore, on occasions, an eligible petition may be debated at the next but one Council meeting.

The debate will be conducted and concluded as follows:-

- A 25 minute time limit for the item, with Members able to speak for up to two minutes each, except for the appropriate Policy Committee Chair's initial contribution which shall be for up to five minutes.
- The petition representative will be given 3 minutes to present the petition at the beginning of the debate at the meeting.
- The Lord Mayor will facilitate discussion of the petition by Members, offering the relevant Policy Committee Chair and then the relevant Group Spokespersons the opportunity to make the first and next contributions. Members' contributions will be summarised within the minutes of the meeting in order for the reasons for any subsequent referral to another body to be captured and communicated along with the petition, or for the reasons for the Council subsequently deciding to take no action on the petition to be recorded.
- At the conclusion of the debate, the Lord Mayor will offer a "right of reply" to the representative of the petitioners so that he/she can respond for up to three minutes to any matters raised in the debate. With the consent of the Lord Mayor, the representative may nominate another representative, who is entitled to speak under the Constitution, to provide that reply.
- The Lord Mayor shall then offer a Right of Reply to the relevant Policy Committee Chair who shall respond for up to two minutes and then propose the course of action to be taken in response to the petition. The courses of action available to the Council will be either to:-

- note and take no action for the reasons put forward in the debate, or
 - take the action requested by the petitioners (if it is within the Council’s remit to do so), or
 - refer the petition to either a Committee or an Executive Director for consideration having regard to the comments made by Members during the course of the debate.
- The Lord Mayor shall seek a seconder for the motion proposed by the relevant Policy Committee Chair, and then enquire whether any Member wishes to propose an alternative course of action. Any motion proposed will need to be seconded.
 - If only one motion has been proposed and seconded, the Lord Mayor will call for a vote on that motion, which will either be carried or lost.
 - Should multiple motions have been proposed and seconded, the Lord Mayor will outline each motion and then call for a vote on each motion in turn until a motion is carried and an outcome is achieved.
- (c) Petitions requesting evidence from an Officer

A petition containing 2,500 signatures may ask that a Senior Officer gives evidence at a public meeting of a Policy Committee about something which falls within that Officer’s remit.

13.2 Members of the public shall have an opportunity to address the Council or relevant Committee in respect of their petition for which they are the lead petitioner for a maximum of three minutes within the allocated time under Council Procedure Rule 15.1 for Public Question Time and Petitions, with the exception of petitions requiring a debate under Council Procedure Rule 13.1(b) in which a total of 25 minutes will be available for the debate, inclusive of the three minutes for the lead petitioner to present the petition.

14 Communications

Each meeting of the Council will include an item of business to receive any communications or announcements that the Lord Mayor, the Leader of the Council or the Chief Executive may wish to place before the Council.

15 Public Question Time and Petitions

15.1 At Council Meetings

- (a) A period of up to one hour shall be allocated at each ordinary meeting of the Council for the presentation of ordinary petitions and for written or oral questions submitted by members of the public on matters relating to the City of Sheffield or the services provided by the Council. Questions will be answered by the Leader of the Council or the appropriate Committee Chair. Employees of the City Council will not be permitted to ask questions where they relate directly or indirectly to their employment and where there are other more appropriate channels of communication, unless previously authorised by the appropriate Executive Director in advance of the meeting and a copy of such authorisation has been passed to the Director of Legal and Governance before the meeting in question.
- (b) Questions should be submitted no later than 9.00 a.m. two working days before the day of the meeting. Advice will be given on the most appropriate Body to receive the question but a member of the public has the right to choose the meeting at which the question is submitted. Questions submitted after the deadline will be asked at the meeting subject to the discretion of the Chair.
- (c) Where a submitted question cannot be answered because time does not allow, or where a Committee Chair undertakes to provide a written answer, the written answer will be provided within ten working days of the Council meeting and will be published on the Council website.
- (d) With the consent of the Council, by a simple majority vote, the Lord Mayor may extend the one hour period of public question time, having regard to the number and type of issues to be covered.
- (e) On the advice of the Chief Executive, the Lord Mayor may not accept questions which relate to:-
 - (i) matters not being within the responsibility of the Local Authority or which do not affect the City or its inhabitants;
 - (ii) judicial or quasi-judicial matters;
 - (iii) individual planning/licence/grant applications or appeals
 - (iv) named officers or Members of the Council;
 - (v) confidential matters of the type referred to in Schedule 12A to the Local Government Act, 1972; and

- (vi) matters of an irrelevant, repetitious, defamatory, frivolous or offensive nature or a general misuse of the opportunity.

15.2 Meetings other than Council

- (a) A period of up to thirty minutes shall be allocated at meetings of Policy Committees and other appropriate Bodies for members of the public to present ordinary petitions or to ask questions of Members and officers present. Employees of the City Council will not be permitted to ask questions where they relate directly or indirectly to their employment and where there are other more appropriate channels of communication, unless previously authorised by the appropriate Executive Director in advance of the meeting and a copy of such authorisation has been passed to the Director of Legal and Governance before the meeting in question.
- (b) The ability of a member of the public to ask questions or present petitions in the allotted time at relevant meetings shall be subject to the discretion of the Chair and, in normal circumstances, such discretion shall be exercised in favour of the question being asked or petition being presented. However, the Chair may decide that the individual is asking irrelevant, repetitious, defamatory, frivolous or offensive questions or generally misusing the opportunity, in which event he/she may decline to allow the individual to put questions to the meeting and such person will instead be invited to put the questions in writing. At the discretion of the Chair, a period longer than the stipulated three minutes for the presentation of a petition may be allowed.

16 Members' Questions at Ordinary Meetings of the Council

- 16.1 Provision shall be made in the Council Summons for each ordinary meeting of the Council (except January), for Members of the Council to ask the Leader of the Council, any Policy Committee or Regulatory Committee Chair, or a Member appointed by the Council to serve on an external body or joint committee, any question on matters within the functions of that Body. The Chairs of Regulatory Committees can only be asked questions relating to policy and practice rather than individual cases.
- 16.2 Written notice of questions is required by not later than 12.00 noon on the Tuesday in the week prior to the next meeting of the Council or the day earlier where a Bank Holiday falls within the intervening period. The Member giving the reply shall have the option to reply by way of:-
 - (a) an oral or written answer at the Council Meeting;

- (b) reference to a previously published document; or
 - (c) a written reply provided, wherever possible, within 10 working days of the Council meeting and circulated to all Council Members and published on the Council website.
- 16.3 Where an oral answer has not been commenced during question time, it shall be answered by written answer, wherever possible, within 10 working days of the Council meeting and circulated to all Council Members and published on the Council website.
- 16.4 No discussion shall be permitted on any such question or answer but, with the permission of the Lord Mayor and at the appropriate time as set out in the Council Summons, one supplemental question on each question may be asked by the Member who had submitted the original question within the time allocated for Members' questions.
- 16.5 If, in the opinion of the Monitoring Officer, a Member asks questions that are of no discernible value, that Member may be asked to justify the cost of supplying such information.
- 16.6 Provision shall also be made in the Council Summons (i) for each ordinary meeting of the Council, for Members, with the permission of the Lord Mayor, to ask questions relating to the discharge of the functions of the South Yorkshire Joint Authorities and of the South Yorkshire Mayoral Combined Authority, and (ii) for each meeting of the Council, for Members, with the permission of the Lord Mayor, to ask questions relating to urgent business of which notice in writing has been given to the Chief Executive not later than 12.00 Noon on the day of the meeting.
- 16.7 A period of up to 30 minutes shall be allocated for Members' questions.

When a Member speaks, he/she must stand (if possible) and address the meeting through the Lord Mayor. If more than one Member stands, the Lord Mayor will ask one to speak and the others to sit down. Other Members must remain seated whilst a Member is speaking unless he/she wishes to make a point of order or a point of personal explanation. Whenever the Lord Mayor addresses the meeting, all other Members shall not attempt to address the meeting. When the Lord Mayor stands

17.6 Time limit for debate

- (a) in exercise of a right of reply;
- (b) on a point of order; and
- (c) by way of personal explanation.

17.9 Amendments to motions

- (a) If an amendment is not carried, any further amendments that have been moved will apply to the original motion. If no further amendments have been moved, the original motion is put to the vote.

- (c) If a motion that the question be now put is moved, seconded and spoken upon, and not less than five persons have spoken on the item of business under debate, and at least one member of each of the political parties recognised by the Council as constituting an identifiable and separate Party Group, having previously indicated to him/her a wish to contribute to the debate, has been given the opportunity so to do, then the Lord Mayor will put the procedural motion to the vote. If it is passed, he/she will give the

mover of the original motion a right of reply and shall then put any outstanding amendments and the substantive or original motion to the vote.

- (d) If a motion to adjourn the debate or to adjourn the meeting is seconded and the Lord Mayor thinks the item has not been sufficiently discussed and cannot reasonably be so discussed on that occasion, then he/she will put the procedural motion to the vote without giving the mover of the original motion the right of reply. If a majority of Members vote in favour of the motion, the remaining business of the day shall stand adjourned to a time fixed by the Lord Mayor at the time the meeting is adjourned, or, if he/she does not fix a time, to the next ordinary meeting of the Council.

17.15 Point of Order

- (a) A Member may raise a point of order at any time. The Lord Mayor will hear the Member immediately. A point of order may only relate to an alleged breach of these Council Procedure Rules or the law. The Member must indicate the Rule or law and the way in which he/she considers it has been broken. The ruling of the Lord Mayor on the matter will be final.
- (b) A Member may call upon the Lord Mayor to advise the meeting as to whether an issue has arisen of factual inaccuracy, or defamation or discrimination. The Lord Mayor, advised by the Chief Executive, will advise the meeting as to what action should be taken if such an issue has arisen.

17.16 Personal Explanation

A Member may, at any time, request to address the meeting to provide a personal explanation where he/she has made a mis-statement that is being quoted by a later speaker, or where another Member has misquoted or misunderstood what the Member had said. The Lord Mayor will decide whether or not to permit the request, and the Lord Mayor's ruling shall not be challenged. The Member shall confine his/her personal explanation to correcting the misunderstanding.

18 Voting at Meetings of the Council and Other Bodies

18.1 Majority

Unless otherwise indicated within the Constitution or required by legislation, any matter will be decided by a simple majority of those

Members present in the room and voting at the time the question was put.

18.2 Chair's casting vote

If there are equal numbers of votes for and against, the Chair will have a second or casting vote. There will be no restriction on how the Chair chooses to exercise a casting vote.

18.3 Method of Voting

Unless a recorded vote is demanded in accordance with Rule 18.6, the Chair will take the vote by show of hands or electronically by using the available technology, or if there is no dissent, by seeking the affirmation of the meeting. In the interests of aiding clarity and transparency 'voting in parts' shall not be permitted other than in exceptional circumstances at the discretion of the Chair.

18.4 Show of Hands

Where there is not a consensus (and no electronic system is available), the Chair will ask for a show of hands, in turn, for those Members voting for, those voting against, and those abstaining from voting, and will announce the number of Members voting for, against and abstaining and then announce the outcome of the vote.

18.5 Electronic voting

Where facilities for electronic voting or the electronic recording of votes are available, this system will be used. The vote will be recorded and published but (unless demanded) such a vote shall not be a recorded vote as described in paragraph 18.6 below and shall not be entered in the minutes as such. At the meeting the Chair will announce the number of Members voting for, against and abstaining and then announce the outcome of the vote.

18.6 Recorded Votes

- (a) If not less than ten Members present at a meeting of the Council or, in the case of meetings of other Bodies, one third of the Members present demand it, the names for and against the motion or amendment or abstaining from voting will be taken down in writing and entered into the minutes. The recording of votes at a meeting of the Council shall be carried out by roll-call or electronically by using the available technology after a period of approximately one minute has elapsed.

- (b) In accordance with the requirements in the Local Authorities (Standing Orders) (England) Regulations 2001 (as amended), on any vote relating to the calculation of the council tax taken at a budget decision meeting of the Council the names for and against the motion or amendment or abstaining from voting will be recorded and entered into the minutes.

18.7 Right to require individual vote to be recorded

Where any Member requests it immediately after the vote is taken, his/her vote will be so recorded in the minutes to show whether he/she voted for or against the motion or abstained from voting.

18.8 Voting on appointments

If there are more than two people nominated for any position to be filled and there is not a clear majority of votes in favour of one person, then the name of the person with the least number of votes will be taken off the list and a new vote taken. The process will continue until there is a majority of votes for one person. In the event of a tie between the last two persons, the Chair shall have a second or casting vote.

19 Misconduct, Irrelevance Etc.

- 19.1 The Chair of a Body of his/her own volition or at the request of any Member of the Body may call the attention of the Body to irrelevance, tedious repetition, repeated breach of order, unbecoming language, racist, sexist, homophobic or other offensive behaviour or conduct on the part of a Member of a manner which could reasonably be regarded as bringing his/her office or the Authority into disrepute and will issue a warning to such Member. If a Member disregards the warning, the Chair of the Body will, immediately and without debate, put to the vote that the Member be excluded for the remainder of the meeting
- 19.2 If a majority of the Members of the Body present vote in favour, the Chair shall order the Member to leave the meeting and/or may adjourn the meeting for such period as he/she in his/her discretion shall consider expedient.
- 19.3 In the event of a general disturbance which in the opinion of the Chair renders the due and orderly despatch of business impossible, the Chair in addition to any other power vested in him/her may, without the question being put, adjourn the meeting for such period as he/she in his/her discretion shall consider expedient.

- 19.4 Any complaint about alleged misconduct on the part of a Member which may give rise to a breach of the Councillor Code of Conduct must be reported to the Monitoring Officer.

20 Disturbance by Members of the Public

If a Member of the public interrupts proceedings of a meeting the Chair shall warn him/her. If he/she continues the interruption or repeatedly interrupts, the Chair shall order his/her removal from the meeting room. In the case of meetings where there is a general disturbance in any part of the meeting room open to the public the Chair shall order that part to be cleared.

21 Use of Equipment such as Mobile Phones and Recording Equipment

- 21.1 Mobile telephones, pagers and other such equipment must be switched to silent mode during meetings of the Council and other Bodies so as not to disturb the conduct of the meeting. Photography, video and sound recording of the proceedings of meetings whilst open to the public shall be permitted under the direction of the Chair of the meeting and in accordance with any protocols and guidance issued by the Council's Monitoring Officer.

- 21.2 The Chair has discretion to withdraw or suspend this permission should he or she deem it necessary, for example if the recording is disrupting the conduct of the meeting, or where a member of the public participating in a meeting objects to being recorded. In order to assist the Chair to manage the recording of the meeting, any member of the public wishing to record must inform the Chair and the recording must be clearly visible.

22 Budget and Policy Framework

- 22.1 In reaching a decision concerning the adoption of any plan, strategy or budget that forms part of the Council's Budget and Policy Framework, the Council may either approve the proposals, amend them or substitute and approve its own proposals.
- 22.2 The Monitoring Officer and/or the Chief Finance Officer shall determine whether a decision is considered to be contrary to the Policy Framework or contrary to or not wholly in accordance with the approved Budget.
- 22.3 Further details are contained in the Budget and Policy Framework Procedure Rules in Part 4 of this Constitution.

23 Minutes of Meetings

- 23.1 Minute books of all meetings shall be open to the inspection of Members of the Council during normal office hours at the offices of Democratic Services and can also be accessed electronically on the Council's website.
- 23.2 The minutes will be submitted to the next ordinary meeting of the Body for approval and will contain the names of Members and any co-opted Members present, those Members present who are not members of that particular Body and apologies for non-attendance by Members.

24 Appointment and Removal of Leader and Deputy Leader

- 24.1 The Council shall at its Annual Meeting appoint a Leader and a Deputy Leader for a period of one year. If the Council fails to elect the Leader at the relevant Annual Meeting, the Leader is to be elected at a subsequent meeting.
- 24.2 The Leader, and/or the Deputy Leader may be removed from office by resolution of the Council.
- 24.3 Where there is a vacancy in the office of Leader, the Deputy Leader will assume the responsibilities of the Leader until a new Leader is appointed at an ordinary meeting of the Council. Where both the Leader and Deputy Leader cease to hold office at the same time, the Lord Mayor shall call a meeting of the Full Council as soon as possible, to appoint a new Leader and Deputy Leader.

25 Appointment and Membership of Council Committees

- 25.1 The Council shall at its Annual Meeting appoint and agree, in accordance with political balance rules if applicable, membership and terms of reference for its Committees. It shall also appoint such other Committees and Sub-Committees as it considers appropriate, such as Regulatory Committees, an Audit and Standards Committee, Area Committees and such other Bodies as it is required by law and as it deems necessary to appoint for the ensuing year.

STANDING ORDERS OF THE COUNCIL

Summary and explanation

The Council must operate in an **open, fair and transparent** manner in all its procurement and contract management activity.

As such, these Standing Orders have been put together to help staff who need to obtain goods, services or construction work on behalf of the Council, to ensure that the process followed is fair and proportionate.

These Orders are in addition to the Council's decision-making processes under its Constitution.

14. Glossary of terms

1. Who do these Standing Orders apply to?

Everyone is responsible for ensuring that they refer to these Orders when they are applicable. Senior Responsible Officers (SRO) must ensure that all Contracts let by his or her Service comply with these Orders.

All breaches of these Orders will be presented to the Audit and Standards Committee in the form of a report.

2. Commissioning goods, services and construction

Before commencing any procurement exercise, it is important to consider whether the Council can deliver the goods, services or works internally. This is called a **'make or buy'** decision and involves consideration of the associated costs, quality, and social value aspects of delivery. It also involves consideration of the Council's level of capability and capacity to deliver the requirements.

Any 'make or buy' considerations must be documented and involve the relevant service area.

All portfolio commissions are required to gain approval following their respective decision-making process and the arrangements for the delegation of functions in Part 3 of the Council's Constitution and engage with Finance & Commercial Services and the Capital Programme Group for all capital projects at the beginning of the Commissioning process.

Additionally, there are a range of factors which may affect the most appropriate commissioning route. These will include the matters below plus any specific factors relating to the commission:

What is the **best way to meet the need?** Is it to make? something bespoke, or to buy an existing product or service?

Which of the Council's **objectives and priorities** does the proposed contract relate to?

Have the relevant **stakeholders** been consulted?

What **approvals** are required? (Consider the Council's Arrangements for Delegation)

How much is it likely to **cost?** Is it **affordable?** Has **budget** been allocated to this activity?

The requirements: What are your desired quality standards and outcomes?

If an **in-house service** exists that can fulfil this requirement, it must be used.

Likely **length of the need:** Is it a one off? Is it a recurring need?

Are there any **existing contracts** that meet the requirements?

Consider the **Council's Ethical Procurement Policy**. Does the proposal create any **implications** in relation to:

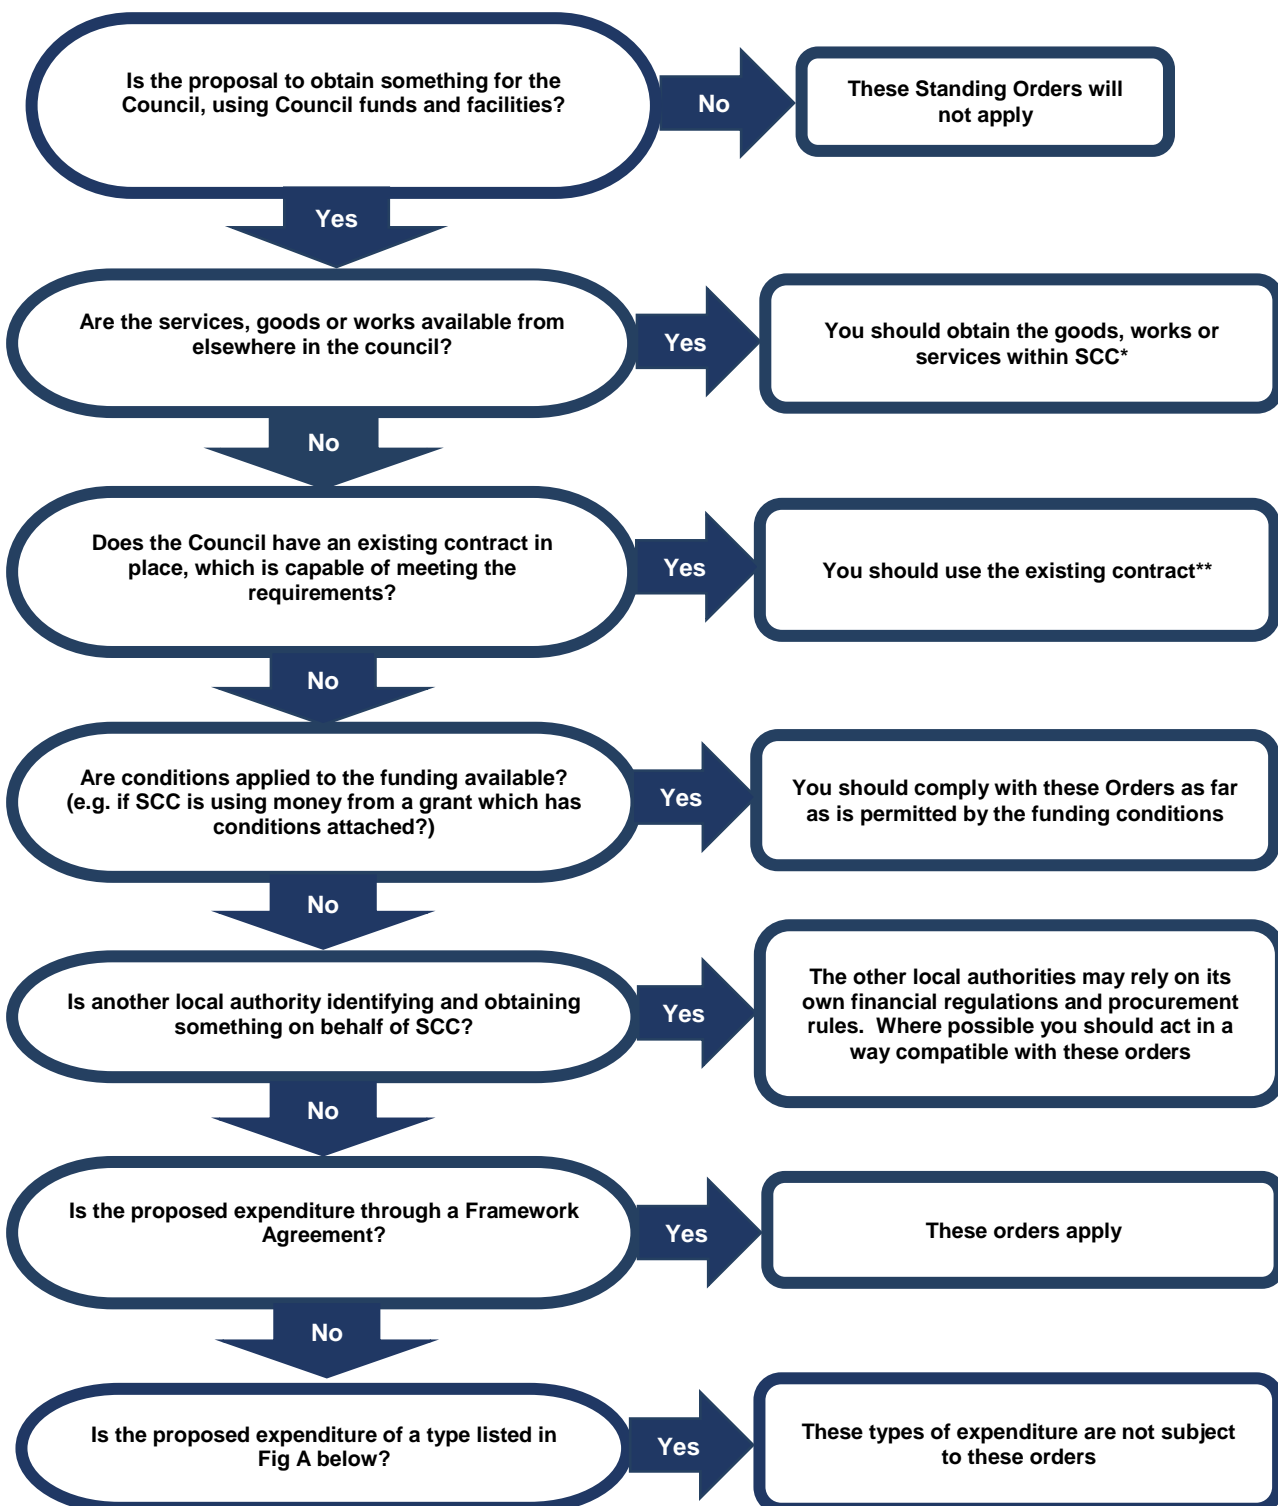

- Human resource?
- Sustainability?
- Climate impact?
- Health and Safety?

- Real Living Wage?
- Legal implications & statutory duties e.g. (Equality Act, Best Value duty, Public Services (Social Value) Act duties, public law consultation duties, requirements of Compact with voluntary sector etc.), Subsidy Control and Public Contracts Regulations

The **type of contract:** eg goods/services/works/purchase order/concession

The **length of time** the service will take to procure, or make and mobilise

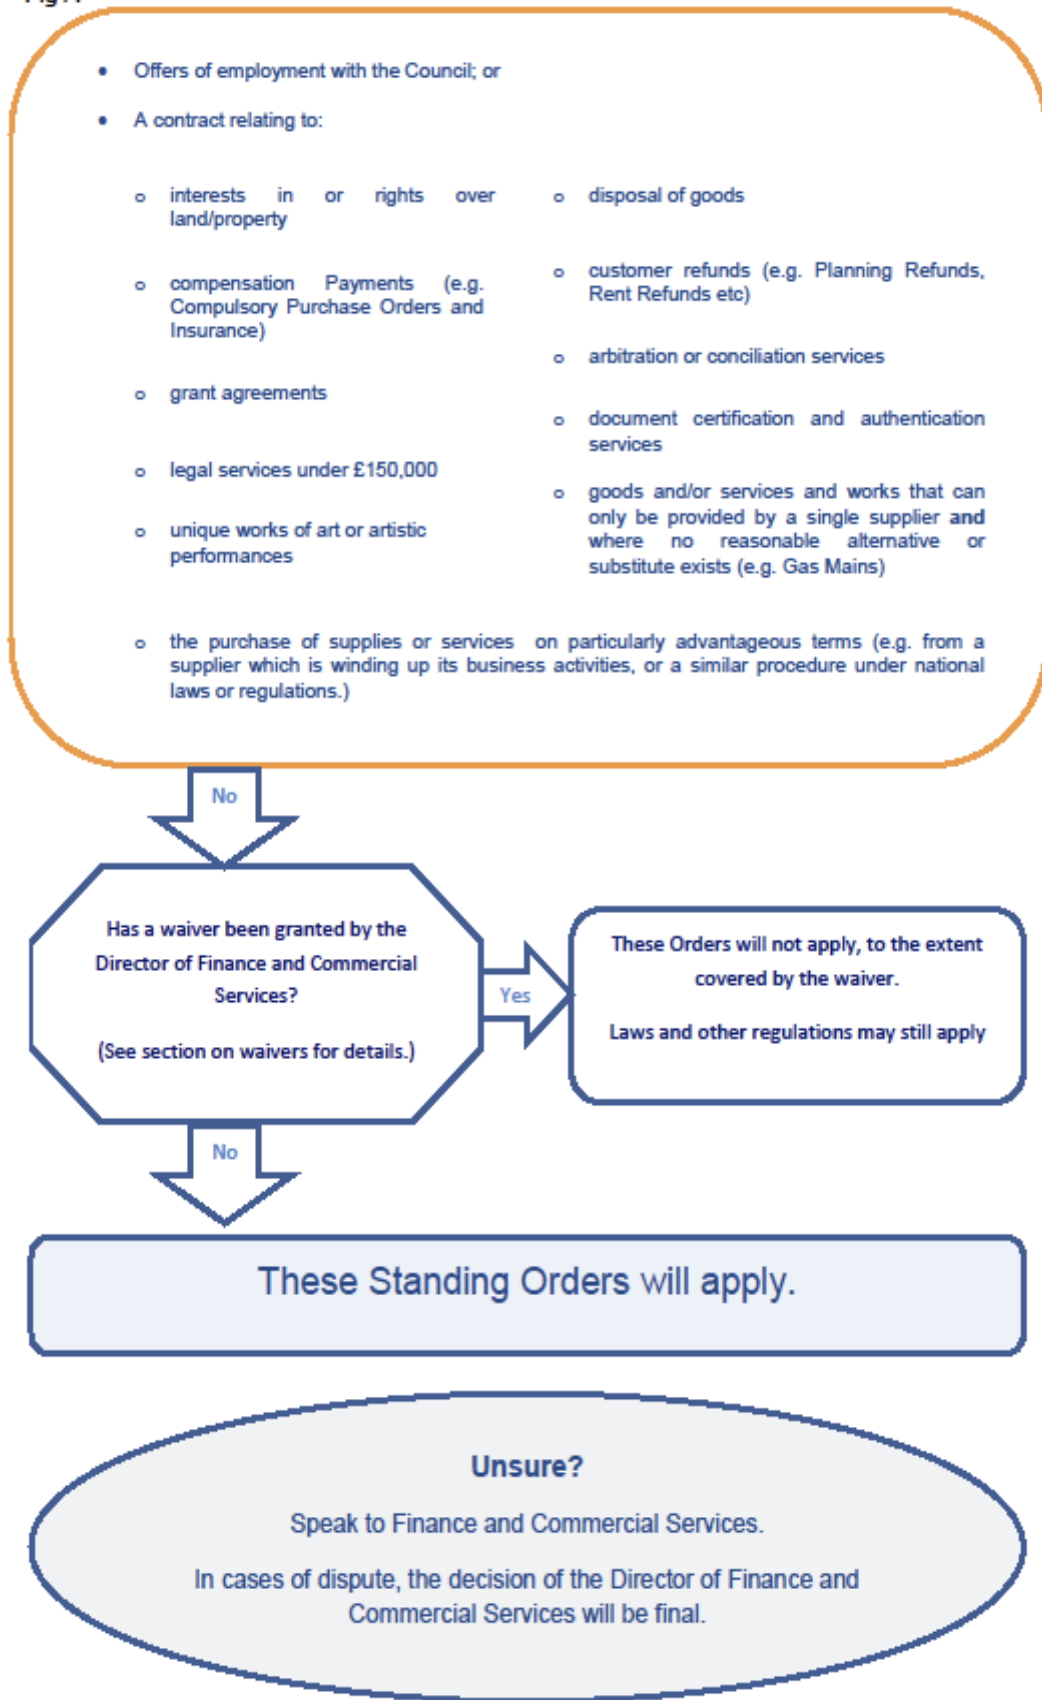

3. Do these Standing Orders apply to the proposal?

* In some circumstances the Director of Finance & Commercial Services will advise on using an external provider. Benchmarking and a competitive process will likely apply

** A list of existing contracts is held by Finance & Commercial Services and published at [YORtender \(eu-supply.com\)](https://www.yortender.com)

4. Contract Value

An estimated Contract Value must be established at the start of every procurement process. This will help ensure that you seek the appropriate level of support and approvals are gained for the procurement.

The Contract Value is the estimated total value of the contract over its full duration (not just one year) and must include any extension options and permissible variations.

Where the duration of the Contract cannot be determined, the Contract Value must be the estimated value of the Contract over 48 months.

For example...

A contract for goods or services which is £4000 per month:

- £4000 x 48 = £192,000
- The Contract Value is £192,000 and would therefore be subject to the Public Contracts Regulations

The Contract Value must be referenced in any relevant reports required for approval as part of the Council's Arrangements for Delegation.

The Contract Value will also inform the procurement strategy and the appropriate contract award forms.

For **Concession Contracts**, the relevant contract value is the anticipated turnover of the provider. Estimates of the benefit to the Council must be realistic.

If the procurement relates to a recurring need or service (e.g. stationery supplies), or is for goods, services or works which may also be procured by another part of the Council, it could affect the Contract Value and the requirements for aggregation may apply. Officers should obtain guidance from Finance and Commercial Services before commencing any procurement activity for **related services**.

The value of Contracts must never be deliberately or artificially underestimated or split.

Deliberately or artificially underestimating or disaggregating the Contract value as part of any procurement procedure is a clear breach of Procurement Contract Regulations and these Orders.

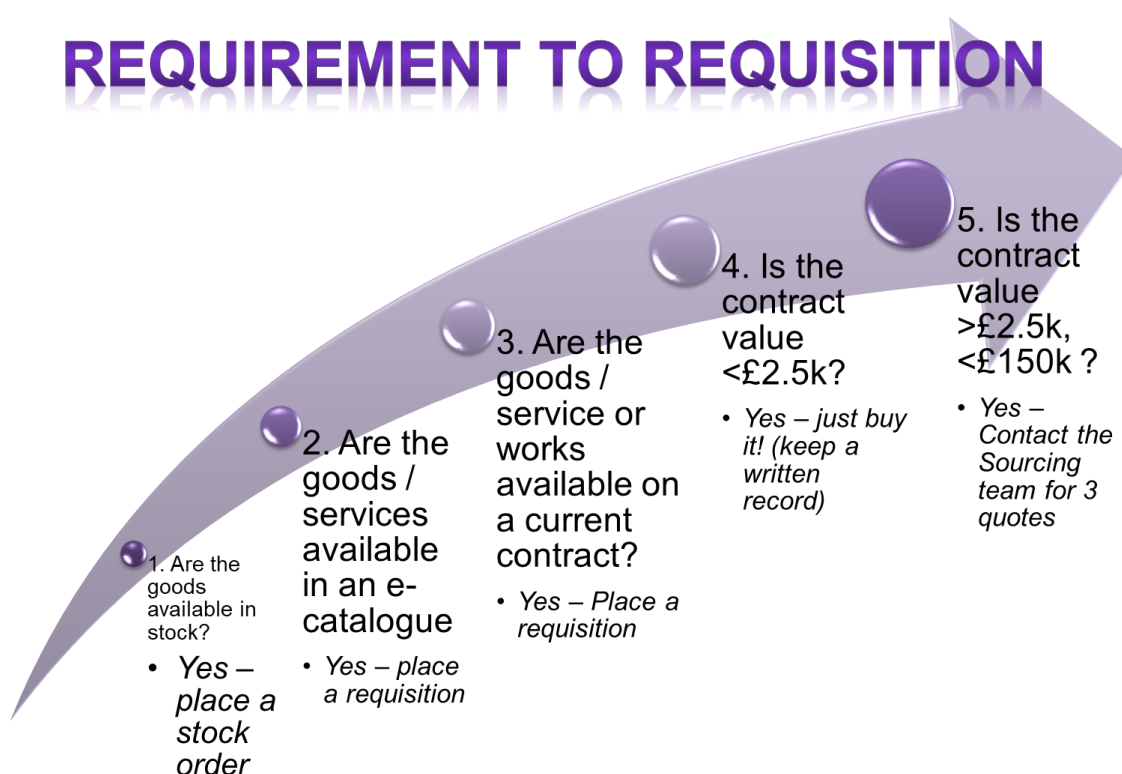

5. Goods, services or works

Different processes apply to contracts for goods, services and works depending

on their value. The Procurement Professional is responsible for determining the most appropriate contracting terms in consultation with Legal Services where required.

6. Which process applies?

It is important that the right decision as to how goods and services should be acquired is made. See the Council's acquisition model below for guidance for values below £150,000, if above this value contact Procurement and Supply Chain for assistance.

7. Tenders

7.1 The Public Contract Regulations 2015 apply to all requirements (other than concessions for which The Concession Contracts Regulations 2016 apply) and the Construction Design and Management Regulations 2015 apply to all works requirements irrespective of size, duration, complexity and whether the project is notifiable to the Health and Safety Executive.

A Procurement Professional will advise on the most suitable and compliant process in line with these regulations.

7.2 Selecting the successful contractor

Contracts must be awarded to the contractor submitting the **most economically advantageous tender**.

The award of the contract will be made in line with the procurement procedure.

The reasons for such a decision shall be formally recorded.

8. Awarding the contract

8.1 Authority to award contracts

Contracts shall only be entered into in accordance with the Council's Arrangements for Delegation.

8.2 Forms of contract

Goods and Service contracts with a value of **>£2.5K** must be evidenced in writing.

8.3 Signed or sealed?

A contract may only be signed or sealed when the necessary approvals are in place for the award of the Contract.

The process of signing or sealing a contract will be determined by value and any special circumstances.

Contract value	Signed or sealed?	Exceptions
Up to £2,500	Signed	A good reason not to sign.
Between £2,500 and £500,000	Signed	The Director of Legal and Governance recommends that the contract should be made by way of a deed. The law requires that the contract has to be made by way of a deed or additional warranties are required.
Over £500,000	Sealed	The Director of Legal and Governance recommends that the contract can be signed.

		The contract is part of a framework requiring contracts to be signed or the use of a standard form.
--	--	---

8.4 Who can sign?

The following people are authorised to sign contracts on behalf of the Council using handwritten or electronic signatures:

- The Director of Finance and Commercial Services;
- The Head of Procurement
- The Director of Legal and Governance;
- Any Assistant Director of Legal and Governance; and
- The relevant SRO.

9. Contracts register

The Council is required by the Government to publish all contracts above an estimated value of £5000 on an online Contracts Register.

All contracts with an estimated value above £10,000 must also be published on the Government's Contract Finder website.

The e-tendering system automatically updates the Contracts Register for contracts awarded through e-tendering.

Where the e-tendering system has not been used to let the contract, the SRO must ensure that full details are provided to Finance and Commercial Services as soon as possible to update the register.

10. Contract management

It is the responsibility of the SRO to ensure appropriate Contract management arrangements are put in place as defined by Finance & Commercial Services. The Contract management arrangements will relate to the value, scope and risk of the contract.

Contract management arrangements must be defined in the Contract award.

10.1 Payment

The Councils standard payment terms are within 30 calendar days of the invoice date.

Any variation to this standard must be agreed by the Director of Finance &

Commercial Services either as part of the letting of a contract or by ad-hoc exception to the standard terms, or where suppliers participate in the Council's early payment scheme

Approval to vary these terms must be in writing.

10.2 Extensions and variations of contracts

Sometimes it may be necessary or desirable to extend or otherwise change an agreement after it has been confirmed. If you wish to extend or change an agreement, you must engage with Finance & Commercial Services and obtain any necessary approvals prior to making any commitments.

Consent should be sought at an early stage to allow for other procurement methods to be undertaken where appropriate.

All extensions to agreements must demonstrate **value for money** and should not be instigated to avoid or delay the requirement to conduct a competitive procurement.

All variations and extensions to agreements must be evidenced in writing.

11. Waiver of Standing Orders

Where necessary, the Director of Finance and Commercial Services may grant a Waiver to all or part of the requirements of these Orders.

When applying for a Waiver of these Orders, the procurement professional must set out why the competitive processes in these Orders should not apply.

Where a Waiver request relates to a proposed contract value over £50,000, the request must be reviewed and approved by the relevant Executive Director.

The Director's decision to waive the requirements must be recorded and must include the reasons for the waiver.

Waiver cannot, as a matter of law, excuse non-compliance with any law pertaining to public procurement.

Guidance on Waivers is available from Finance and Commercial Services and must be adhered to. Applications for a Waiver shall be made in the form of a procurement strategy document.

12. Trading and charging

Advice must be sought from the Director of Finance and Commercial Services when engaging in commercial trading activity in the following circumstances:

- Where the Council have not delivered the goods, service or works before
- Where professional advice is being delivered
- Where there are health & safety implications

13. Transparency

The Council is required to publish any spending over £500 in accordance with the Local Government Transparency Code.

Additionally, the Council is required to publish all tendered contracts that are awarded following a procurement process.

Contracts will be published electronically with commercially confidential information subject to redaction.

1. Background

This section explains what the Financial Regulations are, who must follow them and how the Council knows they are being followed.

It also outlines what training is available to help understand the Regulations.

<p>The Financial Regulations are rules and instructions to help officers and Members to manage the Council's finances properly</p>	<p>These Regulations are part of the Council's Constitution (part 4). The Regulations set out the policies that are in place to help officers and Members of the Committees to manage the Council's finances. They are a key part of the Council's financial governance arrangements.</p> <p>They are very technical in places as they describe accounting practices and standards that have been set by law and/or professional accountancy bodies. They are used by officers who have an accepted level of understanding of the subject matter. As such there is likely to be content that will not be easy for the public to understand.</p> <p>The CFO must make sure that standards, procedures, and processes are in place across the Council to support the implementation of these Regulations.</p> <p>These Regulations are regularly checked to ensure they reflect accounting best practice, legislation and changing needs of services.</p> <p>Officers should initially contact the Accounting Team if they wish to query the content of these Regulations. Any changes to the Regulations must be approved by Full Council.</p> <p>If any part of these Regulations contradicts another part of the Constitution that other part shall take precedence.</p>
<p>All officers, including voluntary staff must follow the rules in the Regulations</p>	<p>All officers, including those working for the Council on a voluntary basis, must follow the rules set out in these Regulations. It is important that all managers and staff are familiar with these Regulations and the rules they contain. Using the Council's financial system (Integra) properly is also essential to ensure the Regulations are followed.</p> <p>If managers and staff do not follow the rules this may result in the withdrawal of delegated financial authority and/ or the application of disciplinary procedures.</p>
<p>Directors and Executive Directors must confirm they follow the Regulations as part of their Annual Governance statement</p>	<p>As part of the Annual Governance process, all Directors and Executive Directors must sign a statement to say that they comply with the governance arrangements of the Council including the Financial Regulations and Risk Management Framework.</p> <p>They also must confirm that they have appropriate internal controls in place in their portfolio to protect the Council's assets. Any occasions where the internal controls have not worked properly must be declared.</p> <p>An Annual Governance Statement is produced that describes the governance framework and highlights any significant issues which</p>

	have occurred in a financial year. The Annual Governance Statement is approved by the Audit & Standards Committee and is published with the Annual Accounts.
<p>To support understanding, procedures and processes are available</p> <p>Financial Protocol</p> <p>E-Learning about the finance System (Integra) and Qtier is also available</p>	<p>Guidance is available which supports these Regulations. The guidance sets out in more detail the Council's procedures and processes related to financial management and administration.</p> <p>The Financial Protocol also complements the Regulations and Policies by describing the roles and relationships of the main parties involved in the Council's financial management arrangements, helping to ensure sound financial management.</p> <p>Training is made available by Finance and Commercial Services to support these Regulations. This includes e-training and guidance for the finance system (Integra) and Qtier reporting tool.</p> <p>All staff should follow the guidance and other documentation to ensure full compliance with the Financial Regulations.</p>

<p>Risk management is the practice of identifying potential risks in advance, analysing them and taking steps to reduce/curb the risk</p>	<p>Specific responsibilities relating to risk management are set out in the Risk Management Framework and Guidance.</p> <p>The Council's Risk Management Strategy is based on good risk management being an integral part of good management and not a separate activity.</p> <p>Risk management and business continuity must be embedded at all levels within portfolios in line with the Risk Management Framework.</p> <p>Directors are responsible for maintaining and monitoring a Service Risks and Assurances log which must include financial risks.</p> <p>Financial risk management is built into these Financial Regulations and many of the core processes that the Council expects managers to follow on a day-to-day basis.</p> <p>Good practices for good financial risk management include:</p> <ul style="list-style-type: none"> • monitoring budgets, • complying with the processes in these Regulations, • following the decision-making framework, and • maintaining and monitoring key financial risk registers.

3. Financial Planning

There are 3 key elements to Financial Planning at Sheffield City Council:

- Medium Term Financial Strategy ([MTFS](#)).
- Capital Programme.
- Annual Revenue Budget.

Each element has a specific purpose and is designed to ensure the robustness of the Council’s overall financial arrangements.

<p>The MTFS is an integrated financial plan</p>	<p>The MTFS is a key part of good governance and is a tool to help the Council deliver its priorities.</p> <p>The MTFS links closely to the Corporate Plan. The Corporate Plan in turn, informs the spending priorities included in the MTFS.</p> <p>The CFO will be responsible for producing the MTFS along with Executive Directors. This will be supported by policy options, savings and efficiencies, and both financial and non-financial information to assist decision-making.</p> <p>The MTFS sets an integrated financial plan, usually for a three to five year period, and will form the basis for the following years Annual Revenue Budget and Capital Programme, with projections for future years.</p> <p>This includes details of the amount of money available or financial targets for Executive Directors for the forthcoming financial year and guideline allocations / targets for the following years.</p> <p>The MTFS will also include projections of the Council’s reserves and balances.</p>
<p>Capital Programme lists the projects that involve capital expenditure</p>	<p>The Capital Programme is a list of planned capital projects, together with their supporting funds, that are linked to the Council’s outcomes and objectives.</p> <p>The Programme is agreed by Council in March each year.</p>
<p>The Revenue Budget sets the budget proposals for the Council for a one-year period. It also sets the City Council element of the Council Tax</p>	<p>The Budget is informed by the policy options that form part of the MTFS.</p> <p>Each Portfolio will prepare detailed spending proposals. These financial estimates are then finalised with Executive Directors before inclusion in the Revenue Budget.</p> <p>The CFO will advise on any contingency budgets required to cover exceptional in-year costs such as price increases and commitments which are uncertain in terms of their timing and likely cost.</p> <p>Executive Directors must inform the CFO as soon as they become aware of any exceptional items. An appropriate level of contingency can then be provided for.</p> <p>As part of the Revenue Budget, the CFO will ensure that the budget proposed meets relevant statutory requirements.</p>

<p>The Revenue Budget approval must be complete by 11th March each year</p>	<p>The Council is responsible for agreeing the annual budget for services within Portfolios, including the overall capital programme, within the Budget and Policy Framework.</p> <p>The Strategy & Resources Policy Committee will recommend the Budget to Council for final approval together with a recommended level of Council Tax to be set for the coming financial year.</p> <p>To meet statutory requirements this must be done by the 11th March each year.</p> <p>Once the Revenue Budget has been approved by Council, Executive Directors may spend up to the amount approved for the period covered by that budget.</p> <p>Individual items of expenditure within the budget must still be approved in line with the Council’s Contract Standing Orders, Procurement Guidelines and must follow the requirements of the Constitution.</p>
<p>Revenue Budget Monitoring is undertaken in line with an agreed timetable</p>	<p>An annual timetable for budget monitoring reporting is produced and the following principles will apply:</p> <ul style="list-style-type: none"> • Monitoring reports, prepared on an accrued basis, will be reported to Portfolio Management Teams monthly (except month 1). • At least quarterly overall monitoring reports will be reported to the Leadership Boards, Finance Sub-Committee and the Policy Committees. <p>As soon as practical after the end of the financial year, the Head of Accounting will report to the the Strategy & Resources Policy Committee on the overall revenue out-turn position including details of reserves, balances and provisions held by Portfolios.</p> <p>The report should include recommendations relating to the treatment of any under and overspending by Portfolios.</p>

Virements and Variations to the Annual Revenue Budget

This section explains what virements and variations are and how they should be approved.

<p>A virement is the transfer of monies from one budget head to another</p> <p>For example, one budget is overspending, or a function has moved from one portfolio or service to</p>	<p>Virements allow the Executive Directors to manage budgets with some flexibility, provided they remain within the overall Budget and Policy Framework as agreed by Council.</p> <p>Key controls for virements are that:</p> <ul style="list-style-type: none"> • They must be approved in line with these Regulations. • They must not create an increase in expenditure, for example by creating future commitments from one-off additional spending. • Both parties to the virement must agree to it. <p>Virements will not be allowed from capital financing charges, levies or other areas of spending without the specific approval of the Head</p>

another	of Accounting.
Virements between Services and Portfolios must be approved in line with specific limits	<p>Approval of virements must be made in line with the following limits:</p> <ul style="list-style-type: none"> • Less than £500,000: the virement may be approved by the Head of Accounting. • £500,000 and over or represents a major change of policy: the virement may only be approved by the Finance Sub-Committee.
<p>Budget underspends carry forward requests and/ or transfers to reserves</p> <p>The Annual Reserves Strategy</p>	<p>Requests by Executive Directors to set up earmarked reserves, may only be done following approval by the CFO.</p> <p>Approving the in-year flow of money to and from reserves, and/or creating or consolidating reserves is at the discretion of the CFO.</p> <p>The condition for assessing requests for underspend carry forwards is that the overall budget position of the requesting Portfolio cannot exceed its approved budget or its under spending.</p> <p>The carry forward request should be submitted no later than the Month 8 forecast in December.</p> <p>Carry-forwards or transfers to earmarked reserves should be linked to the Revenue Budget and, where possible, identified in the business planning process.</p> <p>Once reviewed by the Head of Accounting, carry forward requests will be presented to the Finance Sub-Committee as part of the quarterly Revenue Budget monitoring process.</p> <p>Approved requests will be included, where feasible, in the Budget Implementation Plan for the relevant Service.</p> <p>An annual Reserves Strategy is produced for approval in line with the Constitution. The Head of Finance & Commercial Business Partnering, or delegated officer, will then manage the need for transfers to and from reserves.</p> <p>Where the proposed transfer does not relate to an approved strategy and is not a restricted grant then, subject to the urgency procedure, the decision may only be taken by Full Council.</p>
Restricted grants and the treatment of the carry forward	<p>The Head of Finance & Commercial Business Partnering, or delegated officer, can approve the transfer to reserves of a restricted grant where the expenditure is not expected to happen in the current financial year.</p> <p>Restricted grants must be used for a specific activity/ purpose and any restricted grant balances carried forward at year end will be drawdown in full in M1 (April) of the following financial year.</p>
Variations are changes to the <u>total</u> amount of expenditure	<p>Variations are changes to the total amount of expenditure across a portfolio, service or the Council as a whole that results in a change to the Council's overall level of resources as set out in the Revenue Budget Report that is approved by Council.</p>
Any changes to	<p>Changes to the overall level of available resources as per the</p>

These will be proposed by the relevant Executive Director and Policy Committee and actioned by the Head of Accounting. <p>Variations requiring support will be presented to the Policy Committees initially and included as part of budget monitoring.</p> <p>All approved Virements and Variations must be recorded on the Council's Finance System.</p>
<p>Cash Limit Adjustments</p>	<p>Cash Limit adjustments can be done between services, within a service or between months on the Qtier system.</p> <p>If the adjustment does not meet the definition of a virement and is under £100,000, these can be signed off by the relevant Finance Manager (one for each side of the transaction).</p> <p>Over £100,000 and a Senior Finance Manager for the Portfolio will need to authorise the adjustment.</p>

Borrowing and Investment (Treasury Management)

The Council must make sure it has sufficient money to cover payments, such as salaries, supplier payments and interest payments, when they become due.

This section outlines the arrangements for entering and agreeing any borrowing or investments that may be required.

<p>Treasury Management involves undertaking investments and borrowing transactions for the Council</p>	<p>An annual Treasury Management Strategy is produced for approval by Council in line with the Constitution. This covers the borrowing and investment strategies and Capital Programme financing.</p> <p>The Head of Accounting must ensure compliance with the Treasury Management Strategy.</p> <p>Managing borrowing and investments is key to supporting the Council's Strategic Planning process.</p> <p>The capital programme provides a guide to the borrowing needs of the Council; informing longer term cash flow planning to make sure that the Council can meet its capital spending obligations.</p> <p>The Head of Accounting must agree any borrowing or investment on behalf of the Council. 4. Financial Implications

This section explains the process for considering the financial implications of decisions.

<p>Before any decision is made by Officers, the financial implications of that decision need to be considered</p>	<p>The financial implications section of reports must summarise the capital and revenue implications of the proposals, together with details of any potential risks.</p> <p>Officers involved in making decisions (that are not published) must also give proper thought to the financial implications. This includes consulting with their Finance contact where necessary. The implications identified should be documented and retained, in case of future challenge or audit requirement.</p> <p>Whilst it is not compulsory, it is good practice, for reports made to other meetings, such as management team meetings, etc. to also include a Financial Implications section.</p>
<p>Arrangements for the sign-off of Financial Implications</p>	<p>All Financial Implications summaries must be signed off by the CFO, or an authorised officer on their behalf.</p> <p>Only the Head of Finance & Commercial Business Partnering, as the budget holder for the Council’s Capital Financing costs, (or officers specifically authorised to do this on their behalf) may approve Financial Implications which impacts on cash-flow.</p> <p>Before signing off Financial Implications, the officer who has prepared the report has taken all relevant advice, e.g. specialist financial, commercial or taxation advice.</p> <p>The name of the Officer who has signed-off the Financial Implications must appear on the Financial Implications section of the covering checklist.</p>

5. Capital Programme

The following section explains what the capital programme is, factors that are considered when it is planned and the arrangements for approving and amending capital projects.

<p>What is the Capital Programme?</p>	<p>The Capital Programme is a list of planned projects which involve capital expenditure, together with their supporting funds, that are linked to the Council’s outcomes and objectives. The Programme is agreed by Council in March each year.</p> <p>As the Capital Programme is made up of several different projects, the size and scope of the Programme can vary over time.</p> <p>The International Financial Reporting Standards (IFRS) and the Statement of Recommended Accounting Practice (SORP) provide guidance on accounting for Capital projects.</p> <p>The revenue expenditure implications of the proposed Capital Programme will be considered as part of the approval process, as well as the Revenue Budget and MTFS processes.</p>
<p>How is the Capital Programme approved?</p>	<p>The proposed Capital Programme for the next financial year is put together by the Head of Finance & Commercial Business Partnering, together with the Executive Directors.</p> <p>The Programme must be reviewed by the Capital Programme Group before being recommended to the Leadership Boards. It is then taken to the Finance Sub-Committee and/or the Strategy & Resources Policy Committee, before being presented to Council at the same time as the Revenue Budget.</p> <p>Just because a project is included within the Programme, this does not mean it has automatic approval to take place.</p>
<p>What are Capital Approval Forms (CAFs) used for?</p>	<p>CAFs are used to obtain financial approval for projects within the Capital Programme. Capital expenditure can only occur if fully funded, unless any funding gaps are approved by the Head of Finance & Commercial Business Partnering.</p> <p>A CAF must be completed for any new projects added to the Programme, or changes to existing approved projects.</p> <p>A CAF must be approved, via email, by the appropriate manager and include all relevant documentation. The CAF is then approved at the Finance Sub-Committee.</p> <p>The CAF requires the following signatures (email approval):</p> <ul style="list-style-type: none"> • For new projects and changes to existing projects - the signatures of the Project Manager, sponsoring Director, and Capital Team. • For emergency approvals - the signatures of the Project Manager, sponsoring Director, Capital Team, an Executive Director and the Head of Finance & Commercial Business Partnering. • For cases considered sensitive by the Executive Director

	and/or the Head of Finance & Commercial Business Partnering, the signatures of the Project Manager, sponsoring Director, Capital Team and the relevant Policy Committee.
Project Stage Approval	<p>Approval for the Design, Procure and Build stages of a project will not be granted without recommendations from the Head of Finance & Commercial Business Partnering in respect of funding implications. As part of this process the Head of Finance & Commercial Business Partnering will need to consider both the Revenue and Capital implications of these approvals. The level of contractual commitments in future years must be considered.</p> <p>The Project Manager must obtain approval for each stage of the project from the Head of Finance & Commercial Business Partnering, the Chief Property Officer (if appropriate) and the Capital Programme Group.</p> <p>Only the Capital Programme Group can recommend to the CFO the award of a contract for Capital works in line with the Council's Contract Standing Orders.</p> <p>The build stage of a project cannot take place until a thorough review has been completed by the Project Manager. This must be approved by the sponsoring Director, as well as reported to the Capital Programme Group.</p>
What to do if External Funding is used to support a capital project?	<p>If external funding, e.g. a grant is needed to support a Capital project, this must be approved by either the Head of Finance & Commercial Business Partnering or an authorised Finance Officer.</p> <p>If the grant requires the Council to become the Accountable Body for the funding, agreement for this must be obtained BEFORE any offers of funding are accepted.</p> <p>Funding can only be accounted for once all conditions of the grant have been met. Before this point, expenditure must be covered by either the relevant Portfolio's budget, or by corporate funding sources by agreement.</p> <p>If any part of a Capital project involves the Council guaranteeing the liabilities of a third party, then this must also be approved in accordance with the requirements of the Constitution.</p> <p>Capital Grant Funding cannot be used to fund day-to-day revenue expenditure.</p>
Arrangements for making variations to Projects in the Capital Programme	<p>Changes to a project's finance are known as 'Variations'. Any variations made to a project require approval and will depend on whether there are the Capital resources available.</p> <p>For existing projects, the approval levels for variations are:</p> <ul style="list-style-type: none"> • Variations of up to £25k can be approved by the responsible Director. • Variations between £25k and £100k require approval from the Executive Director.

	<ul style="list-style-type: none"> Variations above £100k require Finance Sub-Committee approval. These are raised in the monitoring reports. <p>For approval purposes, the limits apply to the total of all variations since the last time approval was granted was by Council.</p> <p>Virements between Capital projects are not allowed. Any change to a project budget is treated as a variation.</p>
Emergency Approvals	<p>Where an emergency approval is required, this must be obtained in line with urgency procedures in the Constitution.</p> <p>Emergency approvals must also be referred to the CFO, the Head of Finance & Commercial Business Partnering, or delegated officer to act on their behalf.</p> <p>All emergency approvals within a month should be reported to the Finance Sub-Committee in the next monitoring report. If, by the time the decision has been reported, and no action has been taken, the emergency approval may be cancelled.</p>
Slippage and / or accelerated spend within a project	<p>When projects are approved, an annual profile is created which forecasts at which point in the year spending will occur.</p> <p>Accelerated spend occurs when a project has spent more than expected at a set point in time. Slippage occurs when a project has spent less than expected at a set point in time.</p> <p>This should be reflected in monthly forecasts, and Capital Finance should be made aware of the situation.</p> <p>Where spending is forecast to move between financial years, this must be included in the monitoring reports to the Finance Sub-Committee requesting approval.</p> <p>Where an overspend is anticipated, despite actions being taken to prevent this, the overspend must be covered from revenue.</p>
Capital Receipts	<p>Capital Receipts are the proceeds the Council receives from a buyer when it sells a capital asset. This can be used to fund new Capital projects.</p> <p>Any decision on the use of Capital Receipts will be taken as part of the overall approval for the project through recommendation by the Capital Programme Group.</p>
Procurement for capital projects	<p>Directors and Executive Directors must ensure relevant procurement procedures are followed for Capital projects.</p> <p>The Head of Capital Delivery Service (CDS) and the CFO must be made aware of any procurement activity.</p> <p>Where the project is financed, either fully or in part through external funding, then the requirements of the Funder in relation to procurement must also be met.</p>

Roles and Responsibilities

Several specific groups, teams and managers have additional roles in relation to the capital programme. These are included in the table below:

The Capital Programme Group	<p>Is responsible for:</p> <ul style="list-style-type: none"> • Overseeing Capital Management. • Providing advice and recommendations to the Leadership Boards on new projects. These recommendations will be made to the Finance Sub-Committee. • Approving variations to existing projects, as well as the progression of projects to their next stages. • Approving the use of Capital receipts and grants.
Directors and Project Managers	<p>Are responsible for:</p> <ul style="list-style-type: none"> • Ensuring that all projects comply with the relevant laws and regulations. Complying with the Constitution. • Complying with the relevant external funding procedures.
Project/ Budget Managers	<p>All projects must be managed in line with the Council’s Project Management Guidelines.</p> <p>Project Managers are responsible for:</p> <ul style="list-style-type: none"> • Considering revenue, environmental, property, and opportunity costs related to a project. • Considering the legal, human resources, equalities impact and sustainability implications of the project. • Considering the impact of VAT on Capital projects and property transactions (disposals, purchases and leasing of land/property) and seek the advice of the Head of Finance & Commercial Business Partnering if required. On a day-to-day basis this advice will be provided by the Council’s Tax Manager. <p>Managing the project within budget and preventing overspends.</p> <p>Project Managers must consider the risks of, and the solutions to, any forecast Capital overspends.</p>
The Capital Team	<p>Are responsible for:</p> <ul style="list-style-type: none"> • Steering a project through the financial approval process, alongside the Project Manager. • Reviewing, quality checking and challenging the monthly actuals and forecast expenditure and income. <p>Reporting monthly on Capital expenditure and its financing, in line with the Capital Projects Approval Route.</p>

Capital Projects Approval Route

The diagram below shows the stages a project must go through to be approved for inclusion in the Capital Programme.

Financial Management and Reporting for Capital Accounts

This section details how projects within the Capital Programme are monitored and reported on.

Financial Management	The Council’s financial management system is used to manage the projects within the Capital Programme. Project Managers are required to carry out monthly monitoring and forecasting for both Revenue and Capital expenditure.
Reporting Process	Monthly Capital reporting is based on CAF, Project Closure Forms (PCF), financial monitoring and approval request reports. At year end, the Head of Finance & Commercial Business Partnering reports on the overall Capital outturn position to the Strategy & Resources Policy Committee and Finance Sub-Committee. The Revenue outturn position is also reported at this time.

6. External Funding / Grants

External Funding refers to additional resources, above and beyond those normally provided to the Council. This funding can be used to develop and improve the quality of services, better meet the needs of clients or to do something that would not otherwise be affordable.

<p>Accountable Body status must be agreed before any external funding is accepted</p>	<p>The Accountable Body is legally responsible for making sure that the requirements of the funder are met.</p> <p>The decision to agree to the Council becoming the Accountable Body for external funding must be taken BEFORE any offers of funding are accepted, in line with the Constitution.</p> <p>Grant Funder offer letters, or documentation, requiring signature to accept a grant of £1m or more must be completed by the CFO (or deputy) as per these Financial Regulations.</p> <p>Offer letters or documentation of less than £1m can be signed off by any of the Senior Finance Managers (SFM), except for the SFM's that are responsible for Internal Audit and EFT or are not CCAB.</p> <p>Where the Council is guaranteeing the liabilities of a third party this must also be approved in line with the Constitution.</p>
<p>The External Funding Team (EFT) have day-to-day responsibility for the management of external funding</p>	<p>EFT, on behalf of the Head of Finance & Commercial Business Partnering, is responsible for ensuring grant applications and subsequent offers are appropriately completed and authorised.</p> <p>Completing grant claims, statutory grant returns or other grant related documents can be done by the SFM's, except for the SFM's that are responsible for Internal Audit and EFT or are not CCAB.</p> <p>Grant claims of less than £100k can be signed off by the EFT Finance Manager.</p> <p>Grant claims that are submitted via a Funder portal still require sign off as per these Financial Regulations.</p> <p>If a grant requires match funding, EFT will provide guidance on sources of match funding and how this can be evidenced.</p>
<p>Audits of External Funding may be required</p>	<p>Internal and External audits may be carried out. If required, this will be detailed in the terms and conditions from the grant Funder.</p> <p>Any associated costs will need to be funded from the relevant business unit's budget.</p>
<p>Retention of documentation</p>	<p>All evidence required by the funding body must be collected and held in line with the terms and conditions of the grant.</p> <p>Documents supporting European projects must be stored for at least 3 years after the UK receives its final payment to the programme or for the period defined by the Funder.</p> <p>Where the retention period in the grant agreement is longer than the one prescribed in the Financial Records Retention Schedule (Appendix A), the funder's requirements will take priority.</p> <p>In all other cases, the Records Retention Schedule should be</p>

7. Income Management

Many of the services which are delivered by the Council are funded by Government grants and local taxation (Council Tax and Business Rates). There are also some services that service users and other customers pay a fee for.

This section explains how fees and charges are set, how income is collected and what the Council will do to recover debts.

Separate detailed rules apply to Housing Rent, Council Tax, Business Rates and Benefit Overpayment debt, so the Regulations below do not apply to these.

Refer to [section 20](#) for Council Supply Agreements.

Roles and Responsibilities

Committees and Officers involved in the sundry debt process have the following specific roles and responsibilities in relation to income management:

Policy Committees	<p>Policy Committees are responsible for agreeing fees and charges in relation to their Portfolio areas, other than any set by Full Council as part of the budget process.</p> <p>The fees and charges must be in line with the MTFS and any policies in respect of fees and charges</p>
All Officers involved in the sundry debt process	<p>Officers who are responsible for raising invoices, credit notes, refunds, debt recovery and write-offs must not carry out these activities where they relate to debts owed by themselves or family members, or where they have a vested interest.</p>
Officers with Authority to collect cash	<p>Only officers with specific authorisation from their manager may collect cash on behalf of the Council. These officers will be issued with a “Style 1” photo identification card, which clearly states that they are authorised to collect cash.</p> <p>Before any new Style 1 photo identification card is issued, the request must be approved by the Head of Revenues & Benefits, or delegated officer, in line with the procedure for the issue of photo identification cards.</p> <p>Managers should keep a register containing details of the style of card held by each member of staff and ensure that the card held is appropriate to the officer’s current duties.</p>

Separation of Duties

The system in place for the collection and banking of income must include separation of duties between the different functions as a key form of internal control. This means that a single person should not be responsible for all the activities related to the collection and banking of income. The activities should be carried out by different people. This is to help prevent fraud.

To comply with this principle, Managers must ensure that an officer does not carry out functions from both Table 1 and Table 2 (below) in any given period. This ensures that, for example, an officer does not check that the amount of money they themselves have collected equals the money that they have banked.

Table 1

Function	Examples
Identifying charges or taking a booking	Telling a customer the cost of a particular service, e.g. removing a wasp's nest. Booking an appointment for removal of a wasp nest.
Billing	Sending an invoice (if appropriate to do so).
Collection and receipt of income	Collecting the payment, irrespective of the method of payment (i.e. cash/ credit card) for removing the nest and giving the customer a receipt for the payment. Receipts might be a 'till receipt' or handwritten one from a preprinted receipt book.

Table 2

Function	Examples
Reconciling receipts to income	Adding up the payments received, and all the receipts issued and then making sure they come to the same amount.
Banking income	Doing the Cash Management lodgment journals so the income appears on the finance system as being in the bank. This also puts it into the correct Business Unit. Arranging for cash to be physically put into the Council's Bank Account. This may be done via the cash collection service – currently provided by LOOMIS.
Monitoring income received, banked and outstanding	Checking money that has been banked equals the amount that is on the receipts. Monthly monitoring of outstanding debts.

When money needs to be transferred between members of staff, this must be evidenced by the recorded signature of the officer receiving the money.

Paying Fees and Charges

All systems and processes related to customer payments must comply with all relevant legal and security requirements, e.g. the Payment Card Industry Data Security Standard (PCI DSS), which is a set of guidelines designed to help keep customer's payment card data secure.

Non-invoiced income	Wherever possible, customers should be asked to pay for services up-front or at the time they receive the service they are paying for. Allowing customers to pay on credit, e.g. by issuing an invoice, should be avoided as often as possible. This reduces both the potential for
----------------------------	--

	<p>invoices not being paid by customers and the administration costs to the Council.</p> <p>The Council is legally required to provide a tax invoice, if a customer asks for one. Any requests received should be referred to the Tax Team within Finance & Commercial Services.</p>
<p>Invoiced Income</p>	<p>The minimum value for a sundry debt invoice is £25. If a Council service area wishes to raise an invoice for lower than this amount, they will need to obtain the approval of the Head of Revenues & Benefits, or delegated officer.</p> <p>All sundry debt accounts must be raised on the Accounts Receivable section of the finance system unless exceptions have been agreed with the Head of Revenues & Benefits, or delegated officer.</p> <p>Invoices should be issued within 10 working days of the:</p> <ul style="list-style-type: none"> • goods or services being supplied, or • month end if there is an on-going service provision. <p>In line with standard accounting practice, income will be credited to the relevant Business Unit at the point the invoice is raised on the finance system - not when the money is received.</p> <p>To comply with all relevant HMRC regulations, the date of the invoice must be within 60 days of the actual date that the goods or services were supplied. If you cannot meet this timescale, you must contact the Council's Tax Manager for advice.</p> <p>The information on the Sundry Debt invoice must be correct, complete and supported by all necessary and relevant evidence to show that the Council is actually owed the income. If debt recovery action needs to be taken, including Court proceedings, this evidence will be required.</p> <p>Officers raising invoices are also responsible for ensuring that the correct amount of VAT is applied. If an officer is not sure what the correct VAT treatment is, they should contact the Tax Team.</p> <p>To ensure that invoices are raised correctly, they must only be raised by officers who have had appropriate training.</p>

Standard Payment Methods

Only the payment methods outlined in the tables below can be used by all Services and partner organisations. These are the payment methods which have been approved by the Head of Revenues & Benefits.

Not all methods are relevant to every Council service area or customer group, but they are all the options the Council will support.

Debit/Credit cards (including the payment of transaction fees)	<p>The Council will accept all major debit and credit cards, except American Express, Diners Club, JCB and Solo.</p> <p>Credit cards may be used for both non-commercial debts (such as Business Rates and rent arrears) and commercial debts (such as hire of sporting facilities and pest control).</p> <p>Card transaction fees will be funded centrally from within Finance & Commercial Services, subject to annual reviews of costs. They may also be recharged to the Housing Revenue Account.</p>
Direct Debits	<p>Direct debits must only be used to collect payment:</p> <ul style="list-style-type: none"> • For invoices that are raised on a regular basis (e.g. monthly rental agreements). • Where an arrangement to pay an invoice in instalments has been agreed by the Head of Revenues & Benefits, or delegated officer. <p>Direct debits should not be used where the annual value to be collected is less than £100. This amount may be changed at any time by the Head of Revenues & Benefits.</p> <p>If a customer's Direct Debit fails twice in a 12-month period then the option to pay by Direct Debit must be withdrawn from that customer and may only be reinstated with the agreement of the Head of Revenues & Benefits, or delegated officer.</p> <p>Under the Direct Debit Guarantee scheme, the Council must give customers at least 10 working days notice if the amount that is due to be collected will change. If the amount changes on a regular basis, such as Home Support, an invoice must be issued. This is for information purposes only and the customer does not need to pay the invoice separately to their Direct Debit.</p>
Cash	<p>The option of cash payments is considered on a case-by-case basis.</p> <p>Cash can be used to pay bills at Post Offices and PayPoint outlets subject to maximum values of £1000 and £200 respectively.</p> <p>Where there are significant cash payments, i.e. £1,000 or more in cash, or up to £2,500 in linked transactions, officers should check the identity of the client as per the Council's Anti-Money Laundering Policy.</p> <p>Payments in cash must not be accepted by employees of the Council or any of its agents where the amount is over the current limit of £2,500. This limit is set by the Council's MLRO.</p>
Administration Costs	<p>If there are any administrative costs associated with implementing a particular payment method, this will be funded by the Service requesting the method.</p>
Expected income over £50,000	<p>Where amounts of £50,000 or over is expected, e.g. completion of property purchases, this must be reported to the Treasury Team.</p> <p>Knowing that a large receipt is due will help this Team to manage the Council's cash flow, which may well reduce the need for short term</p>

loans to cover Council expenditure.

Payment Channels

The following tables outline the payment methods and payment channels for both invoiced and non-invoiced income:

Invoice/ Not Invoiced	Payment Method	Payment Channel
Invoice/ Not Invoiced	Credit or debit card online via the Council website.	On-line - Customer self-service
Invoiced	Credit or debit card using an automated telephone service.	Telephone - Customer self-service
Invoice/ Not Invoiced	Credit or debit card over the phone where a member of staff transfers the customer to Call Secure so they can enter the payment details using touch-tone functionality.	Telephone - Customer assisted service
Invoice/ Not Invoiced	Credit or debit card using chip-and-pin machine (either mobile or at a Council/ partner office).	Face to face - Customer assisted service
Invoiced	Cash at a Post Office; or PayPoint up to a certain value.	Face to face - Customer assisted service
Invoiced	Cheques and debit card at a Post Office up to a certain value.	Face to face - Customer assisted service
Invoiced	Direct Debit – within the parameters set by the Head of Revenues & Benefits.	Face to face - Customer assisted service
Invoiced	BACS/ CHAPS – within the parameters set by the Head of Revenues & Benefits.	Face to face - Customer assisted service

Credit Notes and Refunds

The following section outlines the use of credit notes and refunds on invoiced income.

<p>Credit notes are used to correct an invoice that has been raised incorrectly</p>	<p>Credit notes are issued to customers to correct an invoice that has been incorrectly raised. However, credit notes represent a control risk and as such must be appropriately authorised. Credit notes must be authorised by the manager responsible for the corresponding budget.</p> <p>Customers can use credit notes to pay future invoices, but they can also request a refund if they have already paid an incorrect invoice, or paid money into a Council bank account in error. Refunds may only be actioned by the Head of Revenues & Benefits, or delegated officer.</p> <p>Where a refund is for a significant amount, i.e. £1,000 or more, officers should check the identity of the client in line with the Council's Anti-Money Laundering Policy, fees and interest charges.</p>
--	--

Banking of Collected Income

The following section outlines arrangement for receipting, storing and banking collected income.

All income must be receipted and banked promptly	<p>All income received by the Council must be receipted and paid into the appropriate bank account as soon as possible following the procedures approved by the Head of Accounting for the banking of income.</p> <p>Income must be paid into the bank account in full. Third party and personal cheques must not be cashed from monies held on behalf of the Council.</p>
Collected income must be stored safely and adequately insured	<p>Executive Directors are responsible for ensuring that all income collected prior to banking is kept in a safe location and that adequate insurance cover has been arranged.</p> <p>The amount of cash which a Service can keep in a safe overnight will depend on the insurance arrangements. If the amount needed to be stored is higher than the agreed limit, then arrangements must be made to bank the income as soon as possible.</p>
Reconciliation of receipts to banked income should be performed at least monthly	<p>Reconciliation of receipts to banked income should be performed at least monthly. The higher the value and quantity of the receipts, the more often reconciliations should be performed.</p> <p>Staff responsible for reconciliation should not be involved in day-to-day banking or receipting procedures. There needs to be a clear separation of duties.</p>

Debt Recovery

The Council will do everything in its power to recover money owed to it. The following sections outline the recovery process and debt management arrangements.

Recovery Process	<p>The Council's standard payment terms and conditions state sundry debts should be paid immediately and in full, unless there is a contract in place to agree alternative payment terms, or unless the debt is payable by installments.</p> <p>The Council will do everything within its power, up to and including Court action, to recover money owed to it. The costs of recovering sundry debts, including court fees, will be funded by the relevant Business Unit which is owed the debt.</p>
Arrangements to Pay	<p>If a customer is unable to pay the full amount of a sundry debt invoice immediately, arrangements can be negotiated to clear the debt in the shortest possible amount of time.</p> <p>These arrangements can be negotiated by the ICAM Team on behalf of the Business Unit Manager, or directly by the Manager. If the Business Unit Manager chooses to negotiate arrangements themselves, they must tell the ICAM Team so that the arrangement can be documented and monitored.</p> <p>The Head of Revenues & Benefits, or delegated officer, must agree</p>

	<p>payment arrangements that last longer than 12 months.</p> <p>If the customer does not follow the arrangement to pay, then debt recovery action will be commenced or continued.</p>
Interest on late payment of debt	Interest on late payment of debt by commercial customers will be applicable where agreed by the Head of Revenues & Benefits.
Disputed Debts	<p>A 'dispute' is an issue that must be resolved before a customer pays an outstanding sundry debt.</p> <p>When a debt is put into dispute, debt recovery action is suspended to allow time for the issue to be resolved.</p> <p>The relevant Business Unit Manager is responsible for resolving the dispute and they must do so within 28 days.</p> <p>Where the Business Unit Managers thinks that a longer timescale is required to resolve the dispute, they must contact the ICAM Team to request an extension.</p> <p>The request must be supported by details about the customer, what the dispute is about, and the extra time required.</p> <p>If a request to extend a dispute beyond 28 days has not been received, the appropriate debt recovery action will be re-instated, or where appropriate the debt will be written off.</p>
Legal action	<p>Legal action will only be used as the last resort in the recovery process, and the final decision to act will be made by the ICAM Team Finance Manager.</p> <p>Legal action will only be taken if:</p> <ul style="list-style-type: none"> • The full end to end legal enforcement process can be used (e.g. County Court bailiffs, High Court Enforcement action, etc.). • The total balance of the debt is greater than £500. The ICAM Team Finance Manager can agree to lower this balance. • The debt is less than 12 months old, meaning the invoice date is less than 12 months ago. This deadline may be extended in exceptional circumstances by the ICAM Team Finance Manager.

Bad and Doubtful Debt Provisions

When an invoice is raised, the Business Unit is immediately credited with the income, but if the debt is not paid within 60 days, the Business Unit Manager should not rely on that income to cover expenditure.

Bad and doubtful debt provision	<p>Unless agreed otherwise by the CFO, if a debt is not paid by day 60 after the invoice date, the Business Unit will be debited to make full provision for the debt not being paid. This means that money is set aside in the Council's accounts to cover the possibility of the debt not being paid.</p> <p>Exceptions to this can only be approved by the Head of Revenues &</p>
--	---

	<p>Benefits. A list of the agreed exceptions is kept by the ICAM Team.</p> <p>At the year-end, a bad debt provision will be estimated based on historic trends in debts not being recovered.</p> <p>Creating a provision for bad or doubtful debt does not mean that recovery action will stop. The Council will continue to take recovery action after the provision is made.</p>
Payments received after 60 days	<p>Unless agreed otherwise by the CFO, if an outstanding debt is paid after day 60 and before day 91 the Business Unit will be credited with 50% of the income. The remaining 50% will be diverted to help balance the Council's overall budget.</p> <p>If the debt is paid after day 90, 100% of the income will be diverted to help balance the Council's overall budget and the Business Unit will not receive any income.</p>

Bad Debt Write-offs

If recovery action is unsuccessful, the Council may write-off debts or register the debt as a local land charge. The following section explains these processes.

Write-off of bad debts	<p>Bad debt write-offs will usually be done after 12 months have passed since the invoice date and all debt recovery procedures have been attempted, unless:</p> <ul style="list-style-type: none"> • The debt is covered by an on-going payment arrangement. • There is on-going action, up to and including Court action, to recover the debt. • The debt has been recorded on the Local Land Charges Register. <p>Write-offs must be proposed by the Executive Director of the Portfolio which holds the debt. A list of proposed write offs will be passed to the Head of Revenues & Benefits to approve.</p> <p>The ICAM Team, on behalf of the Head of Revenues & Benefits, will then update Integra to complete the write off.</p> <p>If a debt is to be written off a full provision must have been created.</p> <p>The Head of Accounting will report debts, and changes in the bad debt provision, to the Audit Committee as part of the annual accounts process.</p>
Local Land Charges	<p>One option for recovering a debt is to register the debt as a local land charge.</p> <p>By law, the Council must keep and regularly update a register of all the local land charges they have created, e.g. road and other financial charges, home improvement grants, tree preservation orders, notices of restriction, etc., that will either secure the payment of a sum of money or limit the use of the said property. This is known as the Local Land Charges Register.</p> <p>Anybody who is thinking of purchasing a piece of land or property can then search the register and establish if there are any charges.</p>

	<p>When Services secure a Sundry Debt account in the Local Land Charge Register, the following will apply:</p> <ul style="list-style-type: none"> • Sundry Debt accounts recorded in the Land Charge Register will be managed using the Council’s standard debt recovery process and taking a bad debt provision. • The Business Unit Manager who is responsible for any debt that is listed in the Land Register must ensure that the debt is still valid and collectible on an annual basis. • Debts covered by a Land Charge that remain outstanding after 6 years will be reviewed by the Head of Revenues & Benefits to determine whether the debt should be written off. <p>The above requirements relate specifically to sundry debt invoices, and do not apply to any debts in the Local Land Registry manually raised outside of the Finance System.</p>

Ordering and Authorisation of Expenditure

This section covers the principles of procurement in the Council. These are standard across the Council and must be complied with unless written exception has been approved by the CFO.

General Procurement Principles	<p>All orders for goods or services are to be placed on the Council's Finance system. The controls, approval routes and processes detailed in these regulations will apply.</p> <p>All procurement must comply with Contract Standing Orders and the Constitution. Any breaches are immediately reported to the CFO.</p> <p>Suppliers of the Council must have the necessary HMRC certification enabling them to be paid through the Council's payments system.</p> <p>Contractors who do not comply with these conditions, or those who do not provide the necessary evidence, should be set up as temporary employees and paid through payroll.</p>
Ordering of Goods and Services	<p>A Purchase Order is required for all purchases and must be fully approved before requesting the supply of goods and services.</p> <p>Exceptions to this would be for the payment of those deemed as 'employed' by the HMRC Employment Status Enquiry Tool, for which payment has to be made via Payroll in order to account for the correct taxation, recurring payments, 'multiple' and 'one-off' payments.</p> <p>Verbal orders should take place only in exceptional circumstances and should be followed immediately by a fully authorised order. Officers making verbal orders will be asked to support their decision by the Head of Accounting.</p> <p>Orders must fully detail the goods and services to be supplied and the budget from which the expenditure is to be met. Final costs or an estimate of the costs (net of VAT) should also be provided in the order.</p> <p>Orders can only be raised for goods and services provided to the Council or for official Council business. Individuals must not raise official orders for their own private use.</p> <p>Variations to an order can only be made if properly authorised, issued orders cannot be verbally amended.</p>
Procurement Cards	<p>A small number of credit and procurement cards are available. The use of credit/ procurement cards is intended to complement, rather than replace, the Purchase Order procedure, and should only be used when the use of a Purchase Order is not possible.</p> <p>Executive Directors must promptly inform the Head of Accounting, if action must be taken to cancel stolen or lost cards, or those issued to employees who have resigned from the Council.</p>
Authorisation of Expenditure	<p>Before authorising an order, approvers must ensure that the decision to spend the money has been taken in line with the Constitution.</p> <p>These Officers must also ensure that the Council's procurement rules and Contract Standing Orders have been complied with before approving.</p> <p>Approvers should be satisfied that:</p> <ul style="list-style-type: none"> • The Order represents a legitimate cost to the Council.

	<ul style="list-style-type: none"> • The required checks have been evidenced and necessary documentation attached. • Sufficient budgetary provision exists to cover the payment. • Expenditure will be paid through the correct business unit.
An Authorisation Matrix will be held in the Finance System	<p>A list will be held in the finance system containing the officers authorised to approve Purchase Orders, Recurring Payments, Foreign Payments and Individuals paid via payroll.</p> <p>Non-order payments, e.g. multiple, one-off, BACS, CHAPS payments, direct creditors payments or Interfaces must only be used in exceptional circumstances and must only be approved by the Head of Accounting, in consultation with the FDA.</p> <p>This matrix will apply to all orders including those connected to the spending of grant funding, payments made by the Treasury Team, contract payments and partnership arrangements.</p> <p>A report approving a grant payment or awarding a contract will not over-ride this authorisation hierarchy.</p> <p>This hierarchy, in conjunction with approval from the Head of Accounting and assurance from the FDA, will apply to the authorisation of payments that do not require a Purchase Order.</p>

Authorisation Matrix

All Purchase Orders must be approved in line with the Council’s authorisation hierarchy levels, as set by the CFO and shown below:

Order Amount	Financial Approval Limits
< £100	No further financial approval
Up to £250	Supervisor / Line Manager
Up to £500	Middle Manager

On no account should they be sent to the service requesting the supply.</p> <p>Failure to adhere to this rule may result in delays to the payment process. Paper invoices will be scanned and attached to the invoice records.</p>
Payments	<p>No payment will be made unless it is supported by an authorised Purchase Order and Goods Received Note, to acknowledge the receipt of goods and services.</p> <p>Exceptions to this are Recurring, Multiple, One-Off, Individuals paid via Payroll, Foreign Payments and purchases made using a Credit or a Procurement Card.</p> <p>Where the details on the supplier invoice, the Goods Received Note and the Purchase Order are the same, the matching process will clear the invoice for payment. This is referred to as a 3-way matching process.</p> <p>Where the details are not the same, the order raiser should liaise with the supplier to resolve the mismatch.</p>
Standard payment terms	<p>The Council's standard payment terms are to make payment within 30 calendar days of the invoice date.</p> <p>Any variation to this standard must be agreed by the Head of Procurement, either as part of the letting of a contract or by ad-hoc exception to the standard terms.</p> <p>Where a supplier makes a request for payment in advance, advice must be sought from the Head of Procurement.</p>

Sheffield City Council

COUNCILLOR CODE OF CONDUCT

Joint statement of Councillors

The role of councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual councillor affects the reputation of all councillors. We want the role of councillor to be one that people aspire to.

We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become councillors. As councillors, we represent residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently.

We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations. Importantly, we should be able to undertake our role as a councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct, and safeguard the public's trust in local government.

Definitions

For the purposes of this Code of Conduct, a "councillor" means a member or co-opted member of a local authority or a directly elected mayor. A "co-opted member" is defined in the Localism Act 2011 Section 27(4) as "a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) b) is a member of, and represents the authority on, any joint committee or joint subcommittee of the authority.

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee". For the purposes of this Code of Conduct, "local authority" includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a councillor or co-opted member, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow councillors or co-opted members, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all councillors and co-opted members and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of councillor and local government.

General principles of councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, councillors, co-opted members and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles. Building on these principles, the following general principles have been developed specifically for the role of councillor and co-opted member. In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person
- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a councillor or co-opted member. This Code of Conduct applies to you when you are acting in your capacity as a councillor or co-opted member which may include when:

- you misuse your position as a councillor or co-opted member
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a councillor or co-opted member;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a councillor or co-opted member.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

Standards of councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a councillor or co-opted member. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken. Guidance is included to help explain the reasons for the obligations and how they should be followed.

General Conduct

1. Respect As a councillor or co-opted member:

1.1 I treat other councillors and members of the public with respect.

1.2 I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a councillor or co-opted member, you can express, challenge, criticise and disagree with views,

ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in councillors. In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's councillor officer protocol.

2. Bullying, harassment and discrimination

As a councillor or co-opted member:

2.1 I do not bully any person.

2.2 I do not harass any person.

2.3 I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Members must promote equality and inclusion by providing an environment free from harassment, discrimination, and victimisation and bullying and by treating people with

respect, regardless of their age, disability, gender, race, religion/ belief, sexual orientation or marriage/ civil partnership status.

The Equality Act 2010 places specific duties on local authorities. Councillors and co-opted members have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

Members should be aware of the Council's Equality Objectives 2019-22 and act in accordance with the Council's Equality, Diversity and Inclusion Policy and Dignity and Respect at Work Policy.

3. Impartiality of officers of the council

As a councillor or co-opted member:

3.1 I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4. Confidentiality and access to information

As a councillor or co-opted member:

4.1 I do not disclose information:

- a. given to me in confidence**
- b. by anyone acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless**
 - i. I have received the consent of a person authorised to give it;**
 - ii. I am required by law to do so;**
 - iii. the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or**
 - iv. the disclosure is:**
 - 1. reasonable and in the public interest; and**
 - 2. made in good faith and in compliance with the reasonable requirements of the local authority; and**

3. I have consulted the Monitoring Officer prior to its release.

4.2 I do not improperly use knowledge gained solely as a result of my role as a councillor for the advancement of myself, my friends, my family members, my employer or my business interests.

4.3 I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

5. Disrepute

As a councillor or co-opted member:

5.1 I do not bring my role or local authority into disrepute.

As a councillor or co-opted member, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other councillors and/or your local authority and may lower the public's confidence in your or your local authority's ability to discharge your/it's functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute. You are able to hold the local authority and fellow councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

6. Use of position

As a councillor or co-opted member:

6.1 I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly.

7. Use of local authority resources and facilities

As a councillor or co-opted member:

7.1 I do not misuse council resources.

7.2 I will, when using the resources of the local or authorising their use by others:

- a. act in accordance with the local authority's requirements; and**
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.**

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

8. Complying with the Code of Conduct

As a Councillor or co-opted member:

8.1 I undertake Code of Conduct training provided by my local authority.

8.2 I cooperate with any Code of Conduct investigation and/or determination.

8.3 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

8.4 I comply with any standards investigation or sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

You must not make trivial, malicious or vexatious allegations against other Councillors/Officers.

9. Interests

As a councillor or co-opted member:

9.1 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of members of the authority. You need to register your interests so that the public, local authority employees and fellow councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable.

You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in **Table 1**, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

10. Gifts and hospitality

As a councillor or co-opted member:

10.1 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.

10.2 I notify the Monitoring Officer in writing of any gift, benefit or hospitality with a value in excess of £10, or accumulatively in excess of £10 from the same source over the four-year term of office which you have been offered as a Member from any person or body other than the Authority within 28 days of receipt.

10.3 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a councillor. If you are unsure, do contact your Monitoring Officer for guidance.

11. Bias

11.1 I must not place myself under any financial or other obligation to outside individuals or organisations that might seek to influence me in the performance of my official duties.

11.2 When making a decision, I consider the matter with an open mind and on the facts before the meeting at which the decision is to be taken.

Where you have been involved in campaigning in your political role on an issue which does not impact on your personal and/or professional life you are not prohibited from participating in a decision in your political role as member.

Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Appendix B - Registering interests

Within 28 days of becoming a member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in **Table 1 (Disclosable Pecuniary Interests)** which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in **Table 2 (Other Registerable Interests)**.

“**Disclosable Pecuniary Interest**” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“**Partner**” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the councillor, or a person connected with the councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it.

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which **directly relates** to one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in Table 1) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which affects –
 - a. your own financial interest or well-being;
 - b. a financial interest or well-being of a relative, close associate; or
 - c. a body included in those you need to disclose under Other Registrable Interests as set out in **Table 2**.

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied:

9. Where a matter **affects** your financial interest or well-being:
 - a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest

You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise, you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest.

10. Where you have a personal interest in any business of your authority and you have made an executive decision in relation to that business, you must make sure that any written statement of that decision records the existence and nature of your interest.

Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on Local Government Ethical Standards. If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

SHEFFIELD CITY COUNCIL

PROCEDURE FOR DEALING WITH COMPLAINTS REGARDING CITY, PARISH AND TOWN COUNCILLORS AND CO-OPTED MEMBERS

1. Introduction

1.1 Under the Localism Act 2011, the Council has a duty to promote and maintain high standards of conduct for its elected and co-opted members and have arrangements in place to deal with complaints.

1.2 This Procedure sets out how the Council will deal with a complaint alleging a breach of the Councillor Code of Conduct by:-

- Sheffield City Councillors
- Voting and non-voting co-opted members of the Council
- Bradfield Parish Councillors
- Ecclesfield Parish Councillors
- Stocksbridge Town Councillors

(In this Procedure the term 'Member' is used to describe a Councillor or Co-opted Member)

1.3 In dealing with complaints we will be fair to both the complainant and Member and progress matters in accordance with the timescales set out in the Procedure. Complaints will be handled in the strictest confidence at all times.

1.4 The Council has a duty to ensure no conflict of interest with officers when undertaking standards investigations. If a conflict of interest is identified, it will be determined in consultation with the Independent Person whether the matter should be dealt with by an alternative Monitoring Officer.

1.5 The Council has a clear and straightforward public interest test, which is used by the Monitoring Officer when considering complaints.

2. Monitoring Officer

2.1 Gillian Duckworth, Director of Legal and Governance, is the Council's Monitoring Officer. This is a statutory role, responsible for ensuring that the Council, its Members and officers carry out their functions in a lawful and ethical manner. The role includes supporting the Audit and Standards Committee and the three Independent Persons in dealing with complaints alleging a breach of the Councillor Code of Conduct.

3. Independent Persons

- 3.1 The Council appoints Independent Persons from outside the Council to assist the Monitoring Officer and the Audit and Standards Committee in considering complaints. This is statutory requirement under the Localism Act 2011. Sheffield has appointed two Independent Persons - David Waxman and Jo Cairns.
- 3.2 The Independent Person must be consulted at various stages in the complaints process:
1. The Independent Person should be consulted on an allegation and should be given the option to review and comment on allegations which the Monitoring Officer is minded to dismiss as being malicious, without merit, vexatious or trivial.
 2. As to whether to undertake a formal investigation.
 3. Before the Hearing Sub-Committee.

4. Making a Complaint/Withdrawing a Complaint

- 4.1 Complaints alleging a breach of the Councillor Code of Conduct should be made in writing using the complaint form and sent to Gillian Duckworth, Monitoring Officer, Sheffield City Council, Town Hall, Sheffield S1 2HH or email gillian.duckworth@sheffield.gov.uk. The complaint form is available from:-
- Website - <http://www.sheffield.gov.uk/home/your-city-council/council-meetings>
 - Email - committee@sheffield.gov.uk
 - Phone - Democratic Services on 0114 273 4015
- 4.2 If you need advice or assistance in submitting a complaint please contact Sarah Hyde in Democratic Services (email sarah.hyde@sheffield.gov.uk or phone 0114 273 4015).
- 4.3 Details of the complaint, including the name of the complainant, will be shared with the Member. The complainant can request at section 2 of the complaint form for their identity to be kept confidential. Requests for confidentiality will be considered by the Monitoring Officer, in consultation with the Independent Person, and the complainant will be informed in writing of the outcome. In the interest of fairness and natural justice, we believe Members who are complained about have a right to know who has made the complaint. We are unlikely to withhold your identity unless there are exceptional circumstances; for example, that

you can demonstrate that you will suffer significant harm or distress as a result of disclosure. In exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.

- 4.4 Anonymous complaints will not be considered.
- 4.5 The complainant can withdraw their complaint at any time by informing the Monitoring Officer in writing. The Monitoring Officer will confirm this in writing with the complainant within 5 working days and also inform the Member that the complaint has been withdrawn.
- 4.6 Where a complaint has been withdrawn, the Monitoring Officer reserves the right to pursue the issues in the complaint.
- 5.0 Acknowledging the Complaint/Rejecting a Complaint/Informing the Member**
- 5.1 The Monitoring Officer will acknowledge receipt of the complaint in writing within 5 working days, with details of how the complaint will be dealt with and providing a copy of this Procedure and the Code of Conduct.
- 5.2 If necessary, the Monitoring Officer will clarify any matters with the complainant as soon as possible before the Member is informed.
- 5.3 The Monitoring Officer also reserves the right to reject a complaint if it is considered to be trivial, vexatious, repetitious, not a standards matter or a general misuse of the opportunity. The complainant will be informed of the reasons why a complaint has been rejected.
- 5.4 The Member will be informed in writing within 5 working days that a complaint has been made about them, subject to paragraph 5.2. This will include the name of the complainant (unless the Monitoring Officer has agreed to the complainant's request that their name is kept confidential) and details of the complaint. They will also receive a copy of this Procedure and the Code of Conduct. To assist the Monitoring Officer in assessing the complaint, the Member will be invited to submit within 10 working days a written statement of fact in response to the complaint.
- 5.5 The Monitoring Officer will also inform the Leader of the relevant political Group, Group Whip and Chair of the Audit and Standards Committee that a complaint has been received and provide a summary of the complaint.

5.6 Where a complaint relates to a Parish or Town Councillor, the Monitoring Officer will also inform the Clerk of that Council of the name of the Member and details of the complaint. The Clerk will also be kept informed of the progress and the outcome of the complaint.

6. Assessment by the Monitoring Officer

6.1 Before assessment of the complaint, it may be necessary for the Monitoring Officer to request further information or clarification from the complainant and/or Member and, where necessary, obtain other available information, such as the minutes of a meeting.

6.2 The Monitoring Officer, in consultation with the Independent Person, will consider (a) the complaint, any remedy sought by the complainant, any written statement of fact submitted by the Member and any other information obtained; (b) whether the member was acting in their official capacity and that the Code of Conduct does apply; (c) if the allegation constitutes a potential breach of the Code of Conduct; and (d) would consideration of the complaint be in the public interest; and then take one of the following courses of action:-

1. Take no action or
2. Take other action through informal resolution or
3. Refer the matter for investigation
4. Refer the matter to the Consideration Sub-Committee

6.3 The complainant and the Member will be informed in writing within 10 working days of the outcome and the reasons for the decision.

6.4 The Monitoring Officer will also inform the Leader of the relevant political Group, Group Whip and Chair of the Audit and Standards Committee of the assessment decision. Where a complaint relates to a Parish or Town Councillor, the Monitoring Officer will also inform the Clerk of that Council.

6.5 Where a complaint is not referred for investigation, the Monitoring Officer will seek to deal with the matter within 8 weeks.

6.6 Take No Action

6.6.1 It is likely that no action will be taken where:-

- A significant amount of time has elapsed since the events which are the subject of the complaint.

- The allegation relates to a cultural or recurring issue relating to standards within the Council.
- The matter should be dealt with by some other method.
- Complaints have been made about the Member relating to similar issues that have previously been dealt with through this Procedure.
- The complaint appears to be trivial, vexatious, repetitious or a general misuse of the opportunity.
- The conduct occurred during political debate or could be regarded as a political expression of views or opinion.

6.7 Take Other Action Through Informal Resolution

6.7.1 Informal resolution may be the simplest and most cost effective way of resolving the complaint and without determining if an actual breach of the Code has taken place. It may be appropriate where:

- The Monitoring Officer considers that this is the most effective way of resolving the matter to the complainant's satisfaction;
- The Member appears to have a poor understanding of the Code of Conduct and/or related Council procedures;
- The conduct complained of appears to be a symptom of wider underlying conflicts which, if unresolved, are likely to lead to further misconduct or allegations of misconduct;
- The conduct complained of appears to the Monitoring Officer not to require a formal sanction;
- The complaint appears to reveal a lack of guidance, protocols and procedures within the District or Parish/Town Council;
- The complaint consists of allegations and retaliatory allegations between councillors;
- The complaint consists of allegations about how formal meetings are conducted; and
- The conduct complained of may be due to misleading, unclear or misunderstood advice from officers.

- 6.7.2 The Monitoring Officer, in consultation with the Independent Person, may take any of the following actions:-
- Take such steps as they think appropriate to prevent a future breach of the Code including training, guidance and introducing or amending policies/protocols.
 - Ask the Whips to address the issue raised within their political parties or with an individual Member.
 - Mediate between the parties involved to resolve the issues.
 - Seek an apology from the Member.
 - Any other action capable of resolving the complaint.
- 6.7.3 If a member of the public making a complaint is not satisfied with the action to be taken through informal resolution they can make a request in writing to the Monitoring Officer for reconsideration. If appropriate, the Monitoring Officer may then recommend additional mediation, reconsider the original action proposed, or refer the complaint to Consideration Sub-Committee.
- 6.8 Refer the Matter for Investigation
- 6.8.1 It is expected that the Monitoring Officer will refer only the most serious breaches for investigation or where the Member fundamentally disputes or does not accept the allegations in the complaint.
- 6.8.2 If a complaint has been referred for investigation, the Monitoring Officer, in consultation with the Independent Person, will appoint a person to undertake the investigation and this may be either a Council Officer or an outside agent, depending on the complexity and subject of the complaint.
- 6.8.3 The Investigating Officer will inform the complainant and Member of the process and proposed timescale of the investigation. The investigation may involve interviewing both parties and possibly other witnesses, together with reviewing any relevant documentation or paperwork.
- 6.8.4 The Investigating Officer will prepare a draft report on the outcome of the investigation and provide the complainant and Member with a copy for review and comment.
- 6.8.5 The Investigating Officer will submit a final version of the report to the Monitoring Officer that will make a finding that either (a) there has been a breach of the Code of Conduct or (b) there has not been a breach of

the Code of Conduct. The final report will also be sent to the complainant and Member.

- 6.8.6 The Monitoring Officer will submit the Investigating Officer's report to the Consideration Sub-Committee.
- 6.8.7 An investigation will be completed within 12 weeks of a referral by the Monitoring Officer. The Consideration Sub-Committee will meet within two months of the final report being submitted to the Monitoring Officer.
- 6.9 Refer the matter to the Consideration Sub-Committee
- 6.9.1 The Monitoring Officer can refer a complaint direct to the Sub-Committee if it is considered that there is a breach of the Code but there is no dispute over the events in relation to the complaint and an investigation is not considered necessary.
- 6.9.2 If a member of the public making a complaint is not satisfied with the action to be taken through informal resolution they can make a request in writing to the Monitoring Officer for reconsideration. If appropriate, the Monitoring Officer may then recommend additional mediation, reconsider the original action proposed, or refer the complaint to Consideration Sub-Committee.

7 Consideration Sub-Committee

- 7.1 The Consideration Sub-Committee comprises 3 Councillors and 1 non-voting co-opted Independent Member.
- 7.2 The complainant and Member are not required to attend the meeting of the Sub-Committee.
- 7.3 The Monitoring Officer will submit a report on the outcome of an investigation or a matter referred to the Sub-Committee. The Investigating Officer will attend the meeting.
- 7.4 The Sub-Committee will consider the Monitoring Officer's report and, after taking the views of the Independent Person into account, can:-
- (a) take no action; or
 - (b) take other action including any of the following actions:-
 - Take such steps as the Sub-Committee considers appropriate to prevent a future breach of the Code including training, guidance and introducing or amending policies/protocols.

- Ask the Whips to address the issue raised within their political parties or with an individual Member.
- Request the Monitoring Officer, in consultation with the Independent Person, to mediate between the parties involved to resolve the issues.
- Seek an apology from the Member.
- Any other action capable of resolving the complaint.

(c) refer the matter to a Hearing Sub-Committee.

7.5 Where the Consideration Sub-Committee is considering a report on the referral of a complaint where a member of the public is not satisfied with the action to be taken through informal resolution, the only option available to the Sub-Committee is to ratify the original informal resolution, or to take other action including any of the following actions:-

- Take such steps as the Consideration Sub-Committee considers appropriate to prevent a future breach of the Code including training, guidance and introducing or amending policies/protocols.
- Ask the Whips to address the issue raised within their political parties or with an individual Member.
- Request the Monitoring Officer, in consultation with the Independent Person, to mediate between the parties involved to resolve the issues.
- Seek an apology from the Member.
- Any other action capable of resolving the complaint.

7.6 The Monitoring Officer will inform the complainant and Member in writing within 10 working days of the outcome and the reasons for the Sub-Committee's decision.

8. Hearing Sub-Committee

8.1 The Hearing Sub-Committee comprises 3 Councillors and 1 non-voting co-opted Independent Member.

8.2 The Sub-Committee will meet within two months of a referral by the Consideration Sub-Committee to consider the allegation.

1.0 INTRODUCTION

About this Code of Conduct

- 1.1 In the Code of Conduct, when we use the word “you” we mean a Council employee, casual worker, agency staff, contractors, volunteers, and consultants and self-employed people engaged in work for the Council.**

When we use the words “we” or “us”, we mean the Council.

- 1.2 This Code of Conduct for Employees is based on key principles. These principles are developed from the work of the Nolan Committee for standards in public life.
- 1.3 In the Code of Conduct you will find the minimum standards that all Council employees must keep to. These standards also apply to casual workers, agency staff, contractors, volunteers, and consultants and self-employed people engaged in work for the Council.
- 1.4 If you are an employee, this Code of Conduct is part of your terms and conditions of employment. Some parts of the Council may have their own Codes in addition to this one.
- 1.5 If your service area has its own Code, you should keep to that Code as well as this Code. You also need to follow any security policies or Codes of Practice that the council has.
- 1.6 We believe that you are responsible for your own actions. That means it is your responsibility to read the Code of Conduct, and any other Code which may apply to your job.
- 1.7 If there are any parts of this Code, or other Code, that you are unsure of or do not understand, you must ask your manager or someone in HR, to help you. This will ensure you are able to follow the Code.
- 1.8 You can find explanations for some of the words and phrases in this Code in the glossary section, on page 16 of this document.
- 1.9 This Code is not a full list of what you are expected to do or not to do. There may be other things that the Council will look at as misconduct, or gross misconduct. If there is anything that you are unsure about, please ask your manager or HR Adviser.
- 1.10 People who live in Sheffield expect you to have high standards of behaviour. If someone has suspicions that you could be influenced unfairly, this could damage confidence in the Council. You must not put yourself in a situation where anyone might think that you are dishonest.
- 1.11 The Council has the right to monitor employees. This includes surveillance. If the Council monitors employees in this way, it will keep within the laws that deal with monitoring.

1.12 You may have disciplinary action taken against you if you:

- Do not keep to this Code of Conduct.
- Commit a criminal offence.
- Do something we would classify as misconduct.
- Do something that may bring the Council into disrepute, whether during working hours or outside of them.
- Do not properly perform your duties as an employee.

Disciplinary action includes the possibility of being dismissed without notice being given.

1.13 This Code is in accordance with the rules in the Human Rights Act 1998.

2.0 PUBLIC DUTY, PRIVATE INTEREST, FRAUD AND THEFT

(i) General

- 2.1 Your duty as an employee and any interests outside your job must not conflict. If there is anything you are involved in outside of work which might affect your job, you must declare this to your manager. Read Declaration of Interests Policy (DO!) Appendix A
- 2.2 You must always do your job safely. To make sure you do not put the public, other employees or yourself at risk, you must follow Corporate and Directorate Health and Safety policies. You must also follow safe systems of work and any Codes of practice that apply to your job.
- 2.3 If you are a member of an organisation that:
- Is not open to the public
 - Requires formal membership and an oath of allegiance
 - Has any secrecy about its rules, the process of becoming a member, or conduct of members.
- 2.4 You must declare this in writing to your Head of Service or Director. See Declaration of Interests Policy **Appendix A**.
- 2.5 The Council has responsibility for the administration of public money. We emphasise to the public and to employees that we think honesty and that having proper control of finances is very important.
- 2.6 The Council is committed to the fight against fraud, whether an employee, a contractor, or a member of the public has committed the fraud.
- 2.7 You must not use the fact that you are a Council employee to obtain, gain directly or indirectly - for yourself, any business associates, your friends or your family. This is covered in the Council’s Anti-Bribery Policy in **Appendix B**.

- 2.8 As the Council is committed to the prevention and detection of fraud, we have a policy statement on Fraud and Corruption. This is shown in **Appendix B**.
- 2.9 We also have a Gifts and Hospitality Policy and Code of Practice. This is shown in **Appendix C**.
- 2.10 In addition to these two policies, we have a Whistleblowing Policy and Procedure, so that you can report any fraud or corruption more easily. This is shown in **Appendix D**.
- 2.11 If you are using public funds, you must use them responsibly, and you must keep within the law. You must make sure that we use our resources sensibly and legally, and that the community gets value for money.
- 2.12 You must keep to the rules within the Council’s Standing Orders and Financial Framework. The Standing Orders are available on the Council’s Internet site.
- 2.13 If you:
- Commit fraud against the Council, or any person or organisation, or try to.
 - Steal from the Council, or any person or organisation, or try to.
- 2.14 This will be considered misconduct and may be considered gross misconduct. This includes deliberately putting false information on time sheets, subsistence claims or mileage claims.
- 2.15 If you have concerns that someone is stealing, committing fraud or behaving in a way that might be unethical, you must report this to your manager, or someone named in the Whistleblowing Policy and Procedure. This procedure is shown in **Appendix D**.
- 2.16 We know that it is not always easy to report on the behaviour of other people. We will give you full support if you raise concerns. If you wish to remain anonymous, we will make every effort to respect this.
- 2.17 We know there are two sides to a story, and we will ensure hearings are fair.
- 2.18 Sometimes allegations will turn out to be wrong. If you deliberately make false or malicious allegations, this will be treated as misconduct.
- (ii) Financial Inducements, Gifts and Hospitality**
- 2.19 You must never accept a financial payment, bribes or inducement from any individual, body, or organisation. For example: payments or inducements from contractors, developers, or consultants. This is covered in the Council’s Anti-Bribery Policy in **Appendix B**.
- 2.20 To take financial payments or inducements is against the law. It is an offence under Section 117 of the Local Government Act 1972.

- 2.21 You must refuse any gift or hospitality offered to you or your family that others may think could influence you.
- 2.22 You may accept gifts of small value such as pens, diaries and calendars.
- 2.23 For further guidance on gifts, hospitality and inducements, you can read the Gifts and Hospitality Policy and Code of Practice. This is shown in **Appendix C**.
- 2.24 Any gifts or hospitality you have been offered, whether you have turned them down or accepted them, must be recorded. If you are unsure of the process of recording goods and hospitality in your service area, seek advice from your manager.

(iii) Employee Declarations of Financial and other interests

- 2.25 You have a legal duty to declare any financial or other interest in an existing or proposed contract. See Declaration of Interests Policy (DOI) Appendix A.
- 2.26 If the Council gives support in the community, through financial help or other help, you must make sure that any advice you give is fair and balanced. You must make sure that there is no conflict of interest.
- 2.27 You are free to use all Council services. If you do so, you will not be treated more or less fairly because you work for the Council.
- 2.28 Members of the public expect you to be fair and treat people equally, no matter who you are delivering services to.
- 2.29 You must make sure you don’t do anything in your job that might make people think you are being unfair or biased.
- 2.30 You must not try and obtain services in a different way to the public because you work for the Council. This includes putting pressure on colleagues to get services.
- 2.31 If you think there might be a conflict of interest, you must look at the Declarations of Interest Policy (DOI), **Appendix A**. If you are not sure, you should ask your manager to help you.
- 2.32 The Monitoring Officer will review any declarations that have been made every year. If the Monitoring Officer needs to make declarations, the Chief Executive will review them every year.
- 2.33 The Director of Human Resources and Customer Services is responsible for making sure all the Employment Policies, Practices and Procedures that the Council has are kept to.

2.34 Every Head of Service, Director and Executive Director is responsible for monitoring their employees activities, making sure they have kept to this Code and any other Codes and made declarations when they need to. Any monitoring will comply with all relevant laws.

3.0 CONTRACTORS

3.1 As part of your job, you may be required to supervise or engage contractors or have an official relationship with them. If you have any work relationship with contractors, or potential contractors, you must tell your Head of Service or Director in writing if you have ever had a private or domestic relationship with the contractors.

3.2 The orders we place and contracts we give should be given fairly. This means that we must award orders and contracts based on merit and fair competition against other tenders. You must not show favouritism in doing this. For example, if your friends, partners or relatives run a business, you could not award them a contract unfairly because of this. You must not discriminate against anyone unfairly if you deal with tenders, evaluation or awarding contracts.

4.0 RELATIONSHIPS WITH PROSPECTIVE AND CURRENT CONTRACTORS

4.1 If you are involved in the process of tendering and dealing with contractors you should understand that being a client and being a contractor are two separate roles. If you have a client or contractor responsibility, you need to be open and accountable for your actions.

4.2 If you work in a contractor or client unit you must be fair and impartial when you deal with customers, suppliers and any other contractors or subcontractors.

4.3 If you have access to any information about contracts or costs for contracts that is not public, you must not disclose that information to anyone unauthorised.

4.4 You must make sure that you don’t show special favour to anyone who works for us or used to work for us when you award contracts. You must make sure you do not show special favour to anyone who is a partner, associate or relative of an employee when you award contracts.

4.5 If you are thinking about a ‘management buyout’, you must inform the Chief Executive as soon as you definitely intend to do it. You must also inform your Executive Director and Head of Service or Director. You must withdraw from doing any work for us that includes preparation, tendering, evaluation, and awarding contracts or orders.

4.6 If Competitive tendering is being carried out, and you are involved in the process, you must let your Head of Service or Director know when you are a member of an organisation that is interested in tendering. You must also let your Head of Service or Director know if you have affiliation to an organisation that is interested in tendering.

5.0 INFORMATION GOVERNANCE, SECURITY AND SOCIAL NETWORKING

- 5.1 You are responsible for the information you handle for or on behalf of the Council and must ensure it is safe from unauthorised access, use, alteration, disclosure or deletion.
- 5.2 You must comply with the Council’s information policies and take the time to read and understand the Information Governance and Security Policy ICT Acceptable Usage Policy and Data Protection Policy, see **Appendix E, F and G**. If you are unsure about these policies, you should speak to your manager in one to one discussions /supervision’. The Council also has Information Management Officers who can help.
- 5.3 You are personally responsible for content that you publish on-line and must follow the Social Networking Policy, **Appendix H**.
- 5.4 You must take time to read the Social Networking Policy and understand your responsibilities and behaviours expected, when using social networking in a personal or work capacity. Ask you manager if you are unsure about the Social Networking Policy and Guidance.
- 5.5 The City Council records the use of some electronic communication use in accordance with the law.
- 5.6 Failure to comply with Council policy and / or the misuse any City Council information or resources could result in disciplinary action.

6.0 USE OF COUNCIL SYSTEMS, PROPERTY AND FACILITIES

6.1 Anything that belongs to the Council, including:

- Car parks
- Vehicles
- Facilities

can only be used for Council business unless permission is given by management.

- 6.2 If, with your managers’ permission, you use a Council telephone or mobile telephone to make private calls or text messages, or send private faxes using a Council fax machine, you must pay for this through the approved systems in place. If you are unsure about how to pay for calls, speak to your manager.
- 6.3 The Council has systems in place that log telephone, email and Internet usage. These systems may be used to identify any usage for private purposes. We may monitor any

communications using Council systems. If we monitor your use of Council resources, we will do it within the law and Council policy.

6.4 You must keep to any Council system security measures.

7.0 OTHER EMPLOYMENT

7.1 If you do have any other employment whilst you are working for the Council, the work you do must not conflict with the interests of the Council or bring it into disrepute. You must only do other work outside of your working hours with the Council. You need formal prior permission of your manager to do any work outside your role with the Council. See **Appendix A: Declaration of Interests Policy**

7.2 If you do any work that is damaging to the interests or reputation of the Council, we may take disciplinary action against you, even if you have declared this work to your manager.

7.3 If you are a:

- School Governor
- Councillor for another Local Authority
- Member of a Voluntary Reserve Forces - Reservists and Adult Instructor of Cadets
- Justice of the Peace
- Member of an Employment Tribunal

These roles do not count as other employment. You should still make your manager aware of these duties and ask for any time off you need in a reasonable and timely manner. Unpaid voluntary work in the Community is not classed as other employment, but you still need to declare it to your manager, as there may be a conflict of interest with your Council job.

7.5 You can find further guidance on receiving payment or fees for other work in **Appendix F**.

8.0 DISCLOSURE OF INFORMATION, CONFIDENTIALITY AND REFERENCES

8.1 You should be fair and open when you deal with others. You should make sure that elected members and members of the public have access to information they need unless there is a good reason not to allow this, according to the Freedom of Information Act 2000.

8.2 You must act in accordance with the law when handling personal and other information. You must take special care when handling personal and confidential information, and never use it inappropriately. You may be prosecuted personally under the Data Protection Act 2018, so it is important you know what your responsibilities are. Please read the Council’s Data Protection Policy at Appendix F. If you are unsure about this, consult your manager. The Council also has Information Management Officers who can help.

- 8.3 You must not disclose any confidential, personal or financial information about an employee to an unauthorised person. You must not disclose any personal or financial information about an employee to any external agency without their approval. If you are not sure who is an authorised person, you should consult the Director of Human Resources and Customer Services.
- 8.4 If you are asked for personal information for a reference, for example for a job or mortgage application, you may provide information only after you confirm the identity of the enquirer. To do this, you can reply in writing to the enquirer, or call them back to make sure they are who they say they are.
- 8.5 If the request is for a reference for a colleague or ex-employee, only the employee’s line manager can provide an employment reference. Any employee may give a reference in a personal capacity. If you misrepresent the Council, this will be treated as misconduct.

This includes giving information verbally, through e-mail or in writing.
- 9.2 If you are writing something that will be published, and it doesn’t talk about the Council but does relate to your job, you should tell your Head of Service or Director before it is published. An example of this might be an article in a professional journal.

10.0 POLITICAL NEUTRALITY

- 10.1 You must not allow your personal or political opinions to interfere with your work. Some posts are “politically restricted”. If this applies to you, you should already have been told about the restrictions separately.
- 10.2 More information on this is available in **Appendix I**. If you need any more advice or information, ask your manager or HR Adviser.
- 10.3 You work to all elected members and must ensure their rights are respected. You must not be biased in dealing with members of one political group rather than another.
- 10.4 If your job requires you to advise political groups, you must make sure you take a neutral stance and point of view.

- 11.9 Any sexual misconduct or assault will be regarded as potential gross misconduct.

- 11.10 If you do not follow any policies or procedures meant to keep vulnerable service users or others safe, this will be regarded as potential gross misconduct.
- 11.11 Any act of gross misconduct may lead to disciplinary action and the possibility of dismissal without notice.
- 11.12 If you work with young people or vulnerable adults, you must read any relevant Codes of practice as well as this Code, and keep to them. You must keep to any relevant laws, such as the Children Act 1989 and the Child Protection and Adult Abuse Protection Procedures.
- 11.13 If you see any abusive behaviour, you must report it to your line manager, or use the Whistleblowing policy (see **Appendix D**) to report it.

13.0 EQUALITIES

- 13.1 You must at all times make sure you keep to the Council’s policies on equality, diversity and inclusion including behaving and working in a way which eliminates discrimination, harassment and victimisation, advances equality of opportunity and fosters good relations. See Dignity and Respect at Work Policy. **Appendix K**

Sheffield City Council

Policy and Procedure Declaration of Interest

Publication Date: February 2016

Author: HR Service

Declaration of Interest - Policy and Procedure

Policy

1. Introduction

- 1.1 All customers are entitled to the highest standards of fairness and equity from all employees providing our services. This Policy and Procedure exists to protect you and service users against any allegations of favour or disadvantage.
- 1.2 It is important that employees and the Council are protected from accusations of impropriety. Therefore an employee must declare any interest to their manager that they may have with any organisation, services, activity or person that may cause a direct or indirect conflict of interest with their employment or that may bring the Council into disrepute. To ensure this happens, all employees are to complete and submit an annual Declaration of Interest Form.
- 1.3 Employees are responsible for declaring any private interests relating to their public duties. You should declare both financial and non-financial interests including, where relevant, those of your spouse or partner or members of your family if you are benefiting from such arrangements.
- 1.4 Employees should declare if they are a member of an organisation, which is not open to the public
- 1.5 Employees should declare if they have any other employment, business or voluntary work
- 1.6 In many cases the interests may not create a conflict or the fact that they are known interests will allow the individual’s manager to ensure they are not placed in a position where conflict could arise.
- 1.7 It is not possible to give comprehensive examples or detailed definitions of everything that might give rise to a conflict of interest between their duties and these interests or their ability to carry out their role effectively
- 1.8 Where an employee does not have any interests to declare, they should complete the annual Declaration of Interest Form and submit a ‘nil return’.
- 1.9 Every Head of Service, Director and Executive Director is responsible for ensuring their managers and staff are aware of the need to make of interests or declaration of no interests. Any monitoring will comply with all relevant laws.
- 1.10 Any potential conflicts of interest will be recorded in accordance with the Declaration of Interest Procedure.

- 1.11 The Council’s Monitoring Officer will review any declarations (or a random selection of) that have been made each year. If the Monitoring Officer needs to make declarations, the Chief Executive will review them each year.
- 1.12 If an employee fails to follow the requirements of this policy or procedure they may be subject to disciplinary action.
- 1.13 Any employee, who considers they have been unfairly treated under the terms of the policy, may raise a grievance under the Council’s Individual Grievance Procedure. The grievance should be submitted to their line manager or with the person making the decision.

2. Scope

- 2.1 This policy applies to all non-school based employees. The Policy adopted by the relevant Governing Body will apply to employees within schools.

3. General Declaration of Financial and Other Interests

- 3.1 Employees should ensure they declare financial interest in order to comply with their statutory duty under [Section 117 of the Local Government Act 1972](#).
- 3.2 As an employee of Sheffield City Council, you have a legal duty to declare any financial or other interest in an existing or proposed contract or any proposed or existing council activity or service which could cause potential conflict. This declaration includes involvement with voluntary organisations, which the council supports and/or services carried out for the council by its commercial partners, for example Capita, Kier, Amey and other similar partner organisations.
- 3.2 You have a legal duty to declare any interest or associations that may cause direct or indirect conflict with your work for the Council. You must declare interests in or associations with any organisation, service, and activity or person.
- 3.3 If the Council has sponsored an event or a service, you must inform your line manager if you may benefit from it in any way. You must also tell your line manager if you are aware that anyone connected with you will benefit from it (this includes your relatives, your partner or spouse, or any business associates you may have).
- 3.4 You must declare an interest if anyone connected with you will benefit from the position you hold in the Council. This includes your relatives, your partner or spouse, or any business associates you may have. This is to ensure the status gained from working for the council is not utilised to influence a member of the public’s choice when commissioning work or a service.
- 3.5 If you apply for a service or make representations for services on behalf of relatives, colleagues or friends or people with whom you have a close relationship, you must declare an interest where your employment position gives you significant influence.

3.6 You must also declare a personal interest, if you help someone you know from outside your job to:-

- Apply for a service that you have influence over or are responsible for
- Improve the chances of success of an agency within a tendering process

4. Declaration of Membership of Organisations Not Open to the Public

4.1 You must declare and provide information about any organisation in which you have a personal interest that is not open to the public which requires formal membership, oaths of allegiance and has secrecy about rules, membership or conduct.

4.2 The following is the Council’s definition of what constitutes a society with secret rules (secret society).

‘Any lodge, chapter, society, trust or regular gathering or meeting, which:

- a) is not open to members of the public who are not members of that lodge, chapter, society or trust; and
- b) includes in the grant of membership an obligation on the part of the member a requirement to make a commitment (whether by oath or otherwise) of allegiance to the lodge, chapter, society, gathering or meeting; and
- c) includes, whether initially or subsequently, a commitment (whether by oath or otherwise) of secrecy about the rules, membership or conduct of the lodge, chapter, society, trust, gathering or meeting.

4.3 A lodge, chapter, society, trust, gathering or meeting as defined above should not be regarded as a secret society if it forms part of the activity of a generally recognised religion.

5. Declaration of Other Employment or Engagement in Other Business or Voluntary Work

5.1 If you have secured other employment or voluntary work whilst you are working for the Council, you must first complete a ‘Declaration of Interest Form – see procedure’. Your manager should respond within the agreed timescale and advise if there may be any possible conflict of interest before you commence the work. This includes paid work for another employer and working in a self-employed or business partnership basis.

5.2 If you do undertake other work, you must ensure the additional hours do not impact on your performance of your duties undertaken for Sheffield City Council.

5.3 When considering undertaking other work, consideration must be given to compliance with the statutory requirements of the Working Time Regulations. The council must be made aware of any additional work that could mean you exceed an average of 48 hours of work in total in a week.

- 5.4 Those undertaking additional work outside the authority must sign a Working Time Regulations ‘Opt out Agreement’ and to confirm they understand the health and safety implications of working excessive hours. This must be held on your personal file in HR Connect.
- 5.5 You must not refer to your role in Sheffield City Council in any promotional material, which may be used to assure members of the public or give credence to another organisation.
- 5.6 The Council accepts no liability for your other work or engagement in other business or voluntary work and will not be responsible for any payments, expenses or demands however incurred.
- 5.7 With regard to any other work or engagement in other business or voluntary work you are responsible for:-
- ensuring that you have the correct insurance; and
 - that you are registered with the relevant professional or regulatory bodies; and
 - that you pay any tax, national insurance, or other statutory payments due; and
 - for ensuring that you have the correct membership of trade or professional organisations; and that you comply with any statutory requirements or professional or trade codes of conduct.
- 5.8 There may be circumstances where the Council may need to retract permission, for example:-
- Where attendance or timekeeping is of concern and may be attributed to you undertaking other work
 - Where your performance falls below an acceptable standard and may be attributed to you undertaking other work
 - Where a new conflict of interest arises that previously did not exist or where a conflict later becomes apparent for any reason

6. Reporting of Declarations of Interest

- 6.1 If you think there might be a conflict of interest, you must speak to your line manager and follow the Declaration of Interest Procedure.

Procedure

1. On joining the Council, as part of your induction, you must complete a ‘Declaration of Interest Form’ to declare any interests or that you have no interests.

2. Each year, you will be asked to complete a ‘Declaration of Interest Form’ to ensure that your’ declaration of interests register’ is up-to-date.
3. If at any point during the year, your circumstances change, for example, you undertake other work or become aware of a potential conflict of interest, you must complete a new ‘Declaration of Interest’ Form. You must do this within 28 days of becoming aware of any new interest or change to any interest that you have previously registered
4. You can find this Declaration of Interest Form in your [MyView](#) account. Use the menu on the left to access the Form.

If you do not have access to the Intranet/MyView

If you do not have access to the intranet/ [MyView](#), you should discuss your application with your manager. If your manager is approving your request, your manager should complete your application in the MyPeople section of [MyView](#) with you present and will then approve and submit your application.

Your manager will print off the accepted form. You and your manager will sign that this information is a true and accurate record of your application. Your manager will then scan the signed form and email this to HRConnect.

5. For declarations relating to financial and other interests you must give an explanation as to the way you or someone connected with you may benefit.
6. For declarations relating to membership of an organisation not open to the public, you should provide information about the organisation, including details of the purpose behind the organisation, wherever possible. However, if this act would cause a breach in confidentiality or the organisation’s protocols, then you should discuss this with your line manager, who may need to seek further advice from Human Resources.

Additionally, the Council would expect that such membership would not be in conflict with your role with the Council. You should seek advice from your manager or Human Resources if necessary.

7. For declarations related to participation in other work or engagement in other business or voluntary work, you should provide details of the name of the organisation for which the work is undertaken and give a description of the activity concerned and the potential number of hours to be undertaken.
8. If you are in any doubt as to whether an interest constitutes a conflict (this could be an actual or potential conflict, or something that could be perceived to be a conflict by a third party) then you should declare the interest on the form and your manager will determine what action is appropriate.

9. If having considered all categories of interest as listed in 5-8 above, you do not have any interests to declare, then you should tick that you have ‘no interests to declare’ and submit this form.
10. Once you have completed and submitted the form, your manager will review this and prior to responding electronically to your request, your manager will arrange to discuss the application with you and if necessary seek further advice from Human Resources.
11. For the purpose of considering whether there is any conflict of interest, the Council may need to contact any other organisation or individual whose details you have provided on your Declaration of Interest Form or in any updated information that you have provided. Your line manager would seek permission from you first before this action takes place.
12. Your manager will then accept or reject your application and you will receive an email confirming this.
13. If your interest is accepted, this will be added to your electronic personal file. We will keep this in confidence in accordance with the requirements of the Data Protection Act 1998 and **will only** use this information to determine if a conflict of interest arises and/or for taking any necessary decisions or actions under this policy.
14. The Monitoring Officer will review any declarations (or a random selection of) that have been made each year to ensure adherence with the Policy and the Annual Governance Procedure.
15. If your registered personal interest changes, you must complete a new Declaration of Interest Form, as above.
16. All employees are to have an up-to-date Declaration of Interest Register.
17. If you have not registered any interests, which are found to conflict with your role in the Council, you may be subject to disciplinary action, up to and including dismissal.

Anti-Fraud & Corruption Policy Statement & Framework

Anti-Bribery Policy & Procedures

Publication Date: May 2018

Author: Finance & Commercial Services

1. Statement from the Chief Executive

Sheffield City Council takes its responsibilities to protect public funds very seriously and is fully committed to the highest ethical standards, in order to ensure the proper use and protection of public funds and assets. The Council has an ongoing commitment to continue to improve its resilience to fraud, corruption (including bribery and money laundering) and other forms of financial irregularity.

Underpinning all of the ambitions laid out in the corporate Plan, is the requirement for the Council to manage its resources effectively.

The public is entitled to demand the highest standard of conduct from our employees and members and it is essential that we are able to demonstrate this and maintain the public’s trust and confidence. Every pound lost to fraud or misappropriation is a pound which cannot be invested in our services. The Council has a zero tolerance environment in relation to fraud and corruption.

We are committed to the prevention, detection and investigation of potential fraud and corruption and, where proven, we will seek the strongest appropriate sanctions against those responsible and will recover any assets or funds obtained by fraud wherever this is possible.

It is the duty of each of us, as members and employees of the Council, to maintain standards as detailed in Codes of Conduct and I would encourage anyone to report any suspicions of fraud through appropriate channels.

Statement and
Framework**

May 2018

Anti-Fraud and Corruption Policy Statement

1. This Statement sets out Sheffield City Council’s (the Council’s) policy in relation to fraud and corruption. It has the full support of both the Council’s senior management in the form of the Executive Management Team (EMT) and elected Members through Audit and Standards Committee.
2. The Council takes its responsibilities to protect the public purse very seriously and is fully committed to the highest ethical standards, in order to ensure the proper use and protection of public funds and assets. To achieve the objectives set out within the Corporate Plan, the Council needs to maximise the financial resources available to it. In order to do this, the Council has an ongoing commitment to continue to improve its resilience to fraud, corruption and other forms of financial irregularity.
3. The Council advocates **strict adherence** to its anti-fraud framework and associated policies. A **zero tolerance** approach to all proven to fraud and corruption in all of its forms is taken. The Council will not tolerate fraud or corruption by its councillors, employees, suppliers, contractors, partners, service users or members of the general public and will take all necessary steps to investigate all allegations of fraud or corruption and pursue sanctions available in each case, including removal from office, disciplinary action, dismissal, civil action for recovery and/or referral to the Police and/or other agencies. The required ethical standards are included in our Members’ Code of Conduct and Officers’ Code of Conduct, with both documents forming part of the overall Constitution of the City Council.
4. Sheffield City Council fully recognises its responsibility for spending public money and holding public assets. The prevention, and if necessary the investigation, of fraud and corruption is therefore seen as an important aspect of its duties which it is committed to undertake. The procedures and also the culture of the City Council are recognised as important in ensuring a high standard of public life.
5. The Council's general belief and expectation is that those associated with it (employees, members, school governors, service users, contractors and voluntary bodies) will act with honesty and integrity. In particular members and employees are expected to lead by example and will be accountable for their actions.
6. The City Council will take steps to help ensure high standards of ethical behaviour are adopted in partnerships of which the City Council is a member. This will be done through applying appropriate elements of this framework to all partnership working, where it is relevant to do so. With regard to partnership working, responsibility for Codes of Conduct and policies of this nature (and so for enforcement action for breach of those codes or policies) generally lies with the relevant individual organisation in the partnership. Where appropriate, the City Council will draw the attention of the partner organisation to its concerns.

Anti-Fraud Framework

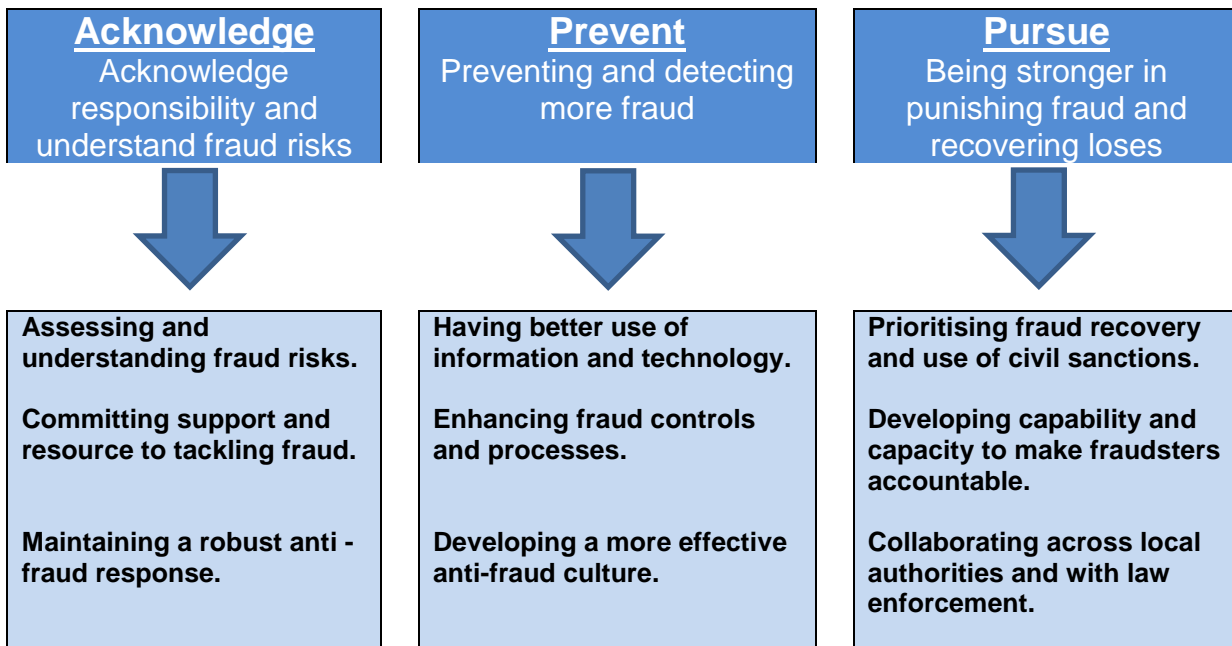

Introduction

1. This framework is designed to give an overview of the arrangements and policies regarding the anti-fraud work of the Council. It is supported by a number of additional documents which together allow the organisation to develop a broad and coherent approach to the prevention, detection and investigation of potential fraud and irregularities across the Council.
2. Sheffield City Council (the Council) advocates **strict adherence** to its anti-fraud framework and associated policies and adopts a **zero tolerance** approach to all forms of fraud, corruption and theft, arising both from within the Council and externally. The Council recognises that fraud and other forms of financial irregularity can:
 - Undermine the standards of public service that the Council seeks to achieve;
 - Reduce the level of resources and services available for the residents of Sheffield; and
 - Result in major consequences which reduce public confidence in the Council.
3. This framework defines both the proactive and reactive components of a good practice response to fraud risk management. It sets out the key responsibilities within the Council with regard to fraud prevention, what to do if fraud is suspected and the action that will be taken by management. The framework provides overarching governance to the Council’s suite of counter fraud policies and procedures which include: -
 - The Council’s Constitution
 - Members’ Code of Conduct
 - Officers’ Code of Conduct
 - Guide to Managing Fraud Risks
 - Fraud Response Plan
 - Financial Regulations
 - Financial Protocol
 - Financial Framework of Accountability
 - Contract Standing Orders
 - Financial Procedure Rules
 - Whistleblowing Policy
 - Gifts & Hospitality Policy
 - Policy on the Declaration of Personal Interests
 - Anti-Bribery Policy
 - Anti-Money Laundering Policy
 - Information Security Policy
4. This Strategy adheres to the CIPFA Code of Practice on Managing the Risk of Fraud and Corruption 2014 (the Code). The Code requires leaders of public sector organisations to have a responsibility to embed effective standards for countering fraud and corruption in their organisations, in order to support good governance and demonstrate effective financial stewardship and strong public financial management.

5. The five key elements of the CIPFA Code are:

Acknowledge the responsibility of the governing body – in the Council’s case Elected Members and the Executive Management Team – for countering fraud and corruption.	Acknowledge Prevent Pursue
Identify the fraud and corruption risks	
Maintain an appropriate anti-fraud and corruption strategy	
Provide resources to implement the strategy	
Take action in response to fraud and corruption	

6. Sheffield City Council has developed its Anti-fraud and corruption framework under these three keys themes: Acknowledge, Prevent and Pursue, these form the basis of the Council’s work to reduce fraud.

What does the framework cover?

7. The framework covers the Council’s response to fraud, theft and corruption. It also covers the areas of bribery and money laundering.

The framework in practice

8. The Council has developed a framework of processes and policies which, when implemented appropriately, allow services to demonstrate that an anti-fraud culture is fully embedded into the operation of the Council. Below is a chart that shows how each of these documents mesh together to give the overall coverage and responsibilities of the Council towards fraud:

Acknowledge – Prevent - Pursue

Acknowledge	<p>The Council’s commitment to tackling fraud is clear. The Council has in place strong governance arrangements for dealing with fraud. The Chief Executive, Chief Financial Officer and Monitoring Officer along with the Executive Management Team of the Council, have overall responsibility to ensure that the Council has in place strong controls to prevent fraud. The Council’s Audit and Standards Committee allows Member oversight of these arrangements.</p>
	<p>The Council has in place the following documents that clearly lay out the Council’s stance on fraud and corruption and the expectations on individuals to act in an appropriate manner, as well as to report any instances of fraud or irregularity.</p> <ul style="list-style-type: none">• The Council’s Constitution.• Members’ Code of Conduct.• Officers’ Code of Conduct.
	<p>The Council has in place a number of policies covering specific areas which support officers and members in understanding the requirements on them in relation to the various expectations.</p> <ul style="list-style-type: none">• Gifts & Hospitality Policy.• Policy on the Declaration of Personal Interests.• Anti-Bribery Policy.• Anti-Money Laundering Policy.• Information Security Policy.
	<p>The Council has an eLearning package available to all staff on Fraud and Corruption. There is also a document to support schools in their understanding of the fraud risks that they face.</p>

Prevent	<p>The Council has in place a strong governance framework to ensure that anti-fraud controls are included in all of its financial systems and processes, these are:</p> <ul style="list-style-type: none"> • Financial Regulations. • Financial Protocol. • Financial Framework of Accountability. <p>There is also a requirement on all services to have in place robust processes to combat potential fraud. Increasingly computer controls are being introduced to prevent and detect fraudulent activity. These elements are designed into systems that are being developed with the Council.</p>
	<p>The Council has in place a robust risk management process which ensures that all risk pertaining to the delivery of its objectives are identified and managed at an appropriate level. To support this there is a Fraud Risk Guide for management to allow them to identify and manage any potential fraud risks that they face. Risk is reported to and overseen by the Executive Management Team and Audit and Standards Committee.</p>
	<p>All Directors are required to review their governance arrangements and report any issues as part of the Annual Governance Statement sign-off process.</p> <p>Internal Audit undertakes risk based reviews across the Council and will report any control deficiencies found. In addition they carry out a number of proactive fraud reviews in specific high risk areas each year in order to test the anti-fraud controls in place.</p>

Pursue	<p>The Council has a number of detective controls that are built into systems to allow it to detect or prevent fraudulent activity.</p> <p>It is a requirement of all staff contained within the Code of Conduct to report fraud and irregularities, so that these can be investigated.</p> <p>If the normal lines of communication are not appropriate, then the Council has a whistleblowing process in place that allows officers to report any issues with the appropriate safeguards in place.</p>
	<p>Where fraud is detected the Council has a comprehensive document “Fraud, Theft and Corruption Response Plan” to assist managers in the investigation of fraud issues. This is to be used alongside the Human Resources document that is used in all management investigations. There is support available from Internal Audit and Human Resources so that managers can be confident and consistent to their approach to investigating fraud. All outcomes are monitored for patterns and potential weaknesses in systems that may arise.</p>

The Council will, following a thorough investigation, report on the issues found and management will then undertake the appropriate levels of disciplinary. This will potentially be the dismissal of the employee for gross misconduct. All cases are investigated in line with best practice and any mitigating factors will be sought and taken into account in deriving the outcome. Any criminal activity will be reported to the appropriate authorities. Where a loss is identified, this will be pursued through the civil processes or insurance routes as appropriate.

Anti-Bribery Policy and Procedures

Revised
May 2018

Anti-Bribery Policy Statement

1. This Statement sets out Sheffield City Council’s (the Council’s) policy in relation to bribery. It has the full support of both the Council’s senior management in the form of the Executive Management Team (EMT) and Elected Members through the Audit and Standards Committee.
2. The Council takes its responsibilities to protect finances very seriously and is fully committed to the highest ethical standards, in order to ensure the proper use and protection of public funds and assets. To achieve the objectives the Council needs to maximise the financial resources available to it. In order to do this, the Council has an ongoing commitment to continue to improve its resilience to fraud, corruption (including bribery) and other forms of financial irregularity.
3. The Council advocates **strict adherence** to its anti-fraud framework. This is a series of separate but related documents on the following areas, all of which can be found on the Council intranet.
 - Anti-fraud and Corruption Strategy
 - Fraud Risk
 - The Fraud response plan
 - Anti-Bribery Policy
 - Anti-Money Laundering Policy
 - Whistle Blowing Policy
4. Whilst individual circumstances of each case will be carefully considered, in the majority of cases there will be a zero tolerance approach to fraud and corruption (including bribery) in all of its forms. The Council will not tolerate fraud or corruption by its councillors, employees, suppliers, contractors, partners or service users and will take all necessary steps to investigate all allegations of fraud or corruption and pursue sanctions available in each case, including removal from office, disciplinary action, dismissal, civil action for recovery and/or referral to the Police and/or other agencies. The required ethical standards are included in both the Members’ Code of Conduct and Officers’ Code of Conduct, both documents form part of the overall Constitution of the City Council.
5. The Council fully recognises its responsibility for spending public money and holding public assets. The prevention, and if necessary the investigation, of fraud and corruption (including bribery) is therefore seen as an important aspect of its duties which it is committed to undertake. The procedures and also the culture of the Council are recognised as important in ensuring a high standard of public life.
6. The Council's general belief and expectation is that those associated with it (employees, members, school governors, service users, contractors and voluntary bodies) will act with honesty and integrity. In particular members and employees are expected to lead by example and will be accountable for their actions.

7. The Council will take steps to help ensure high standards of ethical behaviour are adopted in partnerships to which the Council is a member. This will be done through applying appropriate elements of this document to all partnership working, where it is relevant to do so. With regard to partnership working, responsibility for Codes of Conduct and policies of this nature (and so for enforcement action for breach of those codes or policies) generally lies with the relevant individual organisation in the partnership. Where appropriate, the Council will draw the attention of the partner organisation to its concerns.

Introduction

1. The Bribery Act 2010 came into effect from 1st July 2011 and replaced common law offences and the Prevention of Corruption Acts 1889-1916. The legislation was introduced to counter the threat that bribery poses to democracy, the rule of law, emerging economies and the operation of free markets. The legislation is not intended to impose burdensome procedures on organisations and places proportionality as a core principle.

What is Bribery?

2. Bribery is an inducement or reward offered, promised or provided to gain personal, commercial, regulatory or contractual advantage.

Objective of this policy

3. This policy lays out the Council’s stance on bribery. The Council is explicit in that it will not offer bribes or improper inducements to anyone for any purpose nor will it accept bribes or improper inducements.
4. This policy provides a framework to enable employees and members to understand and implement arrangements enabling compliance. In conjunction with related policies referred to below, it will enable employees and members to identify and report a potential breach.
5. We require all staff, including temporary agency staff and all contractors and their employees working on behalf of the Council and all elected members to:
 - act honestly and with integrity at all times and to safeguard the Council’s resources for which they are responsible; and
 - comply with the spirit, as well as the letter, of the laws and regulations in respect of the lawful and responsible conduct of activities.
6. The Council’s Officers’ Code of Conduct provides the minimum standards to which all employees are expected to keep. Section 2 relates to public duty, private interest, fraud and theft states “You must never accept a financial payment, bribes or inducement from any individual, body or organisation. For example: payments of inducement from contractors, developer or consultants”.

Scope of this policy

7. This policy applies to all of the Council’s activities. For strategic partners, contractors and suppliers, we will seek to promote the adoption of policies consistent with this policy.
8. Within the Council the responsibility to control the risk of bribery occurring rests at all levels. It does not rest solely within assurance and audit functions, but is embedded in all services of the organisation and members exercising their Council functions.

9. This policy covers all staff at all levels and grades, those permanently employed, temporary agency staff, contractors, non-executives, agents, members (including independent members), volunteers and consultants.

Summary of Bribery Act

Definition

10. The Bribery Act contains two general offences and two further offences which address commercial bribery.

11. The four criminal offences created by the Bribery Act 2010:

- bribery of another person (section 1) to induce or reward them to perform a function improperly
- requesting or accepting a bribe (section 2) as a reward for performing a function improperly
- bribing a foreign official (section 6) to gain a business advantage
- failing to prevent bribery (section 7)

General offences

The offering, promising or giving of a bribe (section 1).

The requesting, agreeing to receive or accepting of a bribe (section 2).

12. These offences may apply where it is intended to bring about improper performance by another person of a relevant function or activity or to reward improper performance.

13. In summary, improper performance is defined as; performance which amounts to a breach of an expectation that a person will act in good faith, impartially, or in accordance with a position of trust.

14. The general offences apply to any function connected to business or of a public nature and therefore covers both private and public sectors.

Commercial offences

Bribery of a foreign public official in order to obtain or retain business or an advantage in the conduct of business (section 6).

Failing to prevent bribery on behalf of a commercial organisation (section 7).

15. The term foreign public official includes elected or appointed officials that hold a legislative, administrative or judicial position of any kind of a country or territory outside of the UK.

16. The Act does not intend to criminalise bona fide hospitality, promotional or other business expenditure to improve commercial image or establish cordial business relationships. It is clear that these can be employed as bribes, however, for an offence to be committed there

must be an intention for the financial or other advantages to influence the official’s role thereby securing business or business advantage.

17. A commercial organisation will be liable to prosecution if a person associated with it bribes another person intending to obtain or retain business advantage for that organisations (is or it would be guilty on an offence under sections 1-6).

18. The Government expects that this offence will apply to incorporated organisations or partnerships that engage in commercial activities irrespective of the purpose for which profits are made – this includes educational or public functions.

A person associated with an organisation is defined as a person who performs services for or on behalf of an organisation. Guidance provides that contractors and suppliers may be included as “associate persons”.

19. The last offence – section 7 is a corporate offence of failure by a commercial organisation to prevent bribery intended to obtain or retain business, or an advantage in the conduct of business. An organisation will have a defence to this offence if it can show that it had in place **adequate procedures** (see below) designed to prevent bribery by or of persons associated with it. The standard of proof required by an organisation to prove the defence is balance of probabilities

Penalties

20. An individual guilty of an offence under sections 1, 2 or 6 is liable:

- On conviction in a magistrates court, to imprisonment for a maximum term of 12 months or to a fine not exceeding £5,000, or to both
- On conviction in a crown court, to imprisonment for a maximum term of ten years, or to an unlimited fine, or both

Organisations are liable for these fines and if guilty of an offence under section 7 are liable to an unlimited fine.

Facilitation Payments

21. These are small bribes paid to facilitate routine Government action and may trigger an offence under section 6 or section 1 (and therefore under section 7) when intended to induce improper conduct. The Bribery Act does not provide any exemption for such payments although it is recognised that eradication in some parts of the world is a long term objective. Prosecution of facilitation payments in England and Wales is referred to the Director of the Serious Fraud Office and the Director of Public Prosecutions.

Anti-Bribery procedures

22. It is for the Council to determine the anti-bribery procedures that it puts in place proportionate to the risk it faces. The procedures applied by other organisations may therefore differ depending upon the scale of challenges that they encounter.
23. The Government recommends that the Anti-bribery procedures should be informed by 6 non prescriptive principles. These are described below together with the associated procedural arrangements applied by the Council to prevent the offering or acceptance of bribes and improper inducements.

Principle 1 – proportional procedures.

24. The procedures implemented by the Council are proportionate to the risk of bribery that it faces and are practical, accessible and enforced. Anti-bribery procedures operate through a variety of policies and other internal controls that apply to Council employees, agents and representatives.

These controls include:-

- Standing Orders (decision making and procurement procedures)
- Financial Regulations and Protocol
- Financial Procedures
- Officers’ Code of Conduct
- Code of Conduct for Members
- Gifts and Hospitality Policy / code of Practice
- Risk Management Policy
- Statement on Fraud and Corruption
- Recruitment Policy
- Annual Governance Statement
- Whistle Blowing Policy
- Procurement procedures and contractual terms and conditions.

25. The Council (in line with the transparency code) also publishes the details of all individual payments to suppliers and other organisations over £250 in value on a monthly basis that are paid through creditors and details of all payments made by procurement cards.

Gifts and Hospitality policy

26. The Council’s policy on Gifts and Hospitality forms part of the Officers’ Code of Conduct and states that Council employees must not accept gifts, loans, fees and rewards from any person or organisation in particular those who may potentially expect to receive and advantage or benefit in return. This includes gifts, loans, fees and rewards from contractors, outside suppliers or members of the public. Breaches of this policy may be viewed as gross misconduct and be subject to disciplinary procedure.

27. The Policy/Code of Conduct includes guidance on incidental gifts and hospitality that may be accepted and provides that all offers of gifts, hospitality and inducements should be recorded on the appropriate form and retained by the relevant Head of Service.

28. The Council is undertaking some work overseas to seek potential inward investment. The Council is developing a policy to underpin the guidance given to staff in this area regarding not only gifts and hospitality received but also gifts and hospitality provided by the Council. A record of this activity is agreed and signed off by the relevant Head of Service.

Principle 2 – Top-level commitment

29. The Council’s Executive Management Team (EMT) has maintained a consistent message that acts of impropriety are unacceptable. The Council has in place a Statement on Fraud and Corruption that contains a statement from the Chief Executive expressing a zero tolerance environment in relation to fraud and corruption. The Statement on Fraud and Corruption forms part of the Officers’ Code of Conduct.

Sheffield City Council’s commitment to action

30. Sheffield City Council commits to:

- Setting out a clear anti-bribery policy and keeping it up to date
- To having clear, up-to-date date policies on gifts and hospitality
- Making all employees and members aware of their responsibilities to adhere strictly to this policy at all times
- Enabling all employees and members to recognise and avoid the use of bribery by themselves and others
- Encouraging its employees and members to be vigilant and to report any suspicions of bribery, providing them with suitable channels of communication and ensuring sensitive information is treated appropriately
- Rigorously investigating instances of alleged bribery and assisting police and other appropriate authorities in any resultant prosecution
- Taking firm and vigorous action against any individual(s) involved in bribery
- Providing information to all employees and members on how to report breaches and suspected breaches of this policy
- Maintaining appropriate clauses in contracts to prevent bribery.

Principle 3 – Risk Assessment.

31. The Council has in place a formal risk management process to assess and document its exposure to risk, the acceptable level of risk appetite and/or mitigating actions that have been implemented to control risk.

32. Each Service Director is required to sign an Annual Governance Statement (AGS) that contains assurance on the application of risk management, fraud risk management and

procurement arrangements amongst others. The Annual Governance Statements will make specific reference to Anti-Bribery Policy within the risk management context.

33. The Council recognises that it works and contracts with external organisations in sectors that may be susceptible to acts of bribery. Through the application of procurement and risk management procedures the Council will assess and mitigate the exposure to the risk associated with bribery. Where a risk of bribery is identified, managers will document the risk and appropriate mitigating controls within their Service Risk Management Plans in accordance with the risk management framework.

Principle 4 – Due Diligence

34. The Council applies proportionate due diligence processes in respect of persons and organisations that perform or will perform services on its behalf to mitigate the risk of bribery. The Council’s recruitment policy contains mandatory pre-employment checks that must be completed before a formal, contract of employment can be issued. A bribery clause is contained in the standard terms and conditions of any new contracts entered into by the Council.

Principle 5 - Communication

35. The Council has embedded and communicated to staff a range of policies and procedures to deter and detect fraud and corruption. The tone of internal communication has been to consistently condemn acts of irregularity and to establish a culture where employees are encouraged to report any suspicions and inappropriate behaviour. Communication methods include induction training, fraud awareness, staff briefings and intranet articles. An in-house fraud awareness eLearning facility has been introduced and includes information on the Bribery Act.

Principle 6 Monitoring and Review.

36. Internal Audit maintains ongoing scrutiny of the Council’s internal control framework as determined by application of a risk based planning process and consultation with senior management. The activities of Internal Audit are reported to the Audit and Standards Committee. In addition each Service Director is required to sign off their AGS to verify that the service has adequate levels of internal control. This is done on an annual basis. Where any areas of noncompliance are identified, the service has to formulate a plan of action to correct these deficiencies and allocate responsibility for ensuring that they take place within the required timescales. This is then monitored.

Staff responsibilities

37. It is the responsibility of all personnel employed by or acting on behalf of the Council to report any concerns that someone may be committing fraud or behaving in a way that is unethical, this includes the offering or acceptance of a bribe. Reports can be made via an employee’s line management or any or the contacts listed in the Whistleblowing Policy and

Procedure. The Whistleblowing Procedure explains the protection that is afforded to the person reporting concerns and how the concern will be handled.

38. All personnel should therefore:

- Read, understand and comply with this policy.
- Report any actions that may conflict with this policy.

Further Information

39. If you have any questions about this policy you should contact your line manager or alternatively contact Internal Audit.

Sheffield City Council

Whistleblowing Policy
(June 2018)

See it - Say it

Whistleblowing – Public Interest Disclosure

1 Introduction

Sheffield City Council is committed to the highest standards of ethics, transparency, integrity and accountability. It seeks to conduct its affairs in a responsible manner taking into account the requirements of the proper use of public funds and the standards required in public life. If you feel that this is not happening then you need to tell us, we call this Whistleblowing.

We have a Whistleblowing policy to enable employees to raise matters of concern that are in the public interest so that they may be investigated and where appropriate acted upon.

Whistleblowing is legally known as qualifying disclosures. This is where an employee reasonably believes (and it is in the public interest) that one or more of the following is either happening, has taken place, or is likely to happen in the future:

- A criminal offence.
- A failure to comply with any legal obligation.
- Fraud, theft or corruption.
- A danger to the health and safety of any individual (including risks to the general public as well as other employees).
- Damage to the environment.

‘Public interest’ means that whistleblowing cannot be used to challenge financial and business decisions properly taken by Sheffield City Council or to seek reconsideration of any matter already addressed under other internal procedures e.g. grievance, disciplinary, dignity and respect.

Sheffield City Council has a designated Monitoring Officer, this is the Director of Legal and Governance and Monitoring Officer, who has a statutory duty to consider issues, which have or may result in Sheffield City Council being in contravention of the law or code of practice. As the Monitoring Officer has overall responsibility for the maintenance and operation of this policy they will receive an updated log of whistleblowing complaints on a quarterly basis including details of complaints received, action taken and analysis of trends. The Monitoring Officer will also provide information relating to whistleblowing issues and trends to the Council as appropriate.

2. Your Protection

Where an employee raises a concern that they reasonably believe, and is in the public interest, then they are protected under the Public Interest Disclosure Act 1998 even if the belief is later found to be mistaken. This is regarded as a protected disclosure and as such the individual will not suffer any form of punishment as a result of this disclosure for example losing their job or victimisation.

3. How to raise a concern.

There are a number of ways to raise a Whistleblowing concern and you can choose the one that suits you however please ensure that you state you are raising your concern under Whistleblowing. You can do this verbally, in writing by a letter or email. However if you choose to use email, please take extra care to make sure that your message is sent to the correct person and be aware that, due to the nature of email it may be read by other people. To make sure that your concerns are handled quickly, mark the subject box:

Whistleblowing – confidential – recipient only.

a) Raise it with your Supervisor, Manager or a more Senior Manager in your Service.

It is expected that many concerns will be raised openly with supervisors or managers as part of day to day practice. You can do this verbally or in writing by a letter or email. If your concern relates to your line manager then you should raise your concern with another manager within your service or choose another route to do so.

b) Raise it directly with a Whistleblowing Co-ordinator.

You can raise your concern directly with a Whistleblowing Co-ordinator whose role is to receive complaints relating to their specific professional area.

Anonymous Whistleblowing Concerns

All disclosures within Whistleblowing will be treated in a confidential and sensitive manner. If required, the identity of the employee raising the concern will be kept confidential for as long as possible provided that this allows for an effective investigation and we will not disclose your identity until we have discussed this with you. However should your concern result in your evidence being needed in any external process for example in court or an employment tribunal then we will be unable to keep your identity confidential and we will discuss this with you.

If you do not tell us who you are when raising a Whistleblowing concern it will be much more difficult for us to look into the matter, protect your position or give feedback on the disclosure.

4. What will happen when you raise a Whistleblowing Concern.

Concerns raised under this procedure may be resolved by the person that you raise them with.

Step 1 Verification.

The Manager/Whistleblowing Co-ordinator will meet with you to clarify the facts of your concern. This is known as a verification meeting this will be held within 5 working days of you raising your concern. As with all City council procedures you have the right of representation at all meetings, which can either be a Trade Union representative or another employee of Sheffield City Council who is not involved in the area of work to which the concern relates and who also could not be called as a witness.

There are three possible outcomes to the verification stage:

- There are no grounds for proceeding further. You will be informed of this in writing with the reasons for no further action needed.
- The matter falls within another procedure. You will be advised of the relevant procedure and this will be referred to the relevant Manager for action.
- An investigation will be commissioned into your concerns.

Step 2 Investigation.

The Manager/Whistleblowing Co-ordinator will appoint an Investigating Manager and Investigation Team who are not from the same service in which the concerns are about. The Investigation Team will have access to an HR Consultant who will provide professional advice on the conduct of the investigation and procedural issues. The investigation will be carried out as quickly as possible whilst being mindful of the nature and complexity of your concern.

The Investigating Manager may ask you to put your concerns in writing and provide as much evidence as possible. It may also be necessary to interview you and provide a witness statement which you will be asked to confirm that it is accurate and complete.

If you would like more information on how and investigation are conducted follow this link
<https://myteam.sheffield.gov.uk/HRPoint/PublicLibrary/Forms/Conduct.aspx>

Step 3 Outcome.

As the employee raising the concern you will be kept informed as to the handling of the matter throughout the investigation and informed of the outcome, as long as it does not break the duty of confidence owed to someone else. If no action is to be taken the reason for this will be explained to you.

If no action is taken as a result of the investigation it does not mean that action will be taken against the employee raising the concern. However should false allegations knowingly be made then Sheffield City Council may consider taking action within its procedures which may include disciplinary action.

5. Responding to a Whistleblowing Concern

Managers and Whistleblowing Co-ordinators guidance
(see Manager and Whistleblowing Co-ordinator Whistleblowing Flowchart).

Step 1 Verification.

As the Manager/Whistleblowing Co-ordinator you will complete an initial verification of the whistleblowing concern by meeting with the employee within 5 working days of the concern being raised and decide whether there are grounds for an investigation or not by checking and confirming the facts. You need to contact HR for support through this process. Where the whistleblowing concern arises out of potential fraudulent activity this should be reported to Internal Audit.

As with all Sheffield City Council procedures the employee has the right of representation at all meetings, which can either be a Trade Union representative or another employee of the City Council who is not involved in the area of work to which the concern relates and who also could not be called as a witness.

There are three possible outcomes to the verification stage:

- There are no grounds for proceeding further. You will need to write to the employee and inform them of this with the reasons for no further action needed.
- The matter falls within another procedure. You will need to advise the employee of the procedure that you think is appropriate and refer this to the relevant Manager for action.
- An investigation is required. You will need to commission an investigation.

Step 2 Investigation.

You will commission an Investigation and appoint an Investigating Manager and an Investigation Team from another Service Area or Portfolio. The Investigation Team will have access to an HR Consultant who will provide professional advice on the conduct of the investigation and procedural issues. The investigation will be carried out as quickly possible, whilst being mindful of the nature and complexity of the concern disclosed. Follow this link for a more detailed description of how an investigation should be conducted [Investigation Guidance](#)

Step 3 Outcome.

On completion of the investigation, the Investigating Manager will produce a short written report that will outline the nature of the Whistleblowing concern, the process of the investigation, a summary of the findings of the team and recommendations for action.

Upon receipt of the report you will make a decision as to what action, if any, should be taken based upon the recommendations of the report. This may include using formal action within the City Council’s procedures or reference to an appropriate government department or regulatory agency depending upon the circumstances of the case.

You will keep the employee who has raised the Whistleblowing concern informed as to the handling of the matter throughout the investigation and give them as much feedback as appropriate in respect of the outcome, as long as it does not break the duty of confidence owed to someone else. If no action is to be taken the reason for this will also be explained to the employee.

In exceptional circumstances, where the complainant feels unable to continue within their role as a result of their complaint, redeployment may be considered at the complainant’s request. Redeployment should be considered as an option not a right, and will not be considered where an employee has made false allegations.

The request for redeployment will be dealt with via the Redeployment policy and procedure under “other circumstances” within the Eligibility Criteria. The possible outcomes, timescales and arrangements must be discussed and understood by all parties before proceeding. If the request for redeployment is accepted and the employee enters the Talent Pool, they should not face dismissal for a reason associated with this situation.

A written record should be kept of each stage of the procedure including copies of any written feedback provided on the form attached.

1. Purpose

To establish the City Council’s policy on the acceptable use of information and communication technology (ICT) used by council employees and other authorised persons working for or on behalf of the City Council.

2. Scope

The policy applies to all “users” of Council ICT and includes, but is not limited to employees, Councillors, strategic business partners (e.g. NHS colleagues), agency staff, contractors, volunteers, apprentices, inspectors, auditors.

The policy applies primarily to the ICT that is owned or leased by the Council, for example the ICT infrastructure, hardware, software and systems (network, servers, firewalls, cables, desktops, laptops, telephony, tablets, cameras, monitors, software, applications, databases,

etc.), **but** also refers to the possible use of non-Council ICT for and at work (see Sections 5 and 6).

The policy also applies to non-public information because a significant amount of this information is captured, stored, read and shared using Council ICT.

“Non-public information” is defined as being information the Council does not make publicly available and requires a council employee to decide whether it can be disclosed, having considered the legal, financial and business implications.

3. Principles

Access to Council ICT is determined by your line manager or, if you are not an employee, the person who has authorised your access (e.g. sponsor, supervisor), in conjunction with your job description, council policies, contractual arrangements and other initiatives like WorkPlace.

ICT access is controlled with unique User IDs and/ or tokens that are assigned to individual users and by the creation of individual passwords; consequently, you are accountable for your actions on the Council ICT you use and for any other activity logged under your assigned unique user name or device assigned to you (e.g. mobile phone).

4. Code of conduct and related policies

This policy forms part of the Officers Code of Conduct (sections 5, 6, and 8) and must be read in conjunction with the Council’s: [Information Governance and Security Policy](#), the [Data Protection Policy](#) and the [Social Networking Policy](#).

Further guidance about acceptable use, information security and handling information is available on the intranet at <http://intranet/ict/handling-council-info/>. Please take your time to read the guidance and complete the mandatory Protecting Information e-learning.

5. Personal use of Council ICT

You are allowed limited and occasional personal use of the Council’s ICT for non-work related activity, for example to write documents and emails, browse the internet, make short urgent telephone calls, etc. This use must be in your own time and not in working hours, unless agreed in advance with your line manager.

Personal use must not include any activity that may have an adverse impact on the Council’s reputation, further your own personal business interests, be considered to be illegal, obscene, offensive, discriminatory or abusive or inappropriate (e.g. online gambling) or contravene Council policy or the law.

Where a cost is incurred as a result of your personal use of Council ICT (e.g. personal calls or excessive data downloads on a Council mobile phone), the Council reserves the right to recover these costs. If you have concerns about this, please discuss your intended personal use with your line manager in advance.

6. Using your own or someone else’s ICT at or for work

Use of your own or someone else’s ICT for work is limited.

You can use your own ICT on Council premises in your own time providing it does not impact on your or your colleagues’ work, other people’s privacy, health and safety or the law (e.g. copyright). Typical use may include personal telephone calls, emails or texts, browsing the internet, using social media and possibly, with your line manager’s permission, listening to music using headphones.

As stated above in Section 5, this use must not include any activity that may have an adverse impact on the Council’s reputation, be considered to be illegal, obscene, offensive, discriminatory or abusive or inappropriate (e.g. online gambling) or contravene Council policy or the law.

You are not allowed to use your own device or anyone else’s ICT to carry out council business, unless it has been agreed in advance with the BCIS Information and Knowledge Management Team. Exceptions currently include: WEBRAS users and users located at partner sites, e.g. users using NHS ICT at NHS sites.

Council business refers to making telephone calls, sending text messages or emails, creating documents or saving information, taking photographs or audio recordings, leaving voice messages, etc. to customers or colleagues for work purposes.

7. Your ICT responsibilities

Line Managers

1. To ensure users have the appropriate ICT and access rights to carry out their work and to review these arrangements at least once a year to ensure they are relevant and correct.
2. To instruct Capita to disable a user’s account when it is no longer required by the user (e.g. leavers process). This can be done using the Capita 24/7 portal.
3. To recover Council ICT equipment from users when it is no longer needed or used, for example when they leave the authority or their role, contract, placement, etc.
4. To return all unused or damaged ICT to Capita, so it can be recycled or disposed of, unless otherwise agreed with Capita. This can be done using the Capita 24/7 portal.

All Users

5. To access the Council’s ICT using only the unique user names given to you and your password. You must not disclose, share or make available your password to anyone else (including your manager, colleagues or even Capita) or access any Council ICT using someone else’s logon and password.

6. To access only Council ICT and the non-public information required for you to carry out your job. You must not intentionally access or attempt to access non-public information for personal interest or commercial gain.
7. To report any potential conflict of interest to your line manager if you are or are likely to access non-public information about someone you know or have a personal relationship with, for example a relative, friend, colleague, partner, neighbour, etc.
8. To be professional, honest and polite when using the Council’s ICT or representing the Council, in particular the tone, language and content of information recorded (e.g. email social media, etc). You must not download, browse or distribute any material that may be interpreted as inappropriate, illegal, offensive, discriminatory or abusive.
9. To use only Council ICT to carry out Council business, unless agreed otherwise with BCIS Information and Knowledge Management Team (see Section 6).
10. To store only work-related information on Council ICT. You must not intentionally store on Council ICT your own information (e.g. documents, photographs, music, etc) or any material that may be in breach of licensing or copyright law, for instance music, films, images, publications, games, software, etc.
11. To report any suspicious emails or attachments to Capita. You should not open, download or send suspicious software, emails or files in case they contain a virus or other malware potentially causing damage to the Council’s or someone else’s ICT.
12. To instruct Capita to move or relocate fixed ICT assets (desktops, monitors, telephone handsets), so that an accurate ICT asset inventory is kept for contractual, administrative and financial reasons. This can be requested using Capita 24/7. You must not move these assets yourself.
13. To follow the Council’s [information security guidance](#) to keep Council ICT and non-public information safe and secure, for example using strong passwords, locking removable devices (laptops, tablets, phones, etc.) and physical documents away when not in use, activating screensavers, etc.
14. To send non-public information electronically using secure methods, for example: secure mail (GCSx, CJSM), document encryption (7-Zip, WinZip) or other secure solutions as approved by the BCIS Information and Knowledge Management Team.
15. To use your sheffield.gov.uk or sheffield.gcsx.gov.uk accounts to carry out council business and not use your personal or any other email address. You must not set auto-forwarding rules on your council email account to automatically send emails to an external email address.
16. To access and read GCSx mail using Council ICT only, unless agreed otherwise with the BCIS Information and Knowledge Management Team. For example, council employees

based at NHS sites are allowed to access GCSx mail using NHS ICT. You will not be able to access GCSx mail via WEBRAS.

17. To switch your computer, laptop or tablet off at the end of the working day and to connect these devices to the Council’s network (via WIFI or cable at a council site) at least once a month to enable security, policy and software updates to take place. A device that has not been connected to the Council’s network after 3 months may be removed from support, unless agreed otherwise with the BCIS Information and Knowledge Management Team.
18. To return to your line manager all Council ICT assigned to you that you no longer need or use. You must not sell or redistribute Council ICT without the authorisation of BCIS, Internal Audit or Capita.
19. To report lost or damaged ICT equipment to Capita and your line manager immediately. If the ICT equipment has been stolen, you must also report it to the police and give the crime reference number to Capita.
20. To report information security incidents through the Council’s [Information security incidents procedure](#); this may include the loss, uncontrolled release, damage, misuse or inappropriate access to the Council’s ICT or non-public information.
21. To collect, store, share and dispose of non-public information in accordance with the Council’s [Document and Records Management Policy](#) to help ensure it is organised, secure and available as a corporate record.

8. Monitoring and recording

The use of Council ICT is monitored and in some cases recorded. The main reason is to properly manage systems, for example to detect and deal with faults or to protect systems from threats.

Monitoring and recording of ICT usage may also be requested as part of an investigation process or to investigate suspected or actual violations of this policy or to prevent or detect criminal activity. Information that may be available includes:

- telephony use (call history, data usage, costs)
- internet browsing (sites visited, duration of visit, etc)
- email
- user activity in database applications (CareFirst, Wisdom, Academy, etc)
- information saved on the network (personal and shared drives, SharePoint, etc)
- information saved to or from external devices (USB stick, external hard drive, etc)

9. Access to a User’s ICT activity

The Council reserves the right to investigate concerns about the use or misuse of ICT.

This right will observe council policy and the law, for example the Computer Misuse Act 1990, Human Rights Act 1998, Data Protection Act 1998 and Regulation of Investigatory Powers 2000.

If a line manager or investigating officer wants to access a user’s ICT activity, they must discuss their concerns with HR first. With HR’s written authorisation, the officer must email Information and Knowledge Management (informationmanagement@sheffield.gcsx.gov.uk) and confirm what information is required, the individual’s name, User ID, Portfolio and Service. The email does not need to give details of the investigation.

The request will be logged and referred to Capita to action the request and liaise directly with the line manager or investigating officer.

If information is required from a line of business application, the Information and Knowledge Management Team will contact the appropriate Application Owner for information.

10. Compliance

Non-compliance to this policy and any actual or suspected misuse of the Council’s ICT or the information it holds can result in disciplinary proceedings and possibly criminal proceedings.

11. Acceptance of the Sheffield City Council: ICT Acceptable Use Policy

Employees are to receive a copy of this policy and are to have time to read it, seeking clarification and support from their manager or the Information and Knowledge Management Team.

Employees are to sign acceptance of the terms using [myView](#). For employees without computer access, their manager will access a ‘non-access’ form for them to sign acceptance. Their manager will then print off a hard copy for them to keep.

Employees contact the Information and knowledge Management Team on 273 6891 or by email informationmanagement@sheffield.gcsx.gov.uk, if they need further advice and guidance.

1. Introduction and Definitions

Sheffield City Council processes personal data to carry out its duties to make decisions and provide public services. Personal data is defined in law, but in essence it is information that identifies a living person (the subject of the data) or can make them more identifiable.

“**Personal data**” includes, but is not exclusive to: name, address, date of birth, email address, telephone number, unique reference numbers (e.g. NHS number, National Insurance number, Vehicle Registration Number), financial details (e.g. bank details, transactions, arrears, etc.).

Personal data also includes “**Special Category Data**”, which is sensitive personal data, covering for example: ethnicity, religious beliefs, political opinions, sexuality, physical and mental health conditions, genetic and biometric data, as well as data of criminal offences and convictions.

The term “**processing**” is also defined in law and refers to any operations involving personal data such as collection, recording, organisation, storage, alteration, retrieval, consultation, use, disclosure, combination, erasure or destruction.

All the personal data processed for or on behalf of the City Council must be processed in accordance with data protection law: the European Union’s General Data Protection Regulations and the UK’s Data Protection Act that both came into effect on May 25th 2018.

The intention of this policy is to identify the key principles, activities and responsibilities that all our employees have to adhere to as well as all the people who are authorised to process personal data to carry out council business. For the purpose of this policy, **authorised users** includes Councillors, contractors, suppliers, agency workers, partnership workers (like NHS, police employees), and volunteers.

2. Policy Requirements

Data protection law sets out a number of key principles, so that the processing of personal data shall be:

- 1Processed ***fairly, transparently*** and ***lawfully***
- 2 ... Processed ***only*** for specified and ***not incompatible purposes***
- 3 ... ***Adequate, relevant*** and ***necessary*** for the purpose
- 4... ***Accurate*** and, where necessary, ***kept up-to-date***
- 5 ... Not kept ***longer*** than ***necessary*** for the purpose
- 6Keep ***secure*** by ***technical/organisational*** means
- 7and the Council should demonstrate compliance (***Accountability***)

Further obligations and rights in the “***Applied GDPR***”

- all ***Data Subjects’ rights*** are subject to ICO enforcement
- Transfer personal data outside EEA only if ***privacy*** protected

To comply with the above principles, the City Council will

- Register as a Data Controller with the Information Commissioner’s Office ([Data Protection Register](#) – No. Z6548192) and register the details of the Council’s Data Protection Officer.
- Undertake Data Privacy Impact Assessments where required and ensure sign off by the Data Protection Officer before new processing takes place.
- Follow the Code of Practices, recommendations and guidance produced by the Information Commissioner, as the UK’s supervisory body, and the European Union Data Protection Board, to process personal data in line with the principles above (e.g. Record of Processing Activities, Privacy by Design, Data Protection Impact Assessments, Retention Schedules, etc.).
- Ensure all employees have completed the Council’s Information Management e-learning, or attended a taught course, and watched the Cyber Security training videos within the first six weeks of starting with the Council or their role that involves the processing of personal data.
- Employees refresh their information management training every two years, unless they work in social care or public health whereby they are required to complete an annual refresh to support the NHS Digital Data Protection and Security Toolkit submission.

- Ensure all **authorised users** that process personal data have completed the same training as Council employees, unless they can prove they have completed the equivalent training at their respective organisations in the last 6 months.
- Write and publish appropriate privacy notices to make it clear what personal data we need to process, the reasons why, whether collecting the data is optional or not, and what we intend to do with the data (storage, retention, sharing).
- Maintain an Information Asset Register to support the Record of Processing Activity (ROPA’s).
- Tell people if we have to share their personal data with other 3rd parties to deliver a service and, if necessary, record if consent is needed and has been given, refused or withdrawn
- Inform people of their rights to request access to the personal data we hold about them, and their rights to ask for their data to be corrected or deleted or the processing restricted, and to act upon those requests promptly and within the agreed timescales.
- Only collect the personal data we need, the minimum necessary.
- Only use personal data for the purposes for which it was collected, unless it can be used without contravening the law (e.g. using anonymised or pseudonymised data, historical research and statistics, crime detection and prevention, etc.).
- Take all reasonable steps to secure the personal data being processed and to apply controls to support access on a need to know basis.
- Retain personal data for only as long as we need to and to delete or destroy personal data in a timely and secure manner in line with the Council’s Document and Records Management Policy and Retention Schedule.
- Ensure contractual clauses, data processing agreements and information sharing agreements are in place when Council information is being shared or processed by external third parties.
- To log and investigate all reported personal data breaches and to notify the Information Commissioner within the statutory timescales and the affected data subjects accordingly in line with the Council’s Information Security Incident Standard Operating Procedure.

3. Policy Implementation

Employees and authorised users are responsible for their actions when handling personal data.

Heads of Service (or their equivalent) are responsible for ensuring the relevant processes and procedures are in place within their service areas and are followed when personal data is processed.

Directors to address any information governance issues identified in the Annual Governance Statement (Section I).

Executive Directors to ensure their Portfolio complies with this policy.

4. Data Protection Officer

The Data Protection Officer role is a legal requirement to monitor internal compliance, inform and advise an organisation’s of its data protection obligations, provide advice on Data Protection Impact Assessments and to act as a contact point for data subjects and the supervisory authority (the Information Commissioner’s Office).

The Council’s Data Protection Officer is currently Mark Jones, Business Change and Information Solutions, and can be contacted by email at DataProtectionOfficer@sheffield.gov.uk

5. Compliance

Failure to comply with data protection law can have significant consequences and could affect the health and well-being of the individuals whose data is being processed, the reputation of the Council potentially resulting in public mistrust, fines, legal action and lost business opportunities.

All employees and authorised users are expected to adhere to the principles of this policy and data protection law in general, and where there is a suspicion or evidence to the contrary, disciplinary proceedings may be taken.

Social Networking Policy

1.0 Purpose

It is very much in our (the Council’s) interest to allow you (the employee) to participate in this rapidly growing environment of relationships, learning and collaboration.

This policy provides you with a set of principles for using social networking sites responsibly, which is linked to the Officers’ Code of Conduct and associated policies. It gives you clear guidelines, so you can protect yourselves by complying with our conduct rules, with the laws on harassment, discrimination, data protection, copyright and ensuring your own safety.

The policy ensures that we are not exposed to financial, legal and governance risks and that the safeguarding of children, young people and vulnerable adults is not threatened by the use of social networking

As this is a new policy, which is to be used across the organisation and everybody is impacted by it, it is important that this is reviewed regularly, initially by Executive Management Team after 6 months.

2.0 Introduction

Sheffield City Council recognises that the internet provides unique opportunities to participate in interactive discussions and share information using a wide variety of social networking sites.

We believe in open exchange using social networking sites to empower you and customers. These individual interactions represent a new model: not mass communication but masses of communicators. Through these interactions, you and local people are empowered to learn, share your expertise and promote what is best in Sheffield.

- You can contribute best practice on our services - sharing your expertise, raising Sheffield’s profile.
- Through individual interactions, you can better involve and engage with a wider range of people, including young people and people setting up new businesses in the city. This allows us to learn from our customers, drawing on their expertise and knowledge to design services that meet their needs.
- By encouraging local people to contact us using social networking sites – e.g. via e-petitions - we can gain information on key issues to help inform policy in the city.
- Use social networking as a technology platform for open innovation and learning, which makes it easier for you to learn, develop, reflect on practice, be creative and collaborate for improved services.

Whilst we have embraced these technological innovations as part of our working and private lives, employers are now grappling with consequences of unacceptable posts, which are rapid communicated and shared. We have recently dealt with social networking issues relating to:-

- Bullying and harassment,
- Freedom of expression of political views
- private/professional boundaries with children
- problems with blurring private/professional boundaries – manager/employee
- work-related offensive photos
- being off sick and using social networking for secondary employment
- Employee petition against service closures.

In many of these cases, the employees were unaware that social networking is not private and that there are potential consequences to their on-line activity.

Managers, Trade Union Representatives and HR Practitioners have therefore asked for helpful, practical advice to protect you and us, when you use social networking sites in a work and private capacity. Representatives from all these groups, plus Members of the Equality Forums have contributed to this policy.

3.0 Scope

This policy applies to all non-schools based Sheffield City Council employees, casual workers, agency staff, contractors, consultants, self-employed people, apprentices, trainees and those on work placements, who work for the Council. Throughout this policy, the term ‘employee’ and ‘you’ is used to cover all these types of workers. The Social Media Policy adopted by the relevant Governing Body will apply to teaching and support staff in schools.

This policy deals with the use of all forms of social networking including but not limited to Twitter, MySpace, Facebook, texts, emails, BlackBerry Messenger (BBM), LinkedIn, Blogs, Wikipedia

sites and any other sites which involve document, photo or video sharing such as YouTube or new networks, internet sites/channels that may be developed in the future.

This policy applies to the use of social networking for both work and personal purposes, whether during working hours or otherwise and whether at work or elsewhere including in your home. It also applies regardless of whether the social networking site is accessed using our ICT facilities/equipment or that belonging to you.

This policy should be read in conjunction with:

- [Officers' Code of Conduct](#) and associated policies
 - Member-Officer Relations Protocol
 - [Information Governance and Security Policy](#)
 - [ICT Acceptable Use Policy](#)
 - [Data Protection Policy](#)
 - [Dignity and Respect at Work Policy](#)
- Social Networking Guidance
- Draft Safeguarding Children and Vulnerable Adults Policy
- [Disciplinary Procedure](#)
- [Recruitment and Selection Policy](#)
- Social Media Position Statement, EMT (June 2011)

Responsibilities

The Council

We recognise the benefits of social networking and trust you to act responsibly. We expect you to work in the same way on-line and off-line, following the behaviours set out in the Officer Code of Conduct, as detailed in this policy and in associated guidance.

We permit personal use of social networking sites at work during break times as long as it is not excessive and/or does not involve unprofessional or inappropriate conduct and does not interfere with your responsibilities or performance. You need to bear in mind that you must take short breaks away from screens to protect your health.

We also know that some employees and their managers need to consider safety of their service users and themselves, if they use social networking sites. These sites are public and there is a possibility that employees or service users could be traced, resulting in harm to that person. Where this is an issue, employees and their manager will need to carry out a risk assessment for using social networking for work purposes.

Employees

You are personally responsible for the content you publish on-line and must be mindful that **everything placed on-line is public** and is hard to remove once posted.

You should follow our social networking principles, which are divided into 4 themes, with the core behaviours applying across the themes.

In brief, you should:-

- Be professional when using social networking for work and personal use
- Be respectful at all times, never post offensive or intimidating texts or images about a person
- Familiarise yourself with this social networking policy and associated guidance

You are responsible for the success of this policy and should ensure that you take the time to read and understand it. You should report any misuse of social networking to the appropriate line manager.

Managers

All managers have a specific responsibility for operating within the boundaries of this policy. You must ensure that your employees understand the standards of behaviour expected of them and take action if behaviour falls below the required standard.

Managers should:

- Familiarise themselves with the Social Networking Policy and guidelines
- Ensure their staff are aware of the policy
- Take prompt action to stop any harassment or bullying they become aware of, whether a complaint has been raised or not
- Support the staff involved in any allegations about cyber bullying, harassment, discrimination, using existing procedures
- Ensure all complaints/allegations are dealt with fairly and consistently and in line with other employment policies.

HR and Trade Unions should

Provide support and advice to managers and employees on the operation of the policy and guidelines, where necessary.

Compliance

You must comply with Council policies and the law when using social networking sites. Make sure that you:-

- Know and comply with the Officers’ Code of Conduct and associated policies including the Dignity and Respect Policy, Information Security Policy and E-Communications Guidance.
- Only share public information on-line. Information that is not public, such as service user, employee or manager information given in confidence, may only be shared in accordance with the law. If you use non-public information inappropriately, you may be personally prosecuted under the Data Protection Act.

- Are professional, when posting comments about the Council and our services. Be aware that the Council may take disciplinary action, if there is a reasonable belief that your on-line comments have damaged the Council’s reputation.
- Are respectful at all times to our customers and colleagues. Never post offensive or intimidating texts or images about a person.

You are expected to use the **same professional behaviours on-line**, as you would when communicating with service users and colleagues **off-line**. You must not post any information or messages on-line, that you would be unwilling to say in public face to face. Make sure that you follow the principles and standards set out in this policy, in the Officer Code of Conduct and associated listed policies.

Where your manager identifies that you may have fallen short of the standards in this policy, your manager is to deal with the matter informally where appropriate. The formal procedure will be used however, to guide you towards achieving acceptable standards as set out in this policy.

You may have disciplinary action taken against you, if you do not keep to this policy, which includes the possibility of being dismissed without notice being given. Serious breaches of this policy for example incidents of bullying on social networking sites may constitute gross misconduct and dismissal.

Disciplinary action may be taken regardless of whether the breach is committed during working hours, and regardless of whether our equipment or facilities are used for the purpose of committing the breach. You are required to co-operate with investigations into allegations made under this policy.

You must not make false or malicious allegations about another person’s use of social networking and need to be aware that disciplinary action may be considered in such circumstances.

You may be required to remove social networking posts, which are deemed to constitute a breach of this policy. Failure to comply with such a request may in itself result in disciplinary action.

Social Networking Principles

Personal Use

1. Be professional, know and follow the Officer Code of Conduct. You are personally responsible for what you post. Be thoughtful about how you present yourself in social networks. Understand that social networking is a public forum and your entries are not private and are hard to remove once posted.
2. We can ask you to remove on-line content if we have a reasonable belief that it is damaging the Council’s reputation. If we can prove that your conduct on-line has caused detriment, you may face disciplinary action and if severe enough, you could be dismissed as a result.

3. You have a right to express political and religious views, as long as they are lawful, are made in a private capacity and do not impact on your job. Some employees are in politically restricted posts and need to maintain political impartiality.
4. Do raise any work-related concerns in the right way. You can speak to your manager, give feedback in the employee survey, attend staff forums, speak to a contact advisor, contact your trade union representative, get support from the independent employee assistance programme or for serious allegations, use the whistle-blowing procedure. This allows us to investigate and address the issue in the first instance.
5. As you are an employee of the Council, you must ensure that your on-line content is consistent with your professional image that you present for the Council.
6. Be respectful of other employees, service users or customers as set out in our [Dignity and Respect at Work Policy](#).
7. There is no expectation for you to accept ‘friend’ requests from colleagues or managers
8. You are allowed appropriate and reasonable personal use of social networking at work, using Council or your own equipment. This is to take place in your own time and outside core hours, not adversely affecting performance or provision of service. Personal use of Council equipment is at no additional cost to the Council.

Business Use

9. When acting on behalf of the organisation, you must be professional. Always be responsible for your on-line comments, be credible, accurate and fair. Make sure that you are respectful at all times, especially when replying to disagreements. Avoid unnecessary or unproductive arguments. Do not speculate about an issue or start inflammatory debates. Make sure what you say is factually correct.
10. If you have any doubts about content, do not post without escalating to a manager. If you make an error, be up front about your mistake and correct it quickly, as this can help to restore trust. If your mistake is serious, let your manager know immediately and get advice. Ultimately, you are responsible for what you post or publish on a social networking site.

Maintaining Professional Relationships

11. You have a specific duty of care to take reasonable steps to protect service users, colleagues and yourself from harm. You must discuss any safety issues of using social networking sites for work purposes with your manager and if relevant draw up a risk assessment. This may state that you must only use secure forms of communications for work purposes. If you receive a serious on-line threat to life or buildings, you must contact the police immediately and let your manager know.

12. If you are in a **position of trust** with **Children** or **Vulnerable Adults**, for example if you work in social care, you have a professional relationship with your service users. You must draw a line between your professional and private life.

You must not strike up or accept an on-line relationship with your service users, using a personal social networking account. This applies even if your service users are no longer receiving a service.

Similar to your off-line work, where you have a close relationship with a service user, you must let your manager know.

In these circumstances, you must declare any interest you may have with a person, which may cause a direct or indirect conflict of interest with your employment. This information is provided to protect you and service users against any allegation of favour or disadvantage.

13. If you interact with **Elected Members** on social networking sites, you must follow the existing rules within Officers’ Code of Conduct and Member-Officer Relations Protocol. Officers in politically restricted posts must be particularly carefully to be impartial and maintain professional relationships.

Gathering and Sending Out Information

14. You can provide any Council Public Information to social networking sites. This is information, which is already in the public domain. You must keep non-public information secure and never release this to social networking sites. Non-Public Information includes personal data about service users or employees. If you suspect that any of your social networking accounts have been hacked, resulting in an impact on your work, you must let your manager know immediately.
15. Any monitoring or surveillance of a customer or employee is strictly controlled and you must be authorised to carry out this activity. For example, you must never become a ‘friend’ of any service user or employee for the purpose of obtaining information, unless authorised.
16. We reserve the right to monitor your social networking and internet use at work. Valid reasons for checking your usage include suspicions that you have:
- Been spending an excessive amount of time viewing sites that are not work-related or
 - Acted in a way that damages the reputation of the Council and/or breaches disclosure of non-public information

APPENDIX I

(A) OTHER EMPLOYMENT RELATED ACTIVITIES – FEES

Employees may be asked on occasions to give lectures or undertake work using their professional skills and expertise. If the work forms part of the duties of a post and the employee is carrying out an official duty, he/she must forward all fees to the employing directorate. Any expenses incurred will be reimbursed through the normal procedures.

Employees in receipt of ‘fees’ in respect of undertaking work and/or lecturing to an outside organisation/person(s) may retain the ‘fees’ providing:

- A preparation and delivery of the work is undertaken outside working hours (unless covered below);
- B equipment and/or materials are not being provided by the City Council;
- C the employee is not acting as a representative of the City Council.

Where the work or lecture is undertaken during working hours the equivalent working hours must be re-arranged, in agreement with the line manager to accommodate the employee’s request or annual leave, flexi leave or time off in lieu must be used. The employee concerned may also be granted unpaid leave, subject to the agreement of the line manager in consultation with the HR Adviser.

APPENDIX J

Politically Restricted Posts (PoRPs) (Revised May 2012/Minor Amendment February 2013 and April 2015)

Legal Background

The Local Government and Housing Act 1989 (LGHA) introduced the principle of Politically Restricted Posts (PoRPs) in local authorities. - speaking on behalf of the authority on a regular basis to journalists or broadcasters

These post holders can appeal against political restriction on the grounds that the criteria have been wrongly applied.

Teachers and Head teachers are exempt from political restriction, whatever their role.

A list of all Politically Restricted Posts within Sheffield City Council is held by the relevant Proper Officer (Chief Executive). Any modifications to this list must be reported and recorded accordingly.

Restrictions on Post Holders

Employees in PoRPs are debarred from standing for or holding elected office as

- Local councillors

They are also restricted from:

- Canvassing on behalf of a political party or a person who is or seeks to be a candidate
- Speaking to the public at large or publishing any written or artistic work that could give the impression that they are advocating support for a political party

Appeals against inclusion on the list of politically restricted posts

Post holders who are politically restricted because they hold specified posts have no right of appeal.

- Appeals are made to the Head of Paid Service
- Post holders of sensitive posts that are politically restricted may appeal on the grounds that the authority has wrongly applied the duties-related criteria
- Appeals may be made by the current post holder or by an individual who has been offered employment in a politically restricted post
- There is no timescale during which a post holder must make an appeal
- To appeal, employees should send a letter formally seeking exemption and a job description to the Monitoring Officer (Director of Legal and Governance), Town Hall, Pinstone Street, Sheffield, S1 2HH
- If the appeal is successful, the Monitoring Officer will notify HR Connect at Capita, so that it may be noted on the records for the individual and for the post

Please Note: This document is a summary, if you require further details or are unsure about any of the content please contact the Director of HR, Town Hall, Pinstone Street, Sheffield S1 2HH.

Sheffield City Council

**Dignity and Respect
at Work Policy**

Publication Date: August 2011

Author: HR Service

1 **OUR COMMITMENT**

- 1.1 Sheffield City Council is committed to promoting a positive working environment where staff conduct themselves in a way which contributes positively to their team’s work targets and which respects all colleagues and customers.
- 1.2 The Council is committed to promoting dignity and respect, to which employees are entitled. It seeks to provide an environment of mutual trust and respect amongst the entire workforce and to resolve any issues or difficulties at work in a mutually beneficial way.
- 1.3 It is opposed to and will not tolerate any form of harassment, discrimination, victimisation, bullying or intimidation or any unacceptable conduct towards an individual or group, in the workplace, whether a single incident or persistent acts.

2 **HARASSMENT, DISCRIMINATION, VICTIMISATION AND BULLYING**

- 2.1 The City Council has taken into account the information contained within relevant EU Directives, Employment regulations, Equality legislation and the Equality Act 2010 in determining the definitions of Harassment, Discrimination, Victimisation and Bullying.
- 2.2 The Equality Act covers the same groups that were protected by previous equality legislation and extends some protections to characteristics that were not previously covered, and also strengthens particular aspects of equality law. These are now called **‘protected characteristics’** and cover Age, Disability, Gender Reassignment, Marriage and Civil Partnership, Pregnancy and Maternity, Race, Religion or Belief, Sex and Sexual Orientation

NB: People may also experience Harassment, Discrimination, Victimisation and Bullying which may not be related to a Protected Characteristic

2.3 **Definitions**

- **Harassment is** ‘unwanted conduct related to a relevant *protected characteristic*, which has the purpose or effect of violating an individual’s dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that individual’.
- **Discrimination is** ‘where one person is treated less favourably than another person was or would have been treated on the grounds of their *protected characteristic*’
- **Victimisation is** ‘when an employee is treated badly because they have made or supported a complaint or raised a grievance under the Equality Act and/or Council policies’ or because they are suspected of doing so.

- **Bullying is** 'persistent unwelcome offensive and intimidating behaviour or misuse of power which makes the recipient feel upset, threatened, humiliated or vulnerable and undermines their self-confidence'.

2.4 Types of Discrimination and Harassment

Direct discrimination

This is when someone is treated less favourably than another person because of a *protected characteristic* they have or are thought to have, or because they associate with someone who has a protected characteristic.

Associative Discrimination

This is direct discrimination against someone because they associate with another person who possesses a *protected characteristic*.

Perceptive Discrimination

This is direct discrimination against an individual because others think they possess a particular *protected characteristic*. It applies even if the person does not actually possess that characteristic.

Indirect Discrimination

Indirect discrimination can occur when you have a condition, rule, policy or even a practice in your organisation that applies to everyone but particularly disadvantages people who share a *protected characteristic*. Indirect discrimination can be justified if you can show that you acted reasonably in managing your business, i.e. that it is 'a proportionate means of achieving a legitimate aim'. A *legitimate aim* might be any lawful decision you make in running your business or organisation, but if there is a discriminatory effect, the sole aim of reducing costs is likely to be unlawful. Being proportionate really means being fair and reasonable, including showing that you've looked at 'less discriminatory' alternatives to any decision you make.

- 2.5 Harassment, discrimination, victimisation and bullying can come in many forms. It may happen once or more than once, either way it is unacceptable. Examples could include:

Offensive material, including pornography, racist material, or material which ridicules or abuses religion or belief, men or women, black people, disabled people, transgender people, lesbians or gay men, older or younger people.

Verbal abuse, including racist or sexist language, and language that undermines or ridicules e.g. disabled people, lesbians or gay men, older or younger people.

Bullying, exercising power to intimidate, ridicule or demean an individual or group of people usually through a number of small incidents over a period of time.

Leering, comments on dress or appearance, embarrassing remarks or jokes, demands for sexual favours.

Physical assault, including touching or unwanted physical advances.

Persistent comments, which undermine or undervalue a person's abilities, particularly on the basis of his/her sex, race, disability, sexuality and/or age. This could also relate to comments on a person’s physical appearance.

Cyber-bullying, is when the internet, phones, or other devices are used to send or post text or images intended to hurt or embarrass another person. It may include threats or sexual remarks or ganging up to make someone a victim of ridicule in social networking forums.

3 HATE CRIME AND HATE INCIDENTS

- 3.1 A Hate Incident is: “Any incident, which may or may not constitute a criminal offence, which is perceived by the victim or any other person, as being motivated by prejudice or hate.”
- 3.2 Hate Crime is defined specifically as: “Any Hate Incident, which constitutes a criminal offence, perceived by the victim or any other person, as being motivated by prejudice or hate.”
- 3.3 As an employee complaints of Hate Crime or Hate Incidents will be dealt with through one of the following procedures:
Dignity and Respect Procedure – this should be used if they feel they have experienced harassment, discrimination, victimisation or bullying at work by another Council employee.
Grievance Procedure – this should be used if an employee wants to raise significant and specific concerns about their employment or treatment at work.
Accident, Violent Incident or Near Miss Report Form this should be used if a Hate Crime or Hate Incident happens to an employee, one of their colleagues or a member of the public.
Whistleblowing Procedure - this should be used for concerns where the interests of others or of the organisation itself are at risk.

- 5.2 Every effort will be made to resolve complaints informally. Where this is not appropriate or possible, an appropriate manager will ensure a formal investigation will take place.
- 5.3 The City Council will communicate with employees to raise awareness about Dignity and Respect. The policy will also be promoted including the implications of certain behaviours.
- 5.4 We will support employees who experience difficulties through the provision of Contact Advisers and Human Resources professionals and ensure that Managers are updated regularly on their responsibilities under this policy and procedure.
- 5.5 We will ensure a system is in place to monitor and review the use of the Policy and Procedure. There will be statistical monitoring to identify potential problems and areas for improvement.

DIGNITY AND RESPECT AT WORK PROCEDURE

Our Policy Statement

Sheffield City Council (SCC) is committed to providing a safe environment for all employees, free from harassment, discrimination, victimisation or bullying. Sheffield City Council will treat all incidents seriously, and investigate all allegations promptly. An employee who has harassed, discriminated, victimised or bullied another employee may face disciplinary action, up to and including dismissal from employment.

1 HOW TO RAISE AN ISSUE OR MAKE A COMPLAINT

- 1.1 It is the intention of this procedure for issues and complaints to be resolved informally, quickly and at an early stage in order to prevent problems becoming more serious over time. Some allegations however may be of such a serious nature that an informal investigation may not be appropriate and it will have to be dealt with formally.
- 1.2 Informal issues or complaints can be made verbally or in writing to the appropriate Manager or an HR Adviser. More than one person or third parties can also raise an issue or make a complaint. **Where an HR Adviser receives a complaint, an appropriate Manager will be identified to manage the complaint within three working days.**
- 1.3 A formal complaint may be made where informal attempts at resolution have been unsuccessful, or where the seriousness of the incident(s) is such that the informal route is inappropriate. Formal complaints should be in writing to the Head of Service / Director copied to an HR Adviser. In the event that the complaint is against the Head of Service / Director then the complaint should be addressed to the appropriate Executive Director or Chief Executive, copied to the Director of Human Resources and Customer Services.
- 1.4 Both the complainant and the subject of the complaint have the right to be accompanied at all stages of the procedure by their trade union representative or other Council employee or chosen representative.

Information and Support on the Dignity and Respect Policy and Procedure can be obtained from Contact Advisers and Trade Union representatives.

See Appendix 1 How to get Information and Support

2 INITIAL VERIFICATION

- 2.1 The Manager, advised by an HR Adviser, will complete an initial verification of the complaint and determine and make a decision as to whether or not the allegations have some substance. **This should take place within 5 working days of the initial complaint.**
- 2.2 The Manager will complete the Accident and Incident Report Form and, if appropriate the Hate Incident form (where the incident is allegedly motivated by prejudice or hate).
- 2.3 If there is substance to the allegations then a discussion will take place with the Manager advised by an HR Adviser and the Complainant about options for resolution. An invitation to this discussion will be put in writing. The complainant will be able to have a Trade Union representative or colleague with them if they wish. **This should take place within 5 working days of determining the substance of the complaint.** An Informal Investigation will take place unless the seriousness of the incident(s) is such that the informal route is inappropriate. Formal Resolution will only be used where the Informal route is inappropriate or unsuccessful.
- 2.4 Where the Manager has decided there is not a case to answer or no further investigation is required **a written explanation will be given to the complainant within 5 working days of determining the lack of substance of the complaint. The complainant may, within 10 working days of being told of this decision, raise any objections through the Council’s Grievance Procedure.** A Trade Union representative will be able to help with advice and support.
- 2.5 In the event of a counter complaint being made by the subject of the complaint – the counter complaint will be dealt with after completion of the investigation of the original complaint.
- 2.6 If a complaint is found to have been made for vexatious or malicious reasons then the complainant may be dealt with under the council’s disciplinary procedure.

3 INFORMAL RESOLUTION

- 3.1 It may be sufficient for the Manager to speak to the subject of the complaint to explain the situation, the impact of the behaviour and future action should this continue and report back to the complainant. **This should take place within 5 Working Days of determining the substance of the complaint.** The complainant and the subject of the complaint will be able to have a Trade Union representative or colleague with them if they wish. A record of this discussion should be maintained on file and should only be referred to if a formal or further information or complaints are initiated. The length of time any records can be kept will be checked with legal services.

- 3.2 Where appropriate the Manager, advised by an HR Adviser may bring the two parties together to discuss the complaint and agree a way forward to resolve the situation and prevent it from escalating. Options, solutions and actions will be discussed. This will depend on the circumstances of the case and the wishes of the complainant. The complainant and the subject of the complaint will be able to have a Trade Union representative or colleague with them if they wish. Appropriate records of the discussion and agreement reached should be maintained on file. They will be reviewed by the manager to ensure that agreed actions are being adhered to. If agreed actions are not being adhered to the manager will need to manage this with advice from an HR adviser. Records should be maintained securely and only referred to if a formal or further informal complaints are initiated. The length of time any records can be kept will be checked with legal services.
- 3.3 The Manager will hold a Review meeting with the Complainant and the Subject of the Complaint **within 4 weeks of the meeting to discuss the way forward**. It may also be necessary to hold another Review meeting depending on the success of the last one and this should take place **within 2 weeks of the last meeting**. Records will be kept.
- 3.4 If the informal resolution is unsuccessful then it may be necessary to proceed to a formal investigation.

Further information on investigations can be found in the [Investigations Guidance](#) in the HRPoint Library in Conduct and Work relationships under the Topic: Investigations.

4 FORMAL RESOLUTION

- 4.1 A formal complaint may be made where informal attempts at resolution have been unsuccessful, or where the seriousness of the incident(s) is such that the informal route is inappropriate.
- 4.2 If there has been an informal investigation - on receipt of a formal complaint the Head of Service / Director or Executive Director advised by an HR Adviser will consult the records made in the informal investigation to ensure that appropriate approaches have been used to resolve the issues. The Head of Service / Director or Executive Director may then want to make further suggestions for the manager to address as part of an informal resolution before deciding whether or not to go ahead with a formal procedure.
- 4.3 If there has not been an informal investigation - on receipt of a formal complaint the Head of Service / Director or Executive Director will appoint an Investigating Manager (this may be a manager from a different service) and an Investigation Team, including a Manager from another Service Area or Portfolio, to conduct an investigation into the allegations made. **The complainant and the subject of the complaint will be informed of the appointment of an Investigation Team in**

writing within 5 working days and have the opportunity to raise objections, in writing, to the choice of Investigating Team within 5 working days.

- 4.4 In the event that an objection is received the Head of Service / Director or Executive Director will have discretion to consider appointing alternative team members or confirm their original choice.
- 4.5 The Investigation Team will have access to an HR Adviser who will provide professional advice on the conduct of the investigation and procedural issues.
- 4.6 **Within 10 working days the Investigating Manager will inform both parties of the specific complaint being investigated, the parameters of the investigation and the timetable for carrying this out.**
- 4.7 The Investigation Team will only interview those witnesses relevant to the complaint under investigation. Witnesses may request a trade union representative or other chosen Council employee to attend the interview with them - excluding the complainant or subject of the complaint.
- 4.8 Witnesses must be informed that the statements taken during the investigation may be included in the management statement of case and, therefore, shared with both parties and their representatives. Witnesses must also be informed that in the event that the case is later presented to Employment Tribunal or other Court of Law their statements may be shared and they may be called as witnesses to attend a public hearing in person. However, where possible, efforts should be made to support and protect witnesses during the process.
- 4.9 On completion of the investigation, the Investigating Manager will produce a short written report that will outline the nature of the complaint, the process of investigation, a summary of the findings of the team and recommendations for action. **This report will be provided to both the complainant and subject of the complaint within 10 working days of the end of the investigation.**
- 4.10 **The investigation report will be discussed with the Head of Service / Director or Executive Director, who will inform both parties of their final decision on the action to be taken, within 5 working days.**
- 4.11 **Where a decision to convene a disciplinary hearing has been made, a hearing will be established and a full management statement of case will be produced and shared with the subject of the complaint at least 10 working days before the hearing.**
- 4.12 The complainant needs to know that their complaint has been taken seriously and that issues relating to the complaint will be dealt with. They do not have a right to know the outcome of any disciplinary hearing. If the complainant feels the complaint has not been dealt with appropriately at this stage they may discuss their concerns with the appropriate Head of Service / Director.

5 THE RIGHT OF APPEAL ABOUT THE DIGNITY & RESPECT INVESTIGATION

5.1 The Subject of the Complaint

If disciplinary action is to be taken, the disciplinary and appeal process set out in the disciplinary procedure will apply. The subject of the complaint may raise any concerns about the investigation process as part of their statement of case.

5.2 The Complainant

The person making the complaint has the right of appeal against the **outcome of the investigation** on the following grounds.

- The investigation was conducted in an unfair manner or was in some way inadequate;
- That the conclusion was unfair based on the evidence.

5.3 Appeals should be submitted in writing within 10 working days of receipt of the Investigation Report. Appeals should be sent to the Director of Human Resources and Customer Services, setting out the grounds of the appeal and the reasons for the appeal.

A Head of Service / Director or Executive Director will hear the appeal, with appropriate HR advice.

The appeal panel will consider the facts, and make one of three decisions:

- to uphold the original conclusion
- to substitute a different conclusion
- to instigate further investigation, either in whole or part as necessary

The decision of the appeal panel will be notified to both parties and will be final.

6. SUSPENSION OR TRANSFER OF THE SUBJECT OF THE COMPLAINT

6.1 Harassment, discrimination, victimisation or bullying have the potential to constitute gross misconduct. Therefore Managers must always seek advice from Human Resources and consider the seriousness of the nature of the complaint before making a decision whether or not to suspend the subject of the complaint.

6.2 Where the Manager seeks to suspend the subject of the complaint they will do so in accordance with the Council's disciplinary procedure and with the authority of an Authorised Manager.

- 6.3 Where there is the potential for gross misconduct to have occurred, temporary transfer of the subject of the complaint must not be used as an alternative to suspension.
- 6.4 The Manager should not normally transfer the subject of the complaint and/or the complainant to a different worksite unless either party specifically requests transfer for themselves. Any transfer must be able to be easily facilitated by the service and supported by the advice of Human Resources.
- 6.5 In the event that a transfer is agreed, the transferring employee must be informed in writing that the transfer arrangement will normally continue for the duration of the investigation and any formal proceedings that may follow it. It is important that this arrangement is reviewed regularly and the transferring employee is updated on work issues within their substantive post.
- 6.6 It is acknowledged that the re-integration of a complainant or the subject of the complaint is a difficult process for Managers and Employees alike. However every effort should be made to support all parties and Managers should consider how this could be facilitated. This may include plans for relocation, induction, phased return, counselling support, and training.
- 6.7 In exceptional circumstances, following an investigation, redeployment may be considered where the complainant requests this and feels unable to continue in their role as a result of their complaint. Redeployment is an option not a right, and will not be considered where an employee has made false allegations.

The request for redeployment will be dealt with under the Redeployment Policy and Procedure under “other circumstances” within the Eligibility Criteria. The possible outcomes, timescales and arrangements must be discussed and understood by all parties before proceeding. If the request for redeployment is accepted and the employee enters the Talent Pool, they should not face dismissal for a reason associated with this situation.

7. TIMESCALES

- 7.1 Timescales have been set so that complaints, problems and issues are dealt with and resolved as quickly as possible. This is important in terms of reducing the impact of stress and possible long term sickness that may be caused to individuals involved in the resolution process.
- 7.2 It is accepted that timescales may not always be easy to adhere to and this will need to be discussed throughout the process between managers, HR advisers and trade union representatives.

8. MONITORING THE USE OF THE PROCEDURE

- 8.1 The Human Resource Advisers are responsible for collecting information about the use of the procedure. The monitoring processes do not identify individuals.
- 8.2 Contact Advisers are also responsible for producing monitoring reports to submit information on a quarterly basis to Human Resources.
- 8.3 Human Resources will produce information gathered from these reports on a half yearly basis.

Appendix 1

9 HOW TO GET INFORMATION AND SUPPORT

Contact Advisers

- 9.1 Employees who feel they are experiencing harassment, discrimination, and victimisation or bullying at work can access the City Council Contact Advisers for information and support. Details of the Contact Advisers will be promoted and people can contact them also by contacting Human Resources or through the staff Forums.
- 9.2 The Contact Advisers are employees of the City Council from all levels and all Portfolios. They undertake this role on a voluntary basis and can offer support to colleagues experiencing difficulties. The Contact Adviser will arrange to meet the complainant at an agreed venue unless the situation can be handled on the telephone at the time of the initial contact.
- 9.3 The role of the Contact Adviser is to:
 - Be available as a point of contact for those experiencing harassment, discrimination, victimisation or bullying at work;
 - To listen, reassure and support;
 - To respond in a sensitive, non-judgmental manner
 - To advise the complainant of the options available under the City Council policy and procedure and the possible implications;
 - To encourage the complainant to seek the advice of other relevant people.
- 9.4 Contact Advisers may also be a point of contact for witnesses, third party complainants, and the subject of the complaint but not both parties to the same complaint.
- 9.5 The Contact Adviser will complete appropriate forms to record information for statistical recording and to log details of the complaint. The forms will not identify the complainant at this stage and a reference code will be allocated to the

individual concerned. Forms will be sent to Human Resources for monitoring and recording. **They will be destroyed 12 months after the last contact.**

- 9.6 Contact Advisers will not be involved in representation of individuals in any informal or formal investigations.

Trade Unions and Other Sources of Support

- 9.7 Alternatively employees can contact either their Trade Union, Human Resources or another colleague for advice and support.

Appendix 2

10. Definitions of Harassment, Discrimination, Victimisation and Bullying

10.1 Harassment/Sexual harassment

Harassment is unwelcome conduct related to a protected characteristic; age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. It is conduct which makes an employee feel offended, humiliated or intimidated or creates such an environment. It can include behaviour which an employee finds offensive even if it isn't directed at them.

Sexual harassment can involve one or more incidents and may be physical, verbal or non-verbal. Examples of conduct or behaviour which constitute sexual harassment include;

Physical conduct

- Unwelcome physical contact including patting, pinching, stroking, kissing, hugging, fondling, or inappropriate touching
- Physical violence, including sexual assault
- The use of job-related threats or rewards to solicit sexual favours

Verbal conduct

- Comments on an employee's appearance, sex (gender) age, private life, etc.
- Sexual comments, stories and jokes
- Sexual advances
- Repeated and unwanted social invitations for dates or physical intimacy
- Insults based on the gender of the employee
- Condescending or paternalistic remarks
- Sexual verbal favours

Non-verbal conduct

- Display of sexually explicit or suggestive material
- Sexually-suggestive gestures
- Whistling
- Leering
- Sending sexually explicit messages (by phone or by email)

An employee can be a victim of sexual harassment, regardless of their gender and of the gender of the harasser. Sheffield City Council recognises that sexual harassment may also occur between people of the same gender. What matters is that the sexual conduct is unwelcome by the person against whom it is directed.

Anyone (including employees of Sheffield City Council, clients, customers, agency workers, contractors or visitors) who harasses another person will be investigated.

Harassment is unacceptable, whether it takes place on Sheffield City Council premises or elsewhere (including social events, business trips, training sessions or conferences) during or outside of work time.

Sexual Assault

Sexual assault is a criminal offence. It is defined as an act of physical, psychological and emotional violation in the form of a sexual act, inflicted on someone without their consent. It can involve forcing or manipulating someone to witness or participate in any sexual acts. Sheffield City Council will notify the police if it is suspected or alleged that a criminal offence may have taken place.

10.2 Discrimination

Discrimination is less favourable treatment of an individual related to age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Discrimination can be direct; this is where the less favourable treatment is because of one of the protected characteristics above, or where there is an association or perception of one of these. For example if an employee is refused opportunities at work because of their age this would be direct discrimination.

Indirect discrimination is where a requirement is made which has the effect of being less favourable towards someone with a protected characteristic. It is usually less obvious and can be unintended. For example, if a job advertisement stipulated a minimum number of years’ experience (which could not be justified) this would be indirect discrimination.

10.3 Bullying

Bullying is offensive, intimidating, malicious or insulting behaviour. It can involve an abuse of power and may or may not be related to age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. For example, if a manager picked on an employee because they disliked him or her this would be bullying.

10.4 Victimisation

Victimisation is treating an employee badly or subjecting them to a detriment because they have made a claim for discrimination or harassment, supported a colleague’s complaint, or are perceived to have done so.

The protection applies if the employee did this in good faith even if the claim later proves to be wrong or proceedings are unsuccessful.

Examples where an employee is subject to bullying, ostracised in the workplace, rejected for promotion, denied training, disciplined or dismissed as a result of their complaint. This is all classed as victimisation.

It is legal protection for those who have made a complaint under the Equality Act. There is no time limit within which the victimisation must happen for an employee to be protected; it will be valid if an employee is treated badly because of their previous complaint, even if this is years later.

APPENDIX L

Sheffield City Council Alcohol, Drug and Substance Misuse Policy

1 Introduction

- 1.1 Sheffield City Council’s [Corporate Plan](#) sets out our aims and how we will go about achieving them. Ensuring Sheffield people will have good health is a priority for the Council as we tackle the underlying root causes of poor health and develop excellent public health services in the city.
- 1.2 Sheffield City Council is committed to the well-being of its employees and to offering appropriate health support wherever possible. The Council’s focus is always with the working lives of its employees and not their private lives or outside activities, as long as these do not:
- impact on the Council’s duty of care to service users
 - affect their ability to undertake the duties for which they are employed, and / or
 - bring the Council into disrepute (see [Code of Conduct](#))
- 1.3 **The Alcohol, Drug and Substance Misuse Policy** will assist the Council in complying with its legislative requirements, namely the Health and Safety at Work Act 1974, Management of Health and Safety at Work Regulations 1999, Misuse of Drugs Act 1971, Road Traffic Act 1988 and Transport and Work Act 1992 and provide within a workplace setting a supportive and rehabilitative approach for staff with alcohol, drugs and other substance related issues.

2 Aims

- 2.1 The aim of this policy is to provide guidance on the Council’s expectations of employees while at work and a framework for dealing with employees whose misuse of alcohol or drugs and substances impacts on their work and safety..

3 Scope

- 3.1 The policy is intended to apply to all employees of the Council.

4 Definitions

- 4.1 For the purpose of this policy:-
- 4.1.1 Alcohol Misuse is defined as:

‘the drinking of alcohol in such a way as to impair the employee’s ability to perform his /her duties, interfere with attendance at work, or endanger the safety of themselves and others’,

4.1.2 Drug misuse is defined as:

‘the taking of drugs by an employee in such a way that his/her ability to perform their duties is impaired, interferes with their attendance at work, or endangers the safety of themselves and others. This includes over the counter drugs or prescription drugs where such prescription drugs have not been prescribed for the person possessing or using the drugs and/or where such prescription drugs are not taken in accordance with a physician’s direction.

4.1.3 Substance misuse is defined by the [National Institute of Clinical Excellence](#) (NICE) as:

Intoxication by – or regular excessive consumption of and/or dependence on– psychoactive substances, leading to social, psychological, physical or legal problems. This includes the problematic use of both legal and illegal drugs. (including alcohol when used in combination with other substances)

5 General principles

- 5.1 Employees are expected to behave responsibly at all times and to safeguard their own health and safety, as well as that of others around them.
- 5.2 Any employee who is concerned that they may have a dependence on alcohol, drugs or any other substances is encouraged to seek help and advice from their General Practitioner.
- 5.3 If the Council believes that an employee is dependent on alcohol, drugs or any other substances it may require the employee to be assessed by an [Occupational Health](#) practitioner. The Council will regard anyone seeking help with alcohol or drug / substance dependency as having a health problem and will support the individual to access appropriate help and treatment.
- 5.4 Managers need to contact the Occupational Health Service prior to making a referral for anyone they suspect may have a substance misuse condition / issue. This is because if the employee denies having a substance misuse condition / issue the Occupational Health Practitioner is limited to how they can assess the person and the advice they can give. The Occupational Health practitioner will then provide the Council with a report on the employee’s circumstances and advice regarding their fitness for work.
- 5.5 Any employee who believes that a colleague has an alcohol, drug / substance dependency problem should encourage them to seek professional help. Where it is difficult for an employee to approach the colleague or a colleague who is a more senior member of staff they may wish to speak to Human Resources for further guidance.

- 5.6 Employees must report for work, and remain throughout the working day, in a fit and safe condition to undertake their duties, which must include being alcohol, drug and substance free. Employees need to be mindful that alcohol / drugs/ substances may remain in their system for a considerable time. As such consumption out of work could still affect behaviour and performance at work.
- 5.7 Employees who use prescription or over-the-counter medication which causes an impairment and impacts on their fitness to work must declare this to their manager as soon as possible to determine if medical advice should be sought or adjustments made.
- 5.8 If it is suggested that the work / working environment might be contributing to a dependency problem then the Council will consider such claims and take all reasonable action to reduce such problems where they may exist.
- 5.9 The Council will treat reasonable absences for advice and treatment for dependence on alcohol, drugs or substances as [Discretionary Leave](#) (refer to policy), provided the employee concerned regularly informs the Council of progress and genuinely attempts to overcome the dependency problem. Discretionary leave can be up to but not exceeding the length of time under the [Disability Leave](#) Policy (refer to policy). Clear records of appointments attended and treatment advised should be kept by the manager. The need for confidentiality will be respected. Colleagues and other managers can only be informed on a need to know basis. This could be with or without the employee’s approval / consent. The employee will be informed of the decision to inform others and why the decision was taken.
- 5.10 If, because of an alcohol or drug / substance dependency, a person’s performance, attendance and/or work/behaviour is suffering this could mean the Managing Absence Procedure ([MAP](#)) or Managing Performance Procedure ([MPP](#)) being implemented and/or disciplinary action being taken.
- 5.11 Should help be refused or treatment unreasonably discontinued by the employee or, if after three months there is no improvement in behaviour and/or work performance remains poor, disciplinary / MAP / MPP process will continue. This could result in the termination of an individual’s contract of employment.
- 5.12 An employee can only choose to be accompanied by a trade union representative or a work colleague when they are in formal procedures concerning alcohol or drug / substance dependency, in relation to work performance/behaviour. If, because of alcohol or drug / substance dependency an employee behaves or carries out their work in such a way as to endanger themselves or others, prompt corrective action will be taken as necessary to prevent damage being done. In this situation the employee’s alcohol or drug / substance dependency will be taken into account, but it will not necessarily free the person concerned from the consequences of their conduct.
- 5.13 In some cases an employee who develops dependency on alcohol or drugs / substances may become unsuited to a particular post. Under MAP/MPP consideration will need to be given to the position of such employees and, wherever possible, a suitable alternative

post sought. If the employee seeks treatment and it is effective the employee’s suitability for the original job can be reassessed.

- 5.14 An employee must be aware of their responsibilities under the Road Traffic Act 1988, or subsequent legislation in respect of alcohol and/or drugs and substance misuse and the driving of motor vehicles.

6 Behaviour at Work

- 6.1 Employees must arrive at work fit for work and free from the effects of alcohol, drugs or substances. (Please refer to section 4 for definitions of misuse)
- 6.2 Employees should not consume alcohol, drugs or substances during their working hours including breaks as defined in the code of conduct. Employees should always be aware that they are representing the Council and behave in a responsible manner.
- 6.3 If an employee is at a social event representing the council where they are being paid or able to claim time e.g. a charity event they should not consume alcohol. However, if they are representing the council in their own time and want to consume alcohol then they need to do this responsibly so as not to bring the council into disrepute. (See Code of Conduct).
- 6.4 The possession and / or supplying of illegal drugs is an offence under the Misuse of Drugs Act 1971 and it is an offence for any employer knowingly to allow its premises to be used for the use or supply of controlled drugs. Employee involvement in such activity at work will be treated as gross misconduct.

7 Intervention

7.1 Action by employee

- 7.1.1 If an employee thinks they may have an alcohol, drugs or substance abuse problem they may speak to their manager who will discuss with the employee any action that the employee is taking to address the problem. This will be done in a confidential setting. The employee may choose to seek assistance from their GP, Trade Union , HR or other counselling or treatment agencies or through the [Employee Assistance Programme](#). (see paragraph 10)

7.2. Action by Manager:

- 7.2.1 If a manager has reasonable grounds to believe that alcohol, drugs or substance misuse may be adversely affecting an employee’s performance, attendance or conduct, s/he should raise the issue with the individual privately, in a sympathetic and constructive manner. The manager will clearly outline to the employee the reasons for the concerns, providing examples.

- 7.2.2 Following discussion with the employee, the matter may immediately be resolved if the manager is satisfied that there is no further reason for concern about alcohol or drugs misuse. The employee will be advised that if in future, concerns arise regarding performance, attendance or conduct, then the appropriate procedure ([Disciplinary/ Absence / Performance](#)) will be followed.
- 7.2.3 If the employee confirms that they are experiencing a problem with alcohol, drugs or substance misuse, then the manager will direct them to the support available, as above.
- 7.2.4 At this stage, a referral to the Occupational Health Service will normally be made. The manager will keep in contact with the employee to monitor progress and ensure that on-going support is provided.

7.3 Action by work colleagues:

- 7.3.1 It is likely that an employee with an alcohol, drugs or substance misuse problem will come to the notice of colleagues possibly through indications of inadequate or deteriorating work performance. It is in the interest of an employee with an alcohol or drug /substance related problem to be offered help as soon as possible, as prompt action carries the best hope of successful treatment.
- 7.3.2 The first approach should normally be for colleagues to encourage the employee to recognise their problem and to seek advice, either through their GP or [specialist agencies](#). If a colleague feels unable to do this or if this fails, colleagues are encouraged to contact Human Resource for further advice, so that more a formal approach may be taken. Reluctance by colleagues to take such an initiative is understandable. However, past experience suggests that covering for neglected duties can delay or prevent a successful outcome.

8 Confidentiality

- 8.1 If an employee discloses or acknowledges that they have an alcohol, drug or substance misuse problem, then this will be treated with the same degree of confidentiality, as far as is legally possible, as any other medical or psychological condition. Employees should be as respectful about confidentiality relating to medical conditions of their colleagues as they would hope to enjoy themselves.

9 [Employee Assistance Programme](#)

- 9.1 The Employee Assistance Programme is available to all staff with the exception of teachers. Staff can access counselling, legal and financial advice and support through the service. Click on link above - **Username sheffield, Password council** both are lower case.

10 Disciplinary Action by the Council

- 10.1 The Council recognises that employees with alcohol / drug / substance dependency problems may be successfully treated. However if a person’s performance, attendance

and/or work/behaviour is suffering this would mean MAP/MPP being implemented and/or disciplinary action being taken.

- 10.2 If an employee is known to be, or strongly suspected of misusing alcohol / drugs / other substances during working hours arrangements will be made for him/her to be immediately escorted from the Council’s premises and if necessary taken home. Misuse of alcohol, drugs and other substances on Council premises, whether resulting from a dependency problem or not, is a serious breach of the Council’s [Code of Conduct](#) and may lead to formal action being taken under Council procedures. In such situations the manager should consult with HR, where possible.
- 10.3 On Council premises an employee who takes illegal drugs / alcohol / substances or prescription drugs which have not been prescribed for him/her will, in the absence of mitigating circumstances, be committing an action of gross misconduct. The relevant disciplinary procedure will apply. This action will also apply to any employee believed to be buying or selling drugs/and / substances; unlawfully possessing drugs and/or substances; who has stolen drugs and /or substances on Council premises. The Misuse of Drugs Act 1971 may also apply in the above circumstances.

11 Links with other council policies

- 11.1 This policy will also link to and be used in association with the [Code of Conduct](#), [the Dignity & Respect at Work Policy](#), the [MAP/MPP](#) Policy / Procedure, [Social Networking Guidance](#), Discretionary Leave, [Help to Stop Smoking guidance](#).

PROTOCOL FOR MEMBER / OFFICER RELATIONS

Summary

The Protocol seeks to encourage a greater understanding and best practice of the various relationships between Members and Officers of all levels of the Council.

This Protocol supplements but does not supplant other codes, procedures and protocols agreed by the Council that regulate the conduct of Members and Officers and should be read in light of the duties and expectations, for example those responsibilities set out in the Councillor and Officer Codes of Conduct.

Mutual respect between Members and Officers is essential to good local government. Close personal familiarity between individual Members and Officers can damage the working relationship. The nature and complexity of the relationships means that this protocol cannot be exhaustive. If any Member or Officer is unclear about a particular aspect of this Protocol they should contact the Monitoring Officer.

It applies whenever Elected Members and Officers are undertaking the Council's business in public and private meetings.

This Protocol also applies to voting non-elected members of committees. The Council expects Parish Members and Officers to adopt and adhere to the principles of the Protocol.

The Audit and Standards Committee and the Monitoring Officer are to oversee review of this Protocol and make recommendations for changes as appropriate.

1. DEFINING THE MEMBER AND OFFICER ROLES

Mutual trust and respect are essential in setting the right tone for effective working relationships between Members and Officers.

Both Officers and Members

- Adhere to respective Codes of Conduct and uphold ethics and values of the Council
- Are accountable for decisions and actions
- Maintain confidentiality as appropriate
- Act as an Ambassador for the Council
- Continually develop knowledge and skills – keep up to date on Council policy and performance
- Represent the Council on external bodies and provide feedback

A Quick Guide to the Distinct Roles

Members	Officers
Account to the electorate	Accountable to the Council
Community Leader/representative role for a Ward	Serve the whole Council (with the exception of the Political Advisers appointed under statute).
Add a political dimension	Be politically impartial
Set high level policy strategy and make high level decisions	Provide guidance on policy. Ensure operational delivery
Do not influence recommendations of reports but may at formal meetings, accept or reject recommendations	Produce reports and make recommendations
Are involved in senior appointments/dismissals	Day to day staff management
Regulate certain activities	Implement decisions

Key Officer Roles

Statutory Posts Certain Senior Officers hold posts with mandatory statutory responsibilities including the Chief Executive, the Monitoring Officer (Director of Legal and Governance), appointed under Section 5 of the Local Government and Housing Act 1989 and the Chief Finance Officer (Director of Finance and Commercial Services) appointed under Section 151 Local Government Act 1972. Members must respect these responsibilities and accept that these Officers may be required to give advice or make decisions which Members may not agree with or support.

The Monitoring Officer role includes responsibility for reporting to the Council any case where s/he is of the opinion that a proposal or decision of the authority has given rise to or is likely to or would give rise to any illegality, maladministration or breach of statutory code and for investigating any such reportable incident including allegations of breach of Members standards of conduct.

The Chief Finance Officer (Section 151 Officer) role includes responsibility for the strategic arrangements for the administration of the Council's financial affairs, delivery by the whole authority of good financial management to safeguarding public money and ensuring it is used appropriately, effectively, efficiently and economically.

The Executive Directors are individually responsible for their portfolio of services and collectively responsible for management of staff their work and delivery of Council functions and priorities.

Directors manage the service for which they have responsibility, ensure that the statutory responsibilities are properly discharged on a day to day basis, account for the efficiency and effectiveness and professional practice of their service.

Officers and Members have day to day responsibilities for adhering to the rules of procedure and the financial regulations in the Constitution which are there to protect the whole Council.

To further understand roles, Members and Officers refer to the Constitution and easy to read role profiles, job descriptions and induction materials

In reality, there are grey areas, where Members and Officers need to work together and for this reason, it is important to set out ways of working, expectations, relationships and communications.

2. THE PROFESSIONAL RELATIONSHIP

A Guide to Expectations

In forging an effective working relationship, Members and Officers will have certain basic expectations of each other. Much of this is about ensuring high standards of behaviour and acting within a clear framework of ethical governance.

Members and Officers Expectations

Courtesy

It is important that Members and Officers are courteous to each other at all times, even if they disagree strongly with each other's views

Bullying

Members and Officers must not bully any person. Bullying may be characterised as offensive, intimidating, malicious, insulting or humiliating behaviour. Such behaviour may happen once, or be part of a pattern of behaviour. Members may from time to time become frustrated by what they regard as unacceptable or incompetent Officer behaviour. It is self-evident that sometimes these feelings may be entirely justified although sometimes there may be a legitimate reason why Member expectations cannot be met – for example, due to Council Policy or a legal requirement.

In these circumstances, Members are to take up their concerns through the Directors or the Chief Executive as set out in the dispute procedure described in this document, rather than through public criticism. They must bear in mind that Officers are instructed not to 'answer back' in public.

Member and Officer Development

Members and Officers should participate in the Council's development programme, which is core to their role and to undertake individual learning and development discussions.

Members should participate in the Core Development Programme for induction, all learning identified as mandatory from time to time, safeguarding, and Committees including Policy Committees, Area Committees, and Regulatory Committees such as Planning and Licensing.

4. PERSONAL RELATIONSHIPS

- 4.1 Personal familiarity between Members and Officers can undermine public confidence in the Council.
- 4.2 It is important that close relationships between Members and Officers are openly declared.
- 4.3 Close working relationships should never be allowed to become so close, or appear to become so close, as to bring into question the Officer's ability to deal impartially with another Member or other party groups, nor to undermine public trust and confidence in the Council.
- 4.4 Where possible Members and Officers who have close personal relationships should try to avoid coming into contact on projects and in the day-to-day business of the Council.

- 4.5 Member and Officers must declare to the Chief Executive any relationships, which might be seen as influencing their work. This includes any family, business or sexual relationships.
- 4.6 The Chief Executive will advise both the Member and the Officer of the need to avoid creating any appearance of improper conduct on their part.

5. THE POLITICAL RELATIONSHIP/ OFFICER ADVICE TO PARTY GROUPS

- 5.1 Council Officers must be politically neutral in their work for the Council and depending on their role some may be restricted in law from political activity.
- 5.1.1 In their dealings with party groups, Officers must treat each group in a fair and even-handed manner.
- 5.1.2 Officers will only attend political group meetings on request made to the Chief Executive or Executive Director and when the business of the meeting is related to the City Council's functions. Normally only Senior Officers should attend group meetings.
- 5.1.3 Officers have the right to refuse such requests if they do not relate to the functions of the City Council and will normally not attend a meeting of a party group where some of those attending are not Members of the City Council.
- 5.1.4 Such meetings shall be held at reasonable times and locations and should last no longer than a working day or three hours if held in the evening.
- 5.1.5 Officers who provide information or briefing papers to a political group meeting must make the same information available to all political groups. Officers should avoid including any confidential or personal information in such briefings. Normally cross-party meetings shall be arranged so that the information is presented to and discussed with all the parties simultaneously.
- 5.1.6 Officer support will not extend beyond providing factual information or professional advice in relation to matters of Council business. Officers must not be involved in advising on matters of party business, and therefore should not be expected to be present at meetings or parts of meetings when such matters are to be discussed.
- 5.1.7 Where Officers provide factual information and advice to a party group in relation to a matter of Council business this is not a substitute for providing all the necessary information and advice when
-

the matter in question is formally considered by the relevant part of the Council.

- 5.1.8 It will not be assumed that an Officer is supportive of a particular policy or view considered at a party group meeting simply because he/she has attended or provided information to the meeting.
- 5.1.9 Party group meetings are not empowered to make decisions on behalf of the Council. The presence of an Officer confers no formal status on such meetings in terms of Council business and must not be interpreted as doing so. Conclusions reached at these meetings do not rank as Council decisions.
- 5.1.10 At party group meetings where some of those present are not Members of the City Council, care must be taken not to divulge confidential information relating to Council business. Persons who are not Members are not bound by the Councillor Code of Conduct, in particular the declarations of interest and confidentiality provisions. They do not have the same rights to Council information as Members.
- 5.1.11 Discussions between Officers and Members on policy issues are quite proper and Officers may wish to seek political guidance in framing policy proposals. However, when Officers write Committee reports for Member decision, they have a duty to give their best professional advice and set out their options available.
- 5.1.12 Party political groups have no right to instruct Officers to amend or change reports or their content. Decisions by Members on Officer reports should be made in the correct decision-making forum based on clear factual and legal advice. Officers are fully responsible for the content of any report submitted in their name.
- 5.1.13 Officers in certain posts are statutorily prohibited from having any involvement in political activities. A list of these positions is maintained by the Director of Human Resources and Customer Services. All Officers are required to ensure that Council resources are not used for party political purposes.
- 5.1.14 Should a Senior Officer attend a group meeting they will respect the confidentiality of any party group discussions at which they are present and, unless requested to do so by that party group, will not relay the content of such discussions to another party group or to any other Members. This shall not prevent an Officer providing feedback to other Senior Officers on a need-to-know basis.

- 5.1.15 No Member will refer in public or at meetings of the Council to confidential advice or information that may prejudice the Council's position given by Officers to a party group meeting.
- 5.1.16 Any particular cases of difficulty or uncertainty in relation to this part of the protocol should be raised with the Chief Executive and the relevant party group leader.

6. OFFICER /CHAIR RELATIONSHIPS

- 6.1 Executive Directors and other Senior Officers are expected to work closely with Committee Chairs and to meet regularly with them. Officers and Members must avoid the working relationship becoming so close that it could call into question the Officer's ability to deal impartially with other Members and political groups.
- 6.2 Senior Officers, the Leader and Chairs shall agree mutually convenient methods of regular contact.

7. COMMITTEES

- 7.1 Committee decisions cannot by law be made by the Chair alone but by the committee collectively. The Chair should not seek to influence Officers to reduce the options or withhold information which s/he should properly report to a committee.
- 7.2 The Senior Responsible Officers will offer to arrange regular informal meetings with Chair and Deputy Chair and Group Spokespersons of committees and sub-committees.
- 7.3 Senior Officers (including the Monitoring Officer and the Chief Finance Officer) have the right to attend meetings and to present reports and give advice to committees and sub-committees.
- 7.4 Members of a committee or sub-committee shall take decisions within the remit of that committee or sub-committee and will not otherwise instruct Officers to act.

Chairs, Deputy Chairs, Group Spokespersons and Members of the relevant committee should accept briefings from the Senior Responsible Officer to inform decision making for complex or technical cases/items or where there is new national legislation or guidance.

- 7.5 At some committee or sub-committee meetings, a resolution may be passed which authorises a named Officer to take action between meetings in consultation with the Chair (or other Members). In these circumstances it is

the Officer, not the Chair, who takes the action and is responsible for it. A Chair has no legal power to take decisions on behalf of a committee or sub-committee, neither should he/she seek inappropriately to influence the Officer. Whilst the Officer is required to consult the Chair, and the Chair may express a view, it is the Officer who takes the final decision.

8. PUBLIC MEETINGS

- 8.1 If an Officer calls a public meeting, consultation exercise or launch event organised by the Council concerning a local issue, then the Officer will invite all Members for the Ward or Wards in question.
- 8.2 If any of the Local Members of Parliament are involved in the local issue, the Officer at his or her discretion may invite the MP to the meeting in addition to the Ward Members but if it is considered inappropriate for any reason he or she may meet the MP separately.
- 8.3 If a Ward Councillor calls or requests a meeting on a local issue at which an Officer(s) is/are requested to be in attendance the Officer(s) will be required to attend only if all the Councillors for the Ward have been invited to attend, or are agreeable to the meeting taking place, and if the subject matter of the meeting is not politically controversial.
- 8.4 Similarly if an MP calls or requests a meeting upon a local issue which an Officer or Officers is/are requested to be in attendance the same criteria govern the Officers attendance.
- 8.5 Meetings with Ward Councillors and/or MPs and others are generally private except where such meetings are arranged and set up by or under the auspices of Area Committees. Accordingly, Officers may confirm the events which occurred at such private meetings and the outcome of it with Members who attended but will not reveal these matters to other Members or to other Political Groups except with the specific authority of the Members who attended or called the meeting.
- 8.6 Information regarding activities in a particular Ward, should when appropriate, be copied to the Ward Councillors for information.
- 8.7 Officers presenting at public meetings are to fully prepare for these meetings by taking advice from the Senior Responsible Officer. Officers need to know what is specifically required, time slots available and key questions that have already been raised by Members/the public on this topic.

9. SUPPORT SERVICES TO MEMBERS AND POLITICAL GROUPS

- 9.1 The only basis upon which the City Council can lawfully provide support services such as secretarial support, stationery, typing, printing, photocopying, transport, etc., to Members is in order to assist them discharging their role as Members of the Council.
- 9.2 Such support services must therefore only be used on Council business and must not be used in connection with any party political or campaigning activity or for private purposes.

10. COMMUNICATIONS

10.1 Correspondence

- 10.1.1 Correspondence between an individual Member and an Officer should not normally be copied by the Officer to any other Member. Where exceptionally it is necessary to copy the correspondence to another Member this should be made clear to the original Member. In other words a system of “blind” or “silent copies” should not be employed.
- 10.1.2 Official letters written on behalf of the Council dealing with Council business should normally be in the name of the relevant Officer. It may be appropriate in some circumstances (e.g. representations to a Government Minister) for letters to appear in the name of the Leader or the Chair of a Policy Committee or an Area Committee or other Committee of the Council.
- 10.1.3 Letters which create legally enforceable obligations or which give instructions on behalf of the Council should never be sent in the name of a Member. Only certain Officers have delegated powers to create legal relations and all Officers must follow Standing Orders if entering into contractual arrangements.
- 10.1.4 It is appropriate for Members to pass correspondence to Officers and ask them to respond on behalf of the Council. Officers may only correspond for and on behalf of the Council in matters of Council business and not on behalf of the individual Member. Officers can provide Members with technical, Council information, which is used by Members as part of their correspondence.
- 10.1.5 Members should correspond in their own name. When writing in an individual capacity, Members must make clear that fact.

10.2 Email Communications

- 10.2.1 Members and Officers are to follow the Council’s Electronic Communications Policy and are not to use electronic communications (emails, online communications, including social media, or texts) to store/send materials or requests, which are offensive, bullying or causes offence to others.
- 10.2.2 Where Members and Officers receive any electronic communications, which may breach the Council’s Codes of Conduct or other Council policies and /or the law, they must follow the advice in section 16 on what to do when things go wrong.
- 10.2.3 When considering sending emails and online communications to third parties, such as community groups, Members and Officers must be make a clear distinction between what is:-
- Public information which can be shared with third parties
 - Internal Council Business which is confidential.

10.3 Casework/Service Complaints

- 10.3.1 The Council has a dedicated team which provides support for Members’ casework and enquiries. Members may also direct queries and service complaints to the relevant Director. Officers should acknowledge the enquiry and if possible provide a response within 3 working days. If the enquiry requires some investigation and further work, Members should be informed about this and then the response is to be available within 10 working days.
- 10.3.2 Members can escalate any service issue to the Chief Executive or the Director of Legal and Governance if they remain dissatisfied with the matter after referral to the Director.

11. PUBLICITY AND DEALING WITH THE MEDIA

- 11.1 Officers will not publish or assist in publishing material designed to affect public support for any political party this is to ensure compliance with the Local Government Act 1986, which prohibits such activities.
- 11.2 All formal publicity material produced by the Authority will state the Council’s position and not an individual’s view or personal position. Publicity should not be liable to misrepresentation as being party political.

11.3 All formal relations with the media must be conducted in accordance with the Council's agreed procedures and the Code of Recommended Practice on Local Authority Publicity.

11.4 The Council's contact with the media is led by the Communications Service. Officers or Members who have been contacted by the media or who wish to issue a press release or statement should seek advice from the Communications Service.

12. PRE ELECTION RULES ON PUBLICITY

12.1 If a Member is fighting an election the Code of Recommended Practice on Local Authority Publicity should be followed.

12.2 The general rule is that a local authority must not at any time publish any material that in whole or in part appears to be designed to create support for a political party.

12.3 Pre-Election this is even more sensitive and particular care needs to be taken to ensure that publicity could not be perceived as seeking to influence or to promote the public image of a particular candidate or group of candidates. During the PERP period Officers rather than Members should be quoted on news releases about Council initiatives, facilities and services.

12.4 Individual Councillors can generate their own publicity during this period subject to their own party's protocols but public funds must not be used to campaign to promote a particular point of view that could be associated with a political initiative. The Council restrictions only apply to official Council organised publicity including press releases or events.

12.5 Council events that cannot be re-scheduled for operational reasons must be arranged to ensure that there is no likelihood of criticism arising that the real purpose of the event is to publicise one particular party.

12.6 Council functions such as Committee meetings may continue during the period.

12.7 Council staff must always be careful not to give the impression of supporting a political party, set of policies or candidate. Council resources may not be used at any time to support party political activity. Officers must not engage in political activity during working hours or with Council facilities. Some staff hold politically restricted posts which limit the political activity they can be involved in outside work.

13. MEMBERSHIP OF ORGANISATIONS

- 13.1 Members and Officers are both required to declare in writing to the Monitoring Officer their membership of any organisation not open to the public that requires formal membership and oaths of allegiance and which has secrecy about rules, membership or conduct.
- 13.2 The expectation of the City Council is that Members will declare publicly any such involvement. However, such interests will not be included on the Register of Members Interests.

14. MEMBERS ACCESS TO INFORMATION AND TO COUNCIL DOCUMENTS

- 14.1 Members are entitled to approach any Council Service to provide them with such information, explanation and advice with regard to that Service's functions as they may reasonably require in order to assist them in discharging their role as Elected Members. This can range from a request for general information about some aspects of a Service's activities to requests for specific information on behalf of a constituent. Such approaches should normally in the first instance be directed to the Head of the Service or the Executive Director for the Portfolio.
- 14.2 A Member's legal rights to inspect Council Documents are partly covered by statutes including Data Protection Act 2018 and Freedom of Information Act 2000, Local Government Act 1972 and Environmental Information Regulations 2004 and partly by decided case law.
- 14.3 Briefly, Members have a statutory right to inspect any Council document which contains material relating to any business which is to be transacted at a Council or Committee Meeting or Statutory Committee. Such a right applies irrespective of whether the Member is a Member of the Body concerned and extends not only to reports which are to be submitted to the meeting but also to any relevant background documentation. Such a right does not however apply to documents relating to items which are confidential. Such matters are those which contain confidential information relating to employees, occupiers of Council property, applicants for grants and other services, the care of children and vulnerable adults, contracts, industrial relations negotiations, legal advice including counsel's opinion and criminal or conduct investigations.
- 14.4 Decided case law gives Members a somewhat broader right to documentation based on the principle that any Member has a prima-facie right to inspect Council documents "so far as his/her access to documents is reasonably necessary to enable the Member properly to perform his or her duties as a Member of the Council". Members will recognise this as the "need to know" principle.

- 14.5 The exercise of such right depends upon a Member’s ability to demonstrate that he/she has got a need to know. This does not entitle a Member to make speculative enquiries sometimes referred to as “a fishing expedition” i.e. mere curiosity is not sufficient. The crucial issue is the determination of whether that Member has a need to know.
- 14.6 In certain instances, such as an Elected Member wishing to inspect documents relating to the functions of the Body on which they serve, then there is a presumption that such Member already has a need to know. However, in other instances, for example a Member wishing to inspect documents that contain personal information about third parties, then that individual Member would be required to justify the request in specific terms.
- 14.7 Whilst the expression “Council Document” is very broad and includes for example any document produced from Council resources a Member of one party group will not have a “need to know” and therefore a right to inspect a document which forms part of the internal workings of another party group.
- 14.8 Where Officers consider access should be refused and Members disagree, or vice versa, the decision should be made by the relevant Head of Service or Executive Director. This decision should be informed by best practice guidance to local authorities provided by the Information Commissioner’s Office.
- 14.9 Officers and Members must follow the Council’s Information Security Policy which controls how Council information is managed. Members and Officers should be aware of the significant consequences of losing or wrongly disclosing information.
- 14.10 Finally, and very importantly **any Council information provided to a Member must only be used by the Member for the purpose which it was provided**, i.e. in connection with the proper performance of a Member’s official duties.

The Councillor Code of Conduct says that a Member must not disclose information given to them in confidence or information that they believe to be confidential, without consent of a person authorised to give consent, unless very specific requirements are met such as they are required to do so by law.

Members are to take advice from the Monitoring Officer before releasing any confidential information or refusing access to information that a person is entitled to by law.

- 14.11 Further and more detailed advice regarding Members’ right to inspect Council documents may be obtained from the Director of Legal and Governance.

15. WHAT TO DO WHEN THINGS GO WRONG

Officers Concerns about Members

If an Officer feels that they have been asked/told to do things that appear to be outside the Councillor Code of Conduct or this Protocol:-

- Officers are to raise the issue with appropriate senior manager; Officer, Manager and Member to have informal discussion; a record to be retained of salient points and actions.
- If the conduct continues or is disputed, Officer may refer the complaint to the Monitoring Officer who will arrange for the Executive Director to investigate and report recommendations back in writing to Officer, Member and Monitoring Officer within a reasonable period of time.
- If informal procedures do not reach a satisfactory conclusion Officer may consider using the Whistleblowing Procedure set out in the Officers' Code of Conduct or, where an Officer feels a Member has breached the Councillor Code of Conduct, in particularly serious cases and with the advice of the Monitoring Officer referral of the matter to the Audit and Standards Committee.

Members Concerns about Officers

If a Member feels that an Officer has acted in a manner that is contrary to this Protocol:-

- Members are to raise the matter with Officer and Officer's Manager; Member and Officer and Manager to have informal discussion as soon as reasonably practicable; Manager to retain a record of salient points and actions.
- If the conduct continues or is disputed, Member may refer the complaint to the Monitoring Officer who will arrange for the Executive Director to investigate and report recommendations back in writing to Member, Officer and Monitoring Officer within a reasonable period of time.
- The Manager may decide that appropriate disciplinary action is required; if so, he/she will notify the Monitoring Officer who will decide in consultation with the relevant Human Resources Officer whether formal action, as set out in the Officers' Code of Conduct and the Officer Employment Procedure Rules, should be taken.

Members Concerns about Senior Officers

- If the complaint concerns a Statutory Officer or Executive Director the complaint may be referred to the Chief Executive for the preliminary investigation and decision which will then be given to the Member concerned.
- Where a complaint relates to the Chief Executive both the Chief Executive and the Member concerned shall consider whether a meeting facilitated by the relevant whip or party leader could resolve the situation.
- In all situations the Officer (or Senior Officer) may involve their Trade Union representative and only Managers (not Members) in consultation with the relevant Human Resources Officer will decide whether formal action should be taken.

CODE OF CONDUCT FOR COUNCIL MEMBERS AND OFFICERS IN RELATION TO PLANNING MATTERS

1. Purpose of Code

1.1 This Code of Conduct has been adopted by the Council to regulate the performance of its planning function.

The Code has the following objectives:

i) To guide Members and Officers in dealing with planning related matters.

ii) To inform potential developers and members of the public generally, of the standards and procedures adopted by the Council in the performance of its planning function.

1.2 This Code of Conduct relating to Planning Matters is intended to supplement the overall Councillor Code of Conduct elsewhere in Part 5 of this Constitution. The purpose of this code is to provide more detailed guidance on the standards to be applied in relation to planning related issues.

1.3 Although this code refers to the Planning & Highways Committee (for brevity, “the Committee”), its provisions apply equally to any other body of the Council making decisions on planning matters.

1.4 Planning law requires local planning authorities to determine all planning applications in accordance with the approved development plan unless material considerations indicate otherwise. This responsibility must be performed without undue influence or personal interest.

1.5 Members should not decide what weight to give different material planning considerations until they have read the Head of Planning’s report, heard any representations and listened to the debate at Committee.

1.6 There is no reason why Members cannot attend briefing sessions with applicants, express views on individual applications or attend public meetings or campaign group meetings for or against individual applications; in many cases it can be helpful to applicants and Officers to alert them to concerns early in the application process. However Committee Members should not say or do anything which may indicate how they intend to vote on a particular application.

2. **Declaring Interests**

- 2.1 Members (and Officers) will have to decide whether or not they have a Disclosable Personal Interest (DPI) in anything being considered at a meeting.
- 2.2 The interests members must register are set out below they include the interests of the Member and his/her spouse/partner:-

Employment, office, trade, profession or vocation

Any employment, office, trade, profession or vocation carried on for profit or gain.

Sponsorship

Any payment or financial benefit in respect of any expenses incurred in carrying out duties as a member, or towards the election expenses.

This includes any payment or financial benefit from a trade union

This does not include hospitality payments e.g. going to a football match.

Contracts

Any contract which is made between the member (or a body in which the relevant person has a beneficial interest) and the Council under which goods or services are to be provided or an existing contract delivering goods and services.

Land

Any beneficial interest in land which is within the area of the Council.

Licences (property)

Any licence (alone or jointly with others) to occupy land in the area of the Council for a month or longer.

Tenancies held by Companies in which the member has a beneficial interest

Any tenancy where the landlord is the Council; and

Securities (shares, debentures etc)

Any beneficial interest in securities of a body where —

- (a) that body has a place of business or land in the area of Council and
- (b) the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body

There are more detailed rules if the shares held by a company are divided into more than one class.

Where a member has a DPI, it is a criminal offence to:

- fail to register that interest within 28 days of being elected;
- fail to declare an unregistered interest at a meeting; and
- participate in a relevant item of business

DPIs have a broader definition than the former prejudicial interest. It is a DPI even if there is no likelihood that it might prejudice the member's perception of the public interest. This means that a decision which has only a minimal impact on a member's property or employer can trigger a criminal offence if it is not registered.

2.5 If you have a DPI which relates to a matter being considered at a meeting you must declare what the interest is if you have not already done so and withdraw from the meeting by leaving the room.

2.6 Members should also refer to the Councillor Code of Conduct for guidance on disclosure of Other Registerable Interests and Non-Registerable Interests. If in doubt it is advisable to seek the views of the Monitoring Officer.

3. Lobbying

3.1 Provided that Members comply with the general guidance in 1.6 there is no restriction in principle on being lobbied by developers, applicants or local interest groups. Written representations received, whether for or against an application, should be forwarded to the Head of Planning so that they can be considered and included in any report to the Committee or on the delegated decision file.

3.2 As explained in 1.6, briefing sessions or meetings with applicants can be very helpful but members must avoid giving the impression that they have already made up their mind, so it may be helpful if members make it clear that any views they express are provisional.

4. Reports by Officers to Committee Members

4.1 Members are required to arrive at a decision on granting or refusing permission by using planning criteria and by excluding non-planning considerations. In determining planning applications Members are required to have regard to the development plan for the area and to any other material considerations. To this end, the reports of Officers to Members must be accurate and cover all relevant points. These reports:

- (a) Should contain a section on the relevance of the development plan, a description of the site and any related planning history and all other relevant material considerations will be outlined.
- (b) Should deal with the substance of any planning objections received and the views of people who have been consulted or notified
- (c) Should incorporate a recommendation for the consideration of Members; oral reporting (except to introduce a report or update it) should be extremely rare and carefully minuted when it does occur.
- (d) Should contain a technical planning appraisal which clearly justifies the stated recommendation.
- (e) If the report's recommendation is contrary to the provisions of the development plan, the material considerations which justify this must be clearly stated.

5. Public Speaking at Committee Meetings

5.1 Public speaking at Committee meetings allows interested parties, including the public and applicants, to have direct access to Councillors at the point in time just before a decision is to be made. This should enhance public confidence in the process.

5.2 It is important that the 'Chance to Speak' offered in Sheffield is operated in a clear and equitable manner. The following procedure applies:

- (a) The 'Chance to Speak' applies to the public, community groups, applicants, Town and Parish Councillors, City Councillors, or any representatives of the above.

- (b) Where a request is made, speaking is at the Chair's discretion but will always include at least one person, if present, from each principal point of view (support or opposition).
- (c) If there are groups of people wishing to speak, wherever possible the Chair will seek a representative to put the whole case. Additional speakers should be strictly limited to any genuinely different viewpoints or additional considerations. Repetition of points already made is unnecessary and will cause delay. Whilst a dialogue will not be permitted the Chair can use his discretion to allow Members to put a question to the applicant or other parties if that will help in the decision-making process and provided that officers are given the opportunity to advise on material considerations
- (d) Speaking is limited to a maximum of 5 minutes per speaker.
- (e) It is intended that the 'Chance to Speak' in Sheffield is operated with the minimum of bureaucracy while enabling the meeting to run efficiently. Speakers must register their wish to speak to the Committee Secretary in advance of the meeting (for example by 2.00 pm on the Friday before a meeting on a Tuesday); the Committee Secretary will advise the Chair of their names and the item they wish to speak on. There are significant advantages to a flexible approach, but it is critical that this is operated in an equitable manner to maintain the confidence of all parties.
- (f) The Chair should consider the advantages of bringing forward on the agenda items where there are identified speakers, to allow interested parties to leave the meeting without undue delay should they wish after their item.
- (g) The Chair should announce at the commencement of the meeting how s/he will manage the meeting to facilitate people being able to put their views to the Committee. The normal order of speaking on any item will be the Officer giving their report and recommendation followed by any public speakers. Only Committee Members will be able to question Officers and speakers for clarification. The Committee will then start to debate the item and from this point members of the public have no further opportunity to speak or be involved (unless the Chair determines there are exceptional reasons to do so for clarification). Certainly the public cannot take part in the debate or decision.

6. Committee Site Inspections

- 6.1 Site visits will cause delay and additional costs and should only be used where the expected benefit is substantial. A decision by the Committee to carry out a site inspection should normally only take place:
- (a) If the impact of the proposed development is particularly difficult to visualise from the plans and any supporting material; or
 - (b) There is considerable local concern about a proposal, allied to planning reasons for carrying out the visit (e.g. the physical relationship of the site to other sites in the neighbourhood).

Normally Officers will identify such cases in advance to avoid delay.

- 6.2 Where an application is deferred by the Committee for a visit, clear reasons should be given at the meeting for the deferral so that the applicant and any third parties involved are able to understand the need for, and the benefit of, a site visit. This is to avoid misunderstanding either about the purpose of the site visit or the matters which are being considered.
- 6.3 Where it is intended to inspect the site it is essential that extremely careful arrangements are made to ensure that all parties are treated fairly and equitably, and that the appropriate standards of propriety are seen to be upheld.
- 6.4 When Members go on Committee site inspections they should realise that the function of the inspection is to visualise the development and assess the facts on the ground, and the following rules apply:
- (a) The visit will be led by a planning officer.
 - (b) Whilst discussions can take place with the applicant or objectors, these should concentrate on dealing with issues arising from the assessment of the development as seen on the site visit rather than dealing with issues of principle arising from the development itself.

7. Individual Site Inspections by Members

- 7.1 Members are encouraged to look at an application site following the receipt of the agenda and prior to the date of the Committee meeting. This will enable them to acquaint themselves with the nature of the proposal and will help avoid delay and unnecessary site visits.

However, Members must conduct such site inspections from a public vantage point and should not discuss the application with any applicant/agent or third party. They should not enter a site even if invited.

7.2 Members of the Committee should not enter any premises not normally open to the public which are either:

- (a) The subject of, or affected by, a planning application; or
- (b) known by the Member to be likely to become the subject of, or affected by, a planning application

for any purpose in connection with such an application, save in the course of a Committee site inspection.

8. **Training**

8.1 Members of the Planning and Highways Committees must receive training in the planning system before serving on the Committee and their training must be refreshed every two years. Members will not be able to continue on the Committee without this. This is to ensure that correct procedures are followed and proper planning considerations are employed in decision making. The integrity of the planning system and the need for public confidence require this.

8.2 Refresher training, updates, or more detailed training on specific issues will also be provided every two years and must be taken up by all relevant Members.

9. **Complaints and Record Keeping**

9.1 Whatever procedures the Council operates, it is likely that complaints will be made. In order that any complaints can be fully investigated, record keeping should be complete and accurate. Omissions and inaccuracies could, in themselves, cause a complaint or undermine the Council's case. Every planning application file will contain an accurate account of events throughout its life, particularly the outcomes of meetings or significant telephone conversations.

9.2 The same principles of good record keeping will be observed in relation to enforcement and development plan matters. Monitoring of record keeping will be undertaken on a continuous basis by managers in the Planning Service.

10. **Officer's Function**

- 10.1 An Officer's function is to advise Members on all matters of planning policy and procedure in their determination of planning and related applications by:
- (a) Providing impartial and professional advice.
 - (b) Making sure that all the necessary information is available for a decision to be made.
 - (c) Providing a clear and sufficient analysis of the issues including development plan policies and all other material considerations.
 - (d) Giving a clear recommendation.
 - (e) Carrying out the decisions of the Committee.
- 10.2 In addition:
- (a) Impartial advice will be given to prospective applicants prior to submitting an application. Advice will reflect approved Council planning policy. It will then be made clear that such advice will be without prejudice to any subsequent recommendation or formal decision by the Committee or a decision made under delegated powers.
 - (b) All application sites will be visited unless there is sufficient up to date photographic evidence for a decision to be made without the need for a visit.
 - (c) Officers will endeavour to deal with applications and make final recommendations for the grant or refusal of permission in a timely manner without undue delay , whilst ensuring that sufficient time is allowed for consultation to take place where required and as set out in the Statement of Community Involvement.
 - (d) All applications will be considered by at least two Officers, i.e. the case officer plus the Officer responsible for the final decision and/or recommendation.
 - (e) Members of the public, applicants, etc. will not be advised of the Officer's final recommendation to the Committee until agendas have been sent to Members, although Officers can use their judgment where the indication of a likely recommendation would
-

be of particular assistance to an applicant or objector and is unlikely to cause difficulties for any other interested parties.

- (f) In all dealings with applicants, agents, and the public Officers should maintain a courteous and professional relationship adhering to the Council's policies and officer codes ensuring that all parties are treated fairly and respecting people's rights.
- (g) When an application is submitted by an Officer involved in the planning process the Officer shall advise the Head of Planning. Such applications shall not be determined under delegated powers.
- (h) Where an Officer has a relationship with any applicant, agent or organisation that could lead to a third party suggestion of bias, the Officer will inform the Head of Planning in writing and take no part in processing or determining the application.
- (i) Officers should not, under any circumstances, accept gifts or hospitality beyond simple basic refreshment where necessary or unavoidable. If, however, a degree of hospitality is unavoidable, it should be ensured that this is of the minimum and its receipt is declared as soon as possible. All offers of gifts and hospitality, whether accepted or not must be entered in the hospitality record book, with the exception of simple basic refreshment.

11. Decisions Contrary to Officer Recommendation and/or Development Plan

- 11.1 The law requires that where the development plan is relevant, decisions should be taken in accordance with it unless material considerations indicate otherwise.
- 11.2 In discussing and then determining a planning application Members should confine themselves to the planning merits of the case and the reasons for making a final decision should be clear and convincing and supported by planning evidence. All decisions must be founded on planning reasons and there must be planning evidence to substantiate them.
- 11.3 There is no reason in law why a Planning Committee may not make a decision contrary to the Officer's recommendation, whether it is for approval or refusal. Nevertheless, the law does require that in the case of refusals of planning permission detailed reasons are given, and it is clearly important that where Members have made a decision contrary to an Officer's recommendations the reasons for the decision should be

made clear such that there can be no suspicion of the decision being made for non-planning reasons. In such a situation, therefore, whether the decision by Members is to approve or refuse permission, the planning reasons should be clearly minuted, together with a reference to the evidence to substantiate them.

12. Consequences of Failure to Comply with the Code

12.1 This Code sets out the standards that the Council will operate in dealing with planning applications. Members and Officers should realise that failure to comply with the Code may have legal consequences.

12.2 These include:

- (a) Investigation by the Local Government Ombudsman if complaints are received about the manner in which a planning application has been dealt with. In determining whether there has been maladministration the current test is that Members must “at all times avoid any occasion for suspicion and any appearance of improper conduct” and must not allow “the impression to be given that (the Member) is or may be using his position to promote a private or personal interest”. Individuals involved may be named and the Council may be found guilty of maladministration and ordered to compensate the claimant.
- (b) Appeal to the Secretary of State. As well as granting planning permission he can award costs against the Council if it has acted unreasonably - that can include bias and also whether the decision has been taken for non-planning reasons.
- (c) Court action to quash a planning decision either if a real danger of bias is shown or it is demonstrated that a decision was taken for non-planning reasons. Costs will be awarded against the Council which will have to re-determine the application correctly.

Introduction

This Guidance is for Planning and Highways Committee Members attending Committees and is intended to supplement the Corporate Councillor Code of Conduct (the Code of Conduct) and any Code of Conduct for Council Members and Officers in Relation to Planning Matters issued from time to time by the City Council with regard to the operation of Committees and the determination of Planning matters.

This Guidance is not binding upon Members but sets out examples of both best practice and inappropriate conduct to aid in the interpretation of the above Codes and it is in the best interests of the City Council, the Committees and individual Members to follow this guidance, as compliance or non-compliance with this Guidance may be a material consideration in any subsequent investigation of a complaint as to Member's conduct. This Guidance Note is on general procedures for Committees and specific guidance on particular matters such as Telecommunications will be issued from time to time by the legal contact officers for Members.

The aim of this Guidance is to reduce the number of situations where things said or done by Members attending the Committees are misconstrued resulting in damage to the Council's reputation and loss of confidence in the planning system, unnecessary legal challenges, planning appeals and awards of costs against the City Council

This Guidance may be amended at any time to accommodate changes in the law, procedure and best practice and revised copies will be circulated to all Members prior to the next meeting of the relevant Committee.

1. Members' Training

Members are reminded that determining matters under the Town and Country Planning Act 1990 and related legislation at a Committee requires a degree of knowledge and familiarity of planning law and procedure on their part. Member training is offered as a prerequisite to all new Members to Committees and regular updates and training for existing Members is offered by Planning Officers as is required due to legislative or policy change.

No Member may be appointed to serve on a Planning and Highways Committee until they have received the necessary training. This is to ensure that correct procedures are followed and proper planning considerations are employed in decision making. The integrity of the planning system and the need for public confidence require this.

2. **Chair’s Briefing Meetings**

Chair’s Briefing Meetings will be held with Officers and will deal with circumstances such as the late submission of relevant information and of procedural issues concerning the conduct of the Committee hearing.

2.1 Planning and Highways Committee Briefing Meetings

2.1.1 The role of any Briefing Meeting which is held is to allow developers to present large-scale development proposals to the Committee early in the planning process, and wherever possible at the pre-application stage, so that the developers will benefit from early feedback on any concerns that the Committee Members may have about the proposal. This gives the developer the opportunity to amend their proposals if they wish and avoids the possibility that the Committee’s eventual decision on the application might come as a surprise to the developer. Planning Committee Members are required to attend any Briefings to ensure that developers get any feedback necessary.

2.2 Such meetings are not to be used for discussion of the merits of any proposal.

3. **The Public Nature of Committee Meetings**

3.1 All Committees are public meetings of a committee of the City Council and it is a legal requirement that the public and the press are admitted to all such meetings.

3.2 The issue of transparency of proceedings is especially important in planning matters where a controversial application determined by an officer under a delegated power or in a closed session may lead to unfounded allegations of bias which can only be removed by having the matter determined in public. A controversial application in this context may mean a matter which is relatively simple to determine in terms of planning policy, but which may encounter significant public opposition due to the nature and proximity of the anticipated use e.g. a major metropolitan landfill site 250 metres from a small town.

3.3 In addition Planning Authorities are expected to consider the views of local residents in determining planning applications, with the failure to do so resulting in a potential award of costs at a subsequent planning appeal. Excluding the press and public could therefore be used against the City Council to make a claim for such costs.

3.4 The Committee is a Regulatory Body for the purposes of the Council Procedure Rules in that it discharges on behalf of the City Council those planning and highways regulation duties imposed by statute. This means that the cap as to length of meeting under Clause 5.12 of the Council Procedure Rules in Part 4 of the Constitution does not apply to meetings of the Committee so as to allow full access to the public to all items on the Agenda of the Committee without premature termination of the public right to make representations caused by overrunning.

4. **The Submission of Late and/or Confidential Information**

4.1 Sometimes information is submitted to a Member by an objector or other third party which if it were received in time would normally be incorporated into a report on an agenda, or supplementary agenda, but for one reason or another has been received too late for this to occur. This information may be in the form of a written submission or a set of photographs or some other audio-visual aid, submitted just before the Committee Meeting directly to Members by persons supporting or objecting to a particular item on the Agenda and without notice to the Officers.

4.2 If such late information is submitted directly to a Member, the Member should pass on this information as soon as possible to the Planning Officer (or the Committee Secretary if the meeting is about to commence) to determine the best course of action given the amount of information received and the stage of the proceedings, as well as when this information first became available for submission. Depending upon these factors this may mean that the particular item in question has to be deferred until the next meeting of the Committee. This should only occur in the most extreme circumstances when determination on the date of the current Committee is impossible.

4.3 The deliberate late submission of information on a contentious item should not be used as an excuse for a deferral of that item to the next Committee. Members should therefore consider very carefully any circumstances where a party has had access to information relevant to the determination of an item but has withheld submitting this information until after the publication of the Agenda. In such circumstances it may be advisable to put such an item to the end of the Agenda and/or allow a short adjournment for officers to assess the late information and make a verbal report back to the Committee. This would prevent undue delay arising in the determination of contentious issues which might lead to unnecessary planning appeals.

- 4.4 Sometimes a person will attempt to supply information to a Member which is claimed to be confidential in nature. Members should remember that they have a general duty of confidentiality under paragraph 4 of the Code of Conduct, and any action taken by the Member concerning the use of such confidential information should be in accordance with that duty.
- 4.5 The principle of transparency in the planning process will generally find against any relevant information to the planning process being withheld from public scrutiny, restricting any right of confidentiality which may be sought by the person providing the information. In such circumstances the Member will normally be required to ask the person supplying the confidential information to decide between openly providing this information or of withdrawing this information from consideration whatsoever, so as to comply with both the duty under paragraph 4 of the Code of Conduct, and the public principle of transparency.
- 4.6 Only where the City Council have been advised by the appropriate authorities that there is a legitimate and well founded threat to life or property from the publication of such information, would a right of confidentiality be ever considered to exist sufficient to overcome the principle of transparency. Mere commercial or personal interests on their own will never justify the breach of the principle of transparency.

5. The Submission of Defamatory and Offensive Information

- 5.1 Overtly defamatory or offensive remarks in a representation will not be accepted, even if legitimate planning issues are also raised. Its publication would not only bring the planning process into dispute but may also render the Council liable in damages if malice can be proved. Correspondents will be informed that they will need to be resubmitted with such comments removed.
- 5.2 There may be instances where an unsubstantiated allegation may contain information material to the determination of a course of enforcement action or a planning application. A developer or landowner may regard the allegations as defamatory, but if they cannot be safely ignored and are material to the delegated or Committee decision to be made, their consideration will be justified.

6. Unreasonable Conduct in Decision Making

- 6.1 Members must be aware that making a decision based on grounds not related to planning issues will be considered to be unreasonable conduct by both Planning Inspectors and the High Court, resulting in
-

this decision causing an award of costs against the City Council at a planning or enforcement appeal and/or the decision being quashed on judicial review with an award of costs against the City Council.

- 6.2 All planning authorities have the discretion not to adopt the professional or technical advice of its Planning Officers, so that a decision against the advice of the Planning Officer will not automatically be considered to be unreasonable conduct.
- 6.3 Members will sometimes face considerable public support for or against a particular item on the Agenda of the meeting. Whilst the views of local residents have to be taken into account when determining a planning application, if those views are not relevant to a planning issue it is unreasonable conduct for Members to take them into account when making a decision. Planning Officers seek to identify planning and non-planning issues raised as part of the consultation process and decisions as an aid to Members in this regard.
- 6.4 Decisions which ignore Local or National Policy Guidance will generally be deemed to be unreasonable and may result in costs being awarded to the appellant. Decisions which seek to evade National or Local Policy Guidance by adopting grounds for refusal which are in line with that policy but which are clearly not applicable to the circumstances of the particular application will also generally be deemed to be unreasonable and may result in costs. Again Planning Officers will refer to relevant National and Local policy guidance in their reports as an aid to Members in this regard.
- 6.5 Disagreement with the Planning Officers will normally be reasonable where it involves Members giving different weight to certain material planning considerations, based on careful consideration of the advice given by planning officers and of the supporting evidence. Planning decisions often involve weighing up conflicting considerations leading to a balanced judgement and reports to the Planning Committee will indicate where there is conflicting evidence or where a recommendation is finely balanced. Genuine differences of opinion between the Planning Officer and the Members on such issues can therefore exist without either bringing the planning system into disrepute or risking an award of costs.
- 6.6 Members should also be aware that when authorising enforcement proceedings that unreasonable decisions will put the Council at financial risk. A Stop Notice can create substantial costs for a developer or landowner and the Council is only protected from a substantial compensation claim if the development being stopped is

unlawful. Any Enforcement Notice that requires the owner/occupier to do more than is required may not only result in an award of costs but may also result in a substantial claim for compensation should the accompanying Enforcement Notice be dismissed on appeal. The Planning Officers report will provide guidance for Members as to what is reasonable in the circumstances of the case on these points.

7. Maintaining Public Confidence in the Committees

- 7.1 Public confidence in the local operation of the planning system can be undermined by Members making unreasonable decisions (as set out in paragraph 6 above), as this may result in an increase in the number of appeals which the City Council lose. Success on these appeals may encourage disappointed applicants to make appeals for all applications in the hope that an Inspector will be more likely to grant planning permission than the Committee. In such a situation the City Council would have an increasing amount of Officer time and resources spent on matters not suitable for appeal in the first place.
- 7.2 Members should be especially careful when dealing with the media in respect of matters pertaining to the Committee, as adversely reported comments may also result in a loss in public confidence.
- 7.3 Members should note that conduct undermining confidence in the planning system may also constitute conduct bringing the authority into disrepute under paragraph 5 of the Code of Conduct.

8. Maintaining Public Confidence in the Role of Planning Officers

- 8.1 Members should at all times during meetings of Committees maintain a professional relationship with Planning Officers, sticking strictly to the Items contained within the Agenda and to the order of business as set out in the Agenda, rather than seek to raise matters with the Planning Officer not on the Agenda which may be misconstrued by those present.
- 8.2 Members should be careful as regards individual approaches to Planning Officers immediately before or after Committees. If the approach is in relation to an item on the Agenda, this may be misconstrued as an attempt by other persons present to influence the Planning Officer's professional and impartial advice and give rise to the appearance of a personal or Disclosable Pecuniary Interest existing where no such interest exists. All matters pertaining to an item on the Agenda, including questions to the Planning Officer should be dealt with under the normal order of business in open meeting.

- 8.3 Members who would be barred from an item on the Agenda of a particular Committee due to having a Disclosable Pecuniary Interest should take special care when making any approach to the Planning Officer. If these approaches are immediately prior to or immediately after the Committee meeting, or that particular Agenda Item, then this may be misconstrued as an attempt to unduly influence the Committee through the Planning Officer, even if the approach is unrelated to anything on the Agenda.
- 8.4 Members can legitimately question the views of Planning Officers in a robust manner and openly express disagreement with their professional views. This can lead to a better understanding of the issues involved by all persons present, to the benefit of the planning system.
- 8.5 Members should however seek to avoid an unduly adversarial, repetitive or demeaning style of questioning, as this may reflect badly upon both the Planning Officer and the Member to the detriment of public confidence in the operation of the planning system. It is important that the professional standing and credibility of Planning Officers and the objectivity and efficacy of Committee Members is maintained in order that the public has confidence in the Council's planning system and is not unduly sceptical in its operation.
- 8.6 Members are further referred to the Protocol for Member/Officer Relations at Part 5 on the Constitution which deals with the general obligations between Members and Officers.

9. Allegations of Misconduct of Officers

- 9.1 Members should be reminded that Planning Officers and other Officers will often work with the professionals acting on behalf of a developer to improve a poor or marginal scheme through a series of negotiations over often quite lengthy periods of time. This is part of the duties of Planning Officers and does not of itself imply that there has been improper collusion between the Planning Officer and the Developer, or that the Developer has exercised undue influence over the Planning process.
- 9.2 If a Member reasonably believes that improper collusion exists, or that undue influence is being exercised by a Developer in respect of a Planning Officer then this allegation should be notified to the Monitoring Officer before the meeting of the Committee. The Monitoring Officer will then inform the Chief Planning Officer, Director and/or Executive Director and take action with regard to informing external investigators

such as the South Yorkshire Police. The Member should thereafter provide whatever evidence or assistance may be required in the proper investigation of this matter by the City Council and/or the Police.

- 9.3 In the event of an allegation of improper collusion or undue influence being raised prior to the Committee meeting, the planning case file and Report will be reviewed by a Planning Officer senior to the Planning Officer preparing the report and previously unconnected to the application and any amendments to the Report will be presented by that senior Planning Officer.
- 9.4 In no circumstances should a Member seek to make an allegation of improper collusion or undue influence in the course of the Committee meeting itself. Aside from disrupting the proper conduct of the meeting and bringing the planning system into disrepute, this would prejudice the proper investigation of the allegation and personally leave the Member open to investigation for misconduct and an action for slander by the Developer and his agents, as well as the Planning Officer, should the allegation not be substantiated. A Member should therefore also not seek to defer a determination following an allegation of misconduct made by a member of the public.
- 9.5 Members need to be aware that conduct which falls outside these guidelines can be the subject of an application for judicial review on the ground that the Committee failed to deal with the particular application in a proper manner: it does not matter that the decision may have been correct in planning terms. It could also justify an application for costs in a planning appeal. Allegations of bias and/or improper collusion could potentially also be the subject of an action for slander; statements of that nature only attract qualified privilege which can be withdrawn if malice is proved.

10 **Commencement of Committee Meeting**

- 10.1 Prior to the start of the meeting, the Committee Secretary will have found out which members of the public wish to speak on which items on the agenda. The order of the agenda should therefore be revised in consultation with the Chair, to move those items up the agenda which have the most interest to those members of the public present so as to allow it to be dealt with first and to avoid disruption of the meeting.
- 10.2 The Committee Secretary will then announce the revised order of business and will explain, for the benefit of the public, the procedure for addressing the Committee. The Committee Secretary will also announce, after consultation with the Planning Officer, if any

application is now not to be considered at the current meeting or has been completely withdrawn by the applicant.

- 10.3 In respect of applications which are now to be considered at the next Committee Meeting, any members of the public present who attended the meeting of the Committee to speak to that application should be offered the chance to either speak to that application with their comments incorporated into the revised report for that application, or to return to the next meeting of the Committee when the item would normally return for consideration. The preferred option would be for members of the public to attend to speak to that application at the next Committee meeting.
- 10.4 To speed up the proceedings, it will be assumed that Members will have read the reports on the agenda. Presentations will however be invited where they help to focus the Committee on the material considerations, where there are supplementary reports or to help the public understand why decisions are being made.
- 10.5 Members leaving the room during consideration of an item can not thereafter take part in the decision on that item upon their return, as they cannot be seen to have been in full possession of the information required to make that determination, and may have been influenced by events occurring outside the Committee during their absence.

11 Meeting Procedure and Decision Making

- 11.1 Members are reminded of the procedure for considering each application as follows:-
- Planning Officer Introduction to report, where appropriate (see paragraph 10.4 above).
 - Public representations – speaker(s) against recommendation first; speaker(s) for recommendation second.
 - Planning Officer response to public representations.
 - Member report back on any site visit held.
 - Member questions.
 - Planning Officer responses.

- Member comments.
 - Voting on Planning Officer recommendations (with any amendments/ suggested changes/ additional conditions, etc.) as per Council Procedure Rules.
 - Give reasons for grant or refusal of application.
 - When granting a planning application, to indicate whether or not it should be required that any amendments to the application which need planning permission which are subsequently submitted by the applicant to be reported to the Committee for a decision.
- 11.2 Members may ask for the vote to be recorded, as normally no record is taken of the numbers for or against on a particular determination, only whether or not the matter was agreed or refused by the Committee. Council Procedure Rule 18.6 sets out in full the proper procedure for a formal recorded vote.
- 11.3 Separate guidance in the form of a Guidance Note to Chairs on Disruption of Committee Meetings by Members of the Public exists in relation to the disruption of Committee Meetings by members of the public, which includes the intimidation of Members.
- 12. Requests for Site Visits**
- 12.1 Wherever possible, Planning Officers and the Chair of the Committee will try and anticipate where a site visit might be required and organise it in advance of the Committee, to avoid unnecessary delay. A clear case should be presented by any Member suggesting an additional site visit and consideration given to any advice from Officers present about available information that might negate the need for a visit. Paragraph 6 of the Code of Conduct in Relation to Planning Matters contains specific rules regarding this issue.
- 12.2 When the Planning Officer suggests a decision on an application be deferred pending a site visit and a member of the public is present at that meeting and may be unable to attend the following meeting, then he/she should be allowed to speak and a note of such representations will be made and taken into account when that application is considered.
- 12.3 Members are reminded that the Code of Conduct in Relation to Planning Matters at paragraphs 6 and 7 regulates Members' conduct
-

with regard to both formal Committee Site Visits and individual site visits.

- 12.4 Attendance at a formal Committee Site Visit is not mandatory for Members voting on the subsequent item on the Agenda, but Members are expected to attend if they feel that they could not make a decision without a site visit in any particular case or to ensure that sufficient Members attend to maintain public confidence in the need for the visit. If a Member cannot for whatever reason attend upon the formal Committee Site Visit and feel that they need to visit the application site before making their decision, they should undertake an individual site visit prior to the Committee, or abstain from the decision at the Committee.

13. **Calling for a Public Inquiry**

- 13.1 When an application is refused, and is likely to be the subject of an appeal, there is sometimes pressure at a Committee from objectors and other members of the public present for a public inquiry to be held in respect of any potential appeal, as it is erroneously believed that the City Council have the power to hold such an inquiry, and that a public inquiry will be more likely to be swayed by the representations of the objectors.

- 13.2 The Planning Inspectorate determine which of the three types of appeal is the most appropriate for any particular appeal. The three types of appeal are:-

- Written representations;
- Informal hearing;
- Public inquiry.

An appeal will be written representations if both the appellant and the Council agree to it. These appeals are undertaken purely on the basis of documents submitted by the parties and are the cheapest and quickest form of appeal.

- 13.3 If there is no agreement as to written representations being the most appropriate form of appeal then the appeal will be either an informal hearing or a public inquiry at the sole decision of the Planning Inspectorate. Both parties may make representations regarding which is the more appropriate method of appeal, but the decision is solely that of the Planning Inspectorate.

13.4 In practical terms there is very little difference between an informal hearing and a public inquiry for an objector as both are held in public and both allow for objectors to make representations. The only real difference is that the public inquiry allows for evidence to be given under oath. All three types of appeal will deal with exactly the same material planning considerations. An appeal is as likely to be upheld on its planning merits after written representations as it would at an informal hearing or a public inquiry.

14. **Declarations of Interest**

14.1 Members should be clear about declaring an interest and when they should leave the room when the matter is discussed. Paragraph 9 and Appendix B of the Code of Conduct contain specific Rules regarding this issue. If in doubt, Members should seek advice from the Legal adviser prior to the start of the meeting. Whilst Officers will give advice, it should be noted that the decision itself rests with the Member.

15. **Observers and Public Speaking at Committee Meetings**

15.1 The current practice of allowing only one spokesperson for each principal point of view is at the Chair's discretion. There are rules regarding this issue at paragraph 5 of the Code of Conduct in Relation to Planning Matters. Whilst the public do not have a right to speak, there will be times when additional speakers will wish to make representations. Sometimes denying a member of the public the chance to speak can create difficulties and Chairs are reminded to exercise this discretion having regard to the right to a fair hearing under Article 6.1 of the Human Rights Act 1998 and paragraph 5.2(c) of the Code of Conduct in Relation to Planning Matters.

15.2 Members are reminded that public speaking is normally limited to a maximum of 5 minutes (as opposed to 3 minutes at Council meetings). Paragraph 5.2(d)-(g) of the Code of Conduct in Relation to Planning Matters contains rules regarding this point. The Committee Secretary will keep a check of the time and inform the Chair when the 5 minutes is about to elapse. It would be helpful at that time if the Chair would advise the speaker to draw to a conclusion if it is not apparent that the speaker has nearly finished. A note of the public speakers and the key points made by them will be made by the Committee Secretary and retained on file with the agenda.

15.3 Any Councillor attending Committee meetings as an observer should take no part in the conduct of the meetings and should only contribute

when specifically invited to do so by the Committee. The procedure for Councillors wishing to address the Committee is the same as for members of the public.

16. Role of the Chair

16.1 The Chair, in running the meeting, should be mindful of the need to retain a degree of independence as far as possible, and to be fair to all Members of the Committee. It is suggested that best practice be followed by the Chair in being the last speaker on an item of business, prior to the vote being taken.

16.2 If there are equal numbers of votes for and against a decision, the Chair will have a second or casting vote in accordance with Clause 18.2 of the Council Procedure Rules. There is no restriction on how the Chair chooses to exercise a casting vote.

16.3 The Chair is expected to maintain order and to allow the Committee to perform its proper functions without disruption by either Members of the Committee or by members of the public. The powers of the Chair in relation to dealing with disruption by Members of the Public are set out in a separate Guidance Note to the Chair on Disruption of Committee Meetings by Members of the Public. Committee Members should not seek to condone the behaviour of members of the public in acts of disruption, and should support the Chair in the proper exercise of those powers under the Council Procedure Rules.

16.4 Feedback from businesses and members of the public who have attended Committee meetings suggest that they can sometimes be confused as to why decisions have been made. The Chair has a role in ensuring that decisions are clearly explained, especially if against the officer recommendation in the report.

17. After the Committee

17.1 The determination by the Committee may not be the end of the planning process in respect of some applications. Where an applicant appeals, the process may continue for up to a year after the Committee meeting. Members should therefore be aware of outstanding appeals which are reported back on the Committee Agenda, and should avoid statements and conduct which might give the indication of unreasonable conduct in the making of the decision.

- 17.2 Whilst Members would be free to join and even organise lobby groups related to a particular application after the determination of a decision (subject to paragraph 17.1 above), Members should bear in mind that a duplicate application may be made by the applicant to the application refused which will require determination in the future. It may well be that Members may be forced to declare an interest and possibly be barred from taking part in this subsequent determination if their statements and conduct indicate that they could not approach this duplicate application with an open mind.
- 17.3 Members must bear in mind that Planning and Legal Officers are under a duty to pursue every such appeal against refusal with due diligence and rigour under their separate professional codes irrespective of their initial advice to the Committee. Committee Members should not therefore seek to influence the conduct of any subsequent appeal case by the City Council. Members should be aware that they are able to make representations at all types of appeal in their own name as an objector or supporter to the development, and to attend in person at both informal hearings and public inquiries to make those representations.
- 17.4 The decision of the Inspector will be reported back to the Committee at the first available opportunity. Members should not use this report back to comment adversely upon the Inspector's decision, or upon the conduct of the appeal, or the original application as this would undermine confidence in the planning system. In the overwhelming majority of planning appeals the Inspector will reach a decision substantially similar to the original report of the Planning Officer, dismissing the appeal against the decision of the Committee based upon that report.
- 17.5 In a minority of cases the Inspector may uphold the appeal despite the Planning Officer's report and the decision of the Committee. Whilst there is a right for Inspector's decisions to be reviewed that is by an application for judicial review in the High Court based on evidence that the decision was unreasonable in planning terms or followed a misinterpretation of law or planning policy; it is not a right of appeal.
- 17.6 There will also be a very small number of appeals which have been dismissed following refusal by Committee Members contrary to Planning Officer advice. There may be good reasons for the decision of the Inspector in such cases which are unrelated to the quality of the advice given in the original report, but the Chief Planning Officer will review the case and ensure that any lessons that need to be are learnt.

GUIDANCE NOTE TO CHAIRS ON DISRUPTION OF COMMITTEE MEETINGS BY MEMBERS OF THE PUBLIC

This Guidance Note is aimed principally at Chairs of Committees but should be noted by every Member attending at a Committee meeting who may feel intimidated or frustrated by the interruption of the due process of the Committee. The interruption by members of the public acting in a disruptive fashion not only undermines the due process, but also delays other members of the public intending to speak to issues which may affect them, causing frustration and disillusionment with the City Council and the Committee process.

1. Council Procedure Rules

1.1 **Council Procedure Rule 20** allows for the Chair to take action with regard to both individual and group disruption. It says:

“If a member of the public interrupts proceedings of a meeting the Chair shall warn him/her. If he/she continues the interruption or repeatedly interrupts, the Chair shall order his/her removal from the meeting room. In the case of meetings where there is a general disturbance in any part of the meeting room open to the public the Chair shall order that part to be cleared.”

1.2 Interruption through disturbance may take many forms and would include but is not limited to verbal interruptions such as shouting and swearing at Members, Officers and other members of the public or press present; engaging in a conversation with another member of the public whilst Members or Officers are speaking; overrunning any allotted time to speak to the issue or the singing of songs.

1.3 Sometimes an interruption may take the form of an allegation of misconduct, corruption or discrimination against Members or Officers which may or not be related to an item on the Agenda. It is not within the remit of the Committee to consider such allegations, or to order an investigation of such allegations, and any such allegation raised must therefore be considered to be a disturbance of the meeting. In such circumstances the Chair should first notify the member of the public that such allegations are not within the remit of the Committee, and that any such allegations, including any supporting evidence, should be made to the proper body given the nature of the allegation. If the member of the public refuses to accept this then the formal warning at paragraph 2.1 should be read out. Interruption through disturbance may also include physical interruptions and would include physical violence directed at a Member or an Officer, or a member of the public or the press present. It would also include non-violent conduct which

may be deemed to be intimidatory such as approaching or sitting next to a Member or Officer in the course of a Committee meeting and staring at them. It would also include more formalised demonstrations such as large groups of members of the public brandishing placards or refusing to sit until their matter had been dealt with or handing out late material to Members. Finally gestures and expressions may also fall within the ambit of physical disturbance.

- 1.4 Interruptions caused by mobile phones and other such equipment including the use of television camera and recording equipment will also fall within Council Procedure Rule 20 should they result in a disruption of the Committee. Note that in the absence of disruption the use of such devices will still be subject to the Chair's discretion under Council Procedure Rule 21.
- 1.5 It should be noted that the power granted to the Chair by Council Procedure Rule 20 is restricted only to the meeting room of the Committee and does not include any other part of the Town Hall. Persons seeking to disrupt the Committee meeting from outside the meeting room cannot therefore be removed from the building under this Procedure Rule. In all such cases it will be necessary to contact the Town Hall Security Services and obtain proper authorisation for any such persons' removal from the building. Where any disruption is due to criminal acts the South Yorkshire Police will need to be called.

2. **Warnings**

- 2.1 In the event of a disturbance the Chair should identify the person or persons causing the disturbance and if warranted read out the following formal warning:
“Due to the disturbance caused by you to the conduct of the meeting of the Committee, you are hereby issued with a warning in accordance with Rule 20 of Sheffield City Council’s Council Procedure Rules. Under this Rule should you create any further disturbance to the conduct of the Committee meeting I may order your removal from the meeting room.”
 - 2.2 The Chair should ensure that the formal warning and, if possible, the identity of the person or persons to whom the warning has been issued, is formally recorded by the Democratic Services Officer as part of the formal record of the Committee meeting.
 - 2.3 Instead of a formal warning the Chair may use his discretion to issue an informal warning if the disturbance is in the Chair’s opinion not serious or is not intended to disrupt the Committee Meeting (such as two members of the public in a conversation). In such circumstances
-

the Chair should ask the persons causing the disruption to please cease immediately the conduct causing the disruption and remind them that this is a public meeting and that if they have private matters to discuss could they please do so outside. In this instance no record of the identity and warning should be made by the officer from Democratic Services.

3. **Removal From The Meeting**

- 3.1 After the issue of a formal warning under Council Procedure Rule 20 if the conduct is repeated by the same person or persons the Chair should read out the following statement:-
“Following the issue of a formal warning to you under Rule 20 I hereby order your removal from the meeting room for the duration of this Committee meeting in accordance with that Rule.”
- 3.2 The Democratic Services Officer should where this is possible, formally take a note of the identity of the person or persons whose removal has been ordered.
- 3.3 If the person or persons who have been ordered to be removed from the Committee meeting refuse to leave the meeting room, they may be physically ejected from the meeting room as a trespasser provided only reasonable force is used by the Town Hall Security Staff. They should be notified in the following terms:-
“You can remain outside the meeting room but should you seek to further disrupt the conduct of proceedings of the Committee then the Town Hall Security Staff will be informed of the situation which may lead to your removal from the premises and/or the South Yorkshire Police being called.”

COMMITTEE CHAIR JOB-SHARE PROTOCOL

The Council may appoint two Members jointly to share the position of Committee Chair (Job-Share Chairs). This Protocol sets out the arrangements and expectations where the role is shared.

Why have Job-Share Chairs?

The potential benefits include:

- Making chairmanship (and leadership positions in general) potentially available to those Members who would not otherwise be able to make the necessary time commitment for whatever reason;
- Ensuring that Sheffield City Council does not lose out on the leadership contribution of Chairs who are also carers, parents or in full-time education or work;
- Increasing the capacity and broadening the capability of Chairs;
- Recognising the likely workload of these positions;
- Creating opportunities for a more representative sample of Members to take leadership roles, for example facilitating a gender balance.

What is Job-Sharing?

- Two Members essentially fulfil one Chair position on a job-share basis.
- The posts could also be combined with the role of Deputy Chair, or where there is a single Chair the role of Deputy Chair may be job-shared, or the committee may decide that it does not need an additional Deputy Chair role.
- There is only one formal Chair of a meeting at any one time and only that Chair has the casting vote.
- The other Job-Share Chair attends the meeting as an ordinary committee member when their counterpart is in the Chair.
- Outside meetings, the Job-Share Chairs arrange between themselves how their responsibilities are shared and ensure that other Members and Officers are informed.
- Both Members receive a Special Responsibility Allowance, or a proportion of one, recognising the scale of the role they are undertaking and the associated time commitment.

Ways of Working

1. Job-Share Chairs will agree between themselves the arrangements for chairing meetings. They may take turns at alternate meetings, or on a periodic rotation, or otherwise, providing that when the relevant Job-Share Chair is not available the other Job-Share Chair or in their absence the Deputy Chair will chair the meeting.
2. Chair's briefings by Officers may be attended by both Job-Share Chairs and the Deputy Chair.

3. Cross-party briefings for Chairs and spokespersons may be attended by both Job-Share Chairs provided only one of them speaks. Where briefings are for all Members, or members of a committee, both may attend and speak.
4. Where there are Job-Share Chairs for a Policy Committee only one may be appointed to Strategy and Resources Policy Committee by virtue of being the Chair of their committee. The appointment will be made at the Annual Meeting of the Council but as with any committee membership Full Council may agree a change at a subsequent meeting provided that this does not affect the political proportionality of the committee.
5. Job-Share Chairs must arrange between themselves how their responsibilities are to be shared and ensure that other Members and Officers are informed about the arrangements. This is important for clarity and certainty.
6. The arrangements may include dividing responsibilities so that each leads on separate specific areas of the committee's remit. The Job-Share Chairs shall provide Officers with a breakdown of those areas indicating who is the first point of contact where guidance from the Chair is required.
7. Outside of formal committee meetings, Job-Share Chairs will each act as the first point of contact for their areas of the committee's business when working with council officers, residents, partners etc.
8. Email correspondence from Members and Officers should be sent to both Job-Share Chairs, ideally addressed to the one who is responsible for the particular area covered in the communication, with the other copied in.
9. Officers are not required to obtain agreement from both Job-Share Chairs when seeking guidance on a course of action. They will assume that any steer or guidance provided by one Job-Share Chair is on behalf of both. Job-Share Chairs shall be responsible for consulting each other on issues and for reaching a consensus prior to providing guidance to Officers.
10. These arrangements are the minimum expected. Job-Share Chairs are expected to consult with relevant Officers and supplement them with additional requirements as necessary.
11. The above arrangements are for guidance only and failure to comply with the proposed arrangements shall not affect the legal validity of any action taken by an Officer, the Chair or the Committee.
12. The ongoing review process into the operation of the Committee System shall include a full review of these Job-Share Chair arrangements after such a role has been shared for the first time. The review may consider the option for Job-Share Chairs who are members of the same political group to decide between themselves which one should attend a meeting of Strategy and Resources Policy Committee.

Remuneration

It is a matter for the Independent Remuneration Panel to consider the workloads of Job-Share Chairs and make recommendations on their remuneration. For example, it may be that in a new system, the roles of Chairs could be designed to be more time consuming than one person could manage, meaning that each Job-Share Chair is doing more than half of a role.

It is however the responsibility of the Job-Share Chairs to make sure that their joint workload is spread proportionately so that, for example, neither is doing a full-time post for half the Special Responsibility Allowance.

Co-Chairs

Co-Chairs, each with equal full responsibility for the role, may be appointed to the Regulatory Committees in recognition of the fact that they meet more frequently than other committees.

A maximum of two Co-Chairs may be appointed to any one committee. If Co-Chairs are appointed then a Deputy Chair shall not be appointed to that committee. The Co-Chair role cannot be job-shared.

As with Job-Share Chairs, only one Co-Chair can chair a committee meeting and have the casting vote at any one time. The other attends the meeting as an ordinary committee member. The Chair will be identified at the start of the meeting.

PROTOCOL FOR THE USE OF THE CITY'S COAT OF ARMS

Granting approval for the use of the Coat of Arms is delegated to the Director of Legal and Governance.

On receipt of a request for its use, Democratic Services will notify the Director of Legal and Governance of the request and provide a suggested recommendation, based on previous approvals (precedents), in order to promote consistency.

Whilst each application is considered on its merits, the following general criteria will be taken into account:-

- (1) If use is not for commercial purposes and is for an "official" event or activity, such as for use by the Authority or a third party on behalf of the Authority, approval will generally be given and the person requesting use will usually be sent a pdf.doc, containing the Coat of Arms.
- (2) If use is for purposes such as a logo for an organisation (for example a sports club) and is not for commercial purposes, permission to use the central shield from the Coat of Arms, rather than the Coat of Arms itself, will usually be granted.
- (3) If use is for commercial purposes, permission will generally be refused.

Sheffield City Council Petitions Scheme

Introduction

The Council welcomes online and paper petitions and recognises that they are one way in which people can let us know their concerns. Petitions can be organised or signed by anyone who lives, works or studies in Sheffield. More information and guidance is available on the Council's website

[Sign or start a petition \(sheffield.gov.uk\)](https://www.sheffield.gov.uk/petitions)

A petition can relate to any issue on which the Council has powers or duties or on which it has shared delivery responsibilities through a partnership. Petitions must state the subject of the petition and what action the petitioners want the Council to take, the contact and address details of the organiser, along with the names, addresses and signatures of people supporting the petition. There must be at least 5 signatures. For the petition to be valid, everyone who signs it will need to provide their name and address.

Petitions can be sent or presented to the Council. All petitions sent or presented to the Council will receive an acknowledgement from the Council within 14 days of receipt. This acknowledgement will set out what we plan to do with the petition.

Petitions may be presented to meetings of the Council, Policy Committees, Regulatory Committees or Area Committees. Petition organisers should contact Democratic Services in advance for advice about which Body is most appropriate. If the topic is on the work programme for a particular Policy Committee then the petition organiser may wish to present the petition at a meeting when the topic is on the agenda, but may choose to attend another meeting (or a meeting of another Policy Committee) or to present the petition at Full Council.

You will need to give advance notice of your petition by 10.00 a.m. on the day of the meeting and you can either present your petition at the meeting or ask that it be submitted to the meeting on your behalf. If you attend the meeting, you will be able to speak for up to three minutes. Please contact the Democratic Services team by email committee@sheffield.gov.uk

What are the guidelines for submitting a petition?

Petitions submitted to the Council must include:

- A minimum of five signatures, from anyone who either lives, works or studies in Sheffield.
- A clear and concise statement covering the subject of the petition, to include what action the petitioners would like the Council to take.
- Contact details, including a postal address, for the petition organiser. This is the person we will contact to explain how we will respond to the petition (only the organiser's name will appear on the Council website).

- The name, postal address and signature of any person supporting the petition.

Data Protection

Use of individuals' personal data, including their addresses/email addresses, will be protected under the terms of the General Data Protection Regulation (GDPR) and will be held by us only for the purpose of corresponding in relation to the petition submitted.

By starting or signing a petition, an individual gives explicit consent to the Council to process personal data as part of the Council's Petition Scheme. This means Councillors and Council Officers can respond to the issue(s) raised, publish details about the petition's objectives in public reports and invite the lead petitioner (or representative) to speak at a Committee meeting. This use may include some personal details (eg the speaker's name and address) and the Council may publicly broadcast meetings that include personal statements made by those speaking.

Petitioners have the right to withdraw this consent at any time. However, withdrawing consent does not affect the processing that has occurred before this time.

We advise that for paper petitions, the following wording is included on each page of the petition that will contain signatures:

“Sheffield City Council (the Council) will become the data controller when the petition is deposited with the Council. The details you provide on this form will only be used for the purpose of this petition. Your information may be shared with the petition organiser, Council officers, Councillors or service providers.”

E-Petitions

The Council welcomes e-Petitions which are created, signed and submitted through the website. E-Petitions must follow the same guidelines as paper petitions. The petition organiser will need to provide their name, postal address and e-mail address. The e-Petition will also need to include:

- A date for the e-Petition to go live on the website.
- A closing date when the e-Petition will stop collecting signatures. We will host the e-Petition for up to 12 months, but expect that most petitions will be open for signatures for a much shorter period than this.
- The online form is submitted to Democratic Services.
- The Council is required by UK law to ensure that petitions that are published do not contain any defamatory or offensive material. Therefore we will need to review the petition before it is published on our website. Petitions will be reviewed and published during normal office hours. We expect to be able to publish a petition the same day provided that it is submitted by 12.00 noon.
- A petition must be submitted in good faith. It must not include:
 - potentially libellous, false or defamatory statements;
 - information protected by a court order (e.g. the identities of children in custody disputes); or in accordance with any other enactment;
 - matters which are subject to appeal processes or legal actions (e.g. planning appeals, enforcement action or other legal actions in court etc.);

- material which is commercially sensitive, confidential or which may cause personal distress or loss;
- the names of individual officials of public bodies; or information where they may be easily identified, in relation to criminal accusations.
- Petitions which are considered to be vexatious, abusive or otherwise inappropriate will not be published, but we will contact the petition organiser to explain the reasons so that they may change and resubmit your petition if they wish. If this is not done within 10 working days, a summary of the petition and the reason why it has not been accepted will be published under the ‘rejected petitions’ section of the website, except in cases where this would be inappropriate.

Additional Information:

- The Council accepts no liability for the petitions published on its website and the views expressed in the petitions do not necessarily reflect those of the Council.
- A petition response will be e-mailed to everyone who has signed the e-Petition and also published on our website.

What will the Council do when it receives a petition?

We will send an acknowledgement to the petition organiser within 14 days of receiving the petition. It will let them know what we plan to do with the petition and when they can expect to hear from us again. Details of the petition will also be published in the Council Petitions Log, on our website.

If the Council can do what the petition asks for, the acknowledgement may confirm that we have taken the action requested and the petition will be closed. If the petition needs more investigation, the acknowledgement will set out the steps we plan to take.

Most petitions go to a public meeting where petitioners can present their petition and Councillors will decide how to respond. Petitions with 5,000 signatures will trigger a public debate at Full Council and those with 2,500 signatures can call for evidence by a Senior Officer at a Policy Committee.

If the petition has enough signatures to trigger a Council debate, or a senior officer giving evidence at a public meeting of one of the Council’s Policy Committees, then the acknowledgement will confirm this and when and where the meeting will take place. If the petition needs more investigation, the acknowledgement will set out the steps we plan to take.

If the petition applies to a planning or licensing application, is a statutory petition (for example requesting a referendum on having an elected mayor), or relates to a matter where there is already an existing right of appeal such as Council Tax banding and non domestic rates, other procedures apply, outside of this Scheme. With specific reference to planning and licensing application petitions, the approach adopted in Sheffield is to permit the receipt of these by the Council or their

presentation at Full Council or a Policy Committee, which will then trigger a referral to the Planning and Highways or Licensing Committee, as appropriate. The receipt and recording of the petition and actions to be taken will be administered in the same way, for consistency and in the spirit of the provisions of this Scheme.

We will not take any action on any petition which we consider to be vexatious, abusive or otherwise inappropriate and will explain the reasons for this in our acknowledgement of the petition.

To ensure that people know what we are doing in response to the petitions we receive, the details of all the petitions submitted to us will be published in the Council Petitions Log, on our website except in cases where this would be inappropriate.

How will the Council respond to petitions?

Our response to a petition will depend on what a petition asks for and how many people have signed it, but may include one or more of the following:

- taking the action requested in the petition
- considering the petition at a Council meeting
- holding an enquiry into the matter
- undertaking research into the matter
- holding a public meeting
- holding a consultation
- holding a meeting with petitioners
- referring the petition for consideration by the relevant Policy Committee*
- writing to the petition organiser setting out our views about the request in question

*Policy Committees can take decisions on or make recommendations to Full Council on changes to policy and the provision of Council services.

In addition to these steps, the Council will consider other specific actions it may be able to take on the issues highlighted in a petition. If your petition is about something over which the Council has no direct control (for example the local railway or hospital), we will aim to make representations on behalf of the community to the relevant body. The Council works with a large number of local partners and, where possible, will work with these partners to respond to a petition. If we are not able to do this for any reason (for example if what the petition calls for conflicts with Council policy), then we will set out the reasons for this.

If a petition is about something that a different Council is responsible for, we will give consideration to what the best method is for responding to it. It might consist of simply forwarding the petition to the other Council but could involve other steps. In any event, we will always notify the petition organiser of the action we have taken.

Essentially there are three types of petitions:

- “Ordinary” petitions
- Petitions requiring debate

- Petitions to hold senior Council employees to account.

Ordinary Petitions

Ordinary petitions must be signed by at least **five** people. We will acknowledge the petition within 14 days of receiving it and let the petition organiser know what we plan to do with the petition and when they can expect to hear from us again. It will also be published on our website. If the petition needs more investigation, we will set out the steps we plan to take.

In the vast majority of cases, the petition will be submitted to one of the Council's formal Member meetings where elected Councillors will decide how to respond to the petition. These meetings will be held in public and petitioners are welcome to attend the meeting and observe the proceedings. The petition organiser will be given three minutes to present the petition at the meeting.

A petition can be submitted to the Council or a Policy Committee.

Full Council Debates

If a petition contains **5000** signatures or more, it will trigger a debate by the Full Council, in public, unless it is a petition asking for a senior Council officer to give evidence at a public meeting of one of the Policy Committees. This means that the issue raised in the petition will be discussed at a meeting which all Councillors can attend.

For petitions that trigger a debate at Full Council, we require **seven** working days' notice to be given prior to a Council meeting to ensure Councillors have adequate preparation time. The Council will endeavour to consider the petition at its next meeting, but due to other Council business, it may not be possible to debate every eligible petition at the next Council meeting, and it is unlikely that any more than two eligible petitions will be debated at any one meeting. Therefore, on occasions, an eligible petition may be debated at the next but one Council meeting.

The petition organiser will be given three minutes to present the petition at the meeting and the petition will then be discussed by Councillors. The Council will decide how to respond to the petition at this meeting. The Council may decide to take the action the petition requests, not to take the action requested for reasons put forward in the debate or to commission further investigation into the matter, for example by a relevant Committee.

The petition organiser will receive written confirmation of this decision. The decision will be published on the Council's website.

Officer Evidence

A petition may ask for a senior Council officer to give evidence at a public meeting of one of the Council's Policy Committees and about something for which the officer is responsible as part of their job. For example, your petition may ask a senior Council officer to explain progress on an issue or to explain advice given to Elected Members to enable them to make a particular decision. Petitions which call for evidence from a

senior Council employee, and have at least **2500** signatures, will trigger that response.

Senior staff that can be called to give evidence are:

- Chief Executive
- Executive Director – Resources
- Executive Director – People Services
- Executive Director – City Futures
- Executive Director – Operational Services
- Directors as considered appropriate by the relevant Policy Committee

You should be aware that the relevant Policy Committee may decide that it would be more appropriate for another officer to give evidence instead of any officer named in the petition – for instance if the named officer has changed jobs.

What can I do if I feel my petition has not been dealt with properly?

If you feel that we have not dealt with your petition properly, the petition organiser may:

- Make a complaint under the Council’s Complaints Procedure if not satisfied with the way the petition has been administered
- Request that the appropriate Policy Committee review the steps taken in response to the petition if unhappy with the steps proposed or the way they have been taken
- Request that a petition that has not been presented to a Council meeting be considered at such a meeting

It is helpful to everyone, and can improve the prospects for review, if the petition organiser gives a short explanation of the reasons why the Council’s response is not considered to be adequate.
