LOCAL AREA COMMITTEE DECISION RECORD

The following decisions were taken on Thursday 30 June 2022 by the East Local Area Committee.

Item No

5. EAST LOCAL AREA COMMITTEE SPEND PROFILE

5.1 Each Local Area Committee has a £100,000 budget to address local priorities, identified within their respective Community Plans. This report set out details of the proposed spending in respect of this £100,000 during the 2022/23 financial year. The report gave an overview of the general categories of proposed expenditure and sought authorisation from the East Local Area Committee to permit the Community Services Manager, in consultation with the LAC Chair, to spend monies to address identified priorities within the Community Plan.

5.2 **RESOLVED:** That the East Local Area Committee:-

- (i) notes the proposed anticipated expenditure against the £100,000 budget to address local priorities in the East LAC Community Plan in 2022/23, as detailed in the report; and
- (ii) to the extent that it is not covered by existing authority, authorises the Community Services Manager to make decisions on expenditure relating to the priorities set out in the report provided that:
 - The decision is taken in consultation with the Local Area Committee Chair;
 - The decision may not approve expenditure on any element in excess of the anticipated limit for that element set out in the report; and
 - A report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting.

5.3 **Reasons for Decision**

The East LAC was asked to note the broad allocation of funding under the priority headings identified to assist its ability to monitor its budget, and to authorise the Community Services Manager to approve expenditure above the current delegated authority in certain circumstances so that delivery of the Community Plan is not delayed.

5.4 **Alternatives Considered and Rejected**

5.4.1 Decisions on any expenditure above the existing authority to the Community Services Manager could be reserved to the LAC but this would delay delivery of priority actions to address specific issues identified in the Community Plan.

5.4.2 All decisions on expenditure to support Community Plan priorities could be delegated to officers. However, this would restrict the LAC's ability to monitor its delegated budget and delivery of the Community Plan.
