SHEFFIELD'S HEALTH AND WELLBEING BOARD

Sheffield City Council • Sheffield Clinical Commissioning Group

Sheffield's Health and Wellbeing Board started to meet in shadow form in January 2012 and became a statutory group in April 2013. The Health and Social Care Act 2012 states that every local authority needs a Health and Wellbeing Board. It is a group of local GPs, local councillors, a representative of Sheffield citizens, and senior managers in the NHS and the local authority, all of whom seek to make local government and local health services better for local people. Its terms of reference sets out how it will operate.

Sheffield's Health and Wellbeing Board has a formal public meeting every three months as well as a range of public events held at least once a quarter.

Sheffield's Health and Wellbeing Board has a website which tells you more about what we do. <http://www.sheffield.gov.uk/home/public-health/health-wellbeing-board>

PUBLIC ACCESS TO THE MEETING

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. You can also see the reports to be discussed at the meeting if you call at the First Point Reception, Town Hall, Pinstone Street entrance. The Reception is open between 9.00 am and 5.00 pm, Monday to Thursday and between 9.00 am and 4.45 pm. on Friday. You may not be allowed to see some reports because they contain confidential information. These items are usually marked * on the agenda.

Meetings are normally open to the public but sometimes the Board may have to discuss an item in private. If this happens, you will be asked to leave. Any private items are normally left until last. If you would like to attend the meeting please report to the First Point Reception desk where you will be directed to the meeting room.

If you require any further information please contact Fiona Martinez on 0114 2734491 or email fiona.martinez@sheffield.gov.uk

FACILITIES

There are public toilets available, with wheelchair access, on the ground floor of the Town Hall. Induction loop facilities are available in meeting rooms.
