ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its Policy Committees, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from David Hollis, Interim Director of Legal and Governance by emailing david.hollis@sheffield.gov.uk.

Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.

 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.

8. If you wish people to be able to consume alcohol on the premises, please tick 'on the premises'. If you wish people to be able to purchase alcohol to consume away from the premises, please tick 'off the premises'. If you wish people to be able to do both, please tick 'both'.
9. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups or the presence of gaming machines.
10. Please list here steps you will take to promote all four licensing objectives together.
11. The application form must be signed.
12. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
13. Where there is more than one applicant, each of the applicants or their respective agent must sign the application form.
14. This is the address which we shall use to correspond with you about this application.

15. **Right to work/immigration status:**

A licence may not be issued to an individual or an individual in a partnership which is not a limited liability partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have the right to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensing activity. They do this in one of two ways:

1. by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.
2. By providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

Home Office online right to work checking service.

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided with this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be shared digitally. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copied of the documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may wish to share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Supporting Comments

Good afternoon.

I am writing in regards to an off license opening at 428 Ecclesall road. I believe it would be a very good location for an off license to open. There is always a long wait and expensive prices at Tesco, which is very inconvenient and not ideal for the students in the area. Therefore, there being an off license across the road would be a prime location, perfect for local residents like myself. There needs to be more on this road, it's a student area and an off licence is perfect for students. There is also a need for more independent business, which this business would be perfect for. I believe it is important to support small, local businesses, a belief many other will also hold. Thank you for your time.

Regards, Alice Collier

Regarding:

Licence Application by Masoud Ibrahim and Amanuel Gebru Araya

Address: 428 Ecclesall Road, Sheffield, S11 8PX Type of Premises: Supermarket

Ward: Broomhill and Sharrow

Legislation and Type of Application: Licencing Act 2003 Grant of Premises

Application Details: Change of layout : Supply of Alcohol Sunday-Saturday 0800-0100 Opening Hours Sunday-Saturday 0800-0100

Dear Sirs,

I write to you to register my opposition and objection to the granting of a licence for the above named parties and premises under the conditions applied for. The reasoning for my objection in this instance is primarily that I believe that granting a licence to this establishment to serve alcohol until 0100am daily where the premises borders to a predominantly residential area will result in an increase to noise, disorder and antisocial behaviour, with potential to also increase criminal behaviour by inebriated people coming in to the surrounding area late into the night.

Ecclesall Road is already well served for supermarkets and 'off-licences', alongside other places where alcohol is readily available, the majority of which do not have licence conditions operable and valid past 11.30pm and even under these earlier closing conditions than the current applicants, nuisance noise and antisocial behaviour has increased over the past 20 years as the number of establishments serving alcohol within the area generally has grown within that time frame.

As a long time resident of Wadsworth Road myself, which adjoins the road of the proposed location, I am frequently a witness to night time nuisance noise that seems amplified and echoes up the roads late at night. This has often disturbed my household which includes my 87 year old Grandmother who suffers from heart failure and any sleep disturbances have a big impact on her. I have also often conversed with noise disturbed neighbours, it waking their children and other professionals such as medics who inhabit our area, the noise preventing them from getting an adequate nights rest and which subsequently has a detrimental affect to their work performance the following day. This residential area remains heavily multi-generational and sleep deprivation becomes a health and safety issue to us.

Whilst speaking of potential health and safety concerns of this application, the current layout of the store frontage and its proximity to a pedestrian crossing i.e. traffic lights, might also become a health and safety issue if glass bottles are dropped whilst exiting the premises/awaiting the lights. There are currently uneven/loose steps without any hand rails at the current store front which should be resolved in any case as a priority, whatever happens with this location. The side-street area is also currently quite dark with overhanging street trees and uneven paving at the bottom of Thompson Road which would be of greater hazard to people late at night, especially if they have consumed alcohol already.

Lastly I would like to advise you that there has been an escalation in late night antisocial behaviour on Ecclesall Road within the past 5 years. One such example being youths shooting fireworks at passing vehicles on the main road around Hallam University Collegiate campus in Autumn 2020. Please note that this incident was in close proximity to other 'late night' convenience stores that provide alcohol sales. I would argue that it stands to reason that if you increase the number and availability of this type of establishment and its ability to serve alcohol and other

potentially hazardous items late into the evening, the incidence of these types of incidents is highly likely to increase.

I would request that the Licencing Authority carefully consider these above concerns whilst you review this application, and refuse the granting of the licence in this instance.

Thank you

Yours Faithfully

Andrew Etheridge

Licence application by Masoud Ibrahim & Amanuel Gebru Araya
428 Ecclesall Road Sheffield S11 8PX

Dear Sirs

We are writing to register our objection to the application for a premises licence shown above. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Granting a licence would provide a further source of alcohol and takeaway food within an area already so heavily populated with licensed premises that crime, disorder, vermin and public nuisance have already reached problem levels for the local community. Late night noise from people walking up the street and partying causes much disruption throughout the week preventing school-age children, working people and pensioners having a good night's sleep. Parking is in short supply in this area, such a shop would encourage cars to be parked in the middle of the road causing a hazardous disturbance. Allowing the purchase of alcohol until 1am can only make this problem worse.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. We already suffer litter from takeaways and shops strewn in our gardens and there is no need to compound this further.

The noise nuisance from these premises will be made unacceptable if food and alcohol be purchased and therefore consumed as people return home as the nature of the layout of roads means all noise carries up the road since the width and the terraced housing means it acts like a funnel. Thus noise at the bottom of the street can be heard at the top. This is unacceptable.

Many other establishments have been denied a licence after 11.30 and there is therefore no reason to grant this establishment a licence after 11 or 11.30pm

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully

Dear Sirs

I write to you as the Chair of the Botanical Gate Community Association representing the residents of the Roads: Thompson, Khartoum, Walton and Wadbrough. I wish to register my objection to the application for a premises licence shown above. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour in a residential area.

I am also very concerned in that the 'Type of premises' is listed above as 'Supermarket' yet the 'Notice' affixed to the Heras fencing outside the premises states that the application is for:

'The provision of late-night refreshment'

'Sale by retail of alcohol'

'The provision of regulated entertainment'

How does a supermarket require a licence for 'late night refreshment' and 'regulated entertainment'? I would appreciate clarification on this point.

Granting a licence would provide a further source of alcohol and takeaway food within an area already so heavily populated with licensed premises that disorder and public nuisance have already reached problem levels for the local community. Many other establishments have been denied a licence after 11.30 and there is therefore no reason to grant this establishment a licence after 11 or 11.30pm

Subject: Objection to the application 428 Ecclesall road S11 8PX

Dear Sir/mad

I am writing to let you know of my strong objection to the application for a premises licence as requested for 428 Ecclesall road , Sheffield S 11 8PX (supermarket, sales of alcohol till 1 am)

My objection is purely on the ground of the PREVENTION OF CRIME, DISORDER AND ANTISOCIAL BEHAVIOUR that a shop like this, trying to sell alcohol till 1 am, will cause to our residential area.

Granting a licence till 1 am will cause late noise by drunken shoppers, antisocial behaviour, litter, dangerous parking (there is NO parking!), and noise of idle engines. This could be made worst if a delivery service is also offered.

By allowing people to buy alcohol so late during the evening will of course create noise. This will prevent residents from sleeping during the night! There are flats above those premises and houses in the vicinity of this planned supermarket.

Our road already suffers litter from nearby takeaways, and frankly it will be horrible if we had to deal with more of that (including an increase in vomit on the road)

Many other shops nearby have been denied a licence after 11:30. Granting an exception up to 1 am will send a wrong message.

I also want to point out that the road outside the premises is very dark due to trees and bad lighting and feels very unsafe for people.

Finally pls note that the sign informing the residents about this new shop is positioned so high in the window, that you need to be 8 ft tall to read it! On top of that there is also a fence stopping people to have a look at the note. Frankly i find this really disturbing....(pls see the picture attached to this email)

In view of all the above I urge the Licensing Authority to refuse the application to grant the sell of alcohol till 1 am.

Subject: Objection to Licensing application for Applicant: Masoud Ibrahim & Amanuel Gebru Araya, 428 Ecclesall Rd

Dear Sirs

I am writing to register my objection to the application for a premises licence shown below.

The reason for my objection is because the application seeks a licence till 1am for these premises. As this is later than the normal licencing times for surrounding bars and pubs (11.30) it will therefore not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The bottom area of Thompson Road is poorly lit and I am already concerned for the safety of my daughter when she comes back home after a night out. She herself does not feel safe because of the poor lighting around the area of the Botanical Garden gates and around the cars parked below this.

Granting a later licence (beyond 11.00 to 11.30) in the local area would mean that along with greater numbers of people around late at night, it would probably also attract people with alcohol and drug problems who may loiter around the shop. This would lead to the area being less safe both for my daughter, the large number of students who live on in the roads above the shop and for anyone else who has to return home late at night.

Many other establishments have been denied a licence after 11.30 and there is therefore no reason to grant this establishment a licence after 11 or 11.30pm

In view of the above, I would urge the Licensing Authority to refuse the application.

Broomhill and Sharrow Vale Green Party would like clarity on the nature of this establishment. We have been informed that the notice at the front of the building refers to it as a place of late night entertainment, not a supermarket. If this is the case and it is a supermarket will this notice be removed, and the premises application re-advertised correctly? If this is a late night entertainment establishment there will need to be a suitable curfew conditions applied for the use of outdoor seating if the applicants request it.

Secondly, while they add to the vibrancy and vitality of the area we are worried about the growth of drinking establishments in this part of the ward, their impact on the residential population living nearby and on the health and wellbeing of the people of Sheffield. Is there a maximum number of drinking clubs, bars, pubs and alcohol serving premises on a given length of street? Can you provide me with details of conditions that can be applied to limit the number of such premises in a given area?

Finally the opening hours need to be restricted in line with the 11.30pm planning curfew that operates in the Ecclesall Rd area, last upheld by the Planning Inspectorate in February 2014 at 283 Ecclesall Road.

The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour. I request that the Licensing Authority refuse the application on the basis of the comments and objections I have raised in this e mail.

I am dismayed that there is yet another late night licensing application for yet another premises on Ecclesall Road. This road is fast becoming an alternative to West Sreet for premises selling and serving alcohol. As such we residents have to put up with increasing amounts of disorder and antisocial behaviour, late night noise in the whole of this mixed residential area, and resultant litter. The noise from people going to and leaving the many bars in this area , particularly late at night, causes disruption throughout the week preventing residents from sleeping.

The bottom of Thompson Road, which should in my view be protected as a gateway to one of Sheffield's assets, namely the Botanical Gardens, is already dark and often littered resulting in an uninviting, and unattractive road. (This particular property has been a building site/eyesore for at least three years.)

Allowing the purchase of alcohol until 1am will just make these existing problems worse and exacerbate noise levels because due to the layout of roads in the area any and all loud noise at the bottom of the road is carried up the road and into the surrounding area.

As there are many other establishments who been denied a licence after 11.30 there is therefore no reason to grant this establishment a licence after 11 or 11.30pm

Dear licensing

We object to this application as it will lead to further noise, anti social behaviour and crime. There are already many premises in this area selling alcohol and take-away food. A late license till 1 am will compound the existing problems residents suffer in the early hours and during the the night of lack of sleep and disturbances. Mounting evidence suggests this can cause serious health issues. We urge you to restrict the license to 11 pm or 11.30 pm at the latest in line with existing local licences and so that there is no precedent for future applications.

We are writing to register our objection to the application for a premises licence at the address shown above. We oppose the granting of the licence on the basis that the area is already at saturation point with outlets selling alcohol takeaway food and other merchandise. Granting this licence would not be in keeping with healthy living the city should be promoting. Dear Sirs

We are writing to register our objection to the above application for the premises licence shown above.

Granting of this license would provide yet another, unnecessary source of late night alcohol and takeaway food in an area already more than well served with these types of establishment.

As residents of the area we already have to deal with the consequences of late night noise and anti-social behaviour, particularly difficult for families with children. Alongside this there is litter from takeaways, discarded drinks bottles and general rubbish which is already unacceptable. Granting of this licence would only add to and exacerbate the issues being encountered already.

Dear Licensing Services,

We wish to register our objection to the application for a licence for the premises referenced above.

Granting a licence for these premises would not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour, and would provide a further source of alcohol and takeaway food on a residential street.

Our area is already so heavily populated with licensed premises that crime, public nuisance and antisocial behaviour have been at problem levels for the local community.

This includes noise late at night from people walking up the street, including returning from partying.

The layout of our streets means that the noise funnels up the streets, and noise from the bottom of the street may be heard at the top of the street.

Late night noise often disturbs residents sleep, while the litter frequently discarded on our streets from shops and takeaways requires us to carry out regular community street cleaning to remove rubbish.

These problems will only increase if the purchase of alcohol until 1am from this premises is permitted.

In line with other local establishments which have been limited to a closing time of 11.30pm, there is no reason to grant this establishment a licence to open after this time.

On these grounds, we would urge the Licensing Authority to refuse the application.

I'm writing to object to the proposed late night music and alcohol license for Lounge 418 on Ecclesall Road.

I am a resident of the Groves, a cluster of residential roads that adjoin Ecclesall Road.

We already experience significant late night noise from Ecclesall Road when people walk home late at night and this is already a cause of concern for people living on the lower parts of Southgrove and Broomgrove Road as well as for residents on Ecclesall Road itself.

The prevention of Public Nuisance

A late night drinks license would establish this part of Ecclesall Road as a place to go to after normal pubs close and would invariably attract people already worse for wear and unlikely to be capable of considerate behaviour. We already have to deal with noisy late night student parties and loud car revving at all hours. We need less late night noise not more. A late night licence will attract more noise and give our local student population the impression their late night noise behaviour is normal. Some of the homes in the Groves are adjacent to Lounge 418 and will directly be affected by late night noise.

To whom it may concern

I am writing to register my objection to the late night licensing of the supply of alcohol at 428 Ecclesall Road, Sheffield S11 8PX on the grounds that we need to prevent an increase in crime, disorder and antisocial behaviour.

As a residential area, we are a mixture of families, students and elderly individuals, most of which enjoy a quiet life in order to work, play and study. We often struggle to maintain the view that noise and late night parties after 11 o'clock are not acceptable. We work closely with universities, neighbourhood associations and neighbours to educate the younger members of our community regarding this fact. A late night supermarket selling alcohol will reverse this hard work and encourage all night parties and a culture of antisocial behaviour.

While I am happy to support local businesses, I strongly oppose the proposed late night opening time for this premises, which will encourage further traffic up and down our residential roads which funnel noise from Ecclesall road into our bedroom windows.

Yours sincerely,

Rosemary Staniforth

Subject: Objection to application

Licence application by Masoud Ibrahim & Amanuel Gebru Araya
428 Ecclesall Road Sheffield S11 8PX Type of Premises: Supermarket
Ward: Broomhill and Sharrow
Legislation & Type of app: Licensing Act 2003 Grant of Premises Application Details: Change of layout: Supply of Alcohol Sun-Sat 08:00 – 01:00 Opening Hours Sun-Sat 08:00 – 01:00

Dear Sirs

I am writing to register my objection to the application for a premises licence shown above. The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

Granting a licence would provide a further source of alcohol and takeaway food within an area already so heavily populated with licensed premises that crime, disorder and public nuisance have already reached problem levels for the local community. Late night noise from people walking up the street and partying causes much disruption throughout the week preventing children and working people having a good night's sleep. Allowing the purchase of alcohol until 1am can only make this problem worse.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. We already suffer litter from takeaways and shops strewn in our gardens and there is no need to compound this further.

The noise nuisance from these premises will be made unacceptable if alcohol could be purchased and therefore consumed as people return home as the nature of the layout of roads means all noise carries up the road since the width and the terraced housing means it acts like a funnel. Thus noise at the bottom of the street can be heard at the top. This is unacceptable.

Many other establishments have been denied a licence after 11.30 and there is therefore no reason to grant this establishment a licence after 11 or 11.30pm

At the time of writing there is one notice on the window but the details of this do not correspond to the license applied for - it says a license for late night entertainment but no times are stated

In view of the above, I would urge the Licensing Authority to refuse the application.

Yours faithfully

Vivienne Smith
