## PUBLIC ACCESS TO THE MEETING

---

Local Area Committees engage, enable, and empower communities across the city with increasing control over decision making, marking a major shift in power to communities. The Committees provide a geographical framework that, over time, will be used to prioritise and direct the local delivery of an increasing number of Council services and oversee the production of a co-produced annual Area Committee Plan which will reflect resident priorities.

A copy of the agenda and reports is available on the Council's website at [www.sheffield.gov.uk](http://www.sheffield.gov.uk). You may not be allowed to see some reports because they contain confidential information. These items are usually marked \* on the agenda.

Members of the public have the right to ask questions or submit petitions to Area Committee meetings and recording is allowed under the direction of the Chair.

Please see the [website](#) or contact Democratic Services [committee@sheffield.gov.uk](mailto:committee@sheffield.gov.uk) for further information regarding public questions and petitions and details of the Council's [protocol on audio/visual recording and photography](#) at council meetings.

Local Area Committee meetings are normally open to the public but sometimes the Committee may have to discuss an item in private. If this happens, you will be asked to leave. Any private items are normally left until last.

Please do not attend the meeting if you have COVID-19 symptoms.

If you require any further information please contact Philippa Burdett by emailing [philippa.burdett@sheffield.gov.uk](mailto:philippa.burdett@sheffield.gov.uk).
