PUBLIC ACCESS TO THE MEETING

Local Area Committees engage, enable, and empower communities across the city with increasing control over decision making, marking a major shift in power to communities. The Committees provide a geographical framework that, over time, will be used to prioritise and direct the local delivery of an increasing number of Council services and oversee the production of a co-produced annual Area Committee Plan which will reflect resident priorities.

A copy of the agenda and reports is available on the Council's website at www.sheffield.gov.uk. You may not be allowed to see some reports because they contain confidential information. These items are usually marked * on the agenda.

Members of the public have the right to ask questions or submit petitions to Area Committee meetings and recording is allowed under the direction of the Chair.

Please see the [website](#) or contact Democratic Services committee@sheffield.gov.uk for further information regarding public questions and petitions and details of the Council's [protocol on audio/visual recording and photography](#) at council meetings.

Local Area Committee meetings are normally open to the public but sometimes the Committee may have to discuss an item in private. If this happens, you will be asked to leave. Any private items are normally left until last.

Please do not attend the meeting if you have COVID-19 symptoms.

If you require any further information please contact Philippa Burdett by emailing philippa.burdett@sheffield.gov.uk.

Agenda Item 4

ADVICE TO MEMBERS ON DECLARING INTERESTS AT MEETINGS

If you are present at a meeting of the Council, of its Policy Committees, or of any committee, sub-committee, joint committee, or joint sub-committee of the authority, and you have a **Disclosable Pecuniary Interest** (DPI) relating to any business that will be considered at the meeting, you must not:

- participate in any discussion of the business at the meeting, or if you become aware of your Disclosable Pecuniary Interest during the meeting, participate further in any discussion of the business, or
- participate in any vote or further vote taken on the matter at the meeting.

These prohibitions apply to any form of participation, including speaking as a member of the public.

You **must**:

- leave the room (in accordance with the Members' Code of Conduct)
- make a verbal declaration of the existence and nature of any DPI at any meeting at which you are present at which an item of business which affects or relates to the subject matter of that interest is under consideration, at or before the consideration of the item of business or as soon as the interest becomes apparent.
- declare it to the meeting and notify the Council's Monitoring Officer within 28 days, if the DPI is not already registered.

If you have any of the following pecuniary interests, they are your **disclosable pecuniary interests** under the new national rules. You have a pecuniary interest if you, or your spouse or civil partner, have a pecuniary interest.

- Any employment, office, trade, profession or vocation carried on for profit or gain, which you, or your spouse or civil partner undertakes.
- Any payment or provision of any other financial benefit (other than from your council or authority) made or provided within the relevant period* in respect of any expenses incurred by you in carrying out duties as a member, or towards your election expenses. This includes any payment or financial benefit from a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992.

*The relevant period is the 12 months ending on the day when you tell the Monitoring Officer about your disclosable pecuniary interests.

- Any contract which is made between you, or your spouse or your civil partner (or a body in which you, or your spouse or your civil partner, has a beneficial interest) and your council or authority –
 - under which goods or services are to be provided or works are to be executed; and
 - which has not been fully discharged.

- Any beneficial interest in land which you, or your spouse or your civil partner, have and which is within the area of your council or authority.
- Any licence (alone or jointly with others) which you, or your spouse or your civil partner, holds to occupy land in the area of your council or authority for a month or longer.
- Any tenancy where (to your knowledge) –
 - the landlord is your council or authority; and
 - the tenant is a body in which you, or your spouse or your civil partner, has a beneficial interest.
- Any beneficial interest which you, or your spouse or your civil partner has in securities of a body where -
 - (a) that body (to your knowledge) has a place of business or land in the area of your council or authority; and
 - (b) either -
 - the total nominal value of the securities exceeds £25,000 or one hundredth of the total issued share capital of that body; or
 - if the share capital of that body is of more than one class, the total nominal value of the shares of any one class in which you, or your spouse or your civil partner, has a beneficial interest exceeds one hundredth of the total issued share capital of that class.

If you attend a meeting at which any item of business is to be considered and you are aware that you have a **personal interest** in the matter which does not amount to a DPI, you must make verbal declaration of the existence and nature of that interest at or before the consideration of the item of business or as soon as the interest becomes apparent. You should leave the room if your continued presence is incompatible with the 7 Principles of Public Life (selflessness; integrity; objectivity; accountability; openness; honesty; and leadership).

You have a personal interest where –

- a decision in relation to that business might reasonably be regarded as affecting the well-being or financial standing (including interests in land and easements over land) of you or a member of your family or a person or an organisation with whom you have a close association to a greater extent than it would affect the majority of the Council Tax payers, ratepayers or inhabitants of the ward or electoral area for which you have been elected or otherwise of the Authority's administrative area, or
- it relates to or is likely to affect any of the interests that are defined as DPIs but are in respect of a member of your family (other than a partner) or a person with whom you have a close association.

Guidance on declarations of interest, incorporating regulations published by the Government in relation to Disclosable Pecuniary Interests, has been circulated to you previously.

You should identify any potential interest you may have relating to business to be considered at the meeting. This will help you and anyone that you ask for advice to fully consider all the circumstances before deciding what action you should take.

In certain circumstances the Council may grant a **dispensation** to permit a Member to take part in the business of the Authority even if the member has a Disclosable Pecuniary Interest relating to that business.

To obtain a dispensation, you must write to the Monitoring Officer at least 48 hours before the meeting in question, explaining why a dispensation is sought and desirable, and specifying the period of time for which it is sought. The Monitoring Officer may consult with the Independent Person or the Council's Standards Committee in relation to a request for dispensation.

Further advice can be obtained from David Hollis, General Counsel by emailing david.hollis@sheffield.gov.uk.

Lead Officer Name: Adeel Zahman	Job Title: Central LAC Community Services Manager
Date: Thursday 3rd October 2024	

1. PROPOSAL

1.1 Background

1.1.1 Local Area Committees (LACs) were established by Full Council in May 2021. Their Terms of Reference are set out in Part 3 of the Council's Constitution and include:

- To agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review; and
- To make decisions relating to funding as delegated from time to time by the Council to fit with the priorities set out in the Community Plan and following engagement with the community.

The Central LAC Community Plan was agreed in March 2022.

1.1.2 To enable decisions to be taken quickly and to respond to emerging issues. In September 2021, the LAC granted delegated authority to the Community Services Manager to make decisions on expenditures from any budget allocated to the Local Area Committee provided that

- The decision is taken in consultation with the Local Area Committee Chair and Committee
- Spending is in line with any specific purposes of the allocated budget.
- The decision may not approve expenditure of more than £5,000 per item.
- A report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting

1.2 2024/25 Budget allocation

1.2.1 Funding delegated by the Council in 2024/25 amounts to £100,000 per LAC to address issues in the Central LAC Community plan. Following consultation with Central LAC Elected Councillors it is proposed that this budget should be allocated so that £25,000 is spent per ward to address the priorities in the Central LAC Community Plan.

1.2.2 The Central LAC has five priorities which

1. Transport and Highways
2. Environment
3. Communities and Neighbourhoods
4. Community Safety, and Crime
5. Business, Employment and Skills

1.2.3 There may be projects or schemes proposed within any priority theme for which the anticipated expenditure is more than £5,000. To enable financial decisions to be made, given the delays caused by the two pre-election periods (local election and general election) it is recommended that the level of expenditure that can be approved by the Community Services Manager in consultation with the LAC Chair and Committee members under the delegated authority described above in 1.1.2 is raised to sums of up to £10,000. All other conditions would remain the same.

2. HOW DOES THIS DECISION CONTRIBUTE?

2.1 The decision directly contributes to the following outcomes in 'Together we Get things Done', The Sheffield City Council Plan 2024 – 2028.

- Great neighbourhoods that people are happy to call home – LACs work with communities to improve the places and spaces that make neighbourhoods great places to live and be active.
- People live in caring, engaged communities that value diversity and support their wellbeing – LACs work with communities to build engagement into the way we work so that we listen better and work together to find shared solutions

3. HAS THERE BEEN ANY CONSULTATION?

3.1 The Community Plan has been developed through community consultation that has comprised of an online survey through the Council's Citizenspace platform; a paper-based survey for those less digitally enabled; engagement activity with representative organisations and in-person meetings.

Partner organisations and the Council departments that have been identified as offering potential solutions to some of the issues identified have also been consulted, to establish whether suggestions can be realistically implemented.

4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION

4.1 Equality of Opportunity Implications

4.1.1 Decisions need to consider the requirements of the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010.

This is the duty to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it.
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The Equality Act 2010 identifies the following groups as a protected characteristic: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation.

4.1.2 An Equality Impact Assessment (EIA 2601) has been developed to reflect the allocation of the LAC budget. The overall impact of this decision is likely to be positive and not disproportionate from an equality, diversity and inclusion perspective. In developing a Community Plan, local communities have been given the opportunity for a greater say in local decision making for services which impact their daily lives.

4.1.3 The devolution of responsibilities will improve inclusion for local people and the work of the Sheffield Equality Partnership will support and enhance the approach from a citywide and underserved communities' perspective.

However, to ensure this approach considers people who share protected characteristics under the Public Sector Duties the Local Area Committee Community Plan will be supported by appropriate equality monitoring of budget.

4.2 Financial and Commercial Implications

4.2.1 This report concerns expenditure of the LACs allocated budgets in 2024/25 of £100,000 (£25,000 per ward).

Procurement of supplies and/or services and the award of grant aid will be carried out in line with the Council's Contracts Standing Orders and Financial Regulations.

4.3 Legal Implications

4.3.1 The LAC must operate in accordance with its Terms of Reference, approved as part of the Council's updated Constitution, (namely pursuant to part 3 para 3.3) reflecting the committee system of governance, by Full Council at its Annual Meeting on 18th May 2022. In accordance with the provisions of section 101 of the Local Government Act 1972 the Constitution provides that a Committee may delegate to a Council Officer.

5. ALTERNATIVE OPTIONS CONSIDERED

- 5.1 The LAC could choose not to allocate budgets at this stage, but this would delay local projects and facilities for local communities.

All decisions on expenditure to support Community Plan priorities could be delegated to officers. However, this would restrict and undermine the LACs ability to monitor its delegated budget and delivery of the Community Plan.

6. REASONS FOR RECOMMENDATIONS

- 6.1 The Central LAC is asked to approve the approach to the 2024/25 budget outlined in the report to address the identified local priorities within the Central LAC Community Plan.

Agenda Item 11

SHEFFIELD CITY COUNCIL

Central Local Area Committee

Meeting held 14 March 2024

PRESENT: Councillors Brian Holmshaw (Chair), Angela Argenzio, Christine Gilligan Kubo, Tom Hunt, Douglas Johnson, Toby Mallinson, Laura McClean, Henry Nottage and Martin Phipps

Approximately 17 members of the public were in attendance.

1. APOLOGIES FOR ABSENCE

1.1 Apologies for absence were received from Councillors Maleiki Haybe, Bernard Little and Ruth Mersereau.

2. EXCLUSION OF PUBLIC AND PRESS

2.1 No items were identified where resolutions may be moved to exclude the public and press.

3. DECLARATIONS OF INTEREST

3.1 There were no declarations of interest.

3.2 At this stage of the meeting, Councillor Angela Argenzio raised concerns in regard to the time of the meeting with it being Ramadan and the impact this had on Members, Officers and members of the public attending meetings. The Chair (Councillor Brian Holmshaw) agreed that this should be looked at and avoided for future meetings.

4. CENTRAL LAC SPEND REPORT

4.1 The Committee considered a report of the Community Services Manager that advised each Local Area Committee had a £100,000 budget to address local priorities, identified within their respective Community Plans. The report set out details of the spend in respect of the £100,000 that had been authorised by the Community Services Manager, in consultation with the LAC Chair and in accordance with the delegation granted in September 2021.

4.2 The report showed funding allocated to the Central Local Area Committee for 2023/24, and set out proposals for its allocation and expenditure in line with the Central Local Area Committee Community Plan.

4.3 The report described the proposals for the use of the remaining funding allocated for cost of living work in the Central area. Councillor Martin Phipps added that the remaining £4,698 will be committed to support Cost of Living projects at St. Marys Church.

4.4 **RESOLVED:** That the Central Local Area Committee:

- (1) notes the expenditure against the 2023/24 £100,000 budget to address local priorities in the Central LAC Community Plan as detailed in the report.; and
- (2) notes the expenditure against the £31,852 Central LAC Cost of Living fundas detailed in the report.

4.5 **Reasons for Decision**

The use of the funding described in this report is in line with the LAC decisions of October and November 2023 regarding expenditure of its 2023/24 budgets and helps to address identified local priorities.

4.6 **Alternatives Considered and Rejected**

Decisions on any expenditure above the existing authority to the Community Services Manager could be reserved to the LAC but this would inevitably delay delivery of priority actions to address specific issues identified in the Community Plan.

All decisions on expenditure to support Community Plan priorities could be delegated to officers. However, this would restrict and undermine the LAC's ability to monitor its delegated budget and delivery of the Community Plan.

4.7 Councillor Angela Argenzio thanked all the LAC Officers for their hard work throughout the year and presenting this information to the Committee.

5. SPORTS AND LEISURE PRESENTATION (10 MINUTES)

- 5.1 The Committee received a presentation from Kathryn Mudge and Stuart Turner relating to Sports and Leisure. The presentation would be uploaded to the Council's meeting webpages, but a summary of the presentation was as follows:
-
- 5.2 Kathryn Mudge explained she was a Service Manager within the Physical-Activity, Sports and Leisure Service at Sheffield City Council. She explained that their ambition was to have facilities, activities and services which were modern, welcoming, inclusive and met the needs of everyone in Sheffield, encouraging more people to be more active, more often.
- 5.3 Kathryn Mudge explained there were two strategies that Sheffield had adopted, Sheffield City Council's Sports & Leisure Strategy 2023-2033 and a five-year physical strategy for Sheffield by Move More.

- 5.5 It was stated that the Council will invest its available resources in high quality indoor and outdoor sport and leisure facilities, prioritising access for those with the least resources and reflecting the desire to minimise any impact on the environment.
- 5.6 Kathryn Mudge mentioned that as part of the strategy, the Council will ensure that major sporting events attracted investment and delivered social and economic benefits to Sheffield and the Council will focus on enabling local, enjoyable and accessible opportunities for everyone to be active in their own neighbourhood.
- 5.7 It was mentioned that the Council will work in partnership to enable positive experiences of physical activity for children and young people. This will support their physical health, mental wellbeing, personal and educational development.
- 5.8 Stuart Turner informed attendees that he worked within the Parks and Countryside Service at Sheffield City Council. He highlighted the sites within the Central LAC area which had received recent investment, and some areas which would be invested in as part of the strategy.
- 5.9 Kathryn Mudge explained there were a Sheffield Physical Activity Referral programme under review which should be launched in September 2024. This was where GPs could refer people who were encouraged to exercise more.

6. PRESENTATION FROM SHEFFIELD WEDNESDAY COMMUNITY PROGRAMME (10 MINUTES)

- 6.1 The Committee received a presentation from Ben Winter relating to Sheffield Wednesday Community Programme. The presentation would be uploaded to the Council's meeting webpages, but a summary of the presentation was as follows:
-
- 6.2 Ben Winter mentioned that he was the Deputy Head of Community at the Sheffield Wednesday Community Programme which was a registered charity. He said their goal was to work not only work in this area but to go city wide.

6.4 As part of the Community Programme, they were four themes. These were:

1. Participation
2. Youth & Integration
3. Education & Employability
4. Health

Ben Winter outlined some of the activities that the Community Programme carried as part of each theme.

6.5 Ben Winter explained that the Community Programme was a team made up of approximately 80 people who were all passionate to work in the community.

6.6 The Chair (Councillor Brian Holmshaw) thanked Ben Winter for the presentation and was pleased to hear how many activities the programme covered.

7. BREAKOUT SESSION (45 MINUTES)

7.1 The Committee went into a breakout session, during which the members of the public in attendance were given the opportunity to share their ideas on the following themes:

- Sheffield Wednesday Community Programme / Disability Programme.
- Tennis Opportunities in Sheffield
- Sports / Leisure / Active Travel

8. FEEDBACK FROM EACH GROUP

8.1 Following the breakout session, one person from each group was asked to feedback their groups thoughts. A summary of the feedback presented was as follows:

- Discussed how to make disability provisions more accessible.
- Talked about how physical activity can be for everyone.
- Discussed how bad behaviour such as racism could be deterring people from attending Football matches.
- Talked about how the Community Programme could better advertise some of the activities they carried out.
- How Sheffield Wednesday and Sheffield United Community Programmes could work together.

Tennis Opportunities in Sheffield

5. Engage with the Eagles Foundation.

6. Needed better provision for disabled people although good to hear about the other disability provisions taking place.

Sports / Leisure / Active Travel

- Discussed how some sports such as Badminton and Table Tennis had declined over the recent years and how to encourage young people to take part in these sports.
- The increase in costs for playing some sports at certain venues.
- The impact of the pandemic on people taking part in activities.
- Did believe Sheffield was an active City so needed to celebrate this more.

The Chair explained that all the notes captured as part of the breakout session would be sent to the Central LAC team.

9. PUBLIC QUESTIONS AND PETITIONS

9.1 The Committee received the following question from a Member of the public in attendance at the meeting.

9.2 Eamonn Ward

There is a planning application for an Aldi led development opposite Sheffield Wednesday on Penistone Road and they don't want to accommodate the requirements of the Upper Don Trail Active Travel route.

Can the council do more to force developers to meet these requirements along the whole route from the city centre to Stocksbridge?

The Chair explained that a written response will be provided by the Planning & Highways Committee.

Councillor Toby Mallinson added that was a contentious issue and was still open, so if people wanted to make a representation, then he encouraged people to do so.

10. MINUTES OF PREVIOUS MEETING

10.1 The minutes of the meeting of the Committee held on 29 November 2023, were approved as a correct record.
