22nd May 2014

Dear Sir or Madam,

I wish to formally object to a licensing application at the property 147 West Street, S1 4EW. I understand permission is sought for a 24 hour off-licence.

1. There are a number of existing businesses selling alcohol including an existing off licence, approximately 200 yards away, Tesco 100 yards away, One Stop approximately 350 yards away.

2. Within 1000 and 1500 yards there are numerous supermarkets, shops and convenience stores selling alcohol.

3. The existing West Street off-licence "Bargain Booze" has attracted dozens and dozens of street drinkers. We feel **Page 45** another 24 hour

off-licence is likely to lead to a price war. The
my winners being the drinks we have to put
up with everyday.

+ We have been keeping a diary and list of
incident numbers as a direct result of abuse,
threats, stealing and damage caused by the
trunks who also use our car park as a toilet.

do not feel that another off-licence so
close will elevate any of these problems. This
area has deteriorated markedly in the last
3 years and we need somebody to start trying
to address this.

Yours Faithfully,

Nicholas Morgan . Page 46
