	Parker's Yard continued from p5			<p>by members. At January 2014, the lease is still being actively negotiated for the Pearson Forge Site, but it remains unsigned due to difficulties on the sellers part. The business is overcoming problems with their bank & with the vendor for the site due to the economic climate but progress is being pushed by the company, albeit slowly due to increasing demands being asked of them. The company is determined to resolve this. 18/7/12, still delayed by solicitors, expecting contract sign for Pearson Forge soon. 1/3/12, Land contamination survey completed awaiting results of analysis, (takes 6wks=approx 10/4/12). Owner reports on 28/3/12 there shouldn't be further obstacles if analysis shows the land is ok. Business owner continues to update officers with progress reports. Work on site now likely to be later, March, due to owners Bank requiring more info on structural stability of site buildings & land contamination. Relocation - the legal process begun & discharge planning conditions also taking place now. Initial estimate is mid Dec'11 for work on site to begin at Pearson Forge. Alternative site that would be suitable for relocation of</p>
