## 8. PROPORTIONAL ALLOCATION OF SEATS ON COUNCIL COMMITTEES

RESOLVED: On the Motion of Councillor Pat Midgley, seconded by Councillor Clive Skelton, that the City Council:-

- (a) agrees that the current Council Committees, with their terms of reference set out in the Constitution, be re-established subject to the renaming of the Scrutiny Committees as Scrutiny and Policy Development Committees, and authority be given for the Constitution to be amended accordingly;
- (b) notes the political proportionality framework and the illustrative example of how this might be applied, as set out in the report circulated with the agenda for this meeting;
- (c) (i) approves the sizes of individual Committees to be subject to proportional balance and the initial allocation of seats to political groups

on individual Committees before final adjustment, as set out in the report; (ii) agrees that, in order to ensure that each political group has the required number of seats overall in comparison to the total number of seats available on Committees to reflect their composition on the Council as a whole, the Liberal Democrat Group's adjustments of four seats be from (A) the Economic and Environmental Well-being Scrutiny and Policy Development Committee, the Licensing Committee and the Senior Officer Employment Committee, with those seats being allocated to the Green Group and (B) the Appeals and Collective Disputes Committee, with the seat being allocated to the Labour Group; and (iii) approves the appointment of Members to all Council Committees to reflect the arrangements now agreed and the wishes of the political groups, in accordance with the schedule circulated at the meeting (and including substitutes where appropriate), and, for the purposes of Council Procedure Rule 25.4, the consent of the Council be given in any case where a Member chooses not to be appointed to serve on any Scrutiny or Regulatory Committee;

- (d) agrees to disapply proportionality to the Senior Officer Employment Sub-Committees and the Appeals and Collective Disputes Sub-Committees, for the reasons set out in paragraph 3.2.4 of the report;

- (f) notes that a report will be submitted to the meeting of the Council on 13<sup>th</sup> June in relation to the standards arrangements to be adopted by the Authority from 1<sup>st</sup> July, and consequential changes required to be made to the Constitution of the Council and to political proportionality; and
