

Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), **I hereby give Notice** that:-

The **Cabinet** intends to make a Key Decision on behalf of the Sheffield City Council **on 14th February 2018**.

The Key Decision will be about *Food and Wellbeing in Sheffield: Strategy and Future Commissioning Model*

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision, as required by Regulation 9 (2) of the Regulations.

The reasons why compliance with Regulation 9 is impracticable in this matter are as follows:-

PLT approval for the matter to be put on the forward plan was not able to be gained in time. Delay in this decision being taken by cabinet could delay the related procurement and risk there being a gap in service delivery. The report had been circulated to PLT last week for comments by last Friday and there were no objections. Unfortunately the officer didn't complete this process in time. Any delay in obtaining approval will impact upon service delivery.

As required by Regulation 10 of the Regulations, the Chair of the Healthier Communities & Adult Social Care Scrutiny and Policy Development Committee has been informed of the matter about which the Key Decision is to be made by being given the above Notice.

Pursuant to Regulation 10 (3) this Copy of the Notice was made available at Sheffield Town Hall for inspection by the public and published on the Council's website on **ADD DATE**
