Purpose of Report

This report sets out the proposal for the 2018/19 increase in pitch fees relating to Sheffield City Council's Gypsy and Traveller sites at Longacre and Redmires.

There is no nationally recommended pitch fee level for Gypsy and Traveller pitches as there is for social housing rents. It is left to the discretion of the landlord, subject to the terms of a Written Statement of Agreement between the Council and occupiers of the sites.

Recommendations:

It is recommended that from 23rd April 2018 the fees for each pitch on the Council's Gypsy and Traveller sites at Longacre and Redmires will increase by £3.48 (3.9%) to £92.70 per week

1. PROPOSAL

- 1.1 Sheffield City Council owns two operational Gypsy and Traveller sites; Longacre (14 plots) in the south east of the city and Redmires (17 plots)

in the west. The pitch fees are a contribution to the services and amenities provided on the sites by the Council. These include:

- The day to day management of the site
- A dedicated service
- Electric hook-up points, gas bottle storage, and connection to the electricity and water supply and drains
- Amenities including bathroom and/or shower facilities, a WC, a kitchen sink, space for kitchen equipment and heating
- A day room where residents can sit and eat if they wish.

1.2 The mechanism for an annual increase or decrease of pitch fees and the presumption that the increase will be by a percentage which is no more than any percentage increase or decrease in the retail prices index (RPI) since the last review date are set out in a Written Statement of Agreement for residents, which was approved by the Cabinet Member for Homes and Regeneration on 23 May 2011. The Written Statement of Agreement is attached to this report as Appendix 1.

1.3 In previous years the pitch fees for Redmires and Longacre have been different because of historic site conditions which have since changed. In February 2012, the Cabinet Member for Homes and Regeneration agreed a local convergence policy in order to make pitch fees on both sites the same by 2014/15. The 2014/15 annual increase was the last under the convergence policy as pitch fees across both sites are now equal.

1.4 In accordance with the convergence policy pitch fees have uplifted by RPI each year from 2015/16 and at the review date each year a September RPI figure has been used to uplift pitch fees because this is the figure used in the Government's National Social Rent Policy when calculating social rent increases. The average increase in pitch fee for 2017/18 across both sites was 2.0% in line with RPI at September 2016. The average increase in pitch fees 2018/19 will be 3.9% in line with RPI at September 2017. The fees for each pitch on the Council's Gypsy and Traveller sites at Longacre and Redmires will increase by £3.48 to £92.70 per week

1.5 There is a risk that any resident might not agree to the increase, which would lead to delays in implementing the increase. This risk was mitigated through discussions with the residents in 2011 and 2012 regarding the principle of convergence and what impact this would have on pitch fees for both sites. The Site Staff will hand-deliver plain English letters giving notice of the increased fee and will discuss any concerns with residents. Residents must sign to say they have understood the letter.

2. HOW DOES THIS DECISION CONTRIBUTE?

2.1 The pitch fees are a contribution to the services and amenities provided on the sites by the Council.

2.2 The annual increase in pitch fees helps increase income into the account and to keep pace with cost inflation.

3. HAS THERE BEEN ANY CONSULTATION?

3.1 There is no requirement to carry out consultation before setting the pitch fee each year but as stated above at paragraph 1.5 the principle of convergence, and its implications, was discussed with the residents in 2011 and 2012.

4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION

4.1 Equality of Opportunity Implications

4.1.1 Employment rates for gypsies and travellers nationally are low, and poverty is high.

4.1.2 The proposed pitch fee increase will be met by Housing Benefit for residents who are eligible.

4.1.3 The proposed average increase is linked to RPI and is higher than last year's average increase of 2.0%.

4.1.4 Since 2010, the Council have explained to residents the rent convergence principle, and the proposed differential rent increase to make fees at both sites the same. The Council explained in detail how fees at one site were being increased more than the other until both sites pay the same fees. As a result, residents have been made aware of the fee increase and have had the opportunity to express their opinions on the proposals.

4.2 Financial and Commercial Implications

4.2.1 The proposed increase in charges will increase income into the account in 2018/19 by around £5609.76. This increase is in line with RPI and will allow income to keep pace with cost of inflation and help complete essential repairs and maintenance on both sites while remaining affordable to those residents in receipt of welfare benefits. The increase is comparable to the rise in charges for other services

4.2.2 The Gypsy & Traveller Site budget is set at £193, 880 for 2018/19.

4.2.3 As part of the Government's welfare reform proposals, Universal Credit is expected to be in place by 2019. It will be paid to benefit claimants rather

than the housing element being paid directly to the landlord account. Benefits will also be capped. This is expected to result in increased levels of arrears. Two residents have claimed universal credit whilst living on site. We have worked with our Income Management and Financial Inclusion Team to make alternative payment arrangements where direct payments are received from the occupant's income to ensure any arrears are kept to a minimum and residents are supported with changes. We will continue to work to minimise the impact of Welfare Reform to residents on site.

4.3 Legal Implications

4.3.1 Residents of the Council's Gypsy and Traveller sites occupy them by agreement under the Mobile Homes Act 1983 (MHA). A Schedule to the MHA sets out a number of terms which are implied into the agreement and specifies those terms which apply to permanent pitches on local authority Gypsy and Traveller sites. These have been incorporated into the Council's Written Statement of Agreement.

4.3.2 The implied terms include provisions about amending the pitch fee and include a presumption that the annual increase or decrease of pitch fees is by a percentage which is no more than any percentage increase or decrease in the retail prices index (RPI) since the last review date.

4.3.3 Occupiers of the sites must be given a written statement of the terms of the agreement setting out certain information including the terms implied by the MHA and the express terms, which are based on the licence formerly granted before the MHA was amended to cover local authority Gypsy and Traveller sites. The pitch fee can only be changed in accordance with the procedure set out in paragraphs 14-18 of the prescribed written statement.

4.3.4 The Council must give each occupier written notice of the new pitch fee at least 28 days before the review date. If the occupier agrees then the new fee takes effect on the review date. If the occupier does not agree then the Council must make an application to the court to determine the amount of the new fee.

5. **ALTERNATIVE OPTIONS CONSIDERED**

5.1 No increase in pitch fees in 2018/19 – this option would mean that income into the account did not keep pace with cost inflation.

6. **REASONS FOR RECOMMENDATIONS**

6.1 The proposed increase is in accordance with the completion of the local convergence policy agreed by the Cabinet Member for Homes and

Regeneration in February 2012 and the terms of the Written Statement in relation to the Mobile Homes Act 1983 agreed by him in May 2011 and issued to each occupier of both sites.
