Summary:

This report provides the Committee with a summary of its activities over the current and previous municipal year for inclusion in the Scrutiny Progress Report 2018-20. The Committee is asked to consider and comment on this document (Appendix A).

This report is unusual, in that it covers two municipal years. This has been achieved by bringing forward the publication timeline for the 2019/20 Annual Report and merging it with the previous year, 2018/19. The report also includes a list of topics which it is recommended be considered for carry forward into the 2020/21 Work Programme for this committee. This can then be considered by newly formed committee in 2020/21.
