Subject: Application to Vary the Premises Licence - Steel House - 53-59 West Street, S1 4EQ

This emailed representation is made in accordance with the agreement with the Licensing Authority on the 18th October 2006 to accept representations by email.

I have the following representation to make with regards to Public Nuisance for the application to vary the Premises Licence for the above premises.

The premises are in close proximity to residential property. As such there is an enhanced potential for licensed activity at the premises to give rise to complaints relating to public nuisance. In particular I am concerned that residents in close proximity will potentially be affected by excessive noise disturbance from the break out of loud amplified music from the premises and people noise from those queuing to enter the venue, people outside the venue having a smoking break and people leaving the venue; later than under current operations.

Several years ago we had a series of noise complaints about the venue and as a result of working with the then management team we were able to resolve these issues. The amendments to the operation of the premises were to change the main entrance of the premises, and to build a suitable lobby to prevent music break out when patrons were accessing/ egressing the building, the erection of a suitable lobby to the rear access for smokers. Boarding the windows, and restricting the last entry of customer to 01:00hrs to prevent the possibility of a large number of people arriving when other venues close, later in the evening.

I also have a number of concerns regarding how the venue is to be run. Whilst not a material consideration under the Licensing Act 2003 the planning use class for this building is that of a bar (A4), if the premises are to open beyond 3am on all nights of the week, without a last entry restriction, and a large dancing area, then this is more likely to require a Night Club use for the premises.

I shall have to object to the application as it currently stands, but I have spoken to the applicants representative and proposed a number of amendments to the application which I shall summarise below:

- Sunday - Thursday for the times for Regulated Entertainment and supply of alcohol to remain as per current licence, (sale of alcohol; Regulated Entertainment to cease 02:00hrs, close of premises 02:30hrs).
- Friday, Saturday and Sundays preceding a Bank Holiday, an increase in the opening hours of the premises and in licensable activities for an extra 30 minutes (close of premises 04:00hrs; 03:30hrs sale of alcohol/ Reg entertainment).
- Retention of condition 2 Annex 3 which restricts entry to the premises after 01:00hrs.

- I also have concerns about the proposed/ already carried out structural alterations which include altering the main access into the venue.

I have submitted this representation because of the deadline, I'm hopeful that further discussions with the applicant/ their representative will result in resolving the matter without the need for a hearing.

Please note I shall be away from the office until 15th August 2012, if you wish to contact me after then I shall be on the number below, alternatively I shall pick up my emails when I return.

Regards,

Jon.

Dear Sheffield City Council,

With regard to Licencing application by Steelhouse 53-59 West Street Sheffield - for extending their opening hours.

As residents of [REDACTED] Westpoint Building, 58, West Street, we would like to render a strong objection to the proposed opening hours of this site until late every night of the week. As Already there are others like Crystal Bar who already contributes, very Friday and Saturday (and many weekdays), to unacceptable levels of noise and sytematic disruption to this area of Carver and West Street.

I cannot see any socially sensible or socially sensitive reason that sheffield City Council should allow any extension of this level of noise and public nuisance until late hours of every night of the week. Every Fridays and Saturdays, regulary disgorge masses of drunken people on to the sreet in the early hours of this morning, who scream and chant together at high volume underneath our flats. The street outside Westpoint (and more importantly our fire escape exit from Westpoint Building (and more importantly our fire escape exit from westpoint building) are regularly filled discarded bottles, food waste and other rubbish. Crimes are also now taking place what have been seen on the last bank holiday.

We ask sincerely that Council please listen to the hard-pressed residents of Westpoint and reject this extension of opening hours for Steel house to consider public safety and children protection from avoiding harm.

Your Sincerely,

Dear Sir/ Madame

Re: Application for Later Hours by Steelhouse, 53-59 West Street, Sheffield. S1 4EQ.

I strongly disagree under the following licensing objectives for Sheffield City Council to allow Steelhouse gain permission to open from 11.00pm to 04.00am the following day, seven days a week with sale of alcohol ending at 03.30am in an area that has residential properties.

The Prevention of Public Nuisance

Our apartment/flat overlooks Steelhouse. I already have difficulty sleeping or enjoying valuable family time with the noise and sounds of Steelhouse clients entering or leaving the bar as it goes on well after the closing time that is set now (11.00pm - 2.30am). With the proposed changes to open from 11.00pm - 4.00am what would be the point of me going to bed. I work with young people that have disabilities (profound and/or disruptive behaviour) why should I jeopardise my job through lack of sleep.

Why have they opened up the new proposed entrance, before planning permission has been given, as this means I can now here the music from the sound system, the DJ's speaking, clients singing and shrieking. Why do the DJ's feel it is necessary to turn up the volume of the sound system after midnight? Why can't Steelhouse keep their entrance door closed after midnight or better still, Why can't they OPEN up a main entrance to Steelhouse from West Street Lane. The Reflex Bar have an entrance on that side so why can't Steelhouse?

Our block of apartments/flats, West Point, are not the only ones in the vicinity of Steelhouse there is also Broughton House and the Holly Street complex If the Bars in the West One complex have to close at 12.30am why can't the Bars in this area close at the same time (12.30am). The Walkabout does and indeed sometimes closes early.

The Prevention of Crime and Disorder

As a rate payer, I see the Police already doing a sterling job of keeping crime and disorder to the minimum over the weekends in West Street and Carver Street, but their street surveillance vans usually leave our area between midnight and 1am. I am not sure as a rate payer of Sheffield if I would be happy to have my rates increased to allow for the Police to patrol West Street and Carver Street until 2.30-3.30am because 'A Bar' wants to stay open serving alcohol and playing music or have live bands until 4.00am 7 days a week, and I am sure other rate payers would feel the same.

The Protection of Children from Harm

There are families with small children that live in West Point and I feel sure that they are not happy that their children hear the shouting and swearing/language or see the drunken behaviour of people either queuing or leaving Steelhouse. Thursday/Friday/Saturday and Sunday before a Bank Holiday are enough for me; to think that it could be until 4.00am 7 days a week is dreadfully disturbing.

Public Safety

My husband and I do not go out late at night, we prefer to go out early evening when there is a more visible police presence. On those occasions when I have gone out on my own to meet work colleagues I have felt vulnerable arriving home after midnight. On my way to church -West Street/Carver Street- early Sunday mornings I often see spots of blood or pools of blood on the pavement where an altercation has taken place.

Please Sheffield Licensing committee say NO to the Steelhouse proposal to open until 4.00am 7 days a week, and say NO - for them to change their front entrance onto West Street north.

I feel that if the opening times are allowed to change then YOU will have similar problems that occurred at The Bed - also on West Street.

Yours sincerely

Dear Sheffield City Council,

With regard to Licencing application by Steelhouse 53-59 West Street Sheffield - for extending their opening hours.

As residents of [redacted] Westpoint Building, 58, West Street, we would like to render a strong objection to the proposed opening hours of this site until late every night of the week. As Already there are others like Crystal Bar who already contributes, very Friday and Saturday (and many weekdays), to unacceptable levels of noise and sytematic disruption to this area of Carver and West Street. This can be clearly seen in increase in the crime rate and damages caused to public property(one of the most regular and noticeable being broken glass sheets of adjacent bus stop, quite risky with kids in the morning when waiting for bus)

I cannot see any socially sensible or socially sensitive reason that sheffield City Council should allow any extension of this level of noise and public nuisance until late hours of every night of the week. Every Fridays and Saturdays, regularly disgorge masses of drunken people on to the street in the early hours of this morning, who scream and chant together at high volume underneath our flats and often results in fights and regular police intervention . The street outside Westpoint (and more importantly our fire escape exit from Westpoint Building (and more importantly our fire escape exit from westpoint building) are regularly filled discarded bottles, food waste and other rubbish. Crimes are also now taking place what have been seen on the last bank holiday stabbing for a person out side the local sainsbury. It also posses as a threat of self and belonging now to people like my family member who work night shifts and return at late hours .

We ask sincerely that Council please listen to the hard-pressed residents of Westpoint and reject this extension of opening hours for Steel house to consider public safety, our quality of life affected by the noise pollution and protection for our children. We also object to there request to reduce the door staff from 8 to 4, i think with the kind of business they do it is in their own customers safety and ours as well to have enough security staff to be available if needs arises. Which generally is seen quite often at their doorstep as can be seen by our window. In fact would suggest of unannounced check to see if the suggested guideline this is being followed at present.

In fact if this application was to be successful it would not only cost residents like us our quality of life but also local authority in increased cost of policing, in repairs of damage to public property, cleaning etc

Hoping for the due consideration
Your Sincerely,

Dear Sir/ Mdm,

I am writing to you to express my concerns over the letter I received regarding Steelhouse's application for later hours.

I am a home owner in Holly House and have been staying here for the past two years.

Despite living on the 4th floor, I am still frequently disturbed by loud bass music from the bars in the area on occasion, its just the vibration from the bass and i dont think that allowing the extensions of opening hours will be good for the prevention of public nuisance.

Whilst i have not had any experience of crime in the area, there is a large amount of anti social behaviour with the frequent GLASS being left right outside my front door more often than not accompanied by a pile of vomit. This disorderly, anti-social and frankly dangerous (glass) behaviour is bad enough as it is i strongly hope that the council will reconsider this application carefully.

Best Regards

Please see my objection below to the Licensing application by Steelhouse, 53-59 West Street, S1 4EQ

Thanks, Rob

"I am writing to object to the application by Steelhouse to extend hours and relax conditions on the grounds of prevention of crime and disorder and public nuisance. The premises are on West Street opposite 58 apartments at West Point. East of West Point are 50 apartments at Broughton House about 35 yards away. West of West Point are 50 apartments at Morton House about 60 yards away. About 70 yards to the east on the same side of the road as Steelhouse are 42 apartments at Holly House, Bow House and York House in the old Education Department conversion on Holly Street.

Residents have seen increasing noise and anti-social behaviour on West Street over the last 5 or 6 years and may be resigned to late opening on Friday and Saturday. But they want and deserve a much longer window for much needed sleep free of noise and anti-social behaviour ahead of working days. I believe the opening hours should not be extended further into the night from Sunday to Thursday. And I object to any extension of opening hours beyond 3.30 pm on any day of the week.

I also object to all the requested changes to conditions. The current conditions are suitable for keeping noise within the premises, having an appropriate quiet drinking up time and ensuring customers behave properly both on the premises and on entering or leaving the premises. Residents deserve and need the protection that these conditions give from noise and anti-social behaviour. "
