The Work Programme is attached at Appendix 1 for the Committee's consideration and discussion. It aims to focus on a small number of issues, in depth. This means the Committee will need to prioritise issues to be included on formal meeting agendas. Where an issue is not appropriate for inclusion on a meeting agenda, but there is significant interest from Members, the Committee can choose to request a written briefing paper.

The Work Programme will remain a live document and will be brought to each Committee meeting. The work programme for this year is specifically focusing on Covid 19 and the implications of this for relevant services.
