This report aims to assist the Committee in determining a programme of work for the remainder of municipal year 2020/21. Covid-19 has disrupted usual pattern of meetings, and meetings are being held virtually. This Committee met in June to consider a Call-In and in September and December 2020. The February 2021 meeting is earmarked for consideration of budget 2021-22.

It is for the Committee to consider and agree a work programme, including identify further suggestions and to prioritise items. Scrutiny work programmes are live documents, so are subject to change, and on occasion other appropriate items may have to be swapped into the schedule. Section 2.0 is a guide to assist in determining a work programme.

Draft Work Programme 2020/21: Overview and Scrutiny Management Committee - Thursday 28th January 2021

1.0 What is the role of Scrutiny?

1.1 Scrutiny Committees exist to hold decision makers to account, investigate issues of local concern, and make recommendations for improvement. The Centre for Governance and Scrutiny (formerly the Centre for Public Scrutiny) has identified that effective scrutiny:

- Provides 'Critical Friend' challenge to executive policy makers and decision makers
- Enables the voice and concern of the public and its communities
- Is carried out by independent minded governors who lead and own the scrutiny process
- Drives improvement in public services and finds efficiencies and new ways of delivering services

1.2 The Centre for Governance and Scrutiny has updated its activity with several blogs and handy advice for scrutiny in Covid-19, and the Coronavirus Act. These can be found on their web pages - <https://www.cfgs.org.uk/> .

1.3 Scrutiny Committees can operate in several ways – through formal meetings with several agenda items, single item 'select committee' style meetings, task and finish groups, and informal visits and meetings to gather evidence to inform scrutiny work. Committees can hear from Council Officers, Cabinet Members, partner organisations, expert witnesses, members of the public. Scrutiny Committees are not decision making bodies, but they can make recommendations to decision makers.

2.0 Determining the work programme

2.1 It is important the work programme reflects the principles of effective scrutiny, outlined above at 1.1, and so the Committee has a vital role in ensuring that the work programme is looking at issues that concern local people, and looking at issues where scrutiny can influence decision makers. The work programme remains a live document, and there will be an opportunity for the Committee to discuss it at every Committee meeting, this might include:

- Prioritising issues for inclusion on a meeting agenda
- Identifying new issues for scrutiny
- Determining the appropriate approach for an issue – e.g. select committee style single item agenda vs task and finish group
- Identifying appropriate witnesses and sources of evidence to inform scrutiny discussions
- Identifying key lines of enquiry and specific issues that should be addressed through scrutiny of any given issue.

2.2 Members of the Committee can also raise any issues for the work programme via the Chair or Policy and Improvement Officer at any time.

3.0 Meeting Dates 2020/21

3.1 Remaining meetings are scheduled for Thursdays 10am-12pm on the following dates:

- 11th February 2021
- 25th March 2021

4.0 Recommendations

4.1 The Scrutiny Committee is being asked to:

- Consider and agree draft work programme 2020/21, amend or reprioritise if necessary, for remaining meetings
