		and Communities	Wellbeing	

## **Portfolio, Service and Team**

Cross-Portfolio	Portfolio
○ Yes • No	Place
Is the EIA joint with another organi ○ Yes   ■ No	sation (eg NHS)?

## Brief aim(s) of the proposal and the outcome(s) you want to achieve

To implement a new Customer Engagement strategy for the council housing service, to help ensure that we broaden the range of tenants and leaseholders that want and are able to actively engage with us and be involved in the development of our services.

## **Impact**

Under the <u>Public Sector Equality Duty</u> we have to pay due regard to the need to:

- eliminate discrimination, harassment and victimisation
- advance equality of opportunity
- foster good relations

More information is available on the <u>Council website</u> including the <u>Community Knowledge</u> <u>Profiles</u>.

Note the EIA should describe impact before any action/mitigation. If there are both negatives and positives, please outline these – positives will be part of any mitigation. The action plan should detail any mitigation.

#### **Overview**

# Briefly describe how the proposal helps to meet the Public Sector Duty outlined above

The overall objective of the Strategy is to increase the level and range of effective engagement with our tenants and leaseholders, and to ensure that all of our customers have the opportunity to be involved in engagement activities if they want to be. So this clearly links to 'advancement of opportunity' and 'foster good relations'.

## **Impacts**

## Proposal has an impact on

## **Details of impact**

By broadening our engagement activities to use more varied and creative engagement methods / channels we hope to widen the age-range of customers who engage with us. Traditionally our most 'involved' tenants tend to be towards the older end of the spectrum. The Strategy aims to keep these older customers engaged but also undertake engagement in ways which attract younger participants.

See attached
Supporting Evidence (Please detail all your evidence used to support the EIA)
See attached a copy of the Strategy.
Consultation
Consultation required  ● Yes ○ No
If consultation is not required please state why
Are Staff who may be affected by these proposals aware of them

o res

Are Customers who may be affected by these proposals aware of them

● Yes ○ No

If you have said no to either please say why

Customers are in part aware of the proposals as they have been involved in the consultation which took place as part of the work to develop the strategy. We had a tenant-and-leaseholder focus group who worked with Members to develop the strategy, and that group consulted with a wider group of customers via focus sessions, in-person surveys and telephone surveys. But until the Strategy is formally signed-off under the ICMD process we are not allowed to share the final Strategy publicly.
