<b>1.1</b>	<p>1. With the changes to the way the NHS is commissioned how are the executive letting the public know with a disability?</p> <p><i>A. I will be raising this with representatives from the Integrated Care System (ICS) when I next get the opportunity.</i></p> <p>2. With the changes to the way election are to administer how are you going to make sure people with a disability are helped?</p> <p><i>A. If this bill sadly passes, I will talk to our electoral services to see how we can help mitigate its effects as far as possible.</i></p>	Councillor George Lindars-Hammond
<b>2</b>	<b>Public questions from Nigel Slack</b> (3 in total):	
<b>2.1</b>	<p>It was interesting to see the name Mount Pleasant featuring on today's agenda. I fondly hoped there would be some positive news about the purchase of Mount Pleasant House, in Sharrow. Sadly not, this was concerning a Compulsory Purchase Order in Chapeltown.</p> <p>Interestingly the Mount Pleasant in Sharrow has been empty longer than the in Chapeltown and yet we see no apparent progress.</p> <ol style="list-style-type: none"> <li>1. What is the state of repair of Mount Pleasant House in Sharrow? (I note windows still boarded up after three years)</li> <li>2. When do SCC expect to sign contracts for the sale, if at all?</li> <li>3. Is it time that Council admitted the failure of this sale and return to the discussions with the Community Enterprise 'Avenues to Zero' to finally save this listed building from dereliction?</li> </ol>	Councillor Paul Wood
