Notice under Regulation 10: Key Decision where less than 28 days' public notice has been given

Pursuant to Regulation 10 of the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 ('the Regulations'), I hereby give Notice that:-

The **Executive Member for Climate Change, Environment and Transport** intends to make a Key Decision on behalf of the Sheffield City Council on **9th December 2021**.

The Key Decision will be to accept a government grant offer from the Sheffield City Region of £1,287,587. This grant is part of the Transforming Cities Fund (TCF) Tranche 2 stage 2 programme. Sheffield City Council will also enter into a grant agreement with Sheffield City Region. The grant will fund further design development to take the 'Housing Zone North' (HZN) project to final business case stage.

It has not been possible to give 28 clear days' notice of the intention to make the Key Decision, as required by Regulation 9 (2) of the Regulations.

The reasons why compliance with Regulation 9 is impracticable in this matter are as follows:- there is a need to ensure that the Grant is accepted in advance of Sheffield City Council entering into contract with a design and build contractor to develop the final business case for the HZN project. Following a competitive tendering exercise, this is currently expected to be 21st December 2021.

Gill Duckworth
Director of Legal and Governance
Sheffield City Council

As required by Regulation 10 of the Regulations, the Chair of the Overview and Scrutiny Management Committee has been informed of the matter about which the Key Decision is to be made by being given the above Notice.

Pursuant to Regulation 10 (3) this Copy of the Notice was made available at Sheffield Town Hall for inspection by the public and published on the Council's website on 2nd December 2021.
