#### VARIATION

Do you want the proposed variation to have effect as soon as possible?  Yes  No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

Yes  No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

#### Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

We wish to to make a slight amendment to our opening hours from the current 12:00 to 22:00 daily to 12:00 to 00:00 daily.

The 3rd wave of Covid (Omicron) is having a significant impact on the hospitality industry and we believe slightly longer opening hours will allow us to stagger patronage and promote greater social distancing at a time when this is forefront in our clientele concerns.

This amendment would also bring us in line with similar businesses in the Kelham area.

A good example of this is "The Grind Cafe" on Green lane that has a later closing time on its premise licence than that awarded to ourselves.

The premises remains a craft beer bottleshop and tasting rooms supplying alcoholic beverages for takeaway and on premises drinking. No other changes are required from our original application.
