

Dear Mr McMenemy

I have agreed on behalf of the applicant to circulate the below response to objections received to the above Variation Application.

2) Rob McMenemy objection dated 10 January 2022

Dear Mr McMenemy

Firstly, we would like to convey our understanding of your concerns around maintaining a peaceful environment in Little Kelham. We understand that consideration should be given to all residents located near to the Wedge.

We are aware that Little Kelham is a highly populated, unique residential area within Kelham Island and the wider city. We see the local residents as our primary clientele and as such, we are highly sensitive to the fact that we do not wish to add to, or create, any disruptive and/or antisocial behaviour within the Little Kelham development. To the contrary, our aim is to offer a service that further enhances the local area.

To this end and following feedback from yourself, we are very happy to amend our application in order to be in-line with adjacent businesses within the Little Kelham development (Domos, Isabella's and others). We are therefore proposing a limit of 23:00 rather than 00:00 as originally requested. This would align our closing time with the licences granted to those businesses located around us; this is the only reason for our variation application.

Please may I add that we have always committed to limit the outside seating to 21:00, after which time we ask our patrons seated outside to move indoors or leave.

We hope that this satisfies your concerns with regards to noise and disruption. However, we would be very happy to meet you in person if there is anything else we can do or say to give you the assurances you need as a resident of Little Kelham.

Regards

Nathan and Andrew

With this information now supplied, please could I respectfully ask that you consider whether you wish to retain your objection to this application or whether the information provided relieves your concerns.

The Council now gives you notice that representations will be considered at a hearing to be held in a meeting room at Sheffield City Council, The Town Hall, Pinstone Street, Sheffield S1 2HH, on Tuesday 1st March 2022 at 10:30am; following which the Council will issue a notice of determination of the application.

I can confirm that the Licensing Authority expects those making representations to an application make every effort to attend the Licensing Committee hearing in order to give evidence in support of your objection. The Licensing Authority (Committee) will consider all written comments in the absence of those making representations and apply appropriate weight; however, non-attendance at the Licensing Hearing will not allow clarification on points.

Should you require any further information or wish to discuss this matter further, please do not hesitate to contact me.

Please advise the Licensing Service by email to licensing@sheffield.gov.uk at your earliest convenience of your wishes.

Kind Regards

Emma

Good Morning Mr McMenemy

Thank you for your e-mail.

I can confirm that the applicant has requested to extend the hours for the sale of alcohol for consumption on and off the premises until 23:00 hours. There have been no changes requested to the current authorised times for use of the outside area, which will remain the same as permitted by the licence and Planning Permission. The outdoor seating is only permitted to be used by customers until 21:00 hours and must be packed away by 22:00 hours.

Should you have any further queries, please do not hesitate to contact me.

Kind Regards

Emma

Hi Emma,

Thank you for your response below. Before proceeding further I wanted to check my understanding of the current situation with the licenced premises in the Little Kelham development. As I understand, the restaurants Domo and Isabella's are required to stop using their outdoor space at 21.00, although can continue to serve food / drinks internally beyond this time.

My concern here is to avoid a situation were the outside serving hours of these places gets later and later, with one establishment setting an ever higher precedent for the rest. I'm quite sure if Ninkasi secures a 22.00 deadline, Domo and Isabella's will be quick to apply to follow.

Kind regards

Rob McMenemy
