Purpose of Report:

The Terms of Reference for Local Area Committees (LACs) provide that each LAC must agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review, and that the decisions it makes in relation to funding must fit with the priorities set out in the Community Plan and following engagement with the community.

Through public consultation, the South West LAC has developed a draft Community Plan that seeks to identify the key issues within the area and develop a series of priorities that will inform the direction of the LAC, and direct the spending of delegated budgets, where the LAC has authority to do so.

This Report recommends the approval of the draft South West Community Plan, attached as an Appendix to this report.

Recommendations:

It is recommended that the South West Local Area Committee:

Approves the South West Community Plan as a statement of the priorities of the area, subject to any amendments being agreed by Members at the meeting on 17th March 2022;

Authorises the Community Services Manager to produce a final version of the Community Plan document, incorporating any amendments approved by the LAC at its meeting of 17th March 2022, and to publish it on the webpages of the South West Local Area Committee; and

Notes that future LAC decisions relating to funding should fit with the priorities set out in the Community Plan and following engagement with the community.

Background Papers:

(Insert details of any background papers used in the compilation of the report.)

1. PROPOSAL

- 1.1 The Terms of Reference for Local Area Committees (LACs) provide that each LAC must agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review, and that the decisions it makes in relation to funding must fit with the priorities set out in the Community Plan and following engagement with the community.

Through public consultation, the South West LAC has developed a draft Community Plan that seeks to identify the key issues within the area, and develop a series of priorities that will inform the direction of the LAC, and direct the spending of delegated budgets, where the LAC has authority to do so.

Individual members of the LAC have played an active role in developing the content of the Plan, but the LAC must make a decision to approve the Plan as a whole as a statement of the priorities of the South West area.

This Report recommends the approval of the draft South West Community Plan, attached as an Appendix to this report.

The Community Plan seeks to identify specific priorities and develop a series of actions, whereby the LAC can work with residents; businesses; community organisations; Council departments and other statutory organisations to effect change.

The Community Plan is intended to be realistic in terms of what can be achieved within the timescales, having regard to financial, legal and logistical implications. It is principally a one-year plan, but some items may be carried forward into 23/24 depending on available resources going forward.

2. HOW DOES THIS DECISION CONTRIBUTE?

Local Area Committees directly support the Communities and Neighbourhoods and Our Council commitments in the 'Our Sheffield: One Year Plan' but to be effective they need to have the capability to respond quickly to emerging local issues.

3. HAS THERE BEEN ANY CONSULTATION?

- 3.1 The Community Plan has been developed through community consultation that has comprised of an online survey through the Council's Citizenspace platform; a paper-based survey for those less digitally enabled; engagement activity with representative organisations and online meetings.

Partner organisations and Council departments that have been identified as offering potential solutions to some of the issues identified have also been consulted, to establish whether suggestions can be realistically implemented.

4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION

4.1 Equality of Opportunity Implications

Decisions need to consider the requirements of the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010.

This is the duty to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The Equality Act 2010 identifies the following groups as a protected characteristic: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation.

- 4.1.1 The overall impact of this decision is likely to be positive and not disproportionate from an equality, diversity, and inclusion perspective. In developing a Community Plan, local communities have been given the opportunity for a greater say in local decision making for services which impact their daily lives.

The devolution of responsibilities will improve inclusion for local people and the work of the Sheffield Equality Partnership will support and enhance the approach from a citywide and underserved communities' perspective.

However, in order to ensure this approach takes into account people who share protected characteristics under the Public Sector Duties the Local Area Committee Community Plan will be supported by appropriate equality monitoring of budget.

An Equality Impact Assessment (EIA 916) was previously carried out in respect of the establishment of Local Area Committees.

4.2 Financial and Commercial Implications

- 4.2.1 There are no additional financial implications. This report relates to the initial decision to approve the Community Plan. The decision to allocate specific budgets to the Local Area Committees has already been made.

Procurement of supplies and/or services will be carried out in line with Standing Orders.

4.3 Legal Implications

4.3.1 The LAC must operate in accordance with its Terms of Reference, approved as a change to Council's Constitution by Full Council at its meeting on 18th March 2021. The Terms of Reference provide that each LAC must agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review, and that the decisions it makes in relation to funding should fit with the priorities set out in the Community Plan and following engagement with the community.

4.4 Other Implications

4.4.1 None

5. ALTERNATIVE OPTIONS CONSIDERED

5.1 None. A key element in establishing LACs is the principle that each LAC will develop a Community Plan.

6. REASONS FOR RECOMMENDATIONS

6.1 The proposal to approve the South West LAC Community Plan is recommended on the basis that the Plan provides a clear framework in how the LAC will direct it's resources to address key issues identified through community consultation.
