1. PROPOSAL

1.1 Local Area Committees (LACs) were established by Full Council in May 2021. Their Terms of Reference are set out in Part 3 of the Council's Constitution and include:

- To agree a Community Plan setting priorities for the area of the committee, monitor delivery of that plan and keep it under review; and
- To make decisions relating to funding as delegated from time to time by the Council to fit with the priorities set out in the Community Plan and following engagement with the community.

Each LAC was allocated an initial budget of £100,000 under an executive decision by the Leader of the Council on 17th August 2021. This money is to be spent in line with the Community Plan. As the Community Plan was not finalised until late in the 2021/22 financial year very little of this budget has been spent across the LACs and it has been carried forward to the current financial year.

To enable decisions to be taken quickly and to respond to emerging issues between Committee meetings, in September 2021 the LAC authorised the Community Services Manager to make decisions on expenditure provided that:

- The decision is taken in consultation with the Local Area Committee Chair;
- Spending is in line with any specific purposes of the allocated budget;
- The decision may not approve expenditure of more than £5,000, and
- A report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting.

1.2 The South East Sheffield Local Area Committee (LAC) developed a Community Plan through consultation with residents, community groups and other stakeholders in South East Sheffield.

These consultations have helped identify key priorities within the South East area, which will inform actions to take to address issues that matter most to residents. The key priorities highlighted in the Plan are:

- Transport and Highways;
- Local Environment, and
- Crime and Community Safety.

At a meeting of the South East LAC held on 8th March 2022, the LAC

approved the Community Plan.

To enable decisions to be taken quickly and deliver priority actions to address specific issues identified in the Plan, this report presents an overview of anticipated spending during 2022/23 against priorities.

TOTAL	£24,000	

Contingency		
COMBINED TOTAL OF ANTICIPATED SPENDING FROM £100,000 BUDGET	£100,000	

Given that the actual expenditure may differ in amount to the figures anticipated above, reports detailing the exact amounts of expenditure under the above headings will be brought to each Local Area Committee meeting during 2022/23, as spending is incurred.

- 1.3 Much of the proposed expenditure will fall within the Community Service Manager’s current authorised spending limit. There may however be occasions when the proposal for an item of expenditure exceeds £5,000 and so would require a decision by the LAC to proceed, but to wait until the next meeting of the LAC would cause undue delay to the project.

To enable decisions to be taken quickly and to deliver priority actions to address specific issues identified in the Plan, it is therefore proposed that, to the extent that it is not already covered by existing authority, the Community Services Manager is authorised to make decisions on expenditure relating to the priorities set out in the table above provided that a decision may not approve expenditure in excess of the anticipated limit for the element in question set out in the table above. This authorisation would be subject to the conditions on consultation with the LAC Chair and expenditure being reported to the next meeting of the LAC set out in paragraph 1.1 above.

2. HOW DOES THIS DECISION CONTRIBUTE?

- 2.1 Local Area Committees directly support the Communities and Neighbourhoods and Our Council commitments in the ‘Our Sheffield: One Year Plan’ but to be effective they need to have the capability to respond quickly to emerging local issues.

3. HAS THERE BEEN ANY CONSULTATION?

- 3.1 The Community Plan has been developed through community consultation that has comprised of an online survey through the Council’s Citizenspace platform; a paper-based survey for those less digitally-enabled; engagement activity with representative organisations and in-person meetings.

Partner organisations and Council departments that have been identified as offering potential solutions to some of the issues identified have also been consulted, to establish whether suggestions can be realistically implemented.

4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION

- 4.1 Equality of Opportunity Implications

4.1.1 Decisions need to consider the requirements of the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010.

This is the duty to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The Equality Act 2010 identifies the following groups as a protected characteristic: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation.

The overall impact of this decision is likely to be positive and not disproportionate from an equality, diversity and inclusion perspective. In developing a Community Plan, local communities have been given the opportunity for a greater say in local decision making for services which impact their daily lives.

The devolution of responsibilities will improve inclusion for local people and the work of the Sheffield Equality Partnership will support and enhance the approach from a citywide and underserved communities' perspective.

However, in order to ensure this approach takes into account people who share protected characteristics under the Public Sector Duties the Local Area Committee Community Plan will be supported by appropriate equality monitoring of budget.

An Equality Impact Assessment (EIA 916) was previously carried out in respect of the establishment of Local Area Committees.

4.2 Financial and Commercial Implications

4.2.1 This report concerns expenditure of the LAC's approved budget of £100,000. This budget must not be exceeded.

Procurement of supplies and/or services will be carried out in line with the Council's Contracts, Standing Orders and Financial Regulations.

4.3 Legal Implications

- 4.3.1 The LAC must operate in accordance with its Terms of Reference, approved as part of the Council's updated Constitution, reflecting the committee system of governance, by Full Council at its Annual Meeting on 18th May 2022. In accordance with the provisions of section 101 of the Local Government Act 1972 the Constitution provides that a Committee may delegate to a Council Officer.

5. ALTERNATIVE OPTIONS CONSIDERED

- 5.1 Decisions on any expenditure above the existing authority to the Community Services Manager could be reserved to the LAC but this would delay delivery of priority actions to address specific issues identified in the Community Plan.
- 5.2 All decisions on expenditure to support Community Plan priorities could be delegated to officers. However, this would restrict the LAC's ability to monitor its delegated budget and delivery of the Community Plan.

6. REASONS FOR RECOMMENDATIONS

- 6.1 The South East LAC is asked to note the broad allocation of funding under the priority headings identified to assist its ability to monitor its budget, and to authorise the Community Services Manager to approve expenditure above the current delegated authority in certain circumstances so that delivery of the Community Plan is not delayed.
