Strategy Key	
1	Every child achieves a level of development in their early years for the best start in life
2	Every child is included in their education and can access their local school
3	Every child and young person has a successful transition to adulthood
4	Everyone has access to a home that supports their health
5	Everyone has a fulfilling occupation and the resources to support their needs
6	Everyone can safely walk or cycle in their local area regardless of age or ability
7	Everyone has equitable access to care and support shaped around them
8	Everyone has the level of meaningful social contact that they want
9	Everyone lives the end of their life with dignity in the place of their choice
