1. PROPOSAL

1.1 The Leader made a decision on 17th August 2021 to allocate a budget of £100,000 to each Local Area Committee and the Leader's Scheme of Delegation of Executive Functions has been amended to give Local Area Committees the power to approve expenditure from the budgets allocated to them.

To enable decisions to be taken quickly and to respond to emerging issues, at the meeting of the North LAC on September 30th 2021, a decision was made to authorise the Community Services Manager to make decisions on expenditure from any budgets allocated to the Local Area Committee provided that:

- The decision is taken in consultation with the Local Area Committee Chair
- Spending is in line with any specific purposes of the allocated budget
- The decision may not approve expenditure of more than £5,000
- A report detailing the delegated spending decisions taken by the Community Services Manager is presented to the next Local Area Committee meeting.

Under this delegation the following spending decision(s) have been taken:

2. HOW DOES THIS DECISION CONTRIBUTE?

- 2.1 Local Area Committees directly support the Communities and Neighbourhoods and Our Council commitments in the 'Our Sheffield: One Year Plan' but to be effective they need to have the capability to respond quickly to emerging local issues.

3. HAS THERE BEEN ANY CONSULTATION?

- 3.1 The Community Plan has been developed through community consultation that has comprised of an online survey through the Council's Citizenspace platform; a paper-based survey for those less digitally-enabled; engagement activity with representative organisations and in-person meetings.

Partner organisations and Council departments that have been identified as offering potential solutions to some of the issues identified have also been consulted, to establish whether suggestions can be realistically implemented.

4. RISK ANALYSIS AND IMPLICATIONS OF THE DECISION

4.1 Equality of Opportunity Implications

- 4.1.1 Decisions need to consider the requirements of the Public Sector Equality Duty contained in Section 149 of the Equality Act 2010.

This is the duty to have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act;
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;

- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

The Equality Act 2010 identifies the following groups as a protected characteristic: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex and sexual orientation.

The overall impact of this decision is likely to be positive and not disproportionate from an equality, diversity and inclusion perspective. In developing a Community Plan, local communities have been given the opportunity for a greater say in local decision making for services which impact their daily lives.

The devolution of responsibilities will improve inclusion for local people and the work of the Sheffield Equality Partnership will support and enhance the approach from a citywide and underserved communities' perspective.

However, in order to ensure this approach takes into account people who share protected characteristics under the Public Sector Duties the Local Area Committee Community Plan will be supported by appropriate equality monitoring of budget.

An Equality Impact Assessment (EIA 916) was previously carried out in respect of the establishment of Local Area Committees.

4.2 Financial and Commercial Implications

- 4.2.1 This report concerns expenditure of the LAC's approved budget of £100,000. This budget must not be exceeded.

Procurement of supplies and/or services will be carried out in line with the Council's Contracts, Standing Orders and Financial Regulations.

4.3 Legal Implications

- 4.3.1 The LAC must operate in accordance with its Terms of Reference, approved as part of the Council's updated Constitution, reflecting the committee system of governance, by Full Council at its Annual Meeting on 18th May 2022. In accordance with the provisions of section 101 of the Local Government Act 1972 the Constitution provides that a Committee may delegate to a Council Officer.

5. **ALTERNATIVE OPTIONS CONSIDERED**

- 5.1 None. This is in line with the previous decision of September 30th 2021.

6. **REASONS FOR RECOMMENDATIONS**

- 6.1 The North LAC is asked to note the use of funding as per the previous

decision of September 30th 2021.
